How He Gets Milk Profits

The dairyman who is getting milk profits this year is the fellow who has found out how to work more milk at less cost and per pound.

He Feeds Purina Cow Chow Purina Cow Chow fed according to the special pasture directions keeps cows producing to capacity. And—what's more—it keeps them in fine condition for heavy production of butterfat the fall and winter.

When feed is fed only on pasture dumping, Cow Chow feed lots are making the most money. The five cents invested in Cow Chow are yielding returns in the form of increased milk production.

Sunday School Lesson

Lesson for January 3

THE SON OF GOD BECOMES MAN

The story of the third chapter of Colossians is a story of two things: first, the beginning of our salvation; second, the assurance of that salvation. The reason for the story is: God's desire that men and women might have salvation in Christ Jesus. The chapter begins: "Therefore as the Son of God has suffered, so also you should suffer; if in the sufferings of Christ you are partakers, then also be partakers of the glory of Christ." The purpose of the story is: that all who are in Christ Jesus might have the assurance of salvation. The result is: the assurance that the suffering of Christ is the pattern of our salvation. The result is also: the assurance that the suffering of Christ is our glory. Big Laundry Improvement

In order to do a class of laundry work that we have never before attempted in our twenty-five years experience in the laundry business, we are installing the latest and most modern machinery for doing a class of work known as the Family Wet Wash, but instead of returning your clothes to you wet, they will be nicely dried in our new drying timer at the same price that other laundries have charged for wet wash heretofore.

Since the wet wash has proven unsuccessful we know that none of our patrons want their clothes returned to them wet, and in installing this twentieth century drying machine at an enormous expense, it will be in keeping with the town's progress and will be appreciated by the people we serve.

We never lose an opportunity to give the people of Fulton and vicinity the best of service, and the new equipment we are installing now will make our plant one of the leading laundries in the state.

The Trinity Church school met its usual Christmas Eve services and exercises in the Guild Hall, Thursday evening at 7:45 p.m. and was well attended by the church and the interested friends of the children. The special guest of the evening was Miss C. E. Neely, who has been a member of the Church all her life and has taught the Children's Class for the past 30 years. Miss Neely was introduced by Rev. Dr. Boyd and was presented to the members of the Church. She was presented with a beautiful ring and a scrolls as a token of appreciation for her years of faithful service. The children sang a song, "O Little Town of Bethlehem," which was sung in a beautiful manner. The service ended with a prayer, and the meeting adjourned.
