FULTON ADVERTISER

Vol. 2 No. 21

FULTON, KY., APRIL 16, 1926

R. S. Williams, Publisher

Chamber of Commerce Enthusiastic Meeting.

From a standpoint of accomplishment, the Chamber of Commerce meeting of last Tuesday night stands out as one of the most satisfactory that has been held in a long time. More progressive action along several lines was outlined, and the near future will see a number of betterments for Fulton, not only started, but well along towards fulfillment.

A mosquito extermination campaign, a fire prevention day, Clean-Up Week and special activity in the matter of advertising Fulton and Western Kentucky, were some of the objects proposed.

Tom Franklin voiced the sentiments of the membership when he said that he thought the idea of the Western Kentucky Development Association was the best thing that had been proposed in a long time, and advocated obtaining more than the quota assigned to Fulton county, which is 91, and said he believed this number could be decidedly increased, but he also believed that it would be very foolish to put this idea over and leave the Chamber of Commerce on its present financial basis, which was far below that of other Chambers in towns in the west end of the state. He advocated raising the dues of the members, and obtaining the means by which a program of systematic advertising of the benefits of this section could be carried on, and the closer teamwork of the members.

Speaking on the several lines advanced by the finance committee, he stated that he was in favor of a graduated scale of dues for the members, as it was manifestly unfair for a small merchant to pay as much as one of the big business houses that derived many times the benefit from the business done here, and the improvement of the community.

There were a number of splendid talks made by the members on this subject, and nearly every one advocated the increasing of the dues on some equitable basis. The house-owners were taken to task by one of the members because many of them were not only members of the Chamber, but seemingly, made no effort to help increase the activities of the community, which would, naturally, bring more people to Fulton, and thereby, soon fill the vacant dwellings.

Amos Colley, A. M. Nugent and many others spoke of the great benefit that would accrue from the work of the Western Kentucky Development Association, and were strongly for it. While good roads stand out as the first thing to be accomplished, the systematic advertising and development of each section along its most available lines, were the big features of this idea.

A talk that should inspire every member of the Chamber was made by Gus Bard. Mr. Bard stressed the point that when Fulton was sold to its citizens we would have more loyal workers willing to work for the community's best interest. His talk was timely and to the point.

Squire McDade told of the recent visit of the County Health Officer, of Obion County, to South Fulton, and proposed that South Fulton and Fulton combine in a campaign to eradicate the mosquitoes. He told of how in other towns, barrels were placed at all the filling stations and the oil emptied from crankcases was saved and later poured on all standing water and low spots, which immediately killed all larvae of the pests and soon killed out all the mosquitoes. The civic committee, of which S. R. Williams is chairman, was instructed to take charge of this campaign.

(Continued on Page 8)

Dr. A. J. Turney Of Crutchfield Passes Away

The entire community was shocked Tuesday night, April 13, when word came over the telephone that Dr. A. J. Turney, of Crutchfield, Ky., was dead, as all of his friends and acquaintances were rejoicing in his recovery after an illness of more than two years, during which time, some of the most noted and skilled physicians were baffled at his case. For some months he was confined at Mayfield hospital and afterwards at Mayo's, Rochester, Minn. He returned to his home from Mayo's greatly improved in health and with hopes of recovery. Throughout his entire illness, his devoted wife was by his side, administering to his every want, giving him cheer and hope.

Tuesday night he retired as usual, feeling fairly good. For some cause, his wife called him about 9:30 or 10 o'clock; receiving no answer, was shocked to find him dead. Thus his life went out just at the time of Nature's awakening from winter sleep and his home community is grieved at his passing.

Dr. Turney was a native Tennessean, born at Liberty, 60 years ago. When a young man he went to Bardwell, Ky., where he received his early education and afterwards went to Vanderbilt. After graduating from Vanderbilt he went to Crutchfield, where he practiced medicine for the past 30 years. Some twenty years ago he won the hand of Miss Mollie Belew, of Huntingdon, Tenn., and was happily married.

Dr. Turney came from an aristocratic family and was a relative of Gov. Pete Turney of that state. He was one of the best known physicians in Western Kentucky and had a large practice. In particular cases he was often called for consultation. In his home community he was esteemed and loved by all, and his passing will be keenly felt, especially by those who looked upon him as the only refuge in cases of illness.

Dr. Turney was a faithful member of the Christian Church and Masonic fraternity. Besides his devoted wife, he is survived by one brother, Joe Turney, of Bowling Green, Ky., and one sister, Mrs. Mattie Anderson, of Liberty, Tenn.

Funeral services were held at his late home in Crutchfield, Thursday afternoon conducted by Rev. L. A. Douthitt and Rev. E. L. Whitaker, pastor of the Christian Church. Interment following at Fulton Fairview cemetery conducted by the Masons. The beautiful floral offerings were a lovely tribute to the silent seer.

The Fulton Undertaking Co., had charge of funeral arrangements.

High School Notes

The newest organization in the high school is the piano club, which is rendering a daily selection in chapel, either from grand opera, folk songs, or some famous national anthem. There are at present, ten members of the club.

The baseball game Friday between Fulton high and Union City high, resulted in a victory for the local team by a score of 8 to 1. This is the first victory for the Fulton aggregation, and we trust will be followed by many others.

Track work is progressing nicely under the management of Prof. Hughes and Dr. N. B.

Baseball Season Opens

"ONE OF CAT"

(Copyright, W. N. P.)

Hughes.

The high school student body received a rare treat Tuesday, when Mr. Grenfel, the Welch musician now directing the singing services at the Methodist revival, gave a musical program. He rendered several flute and piccolo solos. Remarks were made by Rev. Freeman and Dr. Russell.

Monday's Chapel program was rendered by Mr. Myers, who spoke on Soviet Russia. In his talk he clearly defined socialism and spoke of various interesting personalities in the Russian republic, such as Kerensky, Rasputin, the former czar, Lenin and Trotsky.

Mr. Myers was the guest of the Hickman high school at their regular chapel exercises Monday morning, at which time he made an address to 400 students. He was accompanied by Robert Duncan, a member of the Senior class.

Miss Royster, director of student activities, has announced that the senior class will present "Green Stockings" as the senior play of this year.

Misses Martin and Stevenson will represent the high school faculty at the Kentucky Educational Association to be held in Louisville next week.

The high school orchestra, directed by Miss White, gave several interesting selections at the junior high school chapel exercises Tuesday.

