R. A. Nants, Sweet Potato King

Delivers Educational Lecture at City Hall, Saturday Afternoon

R. A. Nants, farmer, manufacturer and best informed sweet potato grower in the Southland, made a heart to heart talk Saturday afternoon, at the City Hall, to the farmers of this vicinity who are interested in growing more potatoes and less tobacco.

Mr. Nants' talk was educational and easy to understand. He opened his address with the plant bed, giving in detail how to prepare the ground and get the best slips. "Set good slips every time," says Mr. Nants, "if you want to grow good potatoes. It is worthless to use sorry slips, at all." He gave instructions as to how the ground should be prepared and told how the slips should be planted for the growing of best shipping potatoes and largest yield. "Set slips 10 to 12 inches apart on ground in Fulton vicinity and you will get the best all around results, and not grow so many jumbo potatoes, however," continued Mr. Nants, "these big jumbos are good to feed to stock and hogs with a one-fourth value of other feeds."

Mr. Nants will plant 125 acres in sweet potatoes this season, of the famous Nancy Hall variety. He started setting slips Friday, May 7. He is always pleased to exchange ideas with another grower and says by putting the two ideas together and adopting the best one, the best results will be obtained. He thinks the Government instructions are good to follow, as it carries the thought of a number of practical experimenters. He informed his hearers that he quit the experimenting game eleven years ago and is making good money out of potatoes and what was good for him was good for others. "There is more money made out of potatoes than any crop I know of with less work."

An especially interesting feature of Mr. Nants' talk was his plans and specifications of a storage house which he outlined in a simple manner, so all could fully understand how to construct a large or small storage. After this he followed with instructions as to storing, curing, grading, shipping to market and finally getting the real cash.

"But to build up an enviable market and get best prices, is absolutely necessary to grade your potatoes carefully and never ship big jumbos or trash."

The speaker closed his talk with complimentary remarks regarding the Fulton territory for potato growing, and said that he had some of the best red clay subsoil land for growing potatoes in the United States, and the best loading and shipping point. He also said that Fulton would be provided with ample storage facilities for all the potatoes grown here this year. That Brooks Henderson and T. D. Almond were preparing a large storage and would take care of the crop of this vicinity.

We are glad that Mr. Nants visited our city as we feel that his talk will result in much good and no one can go wrong in following his instructions as to growing potatoes, and now that we are to have ample storage for the crop, let's get busy and double our acreage in Nancy Hall potatoes, the best variety to grow in this vicinity. Also cultivate to grow the best shippers and not so many jumbos. If you have more slips than you can use, divide with your neighbor and insist that he plant them 10 to 12 inches apart. In this way you will produce more shippers and fewer jumbos. Let's give the Fulton market a boost with Nancy Hall potatoes, the best you can grow.

A nice gift. Send The Advertiser to a friend one year—only \$1.00.

Clean-Up Week A Delightful Success

City is Cleaner Today Than It Has Been for a Long Time

Bright and early Monday morning the city trucks, with a good force, were on the job cleaning up the city. Work was first started in the business section and extended throughout the residential part of town, and today Fulton is cleaner than it has been for a long time. An inspection tour of the city shows the results of clean-up week. From all indications the work was thorough. Councilman Ed Hannephol, chairman of the fire committee, started before the general clean-up week, and with the assistance of Chief Lee Roberts, painted the fire plugs red, also the danger zone for automobiles in red.

From all appearances, the citizens of the city cooperated beautifully in the general clean-up. Practically every lawn in the city was mowed and flower beds worked out. Many dwellings had been given a new coat of paint and the premises generally beautified. Later we expect to see many backyard fences, outhouses and trees whitewashed. The white way posts which have long been neglected, will also receive a coat of silver aluminum paint, as Councilman Atkins, chairman of the light department, has accepted the suggestion of the Civic Committee of the Chamber of Commerce as being timely and will look after the beautifying of the white way lights.

