FIELD DAY AND SPELLING BEE

Fulton, Hickman, Weakley, Graves and Obion Counties to Participate

Fulton is to have a track meet, spelling bee and oratorical contest, if the plans of Superintendent Meyers and Prof. Alexander materialize.

A special meeting of the Board of Directors of the Chamber of Commerce was held Tuesday afternoon and Superintendent Alexander outlined the plan and the Board went on record as approving the idea and voted financial assistance as well.

The plan is to invite some fifty schools of Fulton, Hickman, Graves, Weakley and Obion counties to participate in this contest which will be held in Fulton on April 30 and May 1. A competent athletic official from some point outside of the contesting counties will be obtained for the athletic events for which a loving cup will be given for the team winning the most points in the field events, and another loving cup for the relay team which may make the best showing.

For the spelling contest which will be a written one, for the musical competition, declamation gold and silver medals will be awarded to the winners, while for the musical, a gold and a silver medal will be given.

The musical competition will be, probably, for students of the fourth grade, while the other events will be more or less open to any scholar. The field events will be open to all of school age, the programs to be announced later.

As this is the first meet of this kind to be held in Fulton, there will probably be no admission fee charged, and it is sincerely hoped by the promoters that it will be the beginning of a regular yearly event, that will be the means of bringing many strangers to Fulton and of making Fulton better known to the rest of the country, and cementing the friendship of the western Kentucky and Tennessee towns and counties.

The plan will be presented to the Lions and Rotary clubs at their next meetings, and there is every reason to believe that these will also heartily endorse the idea and lend every assistance.

School Notes

The opening baseball game of Fulton High School for the coming season will be played Friday, March 26, with Rives high school. The game promises to be an interesting one and the public is cordially invited to attend.

Baseball practice is moving along nicely, under the direction of Coach Maddox, and about twenty boys are reporting each evening for practice. The following tentative schedule has been arranged:

March 26, Rives at Fulton; April 2, Fulton at Obion; April 9, Fulton at Union City; April 16, Obion at Fulton; April 23, Union City at Fulton; April 24, Mayfield at Fulton; May 1, Murray at Fulton; May 7, Fulton at Murray; May 14, Fulton at Mayfield.

Games will probably be scheduled with South Fulton and McKenzie.

Mr. Tommy Ryan, former middle-weight champion and lecturer, gave an address at the high school Thursday. Mr. Ryan is seventy-six years of age and is a wonderful example of what clean living will accomplish. He has numbered among his friends some of the leading men of his day. For a time he was attached to President Roosevelt's household as Mr. Roosevelt's physical director. He will spend the coming summer with his friend, Billy Sunday,

the well known evangelist.

The interclass declamatory contest for March was held Wednesday. Nell Owen represented the Senior class, Agatha Gale, the Juniors, Sarah Butt, the Sophomores, and Randolph Kramer, the Freshmen. Randolph Kramer was awarded first place and Nell Owen, second.

The new safe which has just been installed, adds much to the appearance of the central office. The safe is fire proof and will afford a safe home for the high school records.

Grand opera story week will begin April 5. Each day at chapel time, the story of a famous opera will be told and selections from it played. The following grand opera stories will be told:

"Carmen," "Rigoletto," "The Barber of Seville," "Faust," "Il Trovatore."

River Counties Organize Tuesday

Fulton County Well Represented at Clinton Road Meeting.

The meeting at Clinton Tuesday night to perfect an organization to secure a concrete surface for the Mississippi Valley Highway was well attended by representatives from Fulton, Hickman, Ballard and Carlisle counties and a working organization was perfected, with officers selected from the several counties.

Representatives from Cairo, Ill., also attended and these men are as enthusiastic for the project as the Kentucky men. Joe Davis was appointed by the chairman to select a committee from Obion county which will work with the Kentucky contingent to secure the concrete surface through that county.

President Kramer, Joe Davis, Squire Hagler, Amos Colley and L. A. Winstead represented Fulton county at the meeting, and Messrs. Davis, Nugent, Pickle, Hagler and Browder were selected as the Fulton county contingent to the big committee.

As soon as arrangements can be made, a meeting with the Federal and State Highway Commissioners will be held, at some central point, and all of the public that is interested in securing this concrete highway will be invited to attend, and impress on the Commissioners just how much we want a first-class highway just as soon as it can be given us.

NOTICE

The Republicans of Fulton County, Kentucky, are ordered to meet in mass convention at the courthouse in Hickman, Kentucky, Saturday, March 27, 1926, one o'clock standard time, to elect delegates to the State Convention, which is to be held in Louisville, Kentucky, March 30, 1926, for the purpose of nominating a candidate for the United States Senate.

R. B. BEADLES, Chairman.

TRICE COTTON SEED

Pure Trice Cotton Seed for sale, the earliest variety grown by test, and the kind that always produces a crop that opens up early. Produced 25 bales on 28 acres this past season for me. Seed that I have got from the Tennessee Experiment station at Jackson, Tenn., last year. Seed \$1.00 per bushel, as long as they last, and are out of cotton that was picked before any rain fell last fall. W. C. Latta, Fulton, Ky., Route 4, Telephone exchange Crutchfield, Ky.

The Pre-Easter Tour

Community Store

The annual "Community Store" of the Woman's Club will be held in the old Fry's Shoe Store room, 216 Main St., beginning Monday, March 29, and continuing till Saturday night, April 3.

