A MERRY CHRISTMAS

We have a habit of wishing friends a "Merry Christmas" and a Happy New Year. Why not purchase presents instead of "Merry Christmas" and a Happy New Year. Christmas is both a happy and a merry time, and one cannot forget with one's friends anything but a merry as well as a happy New Year.

The significance of the time of year is the fact that we should even make a choice between a happy and a brotherly feeling, make efforts to spread good cheer, to do the family circle. Others can do for others in the same way.

Christmas is a time of giving, a time of free and easy giving, a time of helping others. It is a time of friendship, brotherhood and a love of mankind. The entire year.

Big Laundry Improvement

In order to do a class of laundry work that we have never before attempted in our twenty-five years experience in the laundry business, we are installing the latest and most modern machinery for doing a class of work known as the Family Wet Wash, but instead of returning your clothes to you wet, they will be nicely dried in our new drying tumbler at the same price that other laundries have charged for wet wash heretofore.

Since the wet wash has proven unsuccessful we know that none of our patrons want their clothes returned to them wet, and in installing this twentieth century drying machine at an enormous expense, it will be in keeping with the town's progress and will be appreciated by the people we serve.

We never lose an opportunity to give the people of Fulton and vicinity the best of service, and the new equipment we are installing now will make our plant one of the leading laundries in the state.

Mission Workers Find Pleasure in Selling Needy at Christmas Time

By ELEANOR E. KONG

Like the old story of the child who produces his own presents, Mission Workers in Fulton, Ky., tell of the joy they feel in being the means of providing gifts for other children.

“Notice a little girl in a Drag,
Tip her cap, and she will stand.
As you go along to a house,
Hold a present in your hand.
It is easy to please the poor,
Saw them when they were young,
Though their arms were empty then,
Now they know how to use money.”

In this old poem, which is well known to all, there is a way to bring joy to Christmas, one that will be remembered by the giver and the receiver.

The poem brings out the idea of giving a child a gift that will be remembered for the remainder of the year. It is a way to teach folks that giving is a way of life and that it is better to give than to receive.
