# THE BENTON TRIBUNE.

VOLUME IV.

BENTON, KENTUCKY, WEDNESDAY EVENING, AUGUST 24, 1892.

NUMBER 43.

The 500 strikes that have taken place in the United States since the passage of the McKinley bill may be due to the reciprocity feature of that remarkable production.

As a general liniment for sprains and bruises or for rheumatism, lame back, deep seated or muscular pains, Chamberlain's Pain Balm is unrivaled. For sale by R. H. Starks.

Hon. Wm. J. Stone, whom the democrats of Missouri have nominated, and who will consequently be the next governor of that state, is a citizen of Nevada, Vernon county, and is known to the people by reason of his long and conspicuous services in congress. He was born in Madison county, Ky., May 7, 1847.

Auditor Norman predicts that, owing to the failure of the general assembly to pass the Revenue and Taxation bill and the heavy drain on the treasury, suspension of payment will again be necessary next January, not to be resumed until the fall of 1893, when a tax rate, increased ten cents on the \$100, is the cheerful prospect.

The larger a campaign fund is, the more reason there is to suppose that it will be used to buy votes. If a campaign fund is small, it will be absorbed in the payment of ordinary expenses, and there can be no vote buying. The republicans have already moved three safes into their headquarters, and these boxes are not to be used for the safe-keeping of campaign speeches, which nobody ever steals.—Courier-Journal.

Nancy Hanks, "Queen of the Turf," is the way it reads now. Last Wednesday, at Washington Park, Chicago, in a race against her own time of 2:09, the grand little mare showed the fame of the Bluegrass a notch higher by lowering the world's record to 2:07. This places Maud S. and even the kite-shaped track performer Sunol in the shade. Kentucky now wears the proud distinction of having given the world its two fastest trotters.

Governor Brown with one stroke of his pen has swept away the work of the legislature for the past seven months. The revenue bill and the corporation bill have been vetoed and the legislature has adjourned until the 15th day of November. Pity 'tis not for good and all. The session of the legislature has cost the state hundreds of thousands of dollars, it has been in session for a period of more than seven months and has accomplished nothing. Never in the history of this world has a legislature met, that was more incompetent to do business. By its ignorance and incompetency it has throttled every interest of the state, tied the hands of capital and stopped development in every mountain and valley in Kentucky. If the individual members of the legislature had any appreciation of the sentiments of their constituents they would resign and allow some one to be elected capable of discharging the onerous duties of making laws for the state.—Williamstown Courier.

During the epidemic of flux in this county, 1888, I had hard work to keep a supply of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand. People often came ten or twelve miles in the night to get a bottle of the remedy. I have been selling patent medicines for the past ten years and find that it has given better satisfaction in cases of diarrhoea and flux than any other medicine I have ever handled.—J. H. Benham, druggist, Golconda, Pope county, Illinois. Over five hundred bottles of this remedy were sold in that county during the epidemic referred to. It was a perfect success and was the only remedy that did cure the worst cases. Dozens of persons there will testify that it saved their lives. In four other epidemics of bowel complaint this remedy has been equally successful. 25 and 50 cent bottles for sale by R. H. Starks.

## DISTRICT PRIMARY ORDERED

To Nominate Candidates for Circuit Judge and Commonwealth's Attorney.

PALMA, KY., Aug. 12, 1892.—At a meeting of the democratic committee of the second judicial district, composed of the counties of Marshall and McCracken, the committee in looking over the field find the success of the democratic party threatened, in that there are at present three democratic aspirants for circuit judge, and that to divide the vote of the district by three, equally, would show a walk-over for a republican candidate for the office of circuit judge.

The same is the situation, we see, also in the office of commonwealth's attorney, with an independent candidate already in the field who has more than once made a race against the regular nominated candidates of the democratic party for other offices.

Therefore, after, we think, properly weighing the matter, and for the better and more complete organization of the democratic party in the above named counties it is ordered that a primary election be held at all the voting precincts of the two counties named, Marshall and McCracken, on September 10th, 1892, to nominate a candidate for circuit judge, and a candidate for commonwealth's attorney for the second judicial district of Kentucky.