Clean-up week was a big job but it looked like everybody put his shoulder to the wheel to make Fulton one of the cleanest, prettiest and most inviting places in this part of the country and no doubt the city will be given some real advertising and boosting by tourists and visitors.

Councilman Paul DeMyer, chairman of the street committee is to be congratulated upon his clean up activities. He advises us that Harris Fork will be given special attention.

We trust that the clean-up spirit will remain with us throughout the year. Disregarding the cost, which after all, is insignificant when the results are tabulated, every home, whether occupied by owner or tenant, should receive the attention it deserves in order that it may be said of us that we are proud of our city and our homes, that we take an interest in their general appearance. Do this, if not for the benefit of the many visitors whom we know are to be with us during the next few months, then for ourselves.

If from the standpoint of appearances, cleanliness and comfort, there are among us some who are not inclined or will not cooperate in this activity, let us hope that from the standpoint of their health and the health of the community in which they live they will clean up or paint up.

Keep Fulton the "City Beautiful."

EDITOR JAS. SCOTT DROPS DEAD IN RIDGELEY

A message was received in Fulton, Sunday night, stating that Editor Jas. Scott dropped dead in Ridgeley, Tenn., where he conducted the publishing of a newspaper. The message also asked for information regarding the location of his relatives. Mayor Shankle telephoned the Ridgeley authorities, that his sister, Mrs. Lillian Martin, resided at Normal, Tenn., and his brother, Lucian Scott, resided at Pueblo, Colo.

Editor Scott was well known in Fulton, having assisted his brother, the late Sid Scott, in operating his printing office here for awhile. Feb 13, 1925, his brother, Sid, passed away in this city and his office was partly sold and moved away.

Track Meet at Fair Grounds Saturday

Tomorrow morning at 9:00 o'clock, weather permitting, the "Hi Y" will stage a track and field meet at the Fair Grounds for boys from 9 to 15, consisting of runs, jumps, dashes, shot-puts and relays. These events will be governed by the ages and weight of the contestants.

Members of the High School track team will act as officials of the events, and all boys in town are invited to participate.

These contests will give an opportunity for the "Y" officials to discover any latent athletic talent that there is among the younger boys, and a record will be kept of all events, so that aspirants for track and field sports will have a chance to develop themselves with the aid of proper instructors, which will be supplied by the Y officials.

Dr. Hughes, who is in charge of the sports, wishes to see every boy in town, who thinks he can run, jump or do any other stunt, to be present and enter for the events.

COURT WEEK IN FULTON

The May term of Fulton Circuit Court has been in session here during the week with Judge W. H. Hester on the bench. Other officials in attendance were Commonwealth Attorney Flavius B. Martin; County Attorney Lon Adams; Miss Inez McNeilly, court stenographer; Miss Emily Scott, grand jury reporter; W. L. Hampton, circuit clerk; Miss Sarah Corum, deputy clerk; John M. Thompson, sheriff; Joe Thompson, C. H. Moore, and Joe Walls, deputy sheriffs, and R. L. Jackson, jailer.

John Willie Not Guilty, Verdict of the Jury.

The case of John Willie, charged with violating the age of consent law was one of the most important cases during the week, occupying two days of the court's time. After being out four or five hours the jury returned its verdict of not guilty as charged. The case was hotly contested, and Commonwealth's Attorney Flavius Martin was assisted by Attorney H. T. Smith. Attorneys J. D. Via, of Clinton, Ed. Thomas and Morman Daniel, represented the defendant. The case attracted considerable attention and the court room was filled to overflowing each day.

MRS. ELLA THARPE DIES AT MAYFIELD

Mrs. George Beadles and Miss Mary Webb attended the funeral of Mrs. Ella Tharpe Monday, at Mayfield, who died Sunday in that city after an illness of several months of complications.

Mrs. Tharpe was one of Mayfield's best known and most beloved women, the widow of the late George Tharpe, one of Mayfield's leading business men at the time of his death, some years ago.