WHAT THEY THINK OF CULVER'S BREAD IN MISSISSIPPI

The following was clipped from the Booneville (Miss.) Banner:

Mr. J. M. Chambers, Jr., of Fulton, Ky., paid the Banner office a pleasant visit Wednesday evening. Mr. Chambers represents the Culver Baking Co., successors to Hornbeak Bros., of Fulton and will continue to make the celebrated "Hornbeak" bread and are keeping it up to the high standard. This is the bread that has been on the Booneville market for the past six years without a complaint and is known as the bread without a rival. It is sold in Booneville exclusively by Phillips-Rinehart-Taylor Co.

House-Herrick

A message from St. Louis announced the marriage of Miss Mildred Clynne House, daughter of Dr. and Mrs. J. J. House of Fulton, to Mr. Jacob Thornton Herrick on Tuesday, April 13, at St. Louis. Following a bridal tour through the east, they will return to St. Louis to make their home.

W. P. SCOTT GIVES VALUABLE ADVICE

Tells of What Can Be Accomplished in Western Kentucky.

Mr. Will P. Scott, secretary of the Western Kentucky Development Association, in his recent talk in Fulton, gave a number of facts and figures regarding the amount of dairy products consumed at the Dawson Springs Hospital for World War Veterans, and made the statement that there was not a county in Kentucky that could supply the daily consumption of that institution of either dairy products or eggs.

Of eggs alone, the consumption is nine cases a day, for which the Government pays 15 cents a dozen extra to obtain "one-day eggs." Then the milk consumed amounts to 6,500 gallons per month, with a further consumption of 615 gallons of cream. All these supplies are purchased in Chicago, St. Louis, or Louisville. Of course, the supplies of chickens, beef, pork, mutton, etc., are in proportion.

Just think what it would mean to Western Kentucky if the farmers would get together and employ a competent manager, rent or build a receiving station, in a central location, and supply all the above farm products, receiving the cash every month. Boost the W. K. D. A., and hasten the day this will be possible.

I. DUM, WELL KNOWN FULTON CITIZEN, PASSES AWAY

I. Dum, 80 years old, of South Fulton, died at his home Wednesday, April 14, after a lingering illness.

Mr. Dum was well known and highly esteemed by a large acquaintance throughout this vicinity, where he had made his home for many years, coming to Fulton from Ohio.

Mr. Dum was a lover of the violin and was quite a noted violinist. His death is a shock to his large circle of friends who will miss him from their midst.

He is survived by two sons, George Dum, of Columbus, O.; H. Dum, of Downers Grove; one daughter, Mrs. R. S. Matthews, of Fulton; two brothers, Samuel H. Dum, of Columbus, O.; William J. Dum, of Lancaster, O.; and one sister, Mrs. Effie A. Hewetson, of Amanda, O.

Now is the time to improve the complexion of your home, inside and out. It's remarkable what a single coat of house beautifier will do in brightening up the house itself, the occupants thereof, as well.

W. M. U. MEETING

The Woman's Missionary Union held its quarter-annual meeting Tuesday afternoon of this week, with the Baptist church in Clinton, and reports an unusually large attendance and a very interesting and enthusiastic session. A good program, which had been previously arranged, was carried out in detail and all members present seemed to thoroughly enjoy the occasion. The union was well represented by the members of the Baptist churches from Bardwell, Arlington, Moscow and other towns. Mrs. M. F. Gray, president of the Union, with some sixteen or more members from Fulton were in attendance. A most bountiful six o'clock dinner was prepared and served by the ladies of Clinton in the basement of the church and the entertainment was well arranged by the local committee. A very timely address on "Cooperative Programs" was given by Rev. Warford, pastor of the Clinton church.

It was not definitely decided as to where the next meeting will be held but it will most likely be with one of the Carlisle county churches.

Circle No. 1 of the First Baptist church will meet this afternoon with Mrs. Homer Furlong at her home, 108 Church street.

PROGRESSIVE BUSINESS FIRMS DONATE UNIFORMS

The business houses of Fulton have shown their interest in the coming Field Day of the Fulton high school which will be held on May 2 at the Fair Grounds. The following firms have donated the track uniforms for the home team: Owl Drug Co., Franklin Dry Goods Co., Roberts Clothing Co., Evans-Boaz Drug Co., Reynolds, incorporated, Irby Drug Co., P. H. Weeks Sons, Honra Bros., John Culver and the City Coal Co.

Acceptations to the invitation to attend the contests and field day sports are still being received from the surrounding high schools and there is every indication that the event will be thoroughly satisfactory to its promoters.

Mrs. W. C. Porter was called to Clinton, Wednesday, to attend Attorney Joe Bennett, who is reported quite ill.

Work Started on Fulton-Union City Highway

W. M. Hill & Sons Have the \$32,000 Contract for Building Concrete Bridges

At a recent meeting of the county court of Obion county, Tenn., resolutions were passed offering to cooperate with the Department of Highway and Public Works in the immediate construction of a highway beginning at Union City and extending to the Kentucky State line in the direction of Fulton a distance of approximately ten miles.

The Union City Messenger says:

"In a lengthy resolution covering the road project, Mr. S. A. McDade moved the council that it be adopted, which motion was immediately seconded by other members and upon vote it was adopted and passed."

The order of condemnation especially relates to the lands of J. A. Waddell, R. P. Whitesell, Dr. W. A. Nailing, Mr. Laton, F. W. Moss, F. E. Brown, Mrs. Fred Jones, Charles Stroud, Frank Wilson, Mrs. Reaks, Tom Ruckers, John Covington, J. Joe Powers, John Owens, Dick Allen, L. D. Allen, Bob Cheatham, Green Davis, Tom Humphrey, Albert Owens, W. M. Whitten, John Smith, John Fairbro, Dick Boyd, T. B. Renfro, D. W. DeMiers, J. R. Tucker, Mrs. Morris-Leighman Browder, Mrs. Mattie Thomas, Mrs. L. H. Howard, and any others whose lands such highway may traverse."

W. M. Hill & Sons, the Fulton contractors for the concrete bridges, have started on their part of the work, which will be rushed to completion.