This is becoming an annual affair of the Woman's club and is held for the purpose of raising money for its Building Fund and should be patronized by every citizen of Fulton, for the Woman's club is one of the most active and efficient organizations of Fulton.

Committees to solicit merchandise for the sale, started out last week, provided with window cards stating that "this store has contributed" to the Woman's club "Community Store," and it is expected that every store window in Fulton will display one of these cards.

Large contributions of cakes, pies, wearing apparel and art articles have already been made by the individual members of the Woman's club, and judging from the success of last year, a considerable sum will be realized from the sale.

A luncheon will be served in the Chamber of Commerce on the afternoons of Friday and Saturday, April 2 and 3, by the Home Economics Department, and this alone, will guarantee a menu of excellence and satisfaction.

The sales force will be provided each day by members of the various departments of the club and it is confidently expected that the sales this year will exceed those of last year.

W. M. HILL & SONS AWARD CONTRACT FOR ROAD BRIDGES

The new road project linking Fulton and Union City together in a line of little more than 10 miles is a surety and the contract has already been let for the concrete bridges to W. M. Hill & Sons of Fulton, for a consideration of \$38,000. This firm is a large manufacturer of brick and do an extensive concrete business. The work will be started at the earliest possible date.

ARTISTIC SHOW WINDOW

One of the Pre-Easter dressed show windows worthy of special attention is that of the Kentucky Utilities Co., on Lake street. It is an artistic display and reflects the beauty and usefulness of electrical utilities within. Credit is due Mr. Leslie Triplett for the artistic arrangement.

"CHILDREN'S HEART TAG DAY," MARCH 27

The Volunteers of America, founded by General and Mrs. Ballington Booth in 1896; a national institution having one or more headquarters in every state, has been given permission to hold a "Children's Heart Tag Day" in Fulton, Saturday March 27, as has been done in other nearby communities.

The following well known people will represent the organization on this occasion: Mrs. J. V. Freeman, Rev. H. L. Patterson, Rev. C. H. Warren, Mrs. J. E. Fall, Mrs. J. C. Brann, Mr. V. C. Myers, Mrs. Don Taylor, with Mrs. Hillary Alexander in charge of headquarters and finances. Headquarters will be Chamber of Commerce. The Volunteers of America have many activities, especially in the larger centers where the needs are greater; children's homes, day nurseries, homes for working girls, and for the aged; boys' clubs, employment bureaus, etc. Mrs. Booth's many years of voluntary service in the prisons of the United States, as well as her war work in Europe, are generally known. Hers were the first systematic efforts ever made to help, spiritually, the man behind the prison walls or to look after his family, often left destitute, while he served his sentence.

The enterprise on Saturday will be a children's drive to help children in this state, little ones, less fortunate than themselves for the work will be done entirely by the young people of the community. As contest incentives, as well as rewards for their good efforts, Fulton merchants and friends have generously offered some pretty and useful prizes and movie passes to those obtaining the largest amounts for their tags. The first prize given by a friend, is a No. 2 Brownie Camera. Second, a fountain pen, given by the Owl Drug Store; third, pair of manicure scissors, for girl or knife for boy, given by Kentucky Hardware & Implement Co.; fourth, a pound box of fine candy, given by Evans-Poaz Drug Co.; fifth, silver Eversharp pencil, given by DeMeyer & Sons. Those who do not win a prize, but who obtain at least \$3.00 for their tags, will receive a pass good for one movie show.

An extra heart will in no way cause you discomfort, but will help provide comfort for many another. "Have a Heart," and give what you can.

AMERICAN LEGION TO STAGE MINSTREL-MUSICAL REVUE

The Fulton Post No. 72 of the American Legion made the announcement today that they had signed a contract with one of the leading producing companies to direct and stage their annual Minstrel-Girly Revue. The dates of the performances to be about the middle of April. About sixty local people will be used in the cast and the producers are bringing around \$10,000 worth of scenery and costumes to be used in the show. In fact, it is to be by far the biggest thing ever before attempted in the way of local talent theatricals in Fulton.

The money realized will go towards paying for their new club rooms they recently leased on Lake street. The Legion since their organization here several years ago, has been sorely need of a real meeting place, their former home not being large enough and a number of the members were dissatisfied. Now they have a wonderful place but the rooms must be thoroughly repaired and an entirely new hardwood floor put in, therefore they are going to put on the biggest and best musical-minstrel comedy ever seen here, to meet their debts made in the above work. Full particulars in regard to the cast and directors will be given later.

FRIDAY NIGHT'S FIRE

The confectionery and news stand conducted by Morris Chowning on Fourth street was destroyed by fire Friday night. By good work, the flames were extinguished and the building saved with only interior damage. Just as soon as the insurance can be adjusted and the building repaired, Mr. Chowning will open up in the same stand with a fresh, new stock. The building is owned by Will Beard.

FORDSON TRACTOR DEMONSTRATION DAY IN FULTON, MARCH 27

Beginning at 10 o'clock Saturday morning, March 27, we will have an expert factory demonstrator to show the farmers the true value of Fordson tractors, and how the various implements are used with the tractor.

This will truly be an educational demonstration worth while and we invite every farmer in this vicinity to see it whether he has any intention of buying or not. You will get some valuable pointers. The demonstration will be held throughout the entire day at Reed's farm, adjoining the Fair grounds. SNOW-WHITE MOTOR CO. Authorized Ford Dealers

Lions Easter Egg Hunt

For the Children at Fair Grounds April 4th.

