The soda that foams in the spring, is drawn through our fountain like ice, is pure as the snow, and is as clear as crystal. It is not only pure, but it is also wholesome and pure. And that's what we mean when we say "ODA KIM."
That's the soda that we freeze to in Spring.

THE SOLDIER DEAD.

An enthusiastic meeting to arrange for the unveiling of the Latham Monument.
Tuesday afternoon a large and enthusiastic meeting of our citizens was held in the City Court room to make arrangements for the unveiling of the monument over the graves of the soldiers at sleep in the city cemetery.

Judge G. A. Champlin was called to the chair and J. O. Rust was elected Secretary. A nominating committee was appointed and requested to prepare a report to be submitted to the meeting. The report of this committee followed and appropriate speeches were made by Prof. J. W. Rust, Col. Joe F. Ford, Rev. J. N. Probst, Judge J. McCarroll, John W. Payne, Judge Champlin, L. D. Johnson and others.

The speech of Judge Champlin was the most enthusiastic and earnest desire of our people to make the occasion worthy of the gift and the cause.
Hon. James Broadbent was unanimously selected to be the master of the unveiling ceremonies.

The nominating committee then submitted the following report:
We, your committee, on nominations beg to report the following:
