THE LISTENING POST

DON'T FORGET to attend the baseball banquet tonight in the Rainbow Room, and hear the Baby Wolves, the Wolves and the Hyenas howl.

MAYFIELD IS to have night baseball hereafter, the first game to be played Friday night with Mayfield and the Wolves in the diamond. The lighting system at the ball park has just been completed, and the club sponsors are very proud of it.

TWO HUNDRED and fifty-six Fulton persons purchased their 1937-38 drivers' license from the Circuit Court Clerk yesterday, at the City National Bank.

SPANISH-AMERICAN War Veterans and their families are today enjoying their annual picnic at Columbus, Mississippi.

ABOUT FIVE forty-five o'clock last evening Fulton Eagles went on top in the Kitty League standings, for the first time this season. Little did we think when Jackson was blazing away at such a fast pace and widening the distance between their team and the Fulton team, that we'd catch up with them and pass them. But that's what we've done and all you fans who like to see some real good baseball and like to have a good team, go out to the games and keep 'em up on top the rest of the season by your support.

THERE'S A colored man in town who is supposed to have the power of "tying off" chills. Folks go to him and he ties some strings on them and says something, not "hokus-spokus," but something which means the same thing.

FULTON PLAYS in Mayfield tomorrow night, Saturday and Sunday afternoon. Tomorrow night's game will be preceded by a parade and concert by the high school band and the American Legion Drum and Bugle Corps, an address and other events.

KENTUCKY DEPARTMENT of the American Legion will hold its annual convention in Paris, Kentucky, next week. Joe T. Lovett, editor and publisher of the Murray Ledger & Times, will be a candidate for state commander at this meet.

LOCAL LIONS are taking advantage of the half-holiday today by going to Turner Lake for another fish fry. Those Lions and Rotarians certainly go in for fish in a big way.

RUDYARD KIPLING's famed tale of the heroic Gloucester fishermen and the boy whom they regenerated through ideals of courage and humanity, comes to the Orpheum Theatre, Saturday night for the first showing in a preview at 11 o'clock p. m., in "Captain's Courageous." It will continue through Sunday and Monday Freddie Bartholomew, Lionel Barrymore and Spencer Tracy are starred in this picture.

MRS. KALER DIES
YESTERDAY AFTERNOON

Mrs. Nannie Kaler, 82, passed away yesterday afternoon at 1:30 at her home in Clinton after a brief illness. Funeral services will be held this afternoon at 8 o'clock at Mt. Moriah church near Clinton, conducted by Rev. T. T. Newsum, assisted by Rev. Fuller. Burial will follow in the church cemetery.

The deceased was born in Madrid and was a member of the Methodist church. Her husband preceded her in death about 12 years ago. 3 children, Mrs. Emmett Reece, Miss Rothie Kaler and Ollie Kaler all of this city survive, also 3 sisters, Mrs. Mollie G. Ross, Mrs. C. A. Everett and Mrs. L. B. Presley.

Winstead-Jones Funeral home has charge of the funeral arrangements.

Veteran Chief Of Democrats Is Found Dead

Worked At Top Speed For FDR's Court Bill; Heart Attack Comes At Night

Washington, July 14.—Senate Majority Leader Joseph T. Robinson died today and the calm of mournful armistice descended on the chamber where he was said to have laid down his life in the battle for President Roosevelt's judiciary bill.

Robinson died last night in his apartment just across the street from the capitol grounds. At 7:15 a. m. CST he had been discovered and pronounced dead. Word spread through the capital and there was no rejoicing in the ranks of the enemy who yesterday belabored the Democratic leader for his strong arm tactics in behalf of the New Deal.

President Roosevelt heard the news in bed.

"A soldier has fallen in the face of battle," he said. Senators hurried to the apartment where Robinson's body lay. And men for and against the judiciary reorganization bill quickly began to revise their plans. The Senate met at noon. Already there had arisen from all groups in the chamber proposals that the Senate be given a state funeral in the Senate chamber if his family would consent.

The court dispute is over for a time. Perhaps a week may elapse before all Senators will return to their duties and the firing can begin again.

After consultation with Mrs. Robinson, Col. Edwin Halsey, secretary of the Senate, announced that a state funeral would be given for the majority leader in the chamber of the Senate at noon Friday. Mrs. Robinson will come from Arkansas to attend the services. The body will then be taken to Little Rock for state ceremonies in the Arkansas city where Robinson started his rise to national stature. President Roosevelt will attend the Senate service and Vice President John N. Garner planned to leave his Texas retreat at Uvalde to be present at the Little Rock ceremonies.

George Alley Wins Award

George Alley, Sr., salesman for the City Motor Co., has just been notified that he is the winner of the second highest award in a letter-writing contest in which Chevrolet salesmen from all over the United States competed. The award will be \$10.00 in cash.

Mr. Alley's letter told of an interesting new way to convince the buyer of a used car that the appraisal of his old car is correct, and was a defense on the used car appraiser.

Russian Fliers Land Big Ship Without Mishap

Landing Made In Pasture Near San Jacinto After Plane Had Been Lost

March Field, Calif., July 14.—(AP)—Three air heroes of the Soviet Union blazed a new distance record across the North Pole from Moscow to a Southern California cow pasture today for the cheers of the world and a ham and egg breakfast.

Fog forced them down near San Jacinto, a mountain community, after they had penetrated almost to the Mexican border.

Their direct air line distance was 6,262 miles although they flew much farther in avoiding bad weather. They timed themselves in 62 hours and 17 minutes from their Moscow takeoff, landing just short of this army air base about 6:27 a. m. P. S. T. (8:27 a. m. C. S. T.).

They had flown for some two and a half hours over the San Diego and Mexican border region before turning back north attempting to find a hole in the early morning fog.

Smiling gamely, Pilot Mikhail Gromoff, Co-Pilot Andrei Yumoshin, and Navigator Sergei Danilin, who do not speak English, climbed out of their great single-motored monoplane and greeted ranchers with cards bearing these English words: "Bath," "Eat," "Sleep."

Ranchers notified March Field and the fliers were brought here for their baths, eats and sleep.

Later Gromoff sent this dispatch to Moscow:

"After 62 hours and 17 minutes establishing two world's records, one for straight flying, one blind flying. Greetings to Soviet people."

Then he sent another: "Proved feasibility of trans-Pole crossings, found magnetic disturbances, Radio communications OK with Russian stations. We reached Canada then it faded out. Plane performed excellent."

DECEMBER AND MAY ROMANCE ENDS IN DEATH FOR TWO

Cassopolis, Mich., July 14.—(AP)—A note indicating doubt over the success of their "December and May" romance had caused them to decide to end their lives was found today with the bodies of Dean Slipper, 30, and Mrs. Mary Clutter, 64.

The bodies were in a parked automobile. The coroner returned a verdict of murder and suicide by Slipper.

The note, signed by Slipper, told of the affection between the two and then concluded: "But some people thing our age is way off and this is the only way out."

Mrs. Clutter is survived by three sons.

Woman Church Worker's Murder Laid To Minister

Paris, Mo., July 14.—(AP)—As feeling in two county seat towns on opposite sides of the Mississippi ran high tonight over the strange death of a middle-aged mother, the Rev. C. E. Newton, 51, a Baptist minister in Northeast Missouri for thirty years, faced charges of first degree murder.

The body of Mrs. Dennis Kelly, 45, a former member of his congregation here and a staunch supporter during a controversy which led to his resignation a year ago, was found floating in the Mississippi near Louisiana, Mo., late Tuesday. Her husband, a rural mail carrier, said she disappeared Monday night or early Tuesday after leaving a note regarding the education of their two sons.

Prosecuting Attorney Tom Proctor of Monroe County, Missouri, said he was charging the minister with the slaying of Mrs. Kelly had been issued by Pike County, Illinois, authorities at

Pittsfield, across the river near where officers believed the alleged slaying occurred. Mrs. Kelly recently deposited \$2,000 in a Paris bank, then withdrew \$1,950. "As sorry as I am to say it," stated Proctor, "the evidence is piling up against Newton." Proctor said he had known the minister for at least twelve years. "We discovered a large hole dug in the floor of the Newton garage," he continued. "It was a freshly dug hole, and evidently had been intended for a grave. We also found four loaded revolvers in his (Newton's) house, as well as a pair of stained trousers, a shirt and an undershirt which had been recently washed."

The prosecutor described the hole in the garage as being about six feet long and three feet wide. Newton first was questioned following the finding of Mrs. Kelly's body.

Fulton Medics. Attend Meeting

Members of the Fulton-Graves Medical Society met in joint session last night at the Hall Hotel in Mayfield, with about twenty doctors from the two counties in attendance.

Following the dinner at 7 o'clock, which was presided over by the president of the society, Dr. A. B. Colley of Farmington, medical discussions were held and the following program given:

Dr. J. T. Morrison of Hickman gave a paper on "Lumbago Paralysis." Discussion was given on his paper by Dr. W. J. Shelton of Mayfield. Dr. Jacob M. Mayer of Mayfield gave a paper on "Intestinal Obstruction," which was followed by a discussion by Drs. J. T. Fuller of Mayfield and Dr. M. W. Haws of Fulton.

The next meeting of the two societies will be held at Fulton in September. Those attending from Fulton were Dr. M. W. Haws, Dr. Seldon Cohn and Drs. R. T. and Russell Rudd.

HOMEMAKERS HELP IN COMMUNITY CLEAN-UP

Community "clean-ups" were sponsored by homemakers' clubs in Hart county. Lawns and other private premises and school, church, cemetery and other public grounds were cleaned of debris, and fences repaired, old buildings removed, tomb stones straightened, window panes restored and painting done. At McHenry, a member of the homemakers' club donated a lot for a town park. Trees, shrubs and flowers were set and benches placed.

Mrs. Roosevelt's Tax Returns Defended By Federal Official

Washington, July 14.—(AP)—Robert Jackson, Assistant Attorney General, declared today that Representative Fish, Republican, New York, has anything more to say about Mrs. Franklin D. Roosevelt's tax returns he should direct his criticism at the men of the Treasury.

In a letter to a Congressional tax investigating committee, he remarked: "Mrs. Roosevelt, who did all that a conscientious taxpayer could do, should be dropped from this controversy, and if Mr. Fish wishes to continue it, let him direct his criticism at us men."

Fish previously had told the committee that Mrs. Roosevelt made use of a "loophole" in the revenue laws. The Republican Representative mentioned a contract under which the President's wife made ten broadcasts in 1935, for which she received \$1 each and the American Friends Service

Farley Queries About FDR's Term

Denver, July 13.—(AP)—Postmaster General James A. Farley, guest of honor today at the national convention of the Benevolent and Protective Order of Elk, discussed the Supreme Court reorganization plan and labor strike, but parried questions about a third term for President Roosevelt.

Of a Roosevelt third term, Mr. Farley said:

"I may have my own ideas about the things, but there is only one man who can answer that question and that man, of course, is President Roosevelt."

SHORT ILLNESS FATAL TO LOOMIS LEHIGH CHAIRMAN

Summit, N. J., July 11.—(AP)—Edward Eugene Loomis, 72, chairman of the board of the Lehigh Valley Railroad Company, died today at his summer home, Holiday Farms, Murray Hill, near here. He had been ill six days.

Death was attributed to hemiplegia—bursting of a cerebral blood vessel. At the bedside were his wife, Julia Oliva Langdon Loomis; his two daughters, Olivia and Mrs. Virginia Schieffelin, and a son-in-law, Bayard Schieffelin.

Loomis, who started out to be a lawyer and became instead a railroad and coal mining executive, was born April 2, 1865. After graduation from college his first job was in the law department of the Denver & Rio Grande Railway, where he became interested in transportation. Thereafter he was advanced through a variety of executive posts.

J. M. Fry Dies Of Pneumonia

J. M. Fry, age 76 years, well known shoe merchant and beloved citizen of Fulton, died at 7 o'clock p. m. Wednesday July 14, 1937, at his home on Fourth street, after a short illness.

Mr. Fry's death comes as a shock to the community and was wholly unexpected. He became ill about two weeks ago, developing pneumonia yesterday, which caused his death.

The deceased was born in Camden, Tennessee, and moved to Fulton to make his home about forty-five years ago. For the past twenty-five years he has been in the shoe business at the present location of the Fry Shoe Company on Lake street. In 1925 he and the late N. B. Morris formed a partnership and entered the shoe business, which partnership was dissolved shortly before Mr. Morris' death in 1925. Some six months later the firm of Fry & Newhouse was formed, with A. B. Newhouse being the new member, which partnership was dissolved the first of this year, and Mr. Fry continued in the business under the name of the Fry Shoe Company.

Mr. Fry has been a constant and faithful member of the Cumberland Presbyterian Church here for many years, and keenly active in his church work. In 1899 he was married to Miss Margaret Clemons, who survives. His constant association with people in this community had made for him many friends, and Fulton has indeed lost a valuable and beloved citizen. Always willing to co-operate in civic and social duties for the betterment of humanity and his town, he was considered not only a successful business man, but looked upon by those who knew him as being kind hearted and generous.

He leaves to mourn his passing, his widow, two brothers, Algernon of near Fulton, Will of Union City, and two sisters, Mrs. Mattie Glass of Martin and Mrs. J. B. Chambers of Fulton, besides a host of other relatives and friends.

Funeral services will be held at the family residence, 111 Fourth street, conducted by Rev. E. R. Ladd, and burial will be in East View Cemetery at Union City, in charge of Hornbush Funeral Directors.

pallbearers will be: R. H. Wade, Chas. Binford, R. L. Johnson, D. D. Legg, A. B. Newhouse and Fred Roberson.

Jurors Told Fight Started By Strikers

Police, Observers Say Steel Men Had Been Armed

Chicago, July 14.—(AP)—Police and observers testified today that steel strikers carried guns and clubs and began the fighting in a Memorial Day riot which cost ten lives.

Their testimony was before a Coroner's jury of six members of the American Legion seeking to determine whether police were justified in using their pistols.

Statements placing blame on the crowd, which had moved to the field near Republic Steel Corporation's Grand Crossing plant from a union mass meeting, were contradicted by the testimony of Gus Yuratovik, president of the Republic Lodge of the Amalgamated Association of Iron, Steel and Tin Workers.

Self-Defense Claimed

Capt. James L. Mooney, in charge of a police detail he said numbered 300, of whom 200 were on the field and 100 inside the plant, asserted no order was given his men to fire.

"Those who did shot in self-defense to save their lives," the officer testified.

Virgil King Has Broken Leg

Virgil King, engineer at the Fulton Ice Company, sustained painful injuries last night about 10 o'clock while working with a Diesel engine at the ice plant. In some manner a part of the engine came in contact with his leg, breaking it in two places, one above the ankle and the other just below the knee. He was taken immediately to the Fulton Hospital where he is being treated.

Logan Thomas, Lee county, seeded 20 acres to Bluegrass following liming and phosphating. Strawberries in Muhlenburg county are flourishing, and it is estimated the yield will be approximately 4,000 crates.

Eagles Whip Oilers 10 To 5 And Move Into First Place

Jackson Drops Out Of Lead For First Time This Season

Before a ladies day crowd of tremendous proportions, the Eagles went to work on the Owensboro Oilers here yesterday, after spotting them to a big lead, and by means of some plain and fancy hitting routed the visitors 10 to 5. Last night Jackson lost to Paducah and this boosted the Eagles into first place by a half game margin. It is the first time this season the Generals have been out of the lead, for they staged one of the great winning streaks in the history of baseball to build up a perfect average for the first two weeks of play and only lost about three games during the first month of the season. The Eagles started a drive a week ago as they took to the road for five games. They swept these five games against Jackson, Lexington and Union City, and the drive continued here for two days against Owensboro, giving them a winning streak of seven games and carried them to the top of the heap. But the race is still close. Jackson is only a half game behind Union City and Hopkinsville are only a masher shot back of Jackson, and Lexington is coming along like a well oiled machine, and Owensboro is still in there fighting with Mayfield making a strong bid for first division honors.

Durheim was wild yesterday and in the second inning walked three men. He then got two out and Red Johnson potted a long double to left to clear the bases. Trying to make third Johnson was caught on a fast relay. In the third the Oilers added another pair. Reibe drew life on Sumner's error. Bing doubled and Wise singled to score two runs.

The Eagles came back in the third to get one run. Wilson singled moved to second on an error and scored when Manager Porter pumped out a long single. Porter

was cut down at the plate on a close decision.

In the fourth the big guns started booming. Wilson singled, Zanier walked, Joiner scored a run on a fielder's choice. Gregory crashed a single, and Cooper ended the agony for Helvey, big Oiler right hander, by driving over the right field fence. Five runs came in and Fulton was ahead. Wenning relieved Durheim when he was lifted for a pinch hitter. Elmer the Great did not allow the Oilers to dent the plate again, although he stewed in some pretty hot water practically every inning. It seemed easy to reach base on Elmer the Great but it was hard to move around to the pay-off station. In fact, it was impossible, for Elmer the Great was tight after he got men on the runways.

