The club also discussed the plans for the coming season, including the annual picnic and the annual Valentine party.

South's Oldest Locomotive Will Attract Thousands

The South's oldest locomotive has passed through Fulton. This was the engine that was on the first train to leave Fulton for the World's Fair in 1876. The engine is now being exhibited at the World's Fair in St. Louis. It is expected that thousands of people will visit the exhibition to see this historic locomotive.

PERSONALS

M. H. Williams, editor of the local newspaper, is expected to return to his home in Fulton on Sunday, June 4, 1910, after a trip to the World's Fair in St. Louis. He is expected to bring back with him many souvenirs from the fair.

Destroying the Railroads During Civil War Days

The above illustration presents a scene that was common during the Civil War. The locomotive shown in the illustration was used to transport troops and supplies during the war. The engine is now preserved as a historical artifact.

HOSPITALITY

To Whom It May Concern:

Mr. and Mrs. E. V. Jacobs, managers of the Central Hotel at Denver, have been very satisfactorily entertained at the Fulton County, having been among the first to arrive in our city. They are identified with the city of Denver and have been long associated with the business of the hotel for the past twelve years.

Their hospitality is of the highest order. They have always shown themselves to be gentlemen and have been cordially received by the people of the city. They have been most hospitable and have always been ready to assist those who have needed their services.

We wish them continued success in their endeavors.
