### FISH AND WHALE TALES

(By The Fishy Editor)

Brr! And more Brr, when a follower of the rod and reel enthusiasts think of fishing during the recent cold snap. Wind whipping up the river and Lake from the icy North, caused the long-handlers to stop and think.

### DENIES CHARGES ABOUT OPERATION OF FARM AS MADE IN NEWSPAPERS

Elmer Young, 66 years of age, and caretaker of the Marshall county poor farm, resigned at a meeting of the Fiscal Court held here Tuesday morning and after some citizens of the community in which the farm is located had reportedly made complaints to the Court concerning his management.

After hearing protests and testimony in favor of Young, the court asked for the caretaker's resignation. The court offered to give Young 30 days' notice. His salary was \$75 per month.

CORRECTIONS CHEERFULLY MADE WHEN ATTENTION IS CALLED TO ERRORS

## Looking At Life By Wray Woodson Cross

The Atomic age has thoughts with another great discovery — noiseless popcorn.

According to recent news articles, the crunchless popcorn has passed through the experimental stage and soon will be placed on the market.

It's the greatest anti-noise news since the noiseless typewriter. Now Junior can chomp to his heart's desire without fear of reprimand by the woman in the big hat who feels she couldn't possibly be obstructing anybody's view.

Theatres probably will be so quiet now you can hear all the town gossip from the back seat, because the gossip might involve you.

First thing you know somebody is going to invent noiseless chewing gum then won't it be a dull world.

BEER AND MOVIES — Another news item quotes a Chicago welfare executive as saying, "folks on relief need an occasional beer and a movie." The executive said the beer and the movies would help get their minds off their desperate circumstances.

(It's a relief, sob.) to know that someone has the welfare of us poor folks at heart. We'd like to put in our down-at-the-heel plea for a pair of rose-colored eyeglasses, so things would look even more rosy.

WISE WORDS — Great men are they who see that spiritual is stronger than any mater-

ial force; that thought rules the world. (Emerson).

It's A Great Life — The millenium seems to have arrived in labor-short Australia.

One Sydney boarding house, fussing about how its boarders dress for meals, has sternly reminded one newcomer, who likes to wear open neck sport shirts, that henceforth he must wear a tie. The boarder agreed until he saw another dinner wearing a flannel undershirt, and demanded a reason.

"That's the handyman, said the landlady. He's allowed to wear what he likes. We can get plenty of boarders, but labor is hard to find.

SENTENCE SERMON — "I give unto them eternal life, and they shall never perish, neither shall any man pluck them out of my hand." (John 10:28)

DID YOU KNOW — less than one-twentieth of the 386,000 square miles of Egypt — the fertile Nile Valley and the desert oases — is settled and cultivated. — All Aboard

CRACK OF THE WEEK — Taxes could be a lot worse. Suppose we had to pay on what we think we are worth.

PARTING THOUGHT — Did you ever notice how often a narrow mind and a wide mouth go together?

## Soil Conservation Notes By Herbert Anderson

William Bringham, Gilbertville, has asked for new land capability maps of his farm. Bringham became a cooperator of the SCS in October, 1946. At that time maps did not have a legend, as they do today, which describes and classifies each acre into one of eight land use classes.

New land capability maps were received last week from Spartanburg, South Carolina, for the following farmers: Robert Howard, Henry B. Smith, Jr., Howard Rickman, Paul Castleberry, Claude E. Byerly, Horace Stedd, S. B. Castleberry, Rolfe Smith, Henry F. Peesor, and J. E. Houser, who live on or near the Symonia road; Lodal York, Fairdealing; C.

E. Anderson, Benton; L. A. McGregor, Mayfield highway, Roswell L. Smith, Oak Level; Ben T. Wyatt, and Joe E. Hill, near Briensburg; Wm. T. Boatwright, John I. Foust, James Copeland, and Herman Dexter, near Tatumville; Daniel Irwan, and Earl Story on the Sharpe bottom road; and Jewell E. Jessup Possum Trot.

These farmers have asked for help from the Soil Conservation Service in making complete soil and water conservation farm plans. J. Wes Lyles, Palma, said, "This terraced field hasn't been cultivated in ten years. Never before has it made as much hay as it did this year."