An event looked forward to with eager anticipation by every boy and girl in Fulton is the annual Easter Egg Hunt sponsored by the Lions Club. They remember what a delightful time they had last year romping over the fair grounds looking for eggs and capturing prizes. The older ones remember too, the happy faces of the little ones in their search for the prizes, and will co-operate with the Lions this year in making their second annual Easter Egg Hunt, Sunday, April 4th, at the fair grounds a glorious success.

KNIGHTS TEMPLAR ELECT OFFICERS FOR ENSUING YEAR

On Friday evening, March 19, Fulton Commandery No. 34, Knights Templar, met at a stated meeting, after the usual business had been attended to, proceeded with the annual election for the selection of the officers for the ensuing year, resulting in the following:

C. A. Stephens, Com.; R. A. Stille, Gen.; J. A. Harpole, C. G.; H. J. Potter, S. W.; A. W. Morris, J. W.; D. Fred Worth, Prel.; H. M. Khourie, Treas.; G. C. Hall, Rec.; K. Homra, St. B.; J. J. Hill, Sw. B.; H. H. Perce, Ward; G. E. Alverson, Sent.

The Eminent Commander elect was installed by Past Commander Hall. The Eminent Commander then installed the remaining officers in an impressive manner.

After the installation of the officers there was quite a number of interesting talks from the various knights, then the commandery was closed, and the Sir Knights proceeded to partake of a splendid feast which was enjoyed very much by all present.

Banqueting is one of the ancient customs that the modern knight is ever ready and willing to observe, not wishing to deviate from the course pursued by the templars of yore, and when the occasion demands it, you will find them always willing to do their part, by laying down the sword and shield, and taking up the knife and fork.

In selecting Sir Knight Stephens the commandery chose wisely, for he is a very zealous knight, well versed in templar work, and there is little doubt but what chivalric masonry will flourish and progress under his administration.

The report of the auditing committee showed the commandery to be in good financial condition. The treasurer and recorder were highly complimented by the committee on the good condition of their records.

DR. METHVIN SUCCEEDS DR. WALTER BUECHER

Due to the fact that I am going to take a special course at Chicago, and then practice with Dr. Thomson, of Memphis, Tenn., Dr. Methvin, a chiropractor who has had several years' experience, will take charge of my office and practice, Office over Irby's Drug Store, Fulton, Ky.

Having been a former classmate of Dr. Methvin at the Palmer School of Chiropractic, I am pleased to vouch for his character and qualifications, and I hope that all my friends and patients may show Dr. Methvin the same courtesy and support that I have enjoyed while practicing here.

DR. WALTER BUECHER.

MUSIC DEPARTMENT MEETS

Miss Annie Lucille Goldsby was the hostess to the Music department of the Woman's club, Wednesday afternoon, in the rooms of the Chamber of Commerce.

Miss Ruth Fields presided over a short business session. The committee of the Music Week celebration in May, report they are making preparation for a bigger and more pretentious program for May, 1926.

Mrs. O. H. McFarlin was the leader of an especially interesting program.

Birds in Music was the lovely theme. Each of the following numbers were beautifully given and portrayed the spirit of "Bird Time and Spring Time."

Piano, Song of the Lark, and Birding—Miss Spradlin.

Voice, Slave Song—Miss Fields.

Piano, Hark, Hark, the Lark—Mrs. C. Maddox.

Violin, The Swan—Mrs. W. A. Love.

Piano, The Two Larks—Miss Goldsby.

Voice, Spring Fancy—Mrs. R. S. Williams.

Piano, Bird Prophet—Miss Florence Wade.

At the close of the afternoon a social hour was enjoyed and dainty refreshments were served.

DRAMA DEPARTMENT DELIGHTFULLY ENTERTAINS

With good attendance, the drama department of the Woman's club met at the home of Mrs. J. F. Royster, on Carr street, Wednesday afternoon of the past week, with Mrs. Harvy Boaz as the gracious hostess.

Early spring flowers scattering fragrance, added to the charming of the rooms.

Mrs. Martin Nall was the leader of a most interesting program.

Mrs. C. F. Jackson read a short Irish play and little Miss Ruth Nall gave two delightful readings. A delicious salad course was served. The St. Patrick's idea was introduced when shamrocks were used as plate favors.

EVENING BRIDGE

Mr. and Mrs. Harry Murphy were hosts to the evening bridge club, Thursday at their attractive home on Second street. Six tables were in readiness for the game, and an abundance of yellow jonquils, in golden glory, proclaimed springtime gladness. Favors for club high score went to Mrs. Harvy Boaz and Mr. Claude Freeman, while the draw prize went to Mrs. Ramsey Snow and Mr. Martin Nall.

The green note was seen in the appointments and the lovely refreshments served at the close of the evening. Pipes were used as favors.

CARPENTER-PRICE

A wedding which is of much cordial interest to the many friends of the contracting parties, was that of Miss Marjorie Carpenter and Mr. Charles Price. The wedding took place Saturday afternoon, March 20, at the Methodist parsonage in Union City, with the Rev. W. P. Hamilton officiating.

The bride is the attractive daughter of Mr. and Mrs. J. W. Carpenter and since the completion of her education, has enjoyed widespread popularity.

The groom is the son of Mrs. Dave Wall, and is a very promising young man and a valued employee of the I. C. railroad. Immediately after the ceremony, Mr. and Mrs. Price left for New Orleans to spend their honeymoon. Upon their return home, they will be at home to their friends at 401 Carr street.

Railroad News

Konk! Konk! Look Out!

