DAVIS TO GIVE SERIES OF SERMONS AT FIRST BAPTIST CHURCH IN NOVEMBER

The above is the general subject of a series of Bible messages to be delivered at the First Baptist Church by the Pastor, E. D. Davis, during the months of November and December, at the morning worship hour, 10:45 o'clock. We are commended to "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear." 1 Peter 3:15. We cordially invite the public to hear each of these messages. The following topics will be discussed in the order listed:

November 12 The Bible, the only Rule of Faith and Practice.

November 19 The Results of Sin, or Total Depravity.

November 26 The Way of Salvation by Grace.

December 3, "The Security of the Believer, or Once Saved Always Saved."

December 10 "The Family of God, the Kingdom of God and the Church of God."

December 17 The Ordinances, Symbols of Gospel Truths.

December 24, "The Future Life or Heaven and Hell."

ded expense in our efforts to curb lawlessness by drunken driving. Each year we see and hear of more demands for officers to patrol the roads and highways. In the days of the "hoss and buggy" this added expense was not needed or asked for, but today where would we be if we did not have some protection? Do you remember the old saw about the "fellow who dances about the fire and says the fiddler?" We have gone too far to return to hoss and buggy days and to the lessons taught in McGuffey's third reader, but is our progress worth the difference?

ONLY DISTILLERS AND THE Breweries operate under the old gray mare days. Only we, who sit on the sidelines and see the annual death toll, realize the difference of 40 or 50 years.

County Teams Begin Playing Heavy '50-'51 Basketball Schedule

The Basketball teams in this county got off to a good start on the 1950, 1951 season this week. The Blue Eagles and Benton's Indians opened their basketball season last Friday night with the Eagles taking a 49-40 decision on the strength of a terrific fourth quarter rally. Benton led 38 to 33 after three periods.

Larry Gardner tossed in 17 points to lead the winners in scoring, while Castleberry netted 15 for Benton. HEATH 54, CALVERT CITY 38. Heath's Pirates defeated Calvert City, 54-38, at Calvert City last Friday night for their second win in as many starts. It was the opening game of the season for the Wildcats.

Jack Vance tallied 13 points to lead Heath and Bobby McLea, more Calvert guard, grabbed scoring honors, with 21 points.

NEXT GOVERNOR OF KY.

Lt. Gov. Lawrence Wetherby

Wetherby Will Be New Gov. Of Kentucky

The election of Gov. Earle Clements to the U. S. Senate means the governor's mansion at Frankfort soon will have a new tenant, another Democrat.

He is Lt. Gov. Lawrence Wetherby, an 42-year-old, went into office with Clements a little less than three years ago and on several occasions has served as acting governor during the absence from Kentucky of Clements.

Before his election, Wetherby gained statewide attention for his work with juveniles in Louisville and Jefferson county. He served four years as juvenile judge here and before that was attorney for Jefferson county.

The Wetherbys, parents of three children, now live in Anchorage, a Louisville suburb. He was an athlete in high school and college and was graduated from the University of Kentucky law school.

Wetherby has been active in Democratic work for several years and was mentioned as a possible candidate for governor in the 1947 election.

Many consider him a certain candidate for the governorship in 1951 for the full four-year term. Gov. Earle Clements has indicated during the fall campaign that he looked with favor upon Wetherby as his successor.

The exact date when Wetherby takes over the governorship depends upon when Gov. Clements resigns to go to Washington. But it probably will be late this month.

IS EXPECTED TO TURN STATE LEADERSHIP OVER TO LT. GOV. WETHERBY

Governor Earle C. Clements carried eight of the nine congressional districts of the state to win the U. S. Senate seat over Judge Charles I. Dawson, by about 55,000 plurality, according to final unofficial returns made public today.

The Governor carried Marshall county almost 3 to 1 over Dawson. The vote was light, approximately 2,600 cast by voters.

The final count in the state showed: Clements 377,189, Dawson 271,706.

The total vote in Marshall county was: Clements 1,905, Dawson 653.

Kentucky was about the only bright spot on the horizon for Democrats as Republican candidates were swept into power in many other key states. Several of President Truman's stalwart leaders went down to defeat while such leaders as Senator Taft and others were retained or new Republican officials elected.

Governor Clements is expected to leave for Washington this month to assume his new duties. He has indicated by state letters that Lt. Governor Lawrence Wetherby will become the chief executive of state government.