J. T. CALDWELL VISITS FULTON

J. T. Caldwell, well known farmer of near McConnell, was in the city, Saturday, and visited The Advertiser office. Mr. Caldwell was born near Fulton 66 years ago and has lived in this vicinity all of his life. He is a close observer and has an excellent memory. It is interesting to hear him tell of past happenings in Fulton and vicinity and about the various ones who worked for our city's best interests and some who were not so faithful in the early days. Many of the loyal citizens have passed away—Billy Carr, Fon Collins, W. W. Meadows, Charlie Rice, Pleas and Mike Taylor, Mott Ayres, Smith Fields, T. F. Beades, Tobe Huddleston, P. H. Weeks, W. V. Brann, Dr. J. M. Alexander, Alvin J. Barrow, Geo. R. Creech, Joe Wade, Ed Heywood, Jack Hall, J. F. Fall, R. M. Chowning, W. P. Nolen, W. C. Croft, N. C. Webb, T. N. Smith, D. W. Hughes, J. W. Sellers, J. B. McDowell, C. F. Dahneke, J. M. Freeman, Emmett Reeds, J. N. Hall, C. E. Webb, M. L. Farmer, N. B. Morris, John Stubblefield, Dr. Nat Morris, Dr. M. F. Usher, W. P. Felts, Levi Snow, Lewis Fields, R. A. Browder, Ed Ligon, J. P. Tyler, W. O. Spradlin, R. T. Milner, L. T. Callahan, J. H. Blair, and many others.

A more complete history of this vicinity can be given by Mr. Caldwell's mother, who is 86 years old and very active for her advanced years. Mrs. Caldwell has been living with her son for forty or more years near McConnell and has frequently visited Fulton. Mr. Caldwell is not only a substantial farmer but has gained quite a reputation as a breeder of big type Poland China hogs. During the past twelve years he has sold several thousand dollars worth. In fact, he says he and his son have not been able to breed as many as they could sell.

Few men are better known in this vicinity than J. T. Caldwell. He is just a plain, good, old time farmer, who believes in making as many dollars as he can by the sweat of his brow.

Beelerton News

Mr. Ray Pharis and daughter, Helen, were the guests of Rev. E. S. Hicks and family last Monday and Tuesday.

Mrs. E. J. Bennett went to Fulham last Wednesday to instruct her class in piano.

Mrs. Shirley, of Fulham, who teaches voice at Beelerton, spent Thursday here with her students.

Several people around here attended the singing convention at Mt. Vernon last Friday and Saturday. Also the concert at Crutchfield, Friday evening.

Mr. Lowell Weatherspoon spent Friday night with Mr. Royal Bennett.

Mr. and Mrs. Walker Conn, of Fulton, were the guests of Mr. and Mrs. Jesse Hicks, Saturday night and Sunday.

Miss Carmie Lee Cooley and brother, J. C., spent Saturday night with their grandparents, Mr. and Mrs. J. T. Robey.

A large audience was present Saturday evening for the Eighth Grade Graduating Exercises. Our representative, Hon. M. B. Daniels, gave a short talk on "Kentucky." He gave the history of the first settlement in our state and the wonderful characters Kentucky has given to the nation.

Hon. H. F. Smith, of Fulton, gave the address of the evening from the subject, "Success." He brought a wonderful message to the young graduates, pointing to them the fact that success is an appreciation of your own abilities and an application of your energies, and no man rises any higher than he thinks he can.

The speeches of the evening delighted both old and young people, and all deemed it a pleasure to listen to these two lawyers.

Diplomas were presented by the teacher, Miss Jewel Robey, to the following:

Royal Bennett, Russel Bockman, Ernest Cardwell, Bonnie Fite, Aaron Kirby, Rupert Phelps, Zelma Pillow, Macon Shelton, Mary Sue White, Margaret Wilson and Odelle Woodson.

Misses Louise Livingston and Zelma Pillow spent Sunday with Miss Mary B. Walker.

Mrs. E. M. Walker, who has been the guest of Mrs. M. R. Bushart, left Sunday morning to spend a few days in Fulton before returning to her daughter's home near Paducah.

Mr. Roy Carter and family, and Mr. Lillian Jewel and family were the guests of Mr. and Mrs. Alzo Hicks last Sunday.

Mr. Vernon McAlister and family spent Sunday with Mr. Jodie Wooten and family.

Mr. and Mrs. Leonard Duke and children visited Mr. Preston Brown and family, Sunday.

Mrs. Cora Byrn of Detroit, Mich., was the guest of Mrs. A. E. Brown last Saturday night.

Mr. and Mrs. Lenward Pharis and daughter, Maloy, visited Mr. and Mrs. Jim Bushart, Sunday.

Mr. Will Weatherspoon and family spent Sunday with Mrs. Weatherspoon's parents, Mr. and Mrs. J. B. Walker, of Fulham.

Mr. Virgil Pharis and family spent Sunday with Mr. John Pharis and family.

Mr. and Mrs. Emmett McAlister, Mr. and Mrs. E. J. Bennett were the Sunday guests of Mr. Byron McAlister and family.

The Junior Missionary Society of Wesley church, under the splendid leadership of Mrs. S. J. Walker, gave an interesting program last Sunday evening.

McFadden News

Mrs. H. H. Stephens is improving after a few weeks illness.

Mr. and Mrs. Clarence Bard and family of Fulton spent the week end with Mr. and Mrs. Jim Bard.

Mrs. Lula Bard and family attended church at Palestine, Sunday.

Miss Laura Mae Pickering entertained a few of her friends with a party Saturday night.

Mr. and Mrs. Ernest Carver and Mrs. Charlie Herring, and daughter, Swan, spent Sunday afternoon with Mr. and Mrs. John Carver.

Mr. and Mrs. Jake Bockman and Mr. and Mrs. Allie Scofield were Sunday afternoon guests

of Mr. and Mrs. Sam Bard. Mrs. Will Boyd and son, Clanton, Mrs. Ellen Johnson, and Mrs. Hill and son, of Fulton, and Mr. and Mrs. Ed Gates were Sunday guests of Mrs. Tommy Reed.

Mr. and Mrs. Lawrence Brown of Riceville were Sunday guests of Mr. and Mrs. Haydon Dunaho.

Mrs. H. L. Putman spent Thursday afternoon with Mrs. Cleveland Bard.

Miss Lena Tuck spent Saturday night with Mrs. Underwood.

Mrs. Priscilla Holt, of Fulton, and Mr. and Mrs. O. C. Wolberton and family spent Sunday with Mr. and Mrs. George Sams.

Mr. and Mrs. Cleveland Bard spent Sunday afternoon with Mr. and Mrs. Jim Bard.

Cayce News

Miss Winnie Elma Bondurant of Kuttawa, Ky., was the week end guest of her parents, Mr. and Mrs. Martin Bondurant.

Mrs. Clara Carr spent the week end in Fulton, visiting relatives.

Mrs. Ralph Wade of St. Louis is visiting her mother, Mrs. Birdie Pewitt.

Quite a large crowd from here attended the quarterly meeting at Ebenezer, Sunday.

Our boys defeated Jordan, Friday, the score being 15 to 7. Harold Hampton and Marion Champion were successful in making home runs.

Miss Nina Kimbro spent Sunday in Hickman, the guest of Mrs. Lena Parham.