Herschel Howard, Fairdealing, seeded a timothy, redtop mixture this fall. With the stand he has a close growing soil will form, which will hold his soil in place.

## It takes less coal

to buy residence telephone service today than it did 10 years ago . . .

If you paid your telephone bill with bituminous coal, residence telephone service would cost you less today than it did in 1940. In spite of the moderate increase in telephone rates, the average charge for a month's residence telephone service in Kentucky would now amount to only 800 pounds of coal as compared to 1,200 pounds in 1940.  
Compare telephone service also with wages and the cost of living. In the past ten years, hourly wages in manufacturing plants have more than doubled and the overall cost of living has gone up about 74% while, in this same period, residence telephone rates in Kentucky have advanced on the average only 46%.  
In other words the price you pay for telephone service has gone up far less than the price of coal, far less than wages and family income and far less than most commodities and services you buy every day.  
Meanwhile, the amount of telephone service available at your local service rate has increased immensely. Today throughout most of Kentucky you can call and be called from about twice as many local telephones as you could ten years ago.  
Yes, telephone service is today a bigger bargain and a smaller item in the family budget than it was 10 years ago.

## Good Reasons Why YOU FARMERS SHOULD BUY NOW!

1. PRICES ARE GOING UP! They have increased this fall and are going still higher.
2. SHORTAGE OF TRACTOR AND IMPLEMENTS for dealers is even more evident now than in the past, due to heavier demand and raw material shortage.
3. YOUR MONEY WILL GO FARTHER NOW and buy more under present conditions than in the spring.

## BEAKER THAT POURS BILLIONS into the NEW SOUTH!

IN 1949... SALES FROM CHEMICAL MANUFACTURING IN SOUTHERN STATES REACHED \$1,244,000,000

A rapidly expanding chemical industry is pouring billions of dollars into the bustling new South... increasingly it is opening new ways to tap the South's vast mineral and agricultural wealth.

Out of Southern laboratories and chemical manufacturing plants come new wonder drugs... new and amazing uses for peanuts and soy beans... new and better ways to make life easier and better. And with it all, new wealth and new opportunity for the people... for the business and industries of the Southland.

The NC&StL... Serving the South for a Century!

Serving the South for over ten decades, the NC&StL today keeps in step with the needs of the new South. Since 1941 it has spent over \$41,000,000 on road-way and equipment improvement. New cars, new locomotives, new trackage offer fast, dependable, modern rail transportation... to this Southland of unlimited opportunity.

## Thompson Shop News

Good morning friends! Glad to be back with the news again. Well, the election is over. We had a large vote at the Thompson Mill, 143 cast. The Republicans played a stiff hand with the Democrats, and in our next county election if our County Judge and Magistrate don't do something about that hill, put some gravel on it now, that road that leaves the Oak Level road at the foot of the big hill below Old Union church to Kaler, so our mail and school bus can get over there, there will be some more Democrats defeated. If this is worth anything, you all act like it. Taxpayers don't approve of that hill after a rain.

There was preaching at the Doorn's Chapel church Sunday. A large crowd and good preaching. There is preaching on each third Sunday and singing on Saturday nights. We are planning on a revival meeting to begin about Christmas day and go on for a week or more. Everybody is invited to come and hear Bro. Stinnett. We will let you know the opening date later. Come to the singing on Saturday nights and bring your books.

Jimmie Owens is in the Mayfield hospital with pneumonia. We hope for him a speedy recovery. I'm asking God to come on the scene and bring healing in His wings. God can and will heal. I have seen the work done.

## Brewers School News

By Willie Mat Mathis

The Brewers chapter of FFA sent its officers to the district training school for officers at Murray Training school Thursday of the past week.

A chapel program was presented by the chapter on Nov. 10 during the assembly period, and was considered one of the best given this year.

A field trip was taken by the Junior and Senior class on Nov. 21. At that time we were shown how to cull poultry by the advisors and members were allowed to practice culling. Two registered Hampshire pigs

were bought by the chapter and given to Henry Darnell and Billy Dean Reed as a part of the club project work as an initial move to start a pig choir in the chapter.