1. It is ordered that a poll shall be opened in each of the late voting precincts of the two counties, at 8 o'clock a. m., on the date fixed, Sept. 10th, and be kept continuously open until 6 o'clock p. m. the same day.

2. The election shall be held by two judges and one clerk, to be appointed by the chairman of each county.

3. The same rules and regulations shall govern the holding of this primary as were laid down by the congressional committee for the late primary held on the 1st day of this month.

4. It shall be the duty of the clerk of the election of each voting precinct to return to the chairman of his county committee the poll books and certificate of election on or before the 13th day of September, 1892.

5. It shall be the duty of the chairman of the two counties to meet in the city of Paducah on the 15th day of September, 1892, and count the vote of the district as certified to by the officers of the said primaries, and the one receiving the highest number of votes for circuit judge will be declared by them to be the nominee of the democratic party for that office, and the one receiving the highest number of votes for commonwealth's attorney, shall be declared the democratic nominee for that office.

6. The chairman of the two counties will estimate the cost of holding the said primary election all over the district, and they will assess and collect from each aspirant for one of these nominations his proportionate share of said expenses.

7. It is further ordered that any person who will be a legal voter at the November election and who is known by the judges of his precinct to be a democrat, and who may pledge himself to support all the nominees of the democratic party at said general election in November, shall be entitled to vote in the primary hereby called. W. R. Truitt, Chairman Democratic Committee of Marshall county.

J. M. Ezell, Chairman Democratic committee of McCracken county.

Calvert City.

The struggle is over. The strife has ceased. The din, the noise, the confusion of contending factions has given place to peace, quietude and brotherly love. The

thundering roar of battle has rolled away and in its place nature sleeps in quiet repose and divinity itself looks down and smiles, and a sweet calm steals o'er all the universe, and the scroll is stretched across the broad blue arc of heaven from pole to pole, from ocean to ocean, and on it is written so plainly that it cannot be misunderstood, in letters of golden tinge, the grand old word "democracy." As the smoke from the battle rises from the field and floats heavenward to, commingling with the clouds, what is the scene that is left on the hard fought field of battle? We look and see the proud conqueror bending over a lifting up his vanquished foe and place him in a secure place and then speak to him in tender tones. Ah! that is charity. We look again and see the vanquished foe swearing eternal fidelity to his conquerors and pledging his eternal friendship and support. They are noble foes. We look again and far down the line and we see the rank and file grasping each others hands and promising to stand shoulder to shoulder, to march in line, to forget and forgive all differences and work for a common cause. We see the boys in the trenches throwing their hats in the air and shouting glory hallelujah, on to the polls in November. They are grand things—the democratic primaries. They organize the boys and leave them all like brothers working for a common cause and dropping all differences. Thus it ever is with the rank and file of democracy. To be a democrat is to breathe with the spirit that's holy. Onward, boys, to the polls in November and let your watchword be "Stone, Starks and Shemwell." Peace be still.

Blooming Grove, Texas.

Ed. TRIBUNE.—Will you give an old Marshall county boy a little space in your excellent paper?

This is a fine country, good land, good people and good society.

Crops are very fine in this (Navarro) county. Corn will average 40 bushels per acre. Cotton will average one-half bale per acre. Oats thrashed from 75 to 110 bushels per acre. Cotton has begun to open and in two weeks the fleecy staple will begin to move and then our people will be happy and prosperous.

Politics is all the go here now, the county being nearly equally divided between the people's party and the democrats, the republicans holding the balance of power. This is the home county of R. Q. Mills, the famous tariff reformer. He will address the people of Blooming Grove on the 18th. Come over Jim, and we will take it in.

