Fulton Daily Leader

Attention

This is an announcement to our readers. Since it concerns our national health, it should be of great interest to all of our readers.

FULTON LAND COMPANY

ON NATIONAL ADVERTISING

This editorial is intended to address the merchants of Fulton, but by no means is it not applicable in all of our readers. The manufacturer or distributor wants to get his goods on the local merchants' shelves. In urging you to stock a new line he will say, "See here, looks at the advertising. The manufacturer is putting into the Saturday Evening Post, the American Magazine and other big magazines. We're doing that to help you sell the goods."

Our local merchants should answer: "That's all very well. The advertising that would help me is the advertising you put here in the local paper. Only a few copies of those national magazines get into Fulton. But The Leader goes into practically every home in the community."

Then the manufacturer would make a change in his advertising policy. If he finds that from merchants everywhere it would pay him to long before Mr. National Advertiser would be doing much more of his advertising right here in the Leader. That would mean more business for you. Money for us is a benefit to the entire community by giving us more advertising revenue that we have to buy for the home.

Thanks,
Mr. and Mrs. Lee Myrick and family wish to express their sincere thanks and appreciation for the many, many gifts, privileges, votes for us, as tokens of friendship in our recent home. We see that kind deeds are the fruits of your kind hearts.