Miss Clarice Bondurant was the gracious hostess, Friday afternoon, when she entertained with a miscellaneous show-er in honor of Miss Louise Wade. The rooms were beautifully decorated with a profusion of pink carnations and pink hyacinths. Among the interesting contests was a heart story, Mrs. A. W. Fowler and Miss Annie Fleming being the winners.

The pink and white express wagon which was loaded with many useful gifts for the bride-to-be, was drawn by Master Roy Eugene Wade. Following the arrival of the gifts, a delicious salad course was served.

FULTON "HI" DEFEATS UNION CITY "HI"

Maddox Pitches Good Game; Score 8 to 1

Playing almost errorless ball behind superb pitching by Maddox, Fulton Hi defeated their old rivals, Union City Hi, on the local field last Friday, score 8 to 1. Scoring four runs in the first inning on hits by Williamson, Joyner, Maddox, Scates, and a base on balls to Capt. Wiseman, the local Hi team was never in danger as Maddox gave up only four hits and walked two men, while his team mates were gathering 13 off of the Union City pitchers. This game was scheduled to be played at Union City, but due to their park being under water, was transferred here and only a small crowd turned out, as the game was transferred too late to advertise it, the local high school has a good team of hard working boys and deserve the support of the citizens of Fulton. They have to depend on the gate receipts to pay all expenses and will appreciate the support and cooperation.

With only two men of last year's team eligible for the team this year, Coach Maddox had the task of developing a new team, but after several changes, seems to have worked out a winning combination. The team as a whole, shows wonderful development and gives promise of having a successful season.

In Captain Wiseman, the team has a real catcher as good as can be found in any high school. He is a hard worker, and is capable of taking care of his position as Captain of the team. Maddox, the other letter man, is being used anywhere to strengthen the team, as he is at home most any position on the field. With more work, Exum and Pickle should take care of the pitching assignments, which will relieve Maddox for the infield regularly. Williamson at short, and little Billy Carr at second, will take care of anything showing up in that part of the field.

Brann at third has improved more than any other man on the team and will continue to, as third base is new to him. With Maddox taking care of first base, Joyner going to his outfield position, will strengthen both infield and outfield positions as Foy, Dobbins, Jones, Scates and Putman are all showing up as star outergarden men. There are several youngsters out that Coach Maddox is working with developing material for next year's team.

Mr. McDade has a large number of the Grammar Grade students out for their team and has a real team together. Mac deserves lots of credit for his work and if this is kept up each year there will be lots better and more material for the high school teams when they become students over in the big building.

Coach Hughes has his track team out every day that the weather will permit. Other days they work out in the gym. The runners are showing good form and lots of speed and should take a number of first and second prizes in the field meets they attend.

LOM PICKLE GIVES SOME HINTS FOR MAKING TRAFFIC SAFE FOR ALL

Making traffic safe for all is more a matter of the "Do's" than the "Don'ts," according to a well-known Fulton business man. "Too often emphasis is placed on what motorists should not do, rather than what they should do," he said.

This statement was made by Lon Pickle, of Twin City Service Station, local dealer for the Firestone Tire & Rubber Co. In addition, Mr. Pickle gave what he believes to be the six fundamental rules of safe driving under present conditions of heavy traffic:

1. Keep to the right side of the road; be sure the way is clear before going around a car ahead and sound your horn before passing.

2. Always signal to drivers following you when preparing to stop or to turn right or left. Remember the most dangerous turn is the left turn. Be sure you have the right of way and a clear road, front and back, when making this turn.

3. Have your lights well focused. Poor lights do not show you the road and glaring lights blind oncoming motorists—either is hazardous to both parties.

4. Observe all speed laws—for the safety of others and for your own safety.

5. Be sure your brakes are in perfect order. They must be well lined, tight and equally effective on each wheel. On slippery roads, apply brakes without throwing out your clutch. This also applies in descending hills. Always make the motor help hold back the car by leaving the clutch in.

6. Be sure you have the right tire equipment to make your brakes take immediate effect. Balloons are the best solution here and the more flexible they are, the better brake-action you will get. Tread design and completeness of road contact are all important.

In this latter condition, I can speak authoritatively and say that Firestone Tires are your "best bet." Firestone's tread has the greatest number of non-skid edges of any low pressure tires made. Furthermore, this tread is in complete contact with the road surface because the sidewalls are more flexible, owing to their gum-dipped cord construction, a feature found in no other tire.

Gum-dipping also adds strength and endurance which prevents blowouts. This, in itself, is a safety measure for every car on the highways.

Seed Corn.

I will be in Fulton, Saturday, April 17th, with high bred Seed corn that makes two ears to the stalk. Has bred 2 ears to stalk for 20 years. KELL EVANS.

FINE 2-YEAR OLD ROSES

If you want the best roses to grow in this vicinity, let us have your order now. We sell only the best two-year old stock. The kind that blooms continuously and the kind we have tested and can guarantee.

R. S. WILLIAMS, Fulton, Ky.

"CHEER UP"

Start the Spring Cleaning Right.

Phone 130

Our modern laundry methods are at your service. Bundle up your Blankets and Quilts, Curtains and Draperies and phone us to call for them. Of course you will not want to handle these heavy pieces and our sanitary methods of laundering them keeps them soft and fresh.

Curtains Made to Look Like New.

We wash your Curtains in fleecy suds and pure water just as careful as you your self would and our methods of drying them leaves them straight and smooth.

Rug Cleaning Department.

No house can be considered clean with carpets filled with dirt. When you send your Rugs to us they are returned to you as clean as the day you bought them; the colors are brought out and they are fresh and clean. Our price is 3 1-4c per foot.

All rugs cleaned by our Shampoo and Vacuum Cleaning process.

| | |
|-------------------|--------|
| 2x4 RUGS CLEANED | 26c |
| 3x6 RUGS CLEANED | 58c |
| 6x9 RUGS CLEANED | \$1.75 |
| 8x10 RUGS CLEANED | \$2.60 |
| 9x12 RUGS CLEANED | \$3.50 |

DRY CLEANING DEPT.

Send us the things you wore last season. Our cleaning department can do wonders with the things you probably never expected to wear again. Results are really astonishing. But you can never appreciate the difference until you give us a chance to show you. Remember, too, that we dry clean everything that can be dry cleaned. We also clean and reblock Hats. Just Phone 130 we'll do the rest.