COTTON COMING UP

Reports from the lower end of the County say that cotton is coming up good now and since the rains of the past week corn and cotton should be coming up at a rapid rate. The farmers got an early start in planting, in fact, an exceptionally fine start at farming in every way but the dry weather of the past three weeks had delayed the works somewhat and had become a slight detriment to the coming up of the cotton, or was feared it might be, but the cotton is coming up good with a good stand. Cotton is pretty well all planted, but there is yet much corn to be planted. The ground this spring has been in fine shape.

Fulton Chamber of Commerce Behind Fiscal Court For Concrete Roads

The Fulton Chamber of Commerce went on record Tuesday night as unalterably opposed to anything but a concrete road from Fulton to Hickman, and passed strong resolutions to that effect, addressed to the Fulton County Fiscal Court. When the State Highway Commission holds its June meeting, the members of the Fiscal Court will be present and a strong delegation of Fulton County citizens will accompany the Court, and insist that this highway be finished in the very best shape known to road builders. Nothing else will be acceptable.

A large and enthusiastic crowd attended the May meeting of the Chamber of Commerce, Tuesday night, and it was expected that there would be a large delegation of Hickman Lions and citizens present, as the Hickman-Fulton highway surfacing was scheduled for discussion, but, due probably, to the rain early in the day, the only Hickmanite present was Judge Nugent, who ably represented his city.

He explained that there would be State funds available after July first, that could be utilized for this highway, and stated that the Federal Highway Engineer was willing to expend the maximum of \$16,000 per mile allowed by his department, if the State and County would provide their quotas. The only way to do this is by strong pressure on the State Highway Commissioners, and this will be forthcoming at the proper time.

The Harris Fork Committee reported that it had been in consultation with Superintendent Williams of the I. C. R. R., and he had promised to cooperate in any way possible with the committee in placing this stream in condition to carry off the flood waters. A resolution was passed, authorizing the Chamber to expend not to exceed \$100.00 for this purpose. The city will also cooperate in the work.

Chairman Williams of the Civic Committee, reported that the Clean-Up Week work was progressing splendidly and that in his opinion, this year the general interest was greater than in any previous spring. He congratulated the merchants and residents on their fine team work in putting Fulton in such fine condition.

Ernest Fall called attention to the visit of the officials of the Fire Protection Association which is fixed for Thursday, the 13th, and explained that this body is composed of the Field Agents of all the Fire Insurance companies doing business in Kentucky, and that their visit was not one of censure but one of help and cooperation, as it was just as much to their interest to procure safety from fires as it is to the insured. On their visit, talks will be made to the schools, a fire drill will be given and visits will be made to merchants and advice as to more security will be given.

Capt. Renter, of the State Actuarial Board, a trained fireman, spoke of the proficiency of the Fulton Fire Department, under Chief Lee Roberts, and said that the improvement in the drill of the men since his last visit was very gratifying. Chief Roberts also spoke briefly and said a demonstration of the Department would be given during the visit of the insurance men.

Mr. Colley told of meeting the road contractors of Weakley county, and said that the grading of the work being done there was splendid and that there was a small section of road in Hickman county, about one half mile in length that was in very bad condition and he had asked the contractor what it would cost to put this in shape. He replied that the cost would be about \$35.00 per mile, but as the time is too short to get the plan before the

Hickman County Court before the contractor leaves this section, a motion by Mr. Fall, was carried, authorizing Mr. Colley to see the contractor and have the work done, the Chamber of Commerce to pay the bill, and later, see if the Hickman County Court would reimburse the Chamber.

J. A. Carraway, of the Obion County Health Department, with headquarters at Union City, was present, and addressed the meeting on the subject of "Mosquito Control." He explained the methods developed by the U. S. Government, under Major Prince, and volunteered his service to instruct Fulton authorities how to do the work. Members of the City Council were present, and President Kramer instructed the Civic Committee to confer with the Councilmen and see if it would be possible to get this necessary work started. He complimented Fulton on its fine appearance due to Clean-Up week and urged the other work as a health measure.