At the request of some of my friends in old Marshall I will give a short description of this county. This is a prairie county, very level; you can see as far as your eyes will let you. There are two kinds of soil a sandy loam and a black waxy soil. The latter is the finest soil I ever saw. Unimproved lands can be bought at from \$10 to \$12 an acre; improved at from \$15 to \$20. Corn, cotton and oats are the principal products. Wheat does well here, but there is not much sown because the people think that they can't quit raising cotton. This is the best country for all kinds of vegetables I ever saw. The people are kind energetic and social, and extend a hearty welcome to all industrious people of the old states.

Perhaps I had better close by saying to my old friends in Marshall county, and especially in and around old Briensburg, that I will

ever cherish their memory in a sacred spot in my heart.

Success to the Tribune; "Long may she live in the land of the free and the homes of the brave." F. B. BURNHAM.

Henry Schoenbals, foreman Henry Krug Packing Co., St Joseph, Mo., uses Dr. Thomas' Electric Oil with his men for sprains, cuts, bruises, chapped hands, etc. It is the best.

Dickson county, Kansas, has a county superintendent of schools who, when he visits schools takes along a box of tools, saw, hammer, etc., and fixes all the broken seats, decayed door-steps and dilapidated brooms he comes across.

Mr. John Carpenter, of Goodland, Ind., says: "I tried Chamberlain's Colic Cholera and Diarrhoea Remedy, for diarrhoea and severe cramps and pains in the stomach and bowels with the best results. In the worst cases I never had to give more than the third dose to effect a cure. In most cases one dose will do. Besides its other good qualities it is pleasant to take." 25 and 50 cent bottles for sale by R. H. Starks.

Improvement, the Promise of Cure.

No array of words can give a dyspeptic one-half the hope that comes from the relief which always follows the use of Burdock Blood Bitters, and the promise of cure is never broken.

"Having suffered from dyspepsia for two or three years, I decided to try B. B. and after taking one bottle I found myself so much better I got another bottle and after taking that I had more need of medicine. Mrs. G. C. White, Taberg, N. Y."

Don't pay for daily bread and then groan with dyspepsia when a bottle of B. B. B. will give you relief. Repeated tests with uniform success prove that dyspepsia cannot withstand B. B. B.

"I have taken the second bottle of Burdock Blood Bitters, and it has cured me of dyspepsia with which I suffered for six years. W. W. Hamilton, Lock Haven, Pa."

## GOVERNOR BROWN.

We are not disposed to criticize  
the recent action of the governor  
in vetoing a few bills because he  
thought they were unconstitutional  
or not passed according to the  
rules of the new constitution, but  
we do believe he is wrong in his  
objections. They are not well  
founded and in our opinion will  
not stand the test of the light of  
day. If he is paying the attention  
to the acts of the legislature, as is  
his duty to do, he has made a few  
great blunders that will cost the  
tax-payers of the state many thou-  
sands of dollars. If his position  
is right on the revenue and taxa-  
tion bill he has greatly neglected  
his duty before the legislature  
adjourned and should have called  
the attention of that body to such  
objections when he was signing  
the re-districting bill and other  
bills that he now claims were not  
passed as they should have been.  
The expense of calling the legisla-  
ture together to-morrow is too  
much for the state to pay unless  
there was some necessity for the  
call. Mr. Brown has got his head  
into the halter and if he don't  
work the ropes very fine he will  
get the worst of this almost un-  
precedented action on the part of  
the executive. Time will demon-  
strate that he was right in signing  
the election law, the World's fair  
appropriation law, the judicial re-  
districting law, the local option  
law, and other important laws and  
that he was wrong in vetoing the  
revenue bill. If he is wrong in  
his present course he will soon  
have the condemnation of the tax-  
payers of the state resting upon  
his head. The legislature never  
had an equal on earth for genuine  
trifling and extravagance. When  
we say extravagance we mean that  
it takes it too long to do its work.  
They are all in a muddle at Frank-  
fort, but we hope they may settle  
it before the state is bankrupted.

