God's Covenant With Noah

The covenant was made with Noah. The Noahic covenant, so long ago in the beginning of the world, is a covenant of peace and friendship eternally紫外线 with the world, and is therefore the basis upon which the New Testament is written, and the entire world is founded. We are the inheritors of this covenant, and are bound by its terms.

We must Work Together

EVERY thoughtful citizen of this community is interested in its development and progress. There’s no question about that! We all want our children to enjoy better homes, better schools, better parks — more agreeable surroundings and greater comforts.

We all want our town to keep step with its neighbors, to take the lead in civic affairs. So there is only one sound plan for us to follow:

We must work together to increase the wealth of this community by doing everything we can to encourage local business.

When you and your family patronize our advertisers — the stores and banks of our town — and keep your money in circulation right here at home, there is no power on earth that can prevent our progress.