Lesson for April 18

THE BEGINNING OF SIN

LESSON TEXT—Genesis 1:1-24.
GOLDEN TEXT—For as in Adam all die, even so in Christ shall all be made alive.—1 Cor. 15:22.
PRIMARY TOPIC—Adam and Eve Disobey God.
JUNIOR TOPIC—The Result of Disobedience.
INTERMEDIATE AND SENIOR TOPIC—Playing With Temptation.
YOUNG PEOPLE AND ADULT TOPIC—The Temptation and the Fall.

A look out upon the world proves that man is not what he should be. It is not reasonable to suppose that man is now what he was when he came from the hands of the Creator, much less an improvement. The only way of accounting for this is by the historic fall of man as given in the Bible. The introduction of sin is the only answer.

1. Man's Probation (vv. 1-5).
1. The place.
It was the beautiful garden of Eden. Man's environment was suited to his nature. The testing of the second Adam was quite in contrast. Instead of in the garden of Eden with a companion suited unto him, it was in the wilderness with the wild beasts.

2. The necessity.
Adam was created with the possibility of character, but not with character. This he could get only through testing. Alternative choice makes character possible. Free will is what made Adam a real man. Character is the resultant of choice.

3. The means.
It was most simple—just one prohibition. The tree of the knowledge of good and evil was forbidden.

4. The method.
Satan, a personal malicious being appeared in the guise of a serpent. He did not appeal directly to the man. He chose to appeal to the woman through the serpent and through the woman to the man.

a. He found the woman while alone.
b. He insinuated doubt into Eve's mind as to God's Word and love. Satan's method is the same today. He tries to get people to doubt God's Word and then to doubt His love.
c. He appealed to innocent appetite. He argued that there would be no harm in eating, but a great advantage.
d. Eve gazed upon that which God had forbidden and lusted after that which God had prohibited.

5. Man's Fall (vv. 6-8).
The steps in the fall seem to have been rapid. From doubting God's love Eve went to doubting His word. From gazing upon and lusting after that which God had prohibited there was but a short step to indulgence.

6. The Consequence of the Fall (vv. 9-24).
God's holy nature is such that when men sin, He at once manifests Himself on the scene.

1. A disturbed relationship with God (v. 8).
The introduction of sin marred man's familiar intercourse with the Almighty. Adam and Eve not only hid from God's presence, but when summoned by Him they began to make excuse, and Adam even laid the blame on God.

2. The degradation of the serpent henceforth becoming the type of sin and Satan (v. 14; cf. Num. 21:9; John 8:14 and Rev. 12:9).
Satan's doom was pronounced without trial. In the case of the man it was not so, showing that this was not Satan's first offense.

3. The undying enmity between the seed of woman and the seed of the serpent (v. 15).

This bitter enmity has continued from that day to this.

4. The ultimate victory of the woman's seed (v. 15).
Satan harassed the woman's seed, but on the cross the final stroke was made which crushed his head (John 12:31; Heb. 2:14; 1 John 3:8). This is the first gleam of the glorious gospel of Christ.

5. The judgment upon the woman (v. 16).

This relates primarily to her as a wife and mother.

6. Man's new relationship to the earth (vv. 17-19).

The earth was cursed on his account. Man must make an increased effort to exist. With his sinful nature, man would be in a bad state without the necessity of toil.

7. Death (v. 19).

This includes spiritual and physical death. Sin brought all.

8. Expulsion from the garden (v. 24).

Then man's nature was changed, out from the beautiful garden he went.

Being Content

And we shall be made truly wise if we be made content; content, too, not only with what we can understand, but content with what we do not understand—the habit of mind which theologians call, and rightly, faith in God.—Charles Kingsley.

Personal Immortality

Without a belief in personal immortality religion is like an arch resting on one pillar or like a bridge ending in an abyss.

Lake Street George Beadles, Manager Fulton, Ky.

When you buy John Deere implements you are sure of prompt repair service throughout their long life

**Ride this
Dependable
Two-Row
Drill**

It takes a big load off your mind when you know that your planting has been done right; that you have made a good seed bed, have used a high grade of seed, and a drill that is accurate and dependable.

**John Deere No. 919
Corn Drill**

will get the maximum per acre yield because:
It plants the corn just as accurately as though dropped by hand. John Deere's natural drop seed plates space the kernels uniformly the desired distance apart in the row.

It has a variable drop which enables you to change the drilling distances merely by shifting the foot lever.
Nine different drilling distances can be obtained from each set of seed plates.

Width between the rows can be easily changed.
Quick-detachable runners permit the use of furrow openers of different styles to meet all conditions.

We can furnish seed plates to handle every kind of corn, beans, sorghum, milo maize and other seeds. Fertilizer or Pea Attachments can also be furnished.

We want to show you this drill. Drop in at the store the next time you are in town.

Fulton, Kentucky, under the Act of
March 3, 1879.

MONTH OF ANNIVERSARIES

April is the most fateful month in American history, as five of our six major wars began then, and the same month brought to a close the civil war and the assassination of President Lincoln.

Every American schoolboy, of course, is familiar with the story of April 19, 1775 and knows how Paul Revere rode along the historic highway that warned the patriots that the British were coming at daybreak under General Gage to destroy the supplies which were concealed near Concord bridge.

It was at Lexington, on the public square, in the early morning that the first blood of the Revolution was shed, and there the redcoats scattered the handful of minute men. The story at Concord was different, however. There the British met the first resistance of the war and were soon in retreat, a retreat which had become a rout before the soldiers got back to Boston. So it was April 19, 1775 which really marked the beginning of the history of the United States as a nation.

This April of 1926 is the sixty-first anniversary of the ending of the Civil war by the surrender of General Lee, at Appomattox, and the sixty-first anniversary of the assassination of President Lincoln in Ford's theater at Washington.

It was on April 9 that Lee surrendered to Grant at Appomattox and this date lacked three days of being four years from the date when the Civil war began.

President Lincoln was assassinated on the fourteenth day of the same month and grief succeeded the rejoicing that had come with the end of the war.

Since that date April has brought us two more wars, the Spanish-American struggle, which commenced April 19, 1898, and our war with Germany, which began April 2, 1917.

COMMENCEMENT DRESS

The usual plea for high school graduates this spring to appear in simple costumes at commencement exercises is being made by school authorities, but their appeals will be of no avail unless parents of high school pupils recognize the merit of the movement that started some time ago, to take the fashion show out of commencement.

It does not require a very good memory to recall when commencement was a contest to see which girl could get together the most expensive outfit. Many parents spent far more than their financial situation permitted. Girls coming from homes which could not meet such expense, were embarrassed and made to feel that they were not the social equals of more expensively gowned girls.