The Seniors have decided on the 1950-51 annuals and have elected staff members: Ray Jean Mason, editor; Willie Mae Mathis, assistant editor; Ellis Newsome business manager; Earle Ivey, Assistant manager; Joe Smith, Kenneth Palmer, Donald Mobley and Kenneth Smith, advertising; Bobby Prather and Charles Jones, art; Johnnie Reed and Vickie Riley, sports; Thomas Smith, sports editor; Daisy Burnett and Jenny L. White, activity. Work will begin on the annual within a week.

The basketball team played Hazel Saturday night and beat them 69-48. It was their third game winning two. They will play Wingo here Friday night. Mrs. Elton Telle, the Home Ec teacher has resigned to work in the Bank. She was replaced by Mrs. Frank Henton. She was a real good teacher and well liked.

## Moving

We have moved our offices into the new Wolfe - Hawkins Medical Building located at 1317 Main Street in Benton next door to the offices of Dr. George C. McClain.

ed. We regretted losing her but we feel sure that Mrs. Henton will also be a good teacher.

The average attendance for the last month as reported by Mr. Fiser is: Freshmen 97.783; Sophomores 96.973; Juniors 95.06; Seniors 95.964. For all 12 grades the average was 96.411.

The PTA unit presented an old fashioned school program at the school November 13. The teacher was W. C. Mathis and the pupils were members of the PTA.

#### BUSINESS WOMEN OF FIRST M - BAPTIST CHURCH MEET WITH MRS. C. CONE

The Women's circle of the First Missionary Baptist church met Thursday night November 9 in the home of Mrs. Charlie Cone. In the business session it was voted for the women of the missionary society to have a joint meeting in the church for the December program.

Program subject for the evening was "Is There a Doctor In the House." After the interesting discussions, a social hour was enjoyed and sunshine friends were revealed and the guests were served delicious refreshments.

Those attending were: Mesdames John P. Dougherty, Van Wyatt, P. E. Barley, Elita Hunt, Max Petway, G. B. Johnson, R. J. Harrison, Willie Myers, Rose Thomas, J. Frank Young, Galt Hett, Charles Cone, I. D. Green, Roy Boyd, Raymond Vick, Kate Landrum, Mary Ellen McClain, and Miss Margaret Heath.

Also present were Mesdames Emma Jean Gibson, Bob Cone, Rolfe Smith, Ted Walters, Vida Edwards, and little Jane Landrum, Nancy Young, and Susan Smith.

MISS LILLIAN LOUISE WILLIAMS WEDS JOHN V. LARKIN NOVEMBER THIRD

Mr. and Mrs. John Williams of Benton Route 7, announce the marriage of their only daughter, Lillian Louise Williams, to John Vernon Larkin, son of Mr. and Mrs. Harrison Larkin, of Benton. The double ring ceremony was performed in Corinth, Miss., on

Friday, Nov. 3, with Dr. T. W. Young officiating. Mr. and Mrs. Cleve Calhoun of Murray, sister and brother-in-law of the groom, were the only attendants.

The bride chose for her wedding a gray suit with black velvet accessories and a corsage of white carnations.

Mrs. Calhoun wore a green suit with black accessories and a corsage of pink carnations. Mrs. Larkin was graduated

from Benton high school in the class of 1943. She is employed as bookkeeper at Benton Auto Exchange.

Mr. Larkin attended Sharpe high school. He was formerly employed by the Eastern Construction Company, Clarksville, Tenn.

## Church Grove SCHOOL NEWS

By Nadine Weatherford  
 Our third month started out  
 with an all-day meeting and the  
 women quilted. They brought  
 dinner. My how they worked  
 while we recited our lessons.  
 Not a class was missed. At the  
 dinner hour everybody feasted.  
 You don't know what you miss-  
 ed. The women who came were:  
 Mesdames Sadie Henson, Louise  
 Siris, Lizzie Henson, Novalee  
 Johnston, Lora Norworthy,  
 Jewell Copeland, Pauline Shep-  
 ard, Jaunita Myers, Jennie Ward  
 Marguerite Jones, Ina English.  
 Our school has bought swings  
 costing \$39.95. Thanks to Mr.  
 Hurley for putting them up for  
 us. Bring your little children  
 down now and let them play. In-  
 stead of going away to a park,  
 make our school the community  
 center. We have 100 per cent  
 cooperation from parents, teach-  
 ers and children.  
 On Friday 3, Mrs. Doll Ward  
 and girls along with Mrs. Down-  
 ing were our representatives at  
 the Gilbertville Conference, "Work-  
 ing Together to Improve the  
 Schools of Marshall County."  
 On November 7, Dr. Henson,  
 Miss Jones and Mildred came  
 out and examined the fifth grade  
 children.