The driver of an automobile at Red Bay, Ala., on the Tennessee Division, recently was in such a hurry that he could not wait until an extra northbound train could get out of the way, so he proceeded to knock it off the track, by running into the side of the train. Of course, his car was demolished and he received a few lacerations about the head and face. He says he is thoroughly convinced that a Ford will knock a freight train off the track.

Derailment Near Gates, Tenn.

Last Sunday, Extra 1607 derailed near Gates, Tenn., derailing about 23 cars, 15 of which were totally destroyed. The train, in derailing, killed one trespasser and injured another. It is estimated that the damage will be about \$26,000.00, although it is of course not definitely known just what the damage will be until everything is cleared away. The tracks were cleared shortly after the wreck and trains resumed their usual course. The cars in the derailment that were loaded, contained lumber and cotton.

Bridge Burns

Another bridge on the I. C. on the Cairo District near Idlewild, burned last week, just after trains Nos. 24 and 10 had passed over. The bridge was promptly rebuilt, and traffic resumed its usual course. The investigation failed to determine the cause for the bridge catching on fire. Bridges in that vicinity are being watched, for fear they are being set on fire.

"Thank You"

The head of one of the largest retail stores on the continent offered \$5,000 to any one who would tell him how to improve his business methods. Students of economics came, investigated, and retired to write reports; experts trooped in and returned with charts and diagrams. A young man saw about the contest, took a postcard and wrote: "Tell your clerks to say 'Thank You.'" He romped off an easy winner with the \$5,000. On the strength of that there has been organized an "American Thank You League," to promote the idea of courtesy in business. The wonder is that such an organization should be necessary, because a man can learn in one short day in business the value of saying "Thank You," and of extending every other courtesy to those with whom he deals.

One wonders how long the newborn league will last, but if it only survives long enough to put a little kindness and a greater degree of the "Thank You" idea into life, generally, it will have done something.

Nobody has ever been smart enough to think of a good excuse for using a sledge with a large handle. There isn't any, avers the National Safety Council.

Supt. H. W. Williams attended the meeting of the Southeast Shippers' Regional Advisory Board at Atlanta, Ga., this week. Mr. Williams is the Illinois Central representative on this board.

Mrs. Simon Conn has been quite ill for several days, but is reported improving.

Hands on Your Pocket Book

While visiting in Chicago, a few days ago, Mr. W. H. Cox had his purse lifted by a clever professional pick-pocket. The professional approached Mr. Cox, calling his attention to a tall building, and while he was looking at the building, he was being relieved of his purse.

Mrs. J. F. Williams attended a theatrical performance at Memphis, Saturday of last week.

Mr. Rufus Kemp has been granted a 90 days' leave of absence from the Division Office, with permission to engage in outside work. It is understood that Mr. Kemp will travel for some artificial limb company out of St. Louis. His family however, will remain in Fulton during the time he is away. Clerk M. L. Brooks will take Mr. Kemp's place in the Division office while the latter is away.

Mr. H. C. Linton of the Division office has been granted a 90 days leave of absence, with permission to work on the G. & S. I. Railroad, which road the Illinois Central recently acquired. Mr. Linton worked on the G. & S. I. a few months ago for a few days. He will be in the Superintendent's office at Hattiesburg, Miss.

Mr. L. E. Allen, train dispatcher, is in the Paducah hospital where he has been for several days, suffering with an infected hand. He is reported to be improving.

General Superintendent J. W. Hevron passed through the city first of this week.

Mrs. A. E. Covington and daughter, Lois, spent the week end last, visiting friends in Corinth, Miss.

PRETTY OFFICE FIXTURES

The Western Union Telegraph Company has recently equipped their Fulton office, located on Church street, with handsome new furniture, beautiful golden oak desk and chairs and marble counter is in keeping with the interior decorations, giving its patrons all the conveniences of a real city office. Mrs. H. B. Reeves, the clever manager and operators, during her ten years with the company, has worked up a nice business here for the Western Union, and the new furnishings and equipment will add materially in giving its patrons better service than ever. Mrs. Reeves is proud of her new office.

FINE 2-YEAR OLD ROSES

If you want the best roses to grow in this vicinity, let us have your order now. We sell only the best two-year old stock. The kind that blooms continuously and the kind we have tested and can guarantee. R. S. WILLIAMS, Fulton, Ky.

PREPARE FOR BIG CROP OF POTATOES

From a reliable source, we are informed that local capital will establish one of the best sweet potato storage houses in Fulton, possible, and just as soon as all plans are perfected, sweet potato growers will be asked what part they want to take in cooperative marketing. Fulton already has one good storage house, built last year, but we understand one or two more storage houses will be needed for this year's crop, unless the growers want to sell at digging time.

There will be more sweet potatoes grown this year than ever before and if the grower is forced to sell for lack of storage, prices may be unreasonably low.

POULTRY DEALERS PAY HIGH PRICES IN FULTON

Prices paid for poultry in Fulton during the past week was at high peak. Probably \$35,000 was paid out in cold cash during the week, for chickens, eggs and butter fat. Fulton markets reflect prosperity. What we need is more poultry and stock raised in this vicinity.

A WORD TO HOUSEWIVES.

With the call of Spring in the air, it reminds one of the many outdoor activities in which the home should partake and enjoy. Surely the Housewife should be allowed this pleasure as well as other members of the family.