This condition has largely been eliminated, thanks to the good sense of school officials and parents of high school students as well. Garbed in an artless, unassuming way, girl graduates in uniform dress present a much more sensible and pleasing appearance. Embarrassing contrasts are not drawn and the public school ideal, which recognizes all children on an equal footing, is more truly typified.

THE AMERICAN FLAG

The writer overheard several members of the American Legion talking the other day about the lack of knowledge among citizens of Fulton as to the proper observances toward the American Flag, and it was suggested that the Legion start a campaign of education along those lines.

No one supposes for a moment that any American wishes to show disrespect to his country's flag, but how many know what to do under a given circumstance? The ex-soldier, certainly, and the occasional graduate or present pupil of a military school, yes; but the "man in the street" is likely to know very little.

About a year ago the City National Bank issued an advertisement, a handsome lithograph of the National Flag Code, and possibly a few of these have been preserved, and occasionally referred to, but the writer has not seen one on display for some time, except at the Chamber of Commerce.

This code was adopted by

the National Flag Conference, held at Washington a few years ago, and gives rules for every observance where the flag is displayed, and it would be especially pleasing to the boys of the Legion, if when parading on the streets of Fulton, the citizens would make the proper salute to the flag. These boys, naturally, have a very soft spot in the hearts for "Old Glory" and it must hurt, when they see people apparently insensitive to the emblem that means so much to them.

Railroad News

RAILROAD NEWS

H. J. Schwieter, general development agent of the Illinois Central System, has nineteen convincing reasons why industries should be located on the Illinois Central System, and he has put them into an attractive pamphlet for distribution, according to the Illinois Central magazine. They may be had upon application to Mr. Schwieter.

John F. Marshall, of New Orleans, locomotive engineer, and for forty-three years an employee of the Illinois Central System, has run one switch engine 75,500 miles in three years without having it sent to the shop for overhauling. Another record to Engineer Marshall's credit, according to the Illinois Central Magazine, is the consumption of only 74 pounds of coal per switch engine mile. That is the best fuel conservation record made with any switch engine on the Illinois Central System.

How a railroad's claim agents must always be on the alert to guard against the payment of fraudulent claims, is shown in the April number of the Illinois Central magazine. Agents recently discovered that a New Orleans woman who had been paid \$400 for alleged injuries to her hand was being examined for alleged injuries on another railroad on the day that she claimed she was injured on the Illinois Central. An investigation was undertaken and it disclosed that she had obtained more than \$1,000 from various railroads in the last few years for supposed injuries. She was tried for obtaining money under false pretenses and sentenced to five months in prison.

STATEMENT

Of the ownership, management, circulation, etc., required by the Act of Congress of August 24, 1912, of Fulton Advertiser, published weekly at Fulton, Kentucky, for April, 1926.

State of Kentucky,
County of Fulton, ss.

Before me, a Notary Public, in and for the State and County aforesaid, personally appeared R. S. Williams, who, having been duly sworn according to law, deposes and says that he is the owner of the Fulton Advertiser and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in Section 443, Postal Laws and Regulations, printed on the reverse of this form to-wit:

1. That the name and address of the publisher, editor, managing editor, and business manager is R. S. Williams, Fulton, Ky.
2. That the owner is R. S. Williams, Fulton, Ky.
3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: None.

R. S. WILLIAMS, Owner,
Sworn to and subscribed before me this 15th day of April 1926.

Thomas H. Chapman,
Notary Public,
My commission expires Jan. 30, 1928.

AMERICAN Zinc Insulated FENCE IMPLEMENTS

Sun--Rain--Snow
Any Kind of Weather

THE secret of good paint is "Purity." Ask any master painter the ideal materials for use in a house paint and he will tell you Pure Carbonate of Lead, Zinc Oxide, Linseed Oil, Turpentine and Drier and there you have the formula of Monarch 100% Pure Paint.

No substitute or cheapeners ever find a place in a can of Monarch 100% Pure Paint and you will always find "100% Pure" the "Sterling Mark" of paint on every can of Monarch you buy.

Give your home the best paint protection available by using Monarch 100% Pure upon it. It requires a 100% Pure Paint such as Monarch to really protect the surface over a period of years and it is poor economy to use cheap paint that will not withstand the elements.

It will cost you less in dollars and cents if you specify Monarch 100% Pure Paint and you will always be satisfied.

Come in and let us prove this to you. Ask for your color card.

CAR RUNS INTO RIVER

(Hickman Courier)
Paul Stahl's Ford car, committed suicide Friday night by drowning.

This is no joke—not to Paul it isn't.

It happened at about ten o'clock. Paul, who had just returned from Missouri, had driven down near George Buck's shop. He left the car, with the engine running, while he went out to look for a piece of rope. While he was absent, the car up and took leave, heading straight for the river. Paul saw it going but was too far off to get to it in time, and the car kept on till it ran into the water and sank from view, leaving the owner very much afoot.

Grappling was resorted to next day, but no result was obtained, the current having probably carried the car down stream.

This is probably the first instance of its kind—in this section, anyhow—of a car running into the river all by itself.

JOE WALL IS NEW SUPERINTENDENT

Elected by Board to Direct the
Fulton County Schools

The county board of education, comprised of T. C. Kelly, J. P. Maddox, H. L. King, J. T. Attebery and T. E. Williamson, met, and in conformity to the time, proceeded to elect a county superintendent of schools, a position which has for the past several years been held by Miss Inez Luten.

For the coming term the board elected Prof. Joe Wall, whose home is at Cayce. Prof. Wall is a graduate of the University of Kentucky. He has had several years' experience in teaching and is possessed of the necessary talents to fill the office in a satisfactory manner.

Prof. Wall is now teaching school at Caneyville, Grayson county. The new superintendent will take charge of his office the first of July.

Miss Luten was not an applicant for reappointment.

Tobacco News

Tobacco sales at the loose leaf floor on Tuesday of last week amounted to 51,000 pounds, with good leaf selling at average better prices than the previous week.

Deliveries are very slow, owing to the lack of good stripping weather, the rains being a little too cold to make ideal stripping season.

Inquiries among farmers show that there is a considerable amount of tobacco still unstripped, and at the same time it is evident that there will be a rather large acreage of tobacco planted again this year, notwithstanding that every farmer should know that there is a large surplus of last season's crop still on hand, and a very slow market for its disposal.

THOMAS CHIEF JUSTICE KY. SUPREME COURT

Judge Gus Thomas, of Mayfield, one of the most prominent jurists in the state and member of the Court of Appeals at Frankfort since 1916, became chief justice of the court April 12, with the resignation of Judge Ernest S. Clarke, of Falmouth, Pendleton county. Judge Thomas automatically succeeds Judge Clarke, who has resigned to become vice president of the Kentucky Title Trust and Savings Company, of Louisville.