Keys and Bolinger are still in  
the field lecturing for the sub-  
treasury scheme. This is a nice  
pair of politicians to go out over  
the country instructing democrats

how to vote. Their object can be  
stated in a few words: "Break  
down the democratic party." But  
it will take mightier guns than  
they to break down the only party  
that is the poor man's friend.

We are in receipt of the cata-  
logue of the Paducah Jockey Club  
and Fair association, which shows  
that the fourth annual meeting will  
take place Tuesday, Wednesday  
Thursday and Friday, September  
20, 21, 22 and 23, 1892. This  
promises to be one of the most  
successful meetings the associa-  
tion has ever held.

Keep your eye on Mr. Weaver.  
He is a pure unadulterated green-  
backer, who has in days gone by  
slandered every democrat in the  
south. Any man, be he a demo-  
crat or a republican, cannot and  
will not vote for such a man. A  
man who slanders our men and  
women, as pure as ever lived, can  
never get our vote.

Mand S, who has reigned as  
queen of the trotting turf since  
July the 30th 1885, with a record  
of 2,083, now resigns in favor of  
Nancy Hanks, with 2,074 opposite  
her name. It is thought that  
Nancy will lower this record be-  
fore the season closes. This is  
fast time and Nancy Hanks may  
be the queen for almost a  
generation to come.

Look out Brother Card, you  
would not take sides as between  
the aspirants in the late congres-  
sional race in your district, and  
now we "ain't" going to have you  
put in in the judicial race in our  
district. If you can't instruct  
your voters how to vote we "ain't"  
going to have you instruct ours  
how to vote. So hands off.

Gov. John P. Buchanan, of the  
state of Tennessee, is an inde-  
pendent candidate for governor.  
He was nominated two years ago  
by the democrats and was elected  
by them and now because he has  
proven himself a failure as the  
chief executive of the state and  
the democrats think they have  
better material and have selected  
another man, he is now a tool to  
his ambition against the party he  
has always been a member of now  
seeks its destruction by trying to  
tear it to pieces. Such a failure  
is his political death, and should  
be, because when a man's own  
ambition is greater than the prin-  
ciples of his party then he is too  
small to be further trusted by his  
friends to any position whatever.  
Farewell, Mr. Buchanan, when  
your term expires so will your  
political influence expire.

"Charges Made" is the title of a  
circular recently issued by I. A.  
Wesson, assistant chairman first  
district of the people's party. He  
has asked ten questions and wants  
the democrats to answer them.  
They are all easy to answer and  
will be answered at any of the  
democratic speakings where Mr.  
Wesson can hear them. He would  
do well to ask some one how his  
party's sub-treasury scheme will  
work and where the government  
is to get the money necessary to  
buy up all the railroads in the  
country. He would do well to  
get some of his party leaders to  
explain why his party endorses  
and favors the infamous force bill.  
He would do well to offer the  
working people a remedy for the  
many evils they have to endure  
under the present state of affairs,  
if he has one, but the truth of it  
is he has none to offer.

Already Married.  
The county clerk receives many  
curious and funny letters, as the  
following will show:

Sebre, Webster County, Ky.,  
Aug. 19, 1892.  
To the county clerk Marshall Co.  
DEAR SIR:—I object to you  
issuing license to William Asher  
to marry Lizzie Downs. My  
grounds for objection is I hold  
her to a marriage contract.

Yours fraternally,  
J. H. MCKINDLEY.  
My P. O. address is Mt Vernon,  
Indiana.

Mr. McKindley is to be in this  
county to-morrow to wed to his  
contracted Miss, but when he  
comes he will find his Miss Lizzie  
Downs a married woman, and wife  
of William Asher. He may think  
he cannot get over it and live, but  
he will ultimately recover.