During the discussion of the Hickman-Fulton Highway subject, the statement was made that the Woman's Club would also make demands on the Fiscal Court to have that highway surfaced with concrete.

Several members made strong pleas for every citizen who possibly could to go to Frankfort with the Fiscal Court and urge the Commissioners to concrete the highway and this should be done, even though it be at some personal expense and inconvenience.

CHESTNUT GLADE COMMENCEMENT EXERCISES BEGIN

Chestnut Glade High school began its commencement exercises, Sunday evening, May 9, with the baccalaureate sermon which was preached to a large and appreciative audience at the High school auditorium by the Reverend W. P. Cunningham, pastor of Cumberland Presbyterian church, Union City, Tenn. The subject of his sermon was "Life." Rev. Cunningham discussed life from three points of view: biological, materialistic, and Christian. After giving the definitions of life, he gave its purpose. Each one should try to find his vocation and then climb to the heights of success. Each one should do what God intended him to do and not what he wants to do. If a person fails in life, it is his own fault, and not the fault of another. Life is just what we make it.

This was indeed a very fitting sermon for the graduates who are standing on the threshold of life. If they will find their talents and use them to the best advantage, they shall climb to the top of the ladder of success.

JUNIOR-SENIOR RECEPTION

On Monday afternoon, May 3, the Juniors of Chestnut Glade High School, entertained the Seniors with a reception at the home of Mr. and Mrs. C. L. Taylor. After a short program, delightful refreshments were served, which also carried out the green and white color scheme.

What About Ice Cream As a Food---Especially For Children

1. It is the only food given in both
health and illness, to athletes and
invalids.
2. It is one of the first foods to be
given a patient in the hospital.
3. It will come nearer pleasing
every member of the party or fam-
ily than anything you can serve.
4. All of the elements necessary
to health and growth are found in
milk. A quart of Culver's Ice Cream
has the food value of several quarts
of milk.
5. Young children should have
more milk, in the form of ice cream,
instead of the customary nik-naks.
6. You have often seen children
refuse milk, but you have seldom
seen them refuse ice cream.
7. Nature has endowed children
with a taste for sweets. Guide this
tendency into a habit of eating

health-giving, strength - producing
CULVER'S Ice Cream. It will be a
good investment in health.

8. It is not the children alone who
benefit from the food properties of
ice cream. Certain elements in
milk and hence in larger quantities
in ice cream improve the complex-
ion and eyesight and add luster and
life to the hair.

9. Using the best of ingredients in
the home freezer you will find it
hard to equal the results in smooth-
ness and texture made possible by
our power machinery and proper re-
frigeration. The smoother the cream
the more easily digested.

10. Rare indeed is the individual,
young or old, who does not welcome
the invitation to have a dish of ice
cream. Please all by serving CUL-
VER'S.

RICH---HEALTHFUL---REFRESHING CULVER'S ICE CREAM

Compare Culver's Quality With Others

A daily supply of fresh milk from

Novelties for Parties and Banquets

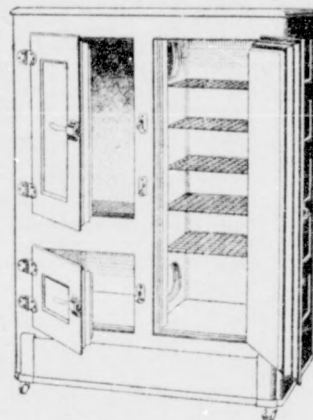

The service of ice cream flowers,
emblems, or individuals makes a
fitting climax to a wonderful party.
You may be surprised to know that
we have many different molds, and
that we can put many designs in the

Senour's FLOOR PAINT

"It Penetrates"

In the word "penetration," is a secret manufacturing process that has made Senour's Floor Paint a popular favorite for over 40 years.