CHILDREN'S FATAL DISEASES

Worms and parasites in the intestines of children undermine health and so weaken their vitality that they are unable to resist the diseases so fatal to child life. The safe course is to give a few doses of White's Cream Vermifuge. It destroys and expels the worms without the slightest injury to the health or activity of the child. Price 35c. Sold by

Bennett's Drug Store, Fulton, Ky.

Chestnut Glade

Chestnut Glade boys went to Bowers Friday afternoon and played a game of baseball, resulting in a score of 7 to 10, in favor of Chestnut Glade.

Mr. Berthel Jones recently had a sale, selling his personal belongings. He and family will move to Detroit in the near future.

Fern Kindred, who has been working in St. Louis for some time, was married on March 27 to Mr. Ward Stone, also of St. Louis. The marriage took place at Clayton, a suburb of St. Louis, where, a few years ago, Fern's brother was married. Mrs. Stone is the daughter of Mr. and Mrs. John Kindred and is well known in this community. Mr. Stone has relatives here but has held a position in a screen door factory in St. Louis for some time. The young people will make their home in that city.

Aunt Nancy Sawyers was buried at the Sawyers grave yard, one of the very few family burying grounds to be found in this region, last Saturday. Aunt Nancy, as she was called by nearly all who knew her, was 82 years old and had spent her entire life around Ruthville, having, during her husband's life, lived at what is now called the Bud Webb place. She only had one child, Dr. Sawyers, who preceded her to the grave seven years ago and who was soon followed by his wife, leaving two sons and a daughter, Benton, Sam Nix and Pauline.

The family then separated, Aunt Nancy boarding with loving friends till her death last Friday. Her death came after much suffering. A few weeks ago she fell, fracturing her hip. She was taken to Martin to the hospital, where she remained till all hope of recovery was given up. She was then moved to her boarding place near Martin, where all was done that loving hands could do to alleviate her suffering till the end came last Friday. Only one of her grandchildren was able to come to the burial. Sam Nix Sawyers, who has been in Florida for some time, Aunt Nancy had been a faithful member of the Missionary Baptist church for many years. Funeral services were conducted by Bro. Duncan, at Ruthville church, of which she was a member, on Saturday at 10:30 a. m.

Only a few of the friends of her younger years were present. Among them, Uncle John Vincent, and Uncle Bill Burke. Mrs. Belle Jones, who spent the winter in Florida, arrived home a few days ago. She left the people from Fulton all well except her daughter, Mrs. Inet Reeds, who has not been very well since she reached Florida.

Brother Hodges preached at Mt. Moriah last Sunday.

Lera Nabors was married last Saturday to Mr. Fez. Rucker, of Fulton. Lera is the only daughter of Mr. Hardy Nabors, who recently moved from this community to Fulton.

We wish this young couple much happiness.

The play to be presented at Chestnut Glade, Saturday evening, April 17, will be a different type play from those of the past. Everybody come.

AN EXHILARATING EFFECT

A bottle of Herbine on the shelf at home is like having a doctor in the house all the time. It gives instant relief when the digestion gets out of order or the bowels fail to act. One or two doses is all that is necessary to start things moving and restore that fine feeling of exhilaration and buoyancy of spirits which belongs only to perfect health. Price 60c. Sold by

The Best Way To Decorate Your Home

Cheapest, Too!

YOU can't beat lighting as a means of home decoration.

When our representative calls, ask him to make suggestions as to the kind of fixtures that will go best with your furniture and hangings. Then let him show you how they look—lighted and with lights off. It's easy to select your fixtures—easy to pay for them. Small down payment—and the balance monthly, over a period of fifteen months.

For lighting brings cheer and hominess—both in greater measure than most other improvements—and at far less cost. Simple, too, because all you need to do is to pick out the right fixtures from our display of 1926 designs.

We are making a special offer on fixtures for a short time only. Don't fail to call at our sales room for particulars. Our representatives will gladly give you the benefit of their knowledge and experience in making your selection.

KENTUCKY UTILITIES COMPANY

His word is his bond!

A "personal guarantee" means very little to you
unless you know the man who makes it.

Ninety per cent of the things bought for your home
are selected by the lady member of the firm. She
is the purchasing agent. Most men admit that she
is a capable buyer, and the reason is this: She must
be shown — convinced by proof — that an article is
what she needs and is worth the price!

For that reason, she sees the advantage of dealing
with a local merchant — a man whose "personal
guarantee of satisfaction" means just what it says.

She knows that what he advertises in this paper is
entitled to her consideration. Because she has confi-
dence in her neighbor—the local dealer—she can
safely invest the family funds in what he guarantees.

Methodist Church

J. V. Freeman, Pastor

Sunday school, 9:30 a. m., T. J. Kramer, Supt.

Epworth Leagues, 6:15, Jr.; 6:30, Sr. All young people are urged to attend.

Prayer meeting 7:30 p. m. Preaching 11 a. m. and 7:30 p. m. Special music at all services, and the public is cordially invited to attend.

The revival services began Sunday with fine services and splendid crowds. Dr. Russell, of Nashville, has been conducting the services and doing the preaching and has delivered some wonderful sermons each day. The singing has been, and is being conducted by Mr. Grenfell, and has been a delight to all and a very important part of the services. Mr. Grenfell is a singer and a musician as well, being able to play several different instruments. Tonight is Sunday school night and all the children from 9 years and up are urged to attend. The teachers are to sit with their classes in their respective places of each Sunday. Let's make this a wonderful service for the children.

Make Sunday a big day and give Dr. Russell a crowded house. All singers are urged to come and assist in the music.

The Epworth League organized into the Boosters' Club are doing fine work. All young people from 16 years and up to any age are invited to join—and come each night at 7 p. m.

First Christian Church

H. L. Patterson, Pastor

Bible school, 9:45 a. m. R. C. Pickering, Supt.

FOR HOME AND STABLE

The extraordinary Borozone treatment for flesh wounds, cuts, sores, galls, burns and scalds is just as effective in the stable as in the home. Horse flesh heals with remarkable speed under its powerful influence. The treatment is the same for animals as for humans. First wash out infectious germs with liquid Borozone, and the Borozone Powder completes the healing process. Price (liquid) 30c, 60c and \$1.20. Powder 50c and 90c. Sold by Bennett's Drug Store, Fulton, Ky.

Second Sunday after Easter, 9:45 a. m. Church school, H. S. Stansbury, superintendent.

11:00 a. m. Holy communion and sermon.

7:30 p. m. Evening prayer and address.