Why is it that goods are  
sold so cheap at Lemon's  
drug store? Because he

## A Relationship Problem.

Two ladies out walking met a  
gentleman; he raised his hat to one  
and the other said: "Do you know  
that gentleman?" The other lady  
replied his mother was my mother's  
only child. The publisher of the  
Ladies Pictorial Weekly will give  
an elegant Chickering Piano, val-  
ued at five hundred dollars, to the  
first person telling the relationship  
existing between the gentleman  
and lady speaking last. An ele-  
gant suite of Parlor Furniture,  
valued at two hundred dollars will  
be given for second correct an-  
swer. A first-class combination  
ladies or gentleman's Bicycle, val-  
ued at one hundred and thirty-five  
dollars, will be given for third cor-  
rect answer. An elegant suite of  
Bed-room Furniture, valued at \$75  
will be given for fourth correct  
answer. Ten elegant Gold watches  
(good movement) will be given for  
each of the next ten correct an-  
swers, and a valuable prize will be  
given to every person that answers  
this problem correctly. We are  
publishing the very best and hand-  
somest Ladies' Weekly publication  
for the price on the two continents,  
it equals all the high priced weekly  
publications, and our object in  
awarding these prizes is to intro-  
duce it into new homes and make  
permanent subscribers. We guar-  
antee that every person answering  
this problem correctly will receive  
a valuable prize that will enable  
us to secure their friends as sub-  
scribers. Every one answering  
must enclose one dollar for a six  
month's trial subscription to the  
Ladies Pictorial Weekly, which  
is published by a perfectly reliable  
firm. Prizes will be sent promptly  
and just as represented. Contest-  
ants should answer to-day as date  
of postmark counts and this ad-  
vertisement appears all over the  
country on the same day. Prizes  
will be sent free of customs duty.

For twenty-five years the demo-  
cratic speakers have abused the re-  
publicans, now the people's party  
are getting the abuse.

We don't see any argument in  
abusing a man neither will it sus-  
tain a cause or convert any man.  
What we demand is a joint debate  
now fellows get a move on ye.—  
Home Sentinel.

Now the democratic party is  
being paid back with usury. It is  
being roundly abused by the re-  
publicans, prohibitionists and the  
people's party, more especially by  
the people's party. Abuse of  
democrats is the stock and trade  
of that party, and not one of their  
speakers can get up and make an  
argument defending their platform  
and explaining how the people can  
be benefitted by its workings; all  
they can do is to read and abuse  
the democrats. If the condition  
of the people is bad, show a rem-  
edy or shut up. A physician who  
can't discover the disease of his  
patient and offer a remedy other  
than to abuse the other doctor  
had better be at home, for while  
he is "cussing" the other doctor  
the patient may die. If the coun-  
try is sick and needs a reform it  
will be dead ere the people's party  
can offer a remedy; but if they  
have a remedy it would have the  
same effect on the country as the  
physician's advice to his patient.  
His patient called in the doctor  
and complained of being in a very  
bad condition, and wanted the  
doctor to do something for him.  
The doctor examined the patient  
carefully and said I know some-  
thing is the matter and the only  
safe remedy I can offer is for you  
to commit suicide. The remedy  
of the people's party is suicide;  
that and nothing more.

An Editor Lost in a Corn Field.  
Logan Curd, the astute editor of  
the Murray Ledger, one day last  
week went squirrel hunting in his  
company with I. B. Martin. After  
getting down in the neighborhood  
of Buena they separated, one go-  
ing in one way and the other the  
"other." The are some large  
corn fields near where they were  
and Editor Curd soon found him-  
self near one, and after walking  
up to the fence he concluded to  
get over and go through the corn  
to the other side of the field near  
the railroad, where he hoped to find  
his partner, but when he got out  
into the corn he became be-  
wildered and could not find his  
way out. He wandered about in  
the corn until a heavy rain came  
which still worse confounded him,  
but he tried and cried to get out  
until dark overtook him. His  
partner looked for him until night

was coming on him, so he pulled  
out for home and left the editor  
behind. When he arrived in town  
and informed the citizens that  
Curd was lost, great excitement  
prevailed, but no one seemed to  
know what to do, but finally Peter-  
son and Woodruff thought of fir-  
ing the cannon, knowing if Curd  
ever heard it he would come home.  
They began to make the cannon  
roar, and at midnight, wet and  
muddy, tired and hungry, the lost  
editor came straggling in to town,  
amid much rejoicing.