In two districts of the County Board of Education, W. J. Brien and T. V. Mobley, both were re-elected without opposition.

W. S. Castleberry and W. S. (Dolly) Myers, were chosen as members of the Benton Independent school board. Several persons received write-in votes in these races.

Over the nation Republicans were jubilant, claiming that the results of Tuesday's vote was a repudiation of Truman's Fair Deal, New Deal Socialistic program.

Democrats appeared stunned over the loss of such leaders as Lucas, of Illinois; Tydings, of Maryland; and the retaining of Taft, of Ohio and others.

Magistrates To Vote On County Forest Fire Protection Dec. 12th

The magistrates will be given an opportunity to accept or reject, Forest fire protection on December 12 at the regular meeting of the county court.

Their action will determine whether the woodland owners will pay 2 cents of the 8 cents necessary for protection for a period of 5 years.

Each Warden will have a crew of local men to help fight fires. These fire crews, paid by the state division of Forestry, will fight woods fires much like city crews fight house fires in town.

The Forestry officials in this county urge all interested parties to be in court on December 12th or inform his magistrate that County-wide forest fire protection is needed and desired.

CORRECTIONS CHEERFULLY MADE WHEN ATTENTION IS CALLED TO ERRORS

Looking At Life By Wray Woodson Cross

The safety council in Pawtucket, Rhode Island, is setting up a training course for baby sitters.

Baby sitting, the council believes, has become an important part of modern living and those engaged in the occupation should have proper training.

Any girl in the ninth grade, or above, can register for the course and learn how to handle the problems that arise in the field of baby sitting.

The town's YMCA and YWCA are cooperating in the project.

It looks like grandma and grandpa, who used to do a great deal of the sitting with their grandchildren, are going to lose out to the professionals. Grandma and grandpa did their sitting for free, and enjoyed it, whereas some of the professional sitters now get as much as \$1 an hour.

Back in the "good old days" when there generally were more than one or two children in a family, the older children took care of the younger ones when the parents wanted an evening away from home. But now there are not enough children in most families so that Junior can have an older brother or sister for his sitter. Consequently, Mom and Dad have to hire one.

Modern mothers and fathers rarely take their youngsters to public places any more. Nowadays it would shock some folks to see a mother nursing her baby in public. As a matter of fact, each year finds more and more bottle babies.

Mom has it a lot easier than her mother or grandmother had it. More conveniences and time-saving devices in the home and fewer children give her more leisure and less drudgery.

Maybe that's the reason that some of today's Moms at ages of 35 and 40 look like college girls.

DID YOU KNOW — That the eyes of hares are never closed? They have no eyelids but are equipped with a thin membrane which covers the eyes when the animal is asleep or at rest.

THIS WEEK'S LAUGH — A taxi was creeping through jammed New York City streets during rush-hour traffic and the passenger was in a hurry.

"Please" he said to the driver, "Can's you go faster?"

"Sure I can," the cabbie replied, but I ain't allowed to leave the taxi."

DOGGONE GOOD SHOWING — This year's newest census reports that there are now about 22,000,000 dogs in the United States. These bone burriers are owned by 17,000,000 families, which is 2,000,000 more than owned canines in 1940.

More than 25 per cent of the owners used their dogs for other purposes than just as pets — for hunting, herding, guarding property, etc.

Maybe the country is going to the dogs, at that.

SENTENCE SERMON — "Him that cometh unto me I will no wise cast out. (John 6:37.)

CRACK OF THE WEEK — A book reviewer, after reading a best selling novel, had this acid comment:

"Once you lay it down, you just can't seem to pick it up again."

WORTH REMEMBERING — Many persons might have attained wisdom had they not assumed they already possessed it.

Soil Conservation Notes By Herbert Anderson

While sitting on a stack of lumber beside his new Grade A milk barn, Dawson Edwards, Fairdeal, told me, "I am going to need all my land on this side of the road in pasture for the twenty to thirty cows I plan to milk."

Much of the land Edwards seeded this fall had been lying idle, not paying off. Now in his complete soil and water conservation farm plan, he is putting every acre to work and saving his soil at the same time.

E. H. Lents, Fairdeal, built a stock water pond last Wednesday. The Soil Conservation Service helped him locate, survey, and build the pond. Located in a permanent pasture field, the pond will furnish water for

four rotation fields after a lane fence is built.