Please take notice of the change in the time of this evening service, which has been changed from 7:00 to 7:30 p. m.

Wednesday, 4 p. m. Short evening prayer and address.

Friday, 7:30 p. m., Litany and short address.

All cordially invited to all these services.

Church News

Mrs. John Miles spent Sunday out of town.

Dr. Boyd has been slightly indisposed since Easter, due to over-exertion during the Lenten season.

Bob Binford surprised his friends by spending the week end of Holy Week with his parents. They were all sorry he could not remain for Easter service.

Last Monday Dr. Boyd received a shipment of shrubbery which he has set out. Some of his young trees had died and he has replanted these. His yard already is showing remarkable advance in the flower and shrubbery lines.

Central Church of Christ

E. L. Whitaker, Minister

Sunday school, 9:45 a. m.

Preaching and communion, 11 a. m. and 7:30 p. m.

Women's Bible Class, Wednesday, 2:00 p. m.

Friday, p. m., 7:00, 7:30, Song Drill, 7:30-8:30, Bible Study.

You are cordially invited to attend each of these services.

GREAT GOOD ROADS MOVEMENT

Here is the record of Western Kentucky counties on road bond issues and the amounts voted.

Fulton county—\$500,000.
Hickman county—\$300,000.
Carlisle county—\$300,000.
Graves county—\$400,000.
Calloway county—\$300,000.
Marshall county—\$250,000.
Livingston county—\$200,000.
Trigg county—\$200,000.
Caldwell county—\$300,000.
Crittenden county—\$150,000.

Ballard county has arranged with the State Highway Commission to dedicate the \$75,000 due from the state, under the old state aid act, to the construction of the Federal Highway from the McCracken county line near Kevil, through La Center and Barlow to Wickliffe. This will give Ballard a total of \$300,000 to build a high type Federal road.

With McCracken county voting the \$500,000 road bond issue next Saturday, it is estimated that the 13 counties of the First District—Lyon being the only county that is not in line for extensive road construction—will have between eight and nine million dollars for modern highway and bridge construction.—News-Democrat.

Chamber of Commerce Meeting

(Continued from first page)

and to start as soon as practicable.

Ernest Fall presented the offer of the officials of the State Fire Prevention Association, offering to send trained men here to talk to the schools and service clubs on this subject. He was appointed a committee of one to arrange this meeting, which will be held during the week of May 17.

President Kramer told of a recent visit of Prof. Burruss, representing the Vaughan Music Publishing Co., of Lawrenceburg, Tenn., at which time he said that his firm was looking for a more desirable location, and was favorably impressed with Fulton, and a committee composed of A. M. Nugent and J. D. Davis was appointed to arrange for a meeting with Mr. Vaughan, and see if the change could be brought about. As this firm operates a broadcasting station and prints many thousands of music books and sheet music, and employs a large force of trained musicians, it will be a decided asset to Fulton if procured. As an idea of the volume of business it does, it is said that its daily postal bill amounts to \$125.00. Mr. Franklin was the authority for this information, and he strongly advocated that every thing be done to procure this plant for our city.

Supt. Williams, of the I. C., also volunteered to extend any assistance possible to obtain the new firm, and called attention to the fact that its broadcasting station made twenty-five announcements every night of the fact that the plant is located in Lawrenceburg. This one item of advertising, is worth a lot of money to any town, and would be a constant source of publicity for Fulton.

The Civic Committee will soon make its announcement of Clean-up Week, which is an annual event, and one that every organization in town should assist in.

Joe Davis told of the recent meeting in Clinton to organize the four counties through which the Mississippi Valley Highway passes, and stated that there was a very strong likelihood of this organization getting the highway concreted, instead of graveled, as now proposed. The Association will work for this, even if the surfacing has to be delayed, rather than have a gravel surface put on that will eventually have to be entirely removed, in order to concrete the surface. Squire McDade stated that the M. V. H. would be built as far as Martin this year, and also stated that the Union City-Fulton section of the Jeff Davis highway work had started and would be ready for traffic in 150 days from starting.

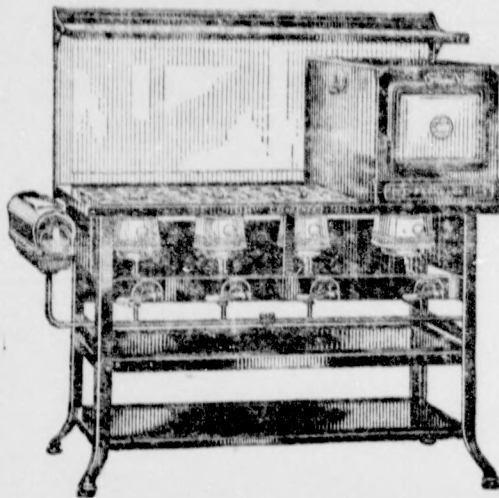

Mr. Hardesty, of the Kentucky Utilities Company, expects to have the industrial agent of that company here for the May meeting of the Chamber, and while here he will make a survey of conditions and his services in locating industrial plants will be at the disposal of the Chamber.

Supt. Williams has stated that any of the experts of the Illinois Central will be sent here as soon as the Western Kentucky Development Association is organized and hold schools in horticulture, animal industry, poultry, or any other line desired. Both the I. C. and Kentucky Utilities Company tender this service free of charge.

After the regular business of the meeting was finished, the following ladies: Mesdames W. S. Graham, W. L. Roper, Misses Mildred Graham, Ruth Bugg, Carline Moore, Marie Moore and Mary Nell Nall, served ice cream, cake and cold drinks. Mr. Warren Graham, acting chairman of the entertainment committee, was assisted by the other members of the committee, Messrs. Culver and Hardin, and Mr. Lawson Roper. A rising vote of appreciation was given the ladies by the members.

Now is a good time to renew your subscription for The Advertiser another year. Don't wait until your name is dropped from the list. A \$1.00 bill will place you in good standing on our list for one year.

Cook with Focused Heat

See the New Grid Top Models

Women don't spend their days in the kitchen any more. They have learned to let modern methods take the place of endless hours of drudgery.

The Florence—the oil range with **focused heat**—is a marvel of modern, labor-saving invention. And yet its working principle is so simple!

In the Florence, the burners are built scientifically to **focus** the heat on the cooking. They see to it that the heat goes directly to work—not out into the kitchen, where it is worse than wasted.

The top of the short, wickless Florence burner is only 2 1-2 inches below the cooking. But that's not all. Florence burners force air **inside** the flame, giving a quick and most intense clean heat. Hottest heat close up under the cooking—this is **focused heat**.
