VOTERS, LISTEN.

1. Any person desiring to vote must enter the voting room and give his name and residence on the ticket, if requested. If he is unable to read the ballot, the ballot shall be given him to be read by a person of his choice.

2. After receiving the ballot in the polling place, the voter shall mark his choice by putting a cross (X) on the mark opposite the name of the candidate for whom he desires to vote. A stamp with an X should be marked in the space provided for the person whose name the voter desires to give.

THE TRIBUNE.

Prominent W. H. Lovett & Proprietors.

Our edition of the Tribune, this morning, is devoted to one of the biggest news stories of the day, the large and comprehensive account of the recent development in the mining industry in the United States. It is impossible to give a detailed account of the workings of the mine, but we may say that it has been decided to erect a new building at a cost of $1,000,000.

These news stories are being attended by a number of other important events, among them the election of a new mayor for the city. It is expected that the new mayor will be elected on the first Tuesday in November.

Preparations are being made for the opening of the new library, which will be dedicated on the second Sunday in December.

It is reported that the town council has decided to build a new park on the site of the old one, which has been sold.

The council has also decided to build a new school on the site of the old one, which has been sold.

In the business world, the situation is improving, with a number of new businesses being opened.

The business of the Tribune is flourishing under the management of W. H. Lovett & Proprietors.