If a floor paint does not penetrate or grip into the wood it will soon begin to crack, chip and peel. Senour's Floor Paint dries over night with a high gloss enamel-like finish, but at the same time it sinks into the pores of the wood and forms a film that will withstand the hardest usage and will withstand repeated washings without dimming the lustre.

Every can of Senour's Floor Paint is guaranteed to give satisfaction if directions printed on the can are followed or money back upon receipt of empty can.

CHILDREN BARRED FROM PUBLIC GATHERINGS

To Stop Measles Epidemic Now Raging at Paducah

A serious epidemic of measles among the children of Paducah has necessitated the barring of children under sixteen years of age from moving picture shows and other public places for an indefinite period of time. Dr. Floyd P. Allen, City Health Officer, announced. The schools of Paducah will not be closed, Dr. Allen stated in the News-Democrat, as this would not allow a close observation and isolation of children affected with the disease.

Nearly a hundred and fifty cases were reported from April 24 to May 1 and since that time twenty-seven or more additional cases have been reported.

AN APPRECIATED LETTER

A. E. Brown, well known citizen of the Fulton-Water Valley vicinity has just received a letter from The Long-Bell Lumber Company of Shreveport, La., paying a nice tribute to his son, Roy, who is in the company's employ, which is as follows:

"May 4, 1926.

"Mr. A. E. Brown,
Water Valley, Ky.

Dear Sir:—

May 9 is Mother's Day. Your son, who is in our employ, has no mother, but being a dad myself, it occurred to me that your heart would be gladdened on May 9 to know that we feel your boy is a credit to the family.

You and she gave him a good start, and he is moving along on the right track.

Not only is he very faithful and steady at the office, but we feel we can depend upon him as he is a consistent attendant at Sunday school.

In a few years my own son will be out hustling for himself, most likely, and will be a satisfaction to me to have some one say his behavior is O. K. And it gives us pleasure to write to you that effect in this case.

Yours truly,

WM. STEEN.

P. S. He's a better boy than this letter indicates, but one male mustn't praise another too high or he may be accused of "slopping over." Wm. S.

NAMES OF WOMEN DRAWN FOR JURY SERVICE

For the first time in circuit court history of the First Judicial district, the names of women have been drawn for jury service, says the Hickman Courier.

Circuit Judge W. H. Hester at Wickliffe, drew from the jury wheel the names of three women to sit on the petit jury and two for the grand jury. He established a precedent for Ballard county and the entire judicial district.

The women will be summoned for jury service at the August term of Ballard circuit court.

AS THE EDITOR SEES IT

The fellow who is always criticising his own town is like the kid who hankers for a chance to pull the other kid's nose. He forgets that the condition of the town is most likely brought about by his own shortcomings and those of others of his kind. He sees only the delinquencies of others and forgets that perchance his own may be even more glaring and destructive. He weaves a halo around his own precious brow and bespatters that of his neighbor with ooze and slime. He sees evil where good exists, failure where success is assured, and poverty when prosperity is in the ascendant. If he, like the unruly kid, wants to pull anybody's nose, he would confer a favor upon suffering humanity by tweaking the bump on his own face. It needs it.

DECORATION DAY, MAY 23

At a meeting of the City Council, Monday night, Decoration Day for 1926 was discussed and May 23 was finally de-

ecided upon as the date for Decoration Day in Fulton. It was thought by that time yard flowers would be in full blossom.

L. S. Phillips, chairman of the cemetery committee, will make every effort to beautify the cemetery and have it in readiness to receive the lovely blossoms that always add to the natural beauty of Fulton's city of the dead. Those who attend Decoration day in Fulton from other towns say our cemetery is the prettiest in this entire section of country, and just here we will add that much credit is due Chairman Phillips for his painstaking effort in making Fairview the beauty spot of Fulton.

Young Lady Bitten by Hydrophobia Dog.

