FOOD LIKE YOU GET AT HOME

This truly is a home-like restaurant because
it has endeavored to break down the preju-
dice based on the theory that restaurants
could not serve food like you get at home.
Many patrons have testified that there is no dis-
fERENCE between our meals and the meals
they would wish that these talks are
appearing in this paper.

Big Laundry Improvement

In order to do a class of laundry work that we have never before attempted in our twenty-five years experience in the laundry business, we have installed the latest and most modern machinery for doing a class of work known as the Family Wet Wash, but instead of returning your clothes to you wet, they will be nicely dried in our new drying tumbler at the same price that other laundries have charged for wet wash heretofore.

Since the wet wash has proven unsuccessful we know that none of our patrons want their clothes returned to them wet, and in installing this twentieth century drying machine at an enormous expense, it will be in keeping with the town's progress and will be appreciated by the people we serve.

We never lose an opportunity to give the people of Fulton and vicinity the best of service, and the new equipment we have installed will now make our plant one of the leading laundries in the state.

JUDGMENT IN BUYING
Buying foodstuffs and results doesn’t consist simply
in shoving your money over the counter and taking the
goods home. Anybody can do that, but it takes good
judgment to buy wisely.
Ask your friends what they think of our stores. They
will tell you that they buy from us because they get
what they want and are never overcharged. They buy
wise because they know where they are buying. They
buy from us because they know we are dependable.
Try our stores a few times and your own judgment
will tell you that you have made no mistake.