A levee seven and one-half feet high and one hundred and twenty-five feet long was built across a natural draw. A spillway the width of a ten foot bulldozer blade was cut for about eighty feet to an area where the overflow water would not start a gully.

Noble Marshall, Olivertsville, Brandon Price, Fairdeal, and Joe Faughn, Benton, requested assistance during October from the Marshall County SCS in planning and applying soil and water conservation practices.

Vernon Walker, Sharpe, has harvested about nine hundred pounds of sericea lespedeza seed from one acre.

Walker has also seeded a permanent pasture on land which had grown up in bushes. Seeded by discing with a heavy bush and bog pulled by a bulldozer.

THIS IS OUR MOST SHAMEFUL WASTE!

THE NUMBER OF FOREST FIRES IS UNBELIEVABLE!

THERE IS AN AVERAGE OF 200,000 FOREST FIRES EVERY YEAR. THEY BURN ABOUT 30 MILLION ACRES, AN AREA LARGER THAN THE STATE OF PENNSYLVANIA! THE SAW-TIMBER TREES DESTROYED WOULD BUILD ALL THE HOMES IN A CITY OF OVER ONE-HALF MILLION POPULATION!

HOW MUCH LONGER CAN WE AFFORD THIS SHAMEFUL WASTE?

IT ALL DEPENDS ON THE PEOPLE OF THIS COUNTRY—PEOPLE LIKE YOU! CARELESSNESS—NOT LIGHTNING OR OTHER SUCH CAUSES—IS THE MAJOR CAUSE OF FOREST FIRES! PLEASE—PLEASE—BE CAREFUL THIS YEAR. ALWAYS FOLLOW THESE FOUR SIMPLE RULES:

1. HOLD YOUR SMOKING MATERIALS UNTIL THEY ARE COOL—THEN PINCH IT TO BE SURE.
2. CRUSH OUT YOUR CIGARETTE, CIGAR, PIPE ASHES, USE AN ASH TRAY.
3. DROWN YOUR CHAFFERS! THEN STIR AND DROWN AGAIN!
4. ASK YOUR SMOKER OR FIRE WARDEN BEFORE BURNING GRASS, BRUSH, FENCE ROWS OR TRASH.

FOREST FIRES BREED DISASTER!

GREAT FLOODS THREATEN WHEN WATERSHEDS ARE BURNED. VITAL POWER AND WATER SOURCES ARE ENDANGERED. OUR FOREST PLAYGROUNDS TURN TO BLACK ASHES. WILDLIFE IS WIPE OUT. MEN DIE.

SMOKEY SAYS:

"THE RECORDS SHOW A HEARTENING DECLINE IN FOREST FIRES, BUT THEY ARE STILL A TREMENDOUS TOLL. OUR THANKS TO ALL YOU PEOPLE WHO ARE GIVING SO GENEROUSLY OF YOUR TIME AND MONEY AND CAREFULNESS—LET'S MAKE 1930 THE BEST YEAR YET!"

REMEMBER—ONLY YOU CAN PREVENT FOREST FIRES!

Wool Casuals Take on Festive Air

Light and dark gray are combined to make this two-tone casual in Juillard sheer wool.

Imaginative Color Combinations, Slim Silhouettes Are Highlights

THE wool casual, often the backbone of a wardrobe, is not necessarily simple this fall. It may have a catchy yoke treatment, a peplum, capelci, side-drape or surplice front. The silhouette is always slim and imagination is often evidenced in the combination of two colors, or in two shades of one color.

A hug-me-tight casual in wool boucle, designed by Margaret Newman, comes in purple with a yoke of winter white. Interesting detail is seen in the large hip pockets which almost surround the slim-in-front and gored-in-back skirt. The elbow length sleeves end in cavalier cuffs.

Another casual by this same designer is available in Juillard sheer wool. Subtle tones of light and dark gray are combined to make a slim dress with a surplice front caught by antiqued gold buttons. Sleeves are cut slightly dolman but are slim and tight at the wrists.

A yoke of winter white emphasizes the detail of this hug-me-tight casual in wool boucle.

1949 2 door Fleetline Chevrolet, black, kept like new...has radio heater, and seat covers. Also backup light. Locally owned, and serviced by PHILIPS CHEVROLET COMPANY. Nice to handle.

1949 2 door Styleline Deluxe Chevrolet, two-tone gray. Has spotlight, big radio, heater and covers. A beautiful car, broken in right, and has had only one owner.