Miss Tommie Holmes, of near Dukedom, was bitten by the family dog last week. The dog was killed and the head sent to Louisville, where analysis showed that the dog had rabies. Every known remedy is being employed to prevent Miss Tommie taking rabies. Considerable apprehension is manifest due to the fact that it was seven days after the young lady was bitten before medical treatment was given. Miss Holmes is a granddaughter of Mr. George Holmes, and Wile Wiley, deceased.

Sunday's Hailstorm.

Reports from the hail storm Sunday throughout this vicinity and especially in McCracken county, played havoc with tomato plants, berries and fruit. But the greatest damage reported was done to the green houses of Houser Brothers and Tully-Terrell Company at Paducah, which amounted to several thousand dollars in broken glass.

Five or six years ago these same green houses suffered a loss of ten to fifteen thousand dollars during a heavy hailstorm followed by cold weather.

Reports from the Grahamville community near Paducah state that some of the hail Sunday was as large as base balls.

In Weakley county, Tenn., it is said that tomatoes suffered severely from the hail storm, but no doubt the plants were not entirely destroyed and will come again. In this immediate vicinity no special damage was reported.

Plant Trade Day.

The Community Service Department of the Woman's Club inaugurated a Plant Trade Day at the Chamber of Commerce last Monday, in connection with the Clean-Up Week and other spring activities of the community.

The idea is to give opportunity for the owners and lovers of plants to exchange those plants of which they have a surplus with those who may have some other plants in abundance, thus enabling flower and plant lovers to secure an addition to their gardens through the medium of exchanges.

Mrs. Fred Worth was in charge of the exchange on Monday, and while the number of "traders" was not as large as had been hoped for, there were enough to show that the idea will be a welcome one and the next spring's exchange should show a large number of trades, that will not only enhance the beauty of Fulton, but will enable many who could not otherwise secure plants to do so.

Mrs. Smith Honors Visitor.

One of the prettiest parties of the season was the afternoon party given by Mrs. S. C. Smith Tuesday afternoon in her rooms in the Creedle apartment on Walnut street, in compliment to her sister, Miss Annie Lile, of Leighton, Ala. The living room was artistically decorated with a profusion of peonies, roses and wisterias. There were three tables of guests for cards. Mrs. L. O. Carter won high score, a pretty card table cover; Mrs. Seldon Cohn cut consolation, a bridge set. At the close of the game a delicious salad and ice course was served. The honoree was attractively gowned in a figured georgette, and received a memento of the occasion.

WOMAN'S CLUB MEETS

The regular monthly session of the Woman's Club was held in the Chamber of Commerce, Friday afternoon. The rooms were very attractive with baskets of Spirea, and bowls of snowballs and lilies. The new president, Mrs. J. E. Fall, presided with ease and grace, ably hearing reports and dispensing business.

The art department was host for the afternoon and presented an interesting program on American architecture. Mrs. Trevor Wayne gave a most pleasing lecture and slides were used showing the exterior and interior of buildings from the Seventeenth century to the present day.

Mrs. Charles Brann sang in lovely voice, "Phantom Legions" by Ward-Stevens. Mrs. Loyd Emery of Paducah, accompanying her at the piano.

At the close of the delightful program iced punch and wafers were served.

LITERATURE DEPARTMENT

To close a most interesting study season of the Literature

department of the Woman's club, Mrs. J. C. Brann was hostess to the members and quite a few extra guests at her home, "The Oaks," Thursday afternoon. Bowls and vases of tulips and sprays of blooming shrubs were gracefully arranged throughout the house.

Mrs. R. M. Redfearn was the leader of a splendid program on the Eighteenth Century Drama, being assisted by Mesdames Beadles, Butt, Payne and Royster. This was followed by a splendid musical program. Little Miss Rebecca Brann played a piano solo. Mrs. Chas. Brann sang two lovely numbers and Mrs. Gus Bard played two beautiful piano solos. Delicious refreshments were served.

MUSIC DEPARTMENT

A very delightful and well attended meeting of the Music Department of the Woman's Club was held Wednesday afternoon at the attractive home of Mrs. W. A. Love on Pearl street. Vases of lilies gave additional touches of beauty to the rooms.