GENTS:—My youngest boy has  
had a severe and deep-seated cough  
for the past two or three winters, so  
much so that we became alarmed at  
his condition, and never found any-  
thing to give relief till I ordered  
one bottle of your medicine. He  
has only used about one-half the  
one bottle, and is entirely free from  
cough. I at once got S. H. Win-  
stead, druggist, corner Poplar and  
Washington streets, Paducah, to  
order a lot of your medicine so as  
to have it convenient when wanted,  
and to benefit the suffering of this  
community. Yours respectfully,  
W. W. HINKLE

Referring to the above, I would  
say that I also ordered one bottle of  
your medicine a year since, which  
cured my wife of a severe cough.  
She did not use a whole bottle.

If your appetite is gone nothing will restore it more quickly than "C. C. C. Certain Chili Cure," the great Tonic and guaranteed Cure for Chills and Fever. Price 50 cents.

Leonard Starks, the young merchant at Olive, was in the city Sunday night. There is something more than to visit relatives that brings the young knight of the yard stick here.

Having tried a'm's every known remedy for itching piles without success, finally bought a box of De Witt's Witch Hazel Salve, and it has cured me. C D Haskins, Peoria, Ill. Barry & Stephens.

Can a man in this county who is conversant with the history of Gen Weaver conscientiously vote for him at the coming November election? We don't believe there is so many as one person who will do so.

Dyspepsia, distress after eating, sour stomach, poor appetite, bad taste, coated tongue and heart burn are cured by De Witt's Little Early Risers, the famous little pills, Barry & Stephens.

The officers of the primary election should see to it that no one be allowed to vote unless he promises to support all the nominees. This is a democratic primary and none but democrats should be allowed a vote, and none should want to vote but democrats.

In thousands of cases the cure of a cough is the preventive of consumption. The surest cough medicine in the world is Dr Wood's Norway Pine Syrup. Sold by all dealers on a guarantee of satisfaction.

MURRAY, KY., Feb. 11, 1888.

Having been familiar for a number of years with Wear's Rheumatic Liniment and knowing what it is composed of, I have no hesitancy in recommending it as a valuable remedy for internal and external use in the diseases for which it is recommended. M. H. EAKER, M. D.

A very interesting protracted meeting has just closed at Olive, which was crowned by much success. Fifteen conversions took place while the meeting was going on and many old luke-warm christians had their spiritual strength revived. Bro Cason assisted in the meeting.

There is no use talking, neither Harrison or Cleveland will be elected unless they take De Witt's Little Early Risers. They have a "get there" quality possessed by no other pill. Barry & Stephens.

The Richmond House at Paducah is soon to become the "New Richmond." The lessees are C D Messenger, of Bloomington, Ill., and James A Rudy of Paducah. It will be open for business about Sept 15th, 1892. The house had been thoroughly repaired and will be a first class hotel in all that the word implies.

What shall it profit a man if he gains the whole world and then has the dyspepsia so bad that he can't enjoy any of the good things it contains? He won't have dyspepsia if he takes De Witt's Little Early Risers. Barry & Stephens.

Will saloons assist in building up our school? Wait and see.

Go out to hear Bro J R Hardin to night at the Methodist church.

Mrs Raney Castleberry is very low and not expected to live.

Will the town become more prosperous with saloons? Wait and see.

Ripans Tabules for sour stomach.

There will be a new sight in town inside of seven days—an open saloon.

Twelve years since an open saloon was in full blast in the town of Benton.

Mrs Vienna Dyke and her daughter, Miss Ruth, of Paducah, spent Sunday with Mrs Hamilton.

Such large quantities of school books have never been known to be sold in this town before as are now being sold at Lemon's.

H Martin a prominent business man of Eddyville has spent a few days in our city. There is no doubt a charm for him here.

Would it be wrong to say that every voter in the county should vote for J M Fisher for commonwealth's attorney? If so we take it back, for we do not want to do wrong.