Mrs. Doll Ward is teaching  
 the 4-H Club girls lessons in  
 "Charm" during the month of  
 November. This ties in with  
 their health program in school.  
 On November 9 My You should  
 have been here. What fun we  
 had. A real community and  
 neighboring community get-to-  
 gether musical. Besides our par-  
 ents, Doll Ward, Joe Siris, Tho-  
 mas Rudd, and Sadie Henson,  
 "The Symsonia Roughriders"  
 were here to help make music.  
 We were glad to welcome them,  
 and if you want a lot of good  
 music just call them. Let's all  
 go to hear them at Liberty Nov.  
 17. Thanks to our community  
 all we have to do is to just let  
 them know what we want and  
 we have it.  
 Mrs. Albert Dowdy received  
 the quilt and Bob Jones the top.  
 We are planning a Thanksgiv-  
 ing play.  
 Our 4-H program for Nov. 17,  
 "Ky. as Others See It," Mary  
 Mill; Going South Through  
 Bluegrass, Elaine Myers; North  
 and South from Louisville, Nor-  
 ma English; The Midland Trail,  
 Nadine Weatherford; The Busy  
 Bee Line, Tommy Darnell; God  
 Lives in Ky., Ruth Wallace;  
 Song My Old Ky. Home Mr.  
 Rider; Discussion of the United  
 States Flag, Miss Colley.  
 We have 22 children enrolled  
 now. 4 new ones who are Breth-  
 da Siris from Murray Training  
 school, Mary, Jerry and Mar-  
 tha Mills from Clark. Glad to  
 welcome them. Donna Harper  
 left for Chicago. We regretted

to see her leave. Though our  
 loss is someone else's gain.  
 Mr. Rider is bringing a pic-  
 ture to our school Nov. 24. Be  
 sure to come.  
 Thanks to Mr. Rose for our  
 new stove pipes and to Mr. Ray  
 mond Downing for putting them  
 up.

## HAS THE TIME TO THE MARSHALL COURIER GOING TO YOUR HOME EXPIRED?

Have you noticed the two fig-  
 ures on the right hand side of  
 the label on the Marshall Cour-  
 ier going to your home?  
 We carry two numbers the  
 month and the year for the ben-  
 efit of the subscribers to keep up  
 with the expiration date.  
 If the last number is 1950 more  
 than likely your paper has expir-  
 ed for there is only one more  
 month in this year.  
 For instance if the numbers  
 read 1150 your paper expired  
 the first of Nov.; if it reads 1250  
 it will expire the first of Dec.  
 If the first number is less than  
 11 it has already expired and if  
 the numbers read "151" your  
 paper will expire the first of  
 January, 1951.  
 The price of the paper is so  
 small in comparison with what  
 \$1 will buy these days, won't  
 you renew it if your time has  
 expired. Thank you  
 Mr. and Mrs. Sam Gold, of R.  
 5, were visitors in Benton Fri-  
 day.

## P.M.A. News

Farmers planning to increase their 1951 cotton acreage are urged to save or obtain an ample supply of good seed as soon as possible.

John D. Shemwell, Chairman of the Marshall County PMA Committee, points out that most farmers will save enough seed from their 1950 crop to plant the crop next year. "But with small supplies of good planting seed available due to a short

crop this year, we hope all farmers will make plans to have a planting supply on hand far ahead of actual planting time." The Secretary of Agriculture recently announced that cotton marketing quotas and acreage allotments will be in effect on the 1951 crop. This means farmers can grow all the cotton they like.

