PERIL OF THE EAST

Joint Policy to Prevent this Threatened Japanese Move

The question of how to handle the situation in Japan is a matter of great concern to many nations. The recent buildup of military forces in Japan has raised fears of a possible military aggression. The United States and other nations have expressed their concerns, and there is a growing call for a joint policy to prevent this threat.

Yesterday afternoon on the board of public works, a resolution was read by Mr. Sterling, the city solicitor, asking for funds to pay the expenses of the new contract for the construction of a road bridge over the creek.

Mr. Kellogg, of the city engineer, presented the specifications for the construction of the bridge. He stated that the bridge would be a 200-foot structure with a 15-foot clearance above the water.

The board authorized the city solicitor to proceed with the necessary legal steps to obtain the necessary funds.