In the sixth the Eagles flew wild again. Gregory singled, Cooper moved him to second, Summers singled and Weiss hammered a tremendous clout over the center field wall to clear the bases. Zanier then drew life on an error. Porter was also safe when the ball was fumbled. Clonts was hit in the ribs, and Wenning was issued a pass to force Zanier in. Four runs were picked up in this inning, and this marked the end of the scoring.

Summers tripled in the eighth and was called out at the plate when it seemed to everybody that he had the throw beaten easily.

THE NEW BREAD DIET

that helps to **BURN UP**
fat... while reducing

THE Bread Diet is SAFE. It doesn't let you down in energy the way extreme diets do.

Everyone should know that Bread itself is not fattening. It is a combination of carbohydrates, for energy, and a special form of protein that helps burn up surplus fat while you are reducing.

You will feel splendidly energetic on the Bread Diet—not weak, tired and irritable. Bread helps keep your muscles firm. Extreme diets may result in nervous breakdown and should be undertaken only under a doctor's supervision.

If you want to reduce safely—we recommend that you take the main part of your energy food in the form of Bread.

FOLLOW THIS BREAD DIET PLAN
This Diet Plan gives about 1500 Calories a day—the reducing allowance of the average person.

HORNBEAK'S BAKERY

SPORT CHATTER (By Bob Parker)

DR. BASSETT TAKES GAME AWAY FROM FULTON! ARE YOU GOING TO STAND FOR IT? WHAT CAN YOU DO? YOU CAN DO PLenty IF YOU WILL LISTEN. Here is the whole thing—On June 15th Owensboro was playing the Eagles at Fairfield Park. It was in the 5th inning the Oilers had Helvey on second and Witchousky on first—the score was tied 3-3 with one out—Johnson hit a drive to Long (who was pitching) it bounced off his glove—Gregory was set to receive the ball when along came Helvey and kicked the ball into the stands. Umpire Blackard called the man out, but when Wise protested to Blackard about the play he called Green and they had a conference. They decided that Helvey slowed down and deliberately kicked the ball and HE WAS OUT FOR INTERFERENCE—NOT BECAUSE THE BALL HIT HIM. Manager Wise did not notify Skipper Porter that he had protested the game. The by-laws of the Kitty League says that in the case of protest the protesting team must notify the other team within 12 hours either by writing or wire. Again Ned Porter wasn't notified. That is, so that a fair and square president could hear both sides of the issue and decide upon the case. BUT WHAT DID DR. BASSETT DO? WELL I'll tell you. He waited until Fulton was near the top of the league. HE WANTED 29 DAYS BEFORE SAYING ANYTHING ABOUT IT. Then at the meeting Tuesday night in Paducah he said that Fulton must play that game over beginning at the point of protest. AGAIN HE IS WRONG. The by-laws also says that the president must rule on a protested game within 36 hours and notify all parties concerned either by writing or by wire. DID HE DO THAT? NO? NO? No one here even knew that the game was protested and the statement (if I said decision, I would be giving Dr. Bassett too much credit) from Dr. Bassett came to Skipper Ned, the Eagles and the fans like a bolt of lightning out of the clear blue sky. The officials didn't even know it until they were in the meeting Tuesday night. The umpires wouldn't back up their decision when Dr. Bassett asked them about it (if he asked them). It looks as tho they are scared of Dr. Bassett. YOU STILL WANT TO KNOW WHAT YOU CAN DO. JUST THIS. Some of you who are not afraid to talk to Dr. Bassett can get in a car and go up to Hopkinsville and tell him straight out about the whole thing. If you are afraid to say what you think don't say. If you let him do

the talking you will get nowhere fast. You have got him in a spot if you will get him told he will have to come across because he is without foundation. DO YOU WANT A WINNING BALL CLUB? OF COURSE YOU DO. THEN SHOW IT BY HELPING THEM NOW. If this thing is allowed then he will run over Fulton the rest of the year. WHY DID THE LEAGUE MAKE THOSE BY-LAWS? So Dr. Bassett would have something to go by. BUT IS HE GOING BY THEM? NO. NO! Not even a little bit. He wants to run this league the way that it suits him—ARE YOU GOING TO ALLOW IT?—Nuff said.

LIGHTNING BREAKS RULE. HITS SAME PLACE TWICE
Tiffin, O., July—(AP)—Lightning bolts hattered the old proverb today and struck twice "in the same place."

That place, strangely, was the home of A. D. German, government weather observer. German said the first bolt shattered one of the roof and the second demolished a radio, stunning the observer and his wife.