You have at your command an institution which, with its modern equipment, makes it possible to give you an extra holiday in each week of the year. "The Home of Cleanliness" cares for your family wash in a clean, modern, sanitary way—no hanging of the clothes outdoors to catch germs circulating in the air, or in rooms where sleeping and eating are done, but clean tables and assorting bins care for your clothes until they reach you spic and span.

This extra precaution and insurance toward cleanliness costs no more. Why not take advantage of this extra day each week by sending the family wash to "The Home of Cleanliness?"

Choose one of our family wash services and make a holiday out of the wash day, with a guarantee for every precaution in safeguarding your clothes.

DRY WASH SERVICE

For those who prefer to do their own ironing at home we now take the family washing and return it home clean and dry (not ironed) for 6 cents a pound. You will find many of the pieces so perfectly washed and dried that ironing will be unnecessary.

The Vorelone Tumbler used in the O. K. Laundry is the only drying tumbler that does not depend solely on heat to dry clothes, it is the missing link in an otherwise perfect laundrying process. Be sure to see this wonder machine at the O. K. Laundry any time, feel and smell the clothes it dries, notice how fresh and sweet smelling they are.

ROUGH DRY SERVICE

Clothes washed, flat pieces, such as table cloths, sheets, towels, pillow cases, napkins, bedspreads, ironed and ready for use. Starch pieces starched and dried ready for ironing. This service for 10c per pound; 50c minimum package.

FINISHED FAMILY SERVICE

Clothes washed, all pieces ironed and pressed ready for use. This service 10c per pound, with an additional cost of 10c per pound for the ironing of the starched pieces.

Choose the service best suited for your need and let us prove the economical way of answering your wash day problems. Don't be burdened with that worry.

(By THE Western Newspaper Union.)

Lesson for March 28

REVIEW—THE GOSPEL OF JOHN

REVIEW—The Gospel of John. GOLDEN TEXT—These are written, that ye may believe that Jesus is the Christ, the Son of God; and that believing ye may have life in His name.—John 20:31.

PRIMARY TOPIC—Beautiful Stories Told by John.

JUNIOR TOPIC—The Greatest Things in John's Gospel.

INTERMEDIATE AND SENIOR TOPIC—Great Lessons in John's Gospel.

YOUNG PEOPLE AND ADULT TOPIC—The Great Teachings of John's Gospel.

Happily we have come to one time at least when the quarterly review is easy and a pleasure. The teacher's supreme aim should be to make Jesus as real to his pupils as He was to the disciples when here upon earth, for the "Word made flesh" is now dwelling among us "full of grace and truth" revealing God (John 1:14, 18). The best way to reveal the teacher's lessons will be to grasp the central purpose of John in writing his book, gather the central teaching of each separate lesson and use it in proving the central proposition. John clearly states his purpose in 20:31. Two things are set forth in this verse.

1. That Jesus is the Christ, the Son of God.

2. That through believing in Him, eternal life is received.

It should be the teacher's aim to establish this truth and to accomplish this glorious purpose in the lives of all his pupils.

January 3.—In this lesson Jesus is presented as the eternal Word existing with God before all worlds, the almighty Creator, the source of light and life, made flesh in order to reveal God to man.

January 10.—John the Baptist testifies that Jesus is the Lamb of God. This truth was certified unto him by a voice from heaven and the descent of the Holy Spirit upon Him (Matt. 3:16, 17). Andrew, Philip and Nathanael corroborate John's testimony by declaring that Jesus is the Messiah of whom Moses and the prophets did write—the very Son of God.

January 17.—Jesus is the bestower of eternal life. He is the only begotten Son of the Father, who gives eternal life to those who believe on Him. Since God alone can give life, Jesus is divine.

January 24.—Jesus testifies to the Samaritan woman that He is the Messiah. His ability to disclose the secrets of the woman's heart and life convinces her that He is divine.

January 31.—The creative act by which five thousand men, besides women and children, were fed from a few small loaves and fishes, with a superabundance left over, demonstrates the deity of Jesus.

February 7.—Jesus is divine, because He opened the eyes of the man born blind. So unusual was this miracle that such a thing was never heard of "since the world began." The man whose eyes were opened, confessed Jesus and worshiped Him as the Son of God.

February 14.—Jesus is the Messiah, the Son of God, because He is the Good Shepherd. In the Old Testament, Jehovah is set forth as the True Shepherd (Ps. 23, Ezek. 34). The true shepherd devotes his life to the welfare of his sheep, even to the extent of laying down his life for them. This Jesus did, therefore He is the promised Messiah.

February 21.—Jesus is divine because at His command, Lazarus, a man dead four days, was raised to life.

February 28.—Undivided love to God is man's supreme obligation. The Second Commandment is like unto the First, in that it centers in love.

March 7.—Jesus is divine, because He came from God and went to God (John 13:3). Though Jesus boldly claimed to be the Lord, yet He stooped to render the most menial service to His disciples.

March 14.—Jesus claimed equality with God and therefore asked His disciples to place their faith in Him as the divine being, just the same as in God.

March 21.—Jesus proved His deity by coming forth from the grave. This is the unquestioned seal of His deity.

Water of Life

If ye know what He is preparing for you ye would be too glad. He will not, it may be, give you a full draught till ye come up to the well head and drink, yes, drink abundantly, of the pure river of the water of life that proceedeth out from the throne of God and from the Lamb.—Samuel Rutherford.

Moody on Enthusiasm

Enthusiasm means "in God"; and I can't understand how any man can realize his standing before God and not be on fire 365 days in the year. Any man who goes into business and doesn't throw his heart into it doesn't succeed. Now, why not go into the Lord's work as earnestly as into athletics?—D. L. Moody.