Miss Fields presided over the short business session.

With expression and interpretation in music as her subject, Mrs. Clarence Maddox gave a most interesting and instructive talk. This was followed with a round table discussion, which brought out that music arouses various emotions, feelings and moods, in conveying its message to the listener. At the close of the program, the hostess, assisted by Mrs. O. H. McFarlin, served an ice course.

THURSDAY BRIDGE CLUB

The meeting of the Thursday afternoon bridge club was a happy affair with Mrs. Don Hill as hostess, in her home on Walnut street.

Spring flowers lent their beauty and fragrance to the attractiveness of the reception rooms where three tables were arranged for the game.

The club prize, a large angel food cake, was obtained by Mrs. Jim Chambers, while lovely silk lingerie went to Mrs.

Cecil Frances, of Montgomery, Ala. A beautiful luncheon followed the game.

W. C. T. U.

One of the most delightful events in the annals of the local Woman's Christian Temperance Union was the mothers' meeting held Saturday afternoon at the palatial suburban home of the president, Mrs. John Owen.

The White Ribboners were happy to have Rev. L. L. Pickett, husband of the state president, bring them a beautiful message in song and address, after which all joined in singing, "All Hail the Power of Jesus' Name." Special prayer for mothers was offered by Mrs. Wolfgram.

Mrs. Hillyard, in her characteristic manner, gave the devotional, "The Wages of Motherhood," bringing pleasure and inspiration to each listener.

A beautiful violin number was given by Mrs. Love, with Mrs. McWhorter as accompanist.

A timely leaflet, "Mother's Religion" was read by Mrs. Beadles.

A solo, "What a Friend We Have in Mother," was delightfully sung by Mrs. Boone, with Mrs. McWhorter, accompanist. Little Miss Ruth Nall most charmingly gave two readings. A lovely tribute to mother was read by Mrs. Wolfgram.

The program closed with a beautiful reading by Mrs. Loyd Boaz.

The president, with a few choice phrases, presented a bouquet to the guest of honor. Mrs. Sanders, who had the distinction of being the oldest great-great-grandmother present. There were ten other great grandmothers present, i. e. Mesdames Boulton, Matheny, Winston, Stokes, Grymes, Jones, Alexander, Roper, Bondurant and Gholson, each was presented a small corsage. The grandmothers included Mesdames Rucker, Chambers, Bell, Skeen, Barnes, Brady, Cheek, Bullock, Reed, Baulch, Jones Gray, Muir, Cole, DeMyer, Boaz, Henman, Huddleston, W. Brady Conley, Winston, Coulter, Anderson, Mohundra, Ter-

ry, Covington, and Owens. The mothers not included in the preceding group numbered thirty and each was given a boutonniere.

There were only five matrons present and were not mothers, and it was most impressive as they stood in homage to mothers, Mrs. Hillyard voicing the tribute most effectively.

During the social hour delicious refreshments were served. In midsummer it is hoped another meeting may be held at this home famous for its hospitality.

ABRAHAM AND THE STRANGERS

LESSON TEXT—Genesis 18:1-15.
GOLDEN TEXT—All nations of the
earth shall be blessed indeed.—Gen.
18:18.

PRIMARY TOPIC—Abraham Is Kind
to Strangers

JUNIOR TOPIC—Abraham Welcomes
Three Strangers

INTERMEDIATE AND SENIOR TOP-
IC—Abraham's Hospitality

YOUNG PEOPLE AND ADULT TOP-
IC—Why God Chose Abraham

I. The Lord Appeared to Abraham
(vv. 1-8).

While Abraham sat in his tent door,
he lifted up his eyes and lo, three
men stood by him. His reception of
these three men is a beautiful picture
of oriental hospitality. These beings,
while called men are also called angels
(see 19:1). When the men arose to de-
part, Abraham according to custom,
accompanied his guests some distance
on the way. One of the men was the
angel of Jehovah, or Jehovah mani-
fest in human form. The Jehovah
angel remained behind to commune
with Abraham. This is clear from the
fact that three started out—one talked
with Abraham and only two entered
Sodom (see 18:22 and 19:1).

