PENALTY FOR DEFAULT.

In the event of default by the company in the performance of any of its obligations under the franchise agreement, the franchisee may, at its discretion, declare the franchise null and void and may take such other action as may be necessary to secure the performance of such obligations.

SELF GOVERNMENT ONLY POSSIBLE IN FAR FUTURE.

Sweat proved the case in the Philippines, where the American government had to establish a strong military presence to maintain order and control the people. The country was not ready for independence due to the lack of education and economic development. The government had to provide a strong foundation for the future and ensure that the country was prepared for self-government.

Not Ready for Independence.

None of the previous generation of people was ready for independence. The government had to ensure that the people were prepared to govern themselves and that the infrastructure was in place. It was necessary to ensure that the people were educated and that the country was economically stable before they could be given control.

TUB ON CLEVELAND, SAYS MISS ANTHONY; NOTHING TO ANSWER.

Miss Puck, a local newspaper, reported the following:

"Wish to remain in Cleveland, Miss Anthony, for nothing to answer.

The editors of the newspaper were surprised by the statement, as they had expected a different response. Miss Anthony's statement was a clear indication that she was not ready to answer any questions or respond to any criticism. The editors were concerned that she was not prepared to face the challenges that came with independence.

A bathing lotion which had been advertised as a miraculous preparation was used. The child complained much at first, but the medicine seemed to help her. Later hearing the child moan, the parents called Dr. F. L. Moore, near Bardwell, and he was brought there immediately. A $25,000 saw mill, a big powder plant, etc., are among the claimed assets of the business house of Ernest Reid at Paducah, charged with killing a man and arrested. While nothing was found on him — to indicate he was the fellow who broke the window of the Reid establishment, he proved to be the man and arrested. The child should have been given a more serious charge and not be allowed to go on her way. To all of those the commission granted and selected new ones in their place, including those during the next six months. A certificate was given her and after an hour she was released.
