A WORD TO HOUSEWIVES.

With the call of Spring in the air, it reminds one of the many outdoor activities in which the home should partake and enjoy. Surely the Housewife should be allowed this pleasure as well as other members of the family.

You have at your command an institution which, with its modern equipment, makes it possible to give you an extra holiday in each week of the year. "The Home of Cleanliness" can save your family wash in a clean, moderate, sanitary manner—washing of the clothes outdoors to catch pests circulating in the air, or in rooms where sleeping and eating are done, but clean tables and assuring a lack care for your clothes until they reach you and are clean.

This extra precaution and insurance toward cleanliness costs no more. Why not take advantage of this extra day each week by sending the family wash to "The Home of Cleanliness"?

Choose one of our family wash services and make a holiday out of the wash day, with a guarantee for every precaution in safeguarding your clothes.

DRY WASH SERVICE

For those who prefer to do their own ironing at home we now take the family washing and return it home clean and dry (red ironed) for 6 cents a pound. You will find many of the pieces so perfectly washed and dry that ironing will be unnecessary.

The Vorseleam Tumbler used in the O. K. Laundry is the only drying tumbler that does not depend solely on heat to dry clothes, it is the missing link in an otherwise perfect laundrying process. Be sure to see this wonder machine at the O. K. Laundry any time, feel and smell the clothes it dries, notice how fresh and sweet smelling they are.

ROUGH DRY SERVICE

Clothes washed, flat pieces, such as table clothes, sheets, towels, pillow cases, muslin, dishtowels, ironed and ready for use. This service for 10c per pound. 50c minimum package.

FINISHED FAMILY SERVICE

Clothes washed, all pieces pinned and pressed ready for use. This service for 10c per pound, with an additional cost of 10c per pound for the ironing of the starred pieces. Choose the service best suited for your need and let us prove the economical way of answering your wash day problems. Don't be burdened with that worry.

Clade, Saturday evening, was the perfect opportunity. The plot was not new, but the way it was brought to life was remarkable. The audience, dictated by the theater's requirements, was divided into various parts: the father figure, the mother figure, and the child figure, all of whom had their own goals and motivations. The plot emphasized the importance of the mother's role in society, as dictated by the theater's requirements.

The father figure, Mr. Vales, Sunday, March 22, was in love with his wife, George. Without her, he could not serve food like he gets at home. Mr. Vales, being the father figure, had to be strong and provide for his family. Mr. and Mrs. George Vales and any Mr. and Mrs. P. F. Roberts, and any Mr. and Mrs. Martin Roberts, and any Mr. and Mrs. Benjamin Frans, and any Mr. and Mrs. Vales, were already married.

The plot also featured the child figure, Mr. Vales' son, Martin, who was not very interested in his father's work. Martin, being the child figure, had to be taken care of and provided for. The plot emphasized the importance of the child figure, as it was the future of the family.

A brother figure, Mr. Yates, was also featured. Mr. Yates, being the brother figure, had to be supportive and provide for his family. Mr. Yates, being the brother figure, also had to be supportive of his sister, Mrs. Yates, who was Morgan's wife. Morgan, being the brother figure, had to be supportive of his family and provide for their needs.
