Moved by Mrs. Mason, seconded by Mr. Ordway, that the report of the Entrance, Credits, Certification and Graduation Committee be approved and the certificates issued. The roll was called upon the adoption of this motion with the following result: Mr. Wilson, aye; Mrs. Mason, aye; Mr. Ordway, aye; Mr. Thomas, aye.

Mr. Wells called to the attention of the Board the fact that when the order for laboratory equipment for the training school was placed with the Kewaunee Manufacturing Company, it was plainly and emphatically stated that this equipment should be delivered and installed by September 15, 1928. He advised that he is now in receipt of communication from the Kewaunee Company, dated September 15th, asking for color block showing the finish desired on the equipment, which means of course that the equipment will not be received for quite a while yet.

Mr. Wells reported to the Board that Mr. Lamon Neale, head janitor, has given up his work and gone, and asked for suggestions and advice as to some one suited to fill this position.

Motion was made, seconded and carried that the Board adjourn.