1948 2 door Chevrolet Sedan, light green. Has all accessories, and could not possibly have had better care. Former owner was Jiggs McGregor. Only one kind of 10 wt oil has ever been used in it. We dare you to find a better one.

1948 4 door Stylemaster Chevrolet. Nice two-tone gray. This car is another single owner — W. C. Butterworth. It has all accessories, a new set of white wall tires, and is mechanically perfect. If you want beauty and top ease of driving, plus very best possible performance, this is it an ACE.

1947 Pontiac 4 door 8 cylinder. Here's another you can't beat. Listen to this! Has pushbutton radio, big heater, plastic seat covers, back up light, wind shield washer, rear window wiper, fog lights, underhood lamp, trunk light. It's a shiny black color, and has formerly owned by F. C. Burnette, tobaccoist of Mayfield, Ky. It drives like a million. All floorboards and upholstery like NEW. Drive it!

1947 2 door Chevrolet sedan. Black. Still has tape on metal strips by front floorboard. Upholstery unused, and floorboards hardly show wear. Tires hardly used. Has radio and heater, and is absolutely TOPS for a 1947 model. A good one for commuting and hauling passengers. All so one owner job.

1949 Ford tudor. Custom light gray, radio heater and covers. Quick on the trigger and a good buy.

WANT EXTRA GOOD TRAINS. PORTATION? — Here's a fine little 1939 Ford, formerly owned by Mr. Dan Lee. He spent \$185.00 reconditioning the motor and drives unbelievable well. If you want a GOOD car to drive at a good low price, just drive this one a block. It'll sell itself.

Calvert City School News...

It's Basketball season again and everyone around here is excited about the prospects of the school games.

Mr. Walters, a hypnotic, visited the school last Wednesday and gave a very interesting and educational show. He first presented a magic show for the benefit of the little folks. Then he asked for volunteers. Of 20 volunteers only one went to sleep. After the show Mr. Walters complimented Bob Donald on his ability to concentrate.

The FFA met last Thursday morning at the extra period. Several reports were made and plans for future activities were made.

The first grade was entertained last week by Mrs. John Howard and of the room mothers.

Palma School News

By Melba Sue Freeman
The boys and girls of Palma School enjoyed a pot luck supper and Halloween party Monday night which was sponsored by the Homemakers Club.

Cheerleaders for the year have been selected and include Mary H. Lee, Alice Chumler, Carolyn Lee, Velma Williams, and Melba Freeman.

Our basketball team will go to Saunders Ridge Friday afternoon to engage the river boys in a game.

The quilts which were quilted by the patrons on Thursday night are very pretty and on Nov. 18 at a program at the school someone will be given the quilt.

Everyone is invited to attend.

East or West—Home-Made is Best

The best gifts are those you make with your own two hands; and one of the sweetest gifts you can give is a box of candy, made and wrapped at home, with your own personal touches. A special candy-making chocolate helps you produce candies as delicious and professional-looking as any you could buy — and especially welcome because you made them yourself!

Chocolate Caramels
1 cup sugar 1/4 teaspoon salt
1 cup light corn syrup 1 1/2 cups heavy cream
5 squares candy-making chocolate

Combine sugar, corn syrup, chocolate, salt, and cream. Place over low heat and stir constantly until sugar is dissolved and mixture boils. Continue boiling over low heat until a small amount of the mixture forms a firm ball in cold water (or to a temperature of 248° F.) stirring constantly after mixture begins to thicken. Pour into lightly buttered 8x4x3-inch pan. (Do not scrape pan.) Let stand until cold. Mark in 1/2-inch squares with knife and turn out on cold slab, top-side up. Cut in squares, using full length of long, sharp blade. Let stand in cool place 2 to 3 hours to dry. Wrap each caramel in waxed paper. Makes 40 caramels.

Quick French Creams
1 package (8 squares) candy-making chocolate 1 tablespoon milk
1 cup sifted confectioners' sugar 1 egg, well beaten

Heat chocolate over boiling water until partly melted. Then remove from boiling water and stir rapidly until entirely melted. Add sugar, milk, and egg and beat only enough to blend. Chill until mixture can be shaped in 1/2-inch balls. Shape balls and roll lightly in breakfast cocoa, chocolate sprinkles, or chopped shredded coconut or nut meats. Makes about 5 dozen French creams.