Judge Dupriest has been very sick for a few days, but we visited him yesterday evening and found him much improved. He will soon be out again if nothing worse happens to him.

A gentleman of this county who has excellent judgment remarked to us the other day that he knew of no pill so good for constipation, dyspepsia and liver complaint as De Witt's Little Early Risers. Barry & Stephens.

Mr Walker a railroad man was killed at Calvert City Monday night. It is supposed he lay down on the track to sleep and the train came along and killed him. He was a stranger in this county.

For a sluggish and torpid liver, nothing surpasses Ayer's Pills. They contain no calomel, nor any mineral drug, but are composed of the active principles of the best vegetable cathartics, and their use always results in marked benefit to the patient.

The following marriage license have been issued by the county clerk since our last issue. Wm P Walker to Rebecca Williams, Jacob J Bauer to Josephine Ellis, Wm H Asher to Elizabeth Downe, Robt E L Griggs to Arkansas Asher.

It's not very pleasant to cough and hack,

To suffer pain in chest and back,

Many people could stop it, for sure.

By simply using One Minute Cough Cure.

Barry & Stephens.

There is a big crowd at Hamlet to day to hear the big guns of the people's party and the democratic party. This is an important time in the political affairs of this county, and the third party people are doing all they can to tear down the bulwarks of the once democratic stronghold.

Use McGee's Baby Elixir for teething, diarrhoea, summer complaint, sick stomach and vomiting, and all derangements of the stomach and bowels arising from acidity indigestion or irritation of the stomach and bowels. Also diarrhoea in adults produced by indigestion. Sold by J R Lemon, Benton, Ky.

Democrats be organized, and never be caught napping for the enemy is now trying camp on your trail. The effort is a master one and every turn will be taken to pull you away from your vantage ground. If there be anything in a true republican form of government that is worth fighting for it is in the principles of our party.

Rev J R Hardin, of Mason, Tenn., came in Monday to remain several days with his many friends and acquaintances. His wife and daughter has been in the state about three weeks and will remain until her husband returns. He will preach at the M E church to night and everybody are invited to be present and hear him. He is now one of his church's most successful ministers. His first sermon in this part of Kentucky was preached here over 14 years ago. He was a small preacher then, but a large one now.

E B Etheredge, through his attorneys Reed & Oliver has served notice on Judge Dupriest to appear before the common pleas court at Mayfield on the 29th of this month to show reasons why he don't take the bond of Mr Etheredge in his application for saloon license. The judge has for his advisors and attorneys in the case E W Bagby, J M Fisher and J D Lovett. If the merits of the late vote on the local option can't be brought into question at the mandamus trial we are inclined to believe the judge will yet take the bond. If it be a fact such cannot be shown on that trial and that he will be forced to take the bond it would much better for him to take it and let the fight be in a different direction. The judge will finally take the bond.

## THE TRIBUNE.

PUBLISHED EVERY WEDNESDAY.

J. R. LEMON, Editor & Proprietor.

**Struck on His Sole.**  
He had struck a match on his boot heel, and his wife remarked: "You are as spry as a cat, aren't you?" "Do you think so?" he returned in a pleased tone. "Yes; you light on your feet, you know."

**WHY DON'T YOU STOP.**  
Coughing before the entire mucous membrane lining the air passages leading to the lungs becomes inflamed, as it surely will be from a cough neglected. There is but one remedy that gives instant relief and cures quickly. Dr. Hale's Household Cough Cure cures every kind of cough from a simple cold to the most violent consumption. 25 and 50c per bottle at J. R. Lemon's.

You bring up your girls, write Ruskin, as if they were meant for sides and ornaments, and then complain of their triviality. Give them not only noble teaching, but noble teachers, and give them the help which alone has sometimes more than all other influences—the help of wild and fair nature. You cannot baptize them rightly in inch-deep church fonts unless you also baptize them in the great waters which the Great Low Giver strikes forth from the rocks of your native land.

### Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of consumption, bronchitis, catarrh, asthma and all throat and lung affections, also a positive and radical cure for nervous debility and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellow-men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper. (15-231) W. A. NOYES, 820 Powers' Block, Rochester, N. Y.

### Pen Pointers.

A heated term—"You're another." Green goods—The imported domestic.

A ticket-of-leave man—The pawnbroker.

A knotty question—"Will you be mine?"

When a clergyman makes mistakes you may put them down as clerical errors.

The world seems dark to some people because they stand in the shadow of their own doubts.

It is a bitter dose to take "I told you so" from your wife, but it is invariably good medicine.

The man who couldn't get down on his knees for any woman changed his mind when he laid the parlor carpet on going to house keeping.

### SPECIMEN CASES.

(S. H. Clifford, New Cassel Wis.) was troubled with Neuralgia and Rheumatism, his stomach was disordered, his kidneys were affected to an alarming degree, appetite fell away, and he was terribly reduced in flesh and strength. Three bottles of Electric Bitters cured him.  
Edward Shepard, Harrisburg, Ill. had a running sore on his leg of eight years standing. Used three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well. John Sseeker, Catawba, Ohio, had five large Fever sores on his leg, doctors said they were incurable. One bottle of Electric Bitters and one box of Bucklen's Arnica Salve cured him entirely. Sold by J. R. Lemon.

It will pay you well to file away your home paper, says an exchange. No volume in your library will afford you more pleasure, more profit, more lasting benefit for your investment. It gives you dates of local events which you cannot produce elsewhere, marriages, obituaries, legal notices, etc. In short, your paper is a history of that portion of the world which you and your friends occupy.

### Now Try This.

It will cost you nothing and will surely do you good, if you have a Cough, Cold, or any Throat, Chest or Lung trouble. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to give relief, or money refunded. Sufferers from La Grippe found it just the thing and under its use had a speedy and perfect recovery. Try a sample bottle at our expense and learn for yourself just how good it is. Trial bottle free at J. R. Lemon's Drug store. Large size 50c and \$1.00.

The low-minded, idle, gossiping lounge in the club or theater, who does nothing either to earn his own living or to create a supply for the want of his fellows, is a much more degraded being than the navy who constructs our railroads or the scavenger who keeps our streets clean.—W. J. Hocking.

## Southern Normal University.

### 500 STUDENTS FROM TEN STATES.

Kentucky, Tennessee, Mississippi, Ohio, Nebraska, Georgia, Florida, Texas, Indiana, and Arkansas, testify to the superiority of this Institution.

Thirteen courses in operation: Primary, Intermediate, Preparatory, Teachers', Scientific, Classic Law, Stenography, Telegraphy, Business, Music, Elocution and Music. Buildings and grounds valued at \$60,000. Faculty of 22 experienced instructors, each a specialist in his department. Board, \$5 per month. Other expenses equally low. Entire expense for year of 11 months is \$109. Send for 60-page catalogue.

### STATEMENTS.

I have attended the two leading normal universities north. I unhesitatingly pronounce the facilities and instruction of the Southern Normal University superior to either of these. The Professors are scholarly and sociable, and have nothing about them that savors of egotism, a thing too often found in many institutions. The instruction is thorough and extensive in the fullest sense, and everything exceeds the representations of the catalogues. The faculty

are loyal to their students, and any young man or woman attending the Southern Normal Institute and completing any of the regular courses is sure of a remunerative position. E. B. NELSON, Member of Scientific Graduating Class, Ada, Ohio.

I have attended different normal schools. Last year I attended the largest normal school in the United States. I am now in the Southern Normal Institute. It gives me

pleasure to say that I consider this university equal in every way to any I have ever attended, and decidedly superior in many respects. The work done in the classrooms is superior in point of thoroughness and rapidity. Especially do I wish to say that the board given here at \$5 per month is equally as good as that given in the other schools at \$7 or \$8. HOMER L. HIGGS, Martin, Tenn.
