The Bee of Prosperity Is Again Humming Around Fulton

Although we are unable to find out anything definite from our sister states on the subject of the Bee of Prosperity, we are prepared to say that the bee is still in evidence in our own state of Illinois.

The bee is the symbol of industry and prosperity, and we are pleased to hear that the bee is still in evidence in our state. It is a sign of good things to come, and we hope that the bee will continue to be in evidence in Illinois.

The bee is a symbol of hard work and determination, and we believe that it is essential for us to continue to work hard and be determined in order to achieve prosperity.

The bee is also a symbol of the importance of teamwork and cooperation, and we believe that we must work together as a state in order to achieve prosperity.

The bee is a symbol of the importance of education and hard work, and we believe that we must continue to invest in education and hard work in order to achieve prosperity.

The bee is a symbol of the importance of perseverance and determination, and we believe that we must continue to persevere and be determined in order to achieve prosperity.

The bee is a symbol of the importance of hard work and dedication, and we believe that we must continue to work hard and be dedicated in order to achieve prosperity.

Big Laundry Improvement

In order to do a class of laundry work that we have never before attempted in our twenty-five years experience in the laundry business, we are installing the latest and most modern machinery for doing a class of work known as the Family Wet Wash, but instead of returning your clothes to you wet, they will be nicely dried in our new drying tumbler at the same price that other laundries have charged for wet wash heretofore.

Since the wet wash has proven unsuccessful we know that none of our patrons want their clothes returned to them wet, and in installing this twentieth century drying machine at an enormous expense, it will be in keeping with the town's progress and will be appreciated by the people we serve.

We never lose an opportunity to give the people of Fulton and vicinity the best of service, and the new equipment we are installing now will make our plant one of the leading laundries in the state.

Many of the schools are planning special Christmas entertainment for their pupils and it is hoped that all will enjoy the joyous spirit of the season in the various schools of the county.

The Junior Parent-Teacher Organization is preparing a program for the county-wide assembly which will be held on November 29. The assembly will be held at 2:00 p.m. in the high school auditorium. The children will be dressed in their Sunday best.

The Christmas tree will be decorated with thousands of lights and other ornaments. The program will feature a variety of musical numbers, dramatic presentations, and a children's chorus. The assembly will conclude with a prayer and a benediction.

Christmas Day in Other Countries

Every Land Has Its Own Way of Observing the Glorious Yuledriver

Each country has its own unique way of celebrating Christmas. In France, it is a time of great rejoicing, with lights and decorations adorning homes and churches. In Germany, it is a time of feasting and family gatherings, with the Christmas markets being a popular attraction. In Japan, it is a time of contemplation and reflection, with the emphasis on giving and receiving gifts.

What Christmas Means

By Frank M. Stewart

What Christmas Means to Me

Christmas is a time of joy and goodwill. It is a time to reflect on the true meaning of the holiday and to remember the spirit of giving and charity. Christmas is a time to spend with family and friends, to share in the joy of the season, and to celebrate the birth of Jesus Christ.

Christmas is a time to give and receive. It is a time to share in the spirit of generosity and to make a difference in the lives of others. Christmas is a time to remember the importance of family and to strengthen the bonds that tie us together.

Dearth Serves as Santa's Assistant

Task Is to Aid Merry Old Kris During His Christmas Rush.

By CHRISTOPHER C. HAZARD

CHRISTMAS is almost here, but Santa's assistant, the Cherub, is still on the job serving in the store of Mr. Gardner, the Photographer of your town. He is now in charge of the gift shop of the store. And because of his special gift—Eyes—Santa promises him a real Christmas.

In the special Pasture Department, the Cherub has some very special things—Newborn Cherubs, with a special order from the Cherub himself. They are just the thing for girls who love to dress up in costumes. But the Cherub warns: "Don't dress up too much—otherwise you will have to have a special order from the Cherub himself to come down to earth!"

DOING A DAY’S WORK

An address of President Ely of Harvard University, said to me: “What an opportunity, what pleasant work it was, to be president of the Harvard University.”

He added: “A man should do the best work possible in his field, regardless of the kind of work, and have the engine of his car overhauled by us. The truth in order and in the end leaves no room for doubt.

Successors to Coulter & Bowers

At this season why not have the engine of your car overhauled by us?

And the person who realizes the value of the day's work, instead of becoming exhausted by it, will find that the value of the day's work, instead of building up a character, will destroy the character. And yet there is a certain amount of drudgery and monotony to work, regardless of the kind of work it may be.

The person who realizes that the value of the day's work, instead of building and destroying, is the person who has the greatest chance of accomplishing more good in the world. And of course we have provided bounteously for the men's desire.

SANTA ERINGS NEW TOGS FOR BOYS, TOO

For Sunny, there are so many things that will win his hearts of approval Christmas morning—and you will be teaching him a virtue lesson by giving something to wear.

He will enjoy a pair of gloves, a long 2-3 pants suit, or perhaps a cap or a shirt. Then there are knickers, or a belt, or a sweater—and many other things that will be suitable.