When you buy John Deere implements you are sure of prompt repair service throughout their long life

Ride this Dependable Two-Row Drill

It takes a big load off your mind when you know that your planting has been done right; that you have made a good seed bed, have used a high grade of seed, and a drill that is accurate and dependable.

John Deere No. 919 Corn Drill

will get the maximum per acre yield because:

It plants the corn just as accurately as though dropped by hand. John Deere's natural drop seed plates space the kernels uniformly the desired distance apart in the row.

It has a variable drop which enables you to change the drilling distance merely by shifting the foot lever.

Three different drilling distances can be obtained from each set of seed plates.

Width between the rows can be easily changed.

Quick-detachable runners permit the use of furrow openers of different styles to meet all conditions.

We can furnish seed plates to handle every kind of corn, beans, sorghum, milo maize and other seeds. Fertilizer or Pea Attachments can also be furnished.

We want to show you this drill. Drop in at the store the next time you are in town.

COOPERATIVE MARKETING

Farmers in McCracken county are signing contracts to market berries and other truck crops cooperatively this year. Up until Saturday, more than seven hundred strawberry growers had signed up. McCracken county farmers are directing their attention more extensively to truck crops. Also to fruit growing. This is a splendid diversion from the one crop farming, especially in view of the low prices prevailing for tobacco, the staple crop in western Kentucky.

In the lower end of Fulton county, the farmers intend to grow a large acreage of sweet potatoes and have signed up for cooperative storing and marketing. If there is any county in the state better located with soil adapted for more crops than Fulton county, we don't know it, and this is an opportunity time to diversify and test out a number of crops to see by actual experience which is the most profitable.

In Weakley county, Tenn., the farmers are signing up to grow and market wrapped green tomatoes cooperatively. They tried this crop last year and found it exceedingly profitable and this year they are going it on a larger scale. Weakley county also has an enviable reputation for growing sweet potatoes, and other truck crops.

HEED THE COLD

The common cold is never regarded as anything serious until it develops into something that keeps the patient indoors. The fact that it does result in serious maladies is reason enough that though common, the cold is deserving of being rated as an enemy of health instead of an annoying pest.

Most of us can tolerate cold during the winter, but when they persist as evidences of spring begin to appear, no one can be blamed for growing impatient.

The point is that colds need not be a yoke upon us if we take the proper precautions against them.

The medical definition of a cold is: "A disordered condition, generally of the respiratory tract, caused by exposure." Though disagreeable, a common cold is nothing to worry about, according to physicians, but it is always a threat and unless given immediate attention, may develop into something genuinely serious.

Pneumonia, which is fatal to one out of every four or five people who get it, could be prevented in a large number of cases, physicians say, if the severe cold, usually the first symptom, receives the right sort of consideration.

Earsache resulting in deafness, sinus trouble or chronic catarrh are some of the after effects of colds. None of them is to be sneezed at.

The common cold as such, is a menace. Medical statisticians figure there are one hundred million pronounced cases of cold each year with a loss resulting through absence from work alone that may be estimated at one billion dollars.

DEGREES IN HOUSE-KEEPING

Fifty-three books on domestic science were written last year. There is a demand for this class of writing, else authors on the subject would not be so voluminous.

The housekeeper or homemaker is by way of being a scholar. In very recent years she has come to be regarded as something more than one who merely cooks and tidies up the house.

It is little short of being recognized as a learned profession for high schools generally are incorporating courses of domestic science and normal schools and colleges are turning out instructors by the thousands.

The schools have practically accepted the teaching of homemaking as a fundamental principle in the development of education. Homemakers make the schools and the teachings of the schools can never rise higher than their source.

All homemakers intuitively conduct their homes on the fundamental principle of life and growth. If that were not true, there would be nothing left of human life in a few years.

And it isn't only in the fundamentals that the good housekeeper or homemaker is sound. She is just as everlastingly right and erudite in details.

She has this superiority, too, over other learned professions which the schools, colleges and universities are teaching. Most of the others are scholarly in only one thing. The good homemaker has to know at least a dozen things very thoroughly, and not only know them but be able to apply what she knows with her hands.

Sooner or later we will be conferring college degrees of M. H., and D. H., meaning, "Mistress of Homemaking," and "Doctor of Housekeeping."

KENTUCKY UTILITIES COMPANY HOLDS ANNUAL MEETING

An increase of 23.1 per cent was made in operating revenues of the Kentucky Utilities Company for 1925 over 1924, a total of \$4,521,203.61, against \$3,671,198.33, according to the report submitted to stockholders in annual meeting at Louisville, on Tuesday, March 16. All officers and directors were re-elected.

There was an increase of 20.1 per cent, or \$317,940.85, in the gross net income over the previous year, the report stated. The amount available for dividends in 1925, was \$1,056,648.30, an increase of 21.2 per cent, or \$184,986.54, over the 1924 figure, which was \$871,661.76.

Preferred dividends paid during 1925 totaled \$447,078.03, while the total for 1924 was \$158,821.37. Of the 1925 total, \$276,689.19 was paid to the Six Per Cent Preferred Shareholders, and \$170,388.84 went to the Seven Per Cent Junior Preferred shareholders. The preceding year's figures were \$131,777.05 for Six Per Cent shareholders, and \$27,044.32, for the Seven Per Cent Junior shareholders.

