Do you worry about nothing? Startle at trifles? Feel irritable, peevish, sad and blue? Suffer from headaches, dizziness, backache, being down in the dumps? If so, your nerves are stretched to the snapping point, like the strings of a fiddle twisted out of tune which scratches at the least touch. You are in a dangerous condition of health and need a medicine to take the strain off your nerves. If you are a woman, what has overstrung you is probably disordered menstruation, which, in women, makes more trouble, pain and nerve sickness than any other single cause. The thing to do is to follow the example, being set daily by thousands of women, and take the good, old, reliable remedy for female disease, with a record of 70 years of success, in the cure of female diseases, viz.