"A cotton crop of at least 16 million bales is needed to supply expected domestic and export demand. To build up our reserves we probably will need

## A Plan For The Future

Or A Plan Of The Present

THE DALTON

THE DALTON has several features of unusual interest. The principal bedrooms are on the second floor and have cross ventilation. One room on the first floor can be converted to several uses, such as a third bedroom, an office or a den. It is within easy reach of both entrances and the first floor toilet.

The side entrance is a little larger than usual, but it serves as a clean-up room and has both coat closet and lavatory.

The living room and the dining room are combined. However, a dinette is included in with the kitchen.

The closet space is ample for ordinary needs. Planning has been concentrated especially on the location of the closets to provide for convenient distribution and excellent circulation.

Exterior finish is siding and asphalt shingles.

Dimensions are 30 feet by 26 feet, floor area 780 square feet and cubage 17,940, not including garage.

For further information about THE DALTON, write the Small House Planning Bureau, St. Cloud, Minn.

We hope we can be of service to you on plans for a New home. We Invite you to discuss your plans with us.

## Christian Worship

Lesson for November 19, 1950

COME one has said that if the Christian church did nothing else but offer a regular opportunity for public worship of God, she would have a just claim to the title of a true church. As our church did nothing but worship it would not be doing its whole duty, indeed it would not be a true church. As our Scripture plainly shows, worship disconnected from life is not only good, it is sinful.

Why Worship? If that is worship, and why do we worship at all? We might define it as a meeting with God, both conscious and desired. "He shines in all that's fair," and in truth we are in his presence all the time. But we are not conscious of him all the time. When we are conscious of him, then one of two things happen. Either we hastily shut our minds and run away from him in fear, which is sin. Or we linger, feeling it is good for us to be here. And then it is worship. Or again, we might call worship conversation between man and God. Every part of it is either our listening to God speak to us, or our speaking to God in some way.

Why worship? We worship because we love God. Otherwise it would be a bore at best, or a kind of self-torture at worst. We worship because we need God. If Jesus needed both public worship and private prayer, so do we far more. We worship because we need to know God's will.

Why Worship Together? PUBLIC and private worship cannot be substituted for each other. Readers of the Bible know how they were intertwined in the experiences of God's people, and how our Lord himself, who used to attend the synagogue services regularly, also sought God on the hills alone. A man who never meets with God alone in prayer will not know how to come to public worship in the true spirit; and a man who habitually stays away from church for no good reason is not a person whose private prayer-life is likely to be a healthy one.

We need to worship together with other Christians. We need this experience to strengthen our own prayer-life. We need it to keep us from selfishness in our prayers. Intense, earnest prayer, and full of faith too, may be seriously wrong if it is essentially selfish.

In corporate, public worship we are reminded that none of us stands alone; that God has many children. We need to worship together because it is one of the very few things, perhaps the only one, that all human beings can do as one. No two of us are alike, yet we are alike in this one thing: We are all human beings in need of God. To worship together is to be reminded of this.

Why Worship As We Do? IT OUGHT not to be surprising that I men worship God in so many ways, for there are all sorts and conditions of men. But within the Protestant churches, our differences are not important. Essentially we have much the same "pattern" of worship. It will be helpful to you, the next time you are in church, to ask, at each part of the service: Why do we do this? What good does it do? Could it be left out without being missed?

As you visit other churches from time to time, take note of any differences, not in a spirit of criticism but considering whether you might learn from them. What do you and they have in common?

You will agree that there are hardly any parts of a typical Christian worship service which we could do without. We need the prayers, for in them we all pour out our hearts together before God. We need the hymns and psalms, because they express the beauty and the joy of our faith; most of them are prayers set to music. We need the Scripture reading, because in it we hear the Word of God. We need the sermon, because it applies the Word of God to our own lives and problems. We need the offering too, why? But in offering is true worship only on one condition. Do you know what it is? After all, the real test of every part and variety of true worship is: Has this experience brought man and God closer together in spirit and in truth?

(Copyright by the International Council of Christian Churches. Released by WNUF Posters.)

Sid Pace, of Route 1, was in town Tuesday, election day.

**Nurse Tells How HADACOL Was So Helpful To Her**

Supplied Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin Which Her System Lacked

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard being helped because of HADACOL. I tried it and after 8 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

**Why HADACOL Gives Such Fine Results**

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus.