Nine thousand, nine hundred and ninety-eight new electric customers were added to the company's rolls during the year, bringing the total on December 31, to 43,132. Besides these, the company had on that date, 11,593 water and gas customers, making a grand total of 54,725.

The connected electric load increased 27,212 kilowatts during 1925. At the close of the year, the company had contracts with coal mines and other industries, increasing the load by 7,450 kilowatts and connections were being made as rapidly as possible to the company's power transmission lines.

At the close of the year, the company and its subsidiaries were serving 124 communities with electric power, either retail or wholesale, and were supplying power for the operation of machinery to 1,059 important industrial plants. Of this number, 179 were coal mines. This marked an increase during 1925, of twenty-three in the number of communities served, and forty-three in the number of mines connected.

One hundred and three miles of high voltage transmission lines were completed by the company in 1925, making a total of 985 miles of such lines in operation. In addition, the company added twenty-eight miles of low voltage lines for short distance interconnection of small towns. A total of 131 miles of new transmission lines were placed in service, and an aggregate of 1,055 miles of lines were in operation on December 31, 1925.

During the year the company acquired controlling interest in the Kentucky Hydro Electric Company, by the purchase of practically all outstanding common stock, incorporating the 30,000 horsepower Dix Dam hydro electric plant and ninety miles of high tension transmission lines with the Kentucky Utilities system. The company's generating and transmission system in western Kentucky was extended by the purchase of a modern 9,000 horsepower generating station at Graham.

Officers of the company are Samuel Insull, chairman; Harry Reid, president; L. B. Herrington, vice-president; A. A. Tuttle, secretary and treasurer and A. M. Cruse, auditor. Directors are G. T. Bogard, L. B. Herrington, Martin J. Insull, Samuel Insull, L. W. McLellen, Harry Reid and A. A. Tuttle.

Chestnut Glade

The Ladies' club met Thursday at the home of Mrs. Roy Ray. Eighteen ladies were present. During the business session a letter from Mrs. Taylor, of Fulton was read, in regard to Federation by Mrs. Robbie Sawyers. It was very interesting and contained many suggestions by which we might profit. The new business of the afternoon was to arrange for buying our quota of books for the school library. The literary society donated about \$20.00 from their treasury, to which the ladies added the amount necessary to increase the sum to \$40.00. Professors Lowe and Barrax agreed to make out the list of books required by the state and a committee of ladies, Mrs. Temple, Nix and Vowel, appointed to order the books as quickly as possible.

A general discussion of ways and means followed for bettering our homes, was followed by an informal discussion of social affairs for our young folks. The meeting adjourned to meet three weeks later at the school house.

Owing to the continuance of the school another month, this has since been changed and the club will meet with Mrs. Ruth Finch.

Mrs. Mason is some better. Mrs. Grubbs is very low, but a little better.

Mr. Milam is much better.

The operetta, "Cinderella, or the Maid of the Golden Slipper," presented at Chestnut Glade, Saturday evening, was beautifully rendered to a large and appreciative audience.

"The Winning of Latain," is a play that runs the gamut of human emotions. If you want to laugh, see "Trusty." If you want to cry, hear Latain longing for her dead mother. If you have a high sense of honor and like to see a scheming villain knocked out and an honest man reign, get the plot.

The expression department of Chestnut Glade is going to present this play, April 3.

Mr. and Mrs. Loyd Watts are rejoicing over the birth of a son. Mrs. Watts is at the home of her father, Mr. Lige Killebrew for the present, but will join her husband in Detroit in a few weeks.

Henson Jones, son of Lee Jones, is recovering slowly from a serious operation of the ear. He will likely be able to be brought home this week.

Since writing the above I have learned that Henson Jones is not getting along at all well, and will go to see the doctor at Paducah this week and probably won't be able to come home for some time.

Dr. Moody, the county health doctor and the nurse were at Chestnut Glade, Monday morning administering the serum for typhoid to all who applied. Quite a number of the older people came, bringing the little ones for inoculation and taking it themselves. Dr. Moody says they will be glad to come sometime in the future and explain to the people of Chestnut Glade the nature of their work.

A birthday dinner at Mr. Ocie Yates, Sunday, March 21, in honor of Mr. Yates and his brother, Dalton's birthday, was enjoyed by quite a number of relatives and friends. All brought dinner. Those present were Mr. and Mrs. George Foster, Mr. and Mrs. Dalton Yates and family, Mr. and Mrs. Calvin Yates, Mr. and Mrs. J. A. Pirtle and family, Mr. and Mrs. George Givens and son, Martin, Mr. and Mrs. P. P. Ridgway, Mrs. Mai Moore, Mr. and Mrs. Paul Moore and family, Mrs. Wayne Frost and family, Miss C. E. Roberts, Mr. and Mrs. Tommie Hunt, Mr. and Mrs. Waller Permenter.

FARM AGENT NEEDED IN FULTON VICINITY

Some time ago a member of the Chamber of Commerce made a motion to have a committee appointed to see if the farmers of Fulton vicinity were ready to support a farm agent, but for some reason the plan seems to have died out.

Renewed interest is called to the project by a couple of pamphlets from the State Agricultural College at Lexington, telling of the splendid work being done by the agents of several counties of Kentucky in increasing the interest and profits of the farmers by showing them how to breed better stock, terrace land that is washing, and the raising of better crops of all sorts.

Possibly the new Agricultural Committee of the Chamber will again take up this movement and bring it to a successful issue.

There is one form of protection, however, that
all of us in this community enjoy every day and
it doesn't cost us one cent! We never can know
how many lives it has saved, how much sickness
it has prevented, how many hours of content-
ment it has brought to our homes.

This protection is the service rendered by the
business men of our town, who quietly and faith-
fully meet our daily needs. No matter what
emergency may face us, they continue to supply
us with food, shelter, clothing and the other
necessities of life.

You will find their ads in this paper. They
solicit—and deserve—your generous patronage.
They are your friends in time of need!

Methodist Church

J. V. Freeman, Pastor

Sunday School, 9:30 a. m. T.
J. Kramer, Supt.
Epworth League, 6:15; Jun-
ior, 6:30, Senior.
Prayer meeting, 7:30 Wed-
nesday evening.
Preaching by the pastor at 11
a. m. and 7:30 p. m.
Special music and the public
is cordially invited to attend.

The services of last Sunday
were well attended and profit-
able.

The ten day revival services
were announced to begin April
11, with Rev. Russell and sing-
er to be with us at that time.
Every one interested in the
good that can be done in the
town, are invited to attend all
these services and the church
members are urged to come.

The Warner Blackards met
with Mrs. Gingles and Mrs.
Clark as hostesses at the home
of the former. The president,
Mrs. Scruggs called the meeting
to order and the opening hymn
was sung. The short business
session was held and afterward
the leader, Mrs. Graham Mc-
Donald took charge of the pro-
gram. Her subject for the
Bible lesson, "If Jesus Should
Come Today, Who Would Rec-
ognize Him?" After this, she
was assisted in the program on
Japanese condition in America,
by Mesdames Davis, Kramer,
Brady Payne, Mrs. Davis, as-
sisted by Mesdames Allen and
Robertson, presented the most
interesting clippings from the
Bulletin.

Miss Margaret Allen favored
us with a beautiful piano solo.
Little Mary Ellen Morris gave
two readings, which were en-
joyed by all.

The meeting adjourned to
meet April 5, with Mrs. J. V.
Freeman, assisted by Mrs. Lis-
lie Batts. Note change of date
from April 12 to April 5. Dur-
ing social hour the hostesses
served a delicious ice course.

Mrs. J. J. Owen and Mrs. I.
R. Nolen attended the confer-
ence in Union City, Tuesday
afternoon.

The Mission study class of the
Warner Blackards will meet
Monday, March 29, at the home
of Mrs. Sam Bennett, in an all
day session.

Mrs. Vodie Hardin, confer-
ence officer of Juniors, is at-
tending the annual Miss con-
ference in Union City this week.

Mesdames R. A. Brady, Boyd
Bennett, A. G. Baldrige, J. C.
Scruggs, Chas. Payne, attend-
ed the conference in Union City
Wednesday.

followed by choir practice.

Friday, 7:00 p. m. Evening
prayer and address.

All are cordially invited to
attend these services.

Church News

Friday, April 2, will be Good
Friday, when the three hours
devotion, from 12 to 3 p. m.
will be observed. The offering
on this occasion will be sent to
the committee of the church at
Jerusalem for the maintenance
of the Christian support of the
sacred places of our Saviour's
ministry.

The Lenten offering envel-
opes should be utilized and
made ready to be returned with
the special offering on Easter
Sunday, and the Easter offering
for local interests will be plac-
ed in envelopes which will be
found in the pews on Easter.

Mrs. Thos. H. Chapman has
returned from Waco, Texas,
where she has been in attend-
ance on her mother, who is im-
proving satisfactorily from her
operation. While attending
service last Sunday Mrs. Chap-
man was taken ill and obliged
to leave the church.

Miss Hattie Mae Godfrey
has been selected as organist
for Trinity, and the music last
Sunday was decidedly satisfac-
tory. With Miss Gregory at the
organ, there is a noticeable re-
sponse from the congregation
in the singing.

Several candidates for the
position of organist have been
tried out, and the music has suf-
fered somewhat from that fact,
but it is felt, that now the se-
lection has been made, that
more enjoyment will be had
from the musical portion of the
service will be noticed.

Mrs. John Miles was again in
charge of her class at the
church school, last Sunday, af-
ter several weeks' absence, visit-
ing her father in Paducah. It
must have been very gratifying
to her to experience the pleas-
ure of her pupils at her return.

Dr. Boyd spent Tuesday in
Clinton attending to church af-
fairs.

Mrs. Boyd has been suffer-
ing from flu for the past week
or so, but is slowly improving.

BROTHERHOOD BANQUET

The Baptist Brotherhood of
the First Baptist church was
given a very wholesome treat
in the basement of the church
on their last regular meeting
night, the occasion being a most
enjoyable oyster supper which
was served to a large gathering
of the members of the Brother-
hood. Oysters were furnished
by Mr. and Mrs. W. D. Boyd,
and that with other good things
to eat, were served by Class No.
13, of the Sunday school.

The occasion proved to be
quite an enjoyable event, both
as a bountiful supper and a
very enjoyable social evening.
During the supper hour, several
toasts were given by the vari-
ous members of the Brother-
hood and spiced with enough
humor to make them thorough-
ly enjoyed.

The Brotherhood is increas-
ing both in membership and in-
terest and promises to be a
helpful organization of the
church.

Mrs. Ralph Graves of Bard-
well, Ky., attended the meeting
of the Eastern Star Tuesday
night and was the guest of Mr.
and Mrs. W. C. Porter in South
Fulton.

Miss Ivora Cantrell, of South
Fulton, met with the teachers
in Wingo last week, with a view
to teaching a music class at that
place.