II. God's Promise to Abraham Re-
affirmed (vv. 9-15).

The Lord communed with him about
his personal interests, showing how
Sarah should have a son in her old
age, according to the covenant prom-
ise. This conversation being over-
heard by Sarah from her place in the
tent only provoked laughter on her
part. Although she thus expressed
unbelief, it doubtless was a great com-
fort to Abraham who had been await-
ing the fulfillment of the promise for
years. "Is anything too hard for the
Lord?" is a striking rebuke to Sarah's
unbelief, and shows that the Lord
is able to discern even our inmost
thoughts.

III. The Doom of Sodom and Go-
morrah Revealed to Abraham (vv. 16-
21).

The Lord now communed with Abra-
ham about Sodom and Gomorrah.
Though Abraham had no personal in-
terest in Sodom, the Lord revealed
unto him His secret purpose concern-
ing it. He did not hunt up Lot to
make known unto him his purpose
concerning Sodom. He never goes to
the persons who are entangled with
the things of the world. The only way
to know God's thought touching the
age in which we live is to remain
separate from it. "The secret of the
Lord is with them that fear Him."
(Ps. 25:15). The reason for this dis-
closure may be stated as follows:

1. Because he was his friend (Jas.
5:23; John 15:15). Friends confide in
each other. The master reveals his
purposes to his friends, not to his
servants.

2. Because he was to be the head
of a great nation (v. 18).

As such he was to be the medium
of blessings to them. The interests of
humanity were at stake in the destruc-
tion of Sodom. It was good that Abra-
ham should know that he might be
able to instruct coming generations.

3. Because of the responsibility of
instructing his own family aright (v.
19). God is always careful that His
judgments have a rational explana-
tion, serving to deter others from the
same sin. The Lord declared that His
purpose was to go down and see
whether the Sodomites had done ac-
cording to the cry which had come up
from it (v. 21).

IV. Abraham's Intercession for So-
dom and Gomorrah (vv. 22-25).

The two men departed for Sodom,
leaving Abraham alone in the presence
of the Lord. He stood there as an in-
tercessor. In this unselfish act Abra-
ham represents our High Priest (Heb.
7:23-25; Rom. 8:34; 1 John 2:1). Jesus
possesses the divine right to stand be-
fore the Father. Abraham made his
plea on the ground of justice to the
righteous who might be in the city.
Because of the infinite sacrifice which
Christ made by His blood for our sins,
He can plead our cause before God on
the ground of strict justice. He ven-
tured his plea six times, each time
diminishing the number. We should
learn from this that petitions granted
give encouragement to ask for others.
Abraham's power as an intercessor was
limited. He was afraid of overdraw-
ing his account with the Lord. This
is not the case with our High Priest.
His credit and influence with the
Father are infinite. He is able to save
unto the uttermost those who come
unto God by Him, seeing He ever
liveth to make intercession for them
(Heb. 7:25).

Mrs. T. J. Turney has returned home. She left her mother better.

Mrs. Ted Johnson and Mrs. Wallace Meadows visited Mrs. Hiff at Mr. Will Clark's Tuesday afternoon.

Mrs. D. Hardison is able to walk around some and will soon be well, I hope. Jim's ankle, that he sprained some two weeks ago, is improving, he walks with a crutch.

Tuesday of last week, Dr. Henry took Mr. Sam Byrd to Mayfield to the hospital for an operation for strangulated hernia. He stood the operation fine and will soon be home if he still gets along well.

If the ladies knew the disparaging remarks made about their short dresses they would certainly lengthen them some and also discard the excess paints and powders and I expect if they read the Bible more, the bobbed hair would go, too.

Mr. Herschel Seat is visiting his mother, Mrs. Lee Seat. He is a student of Union University. I do not know whether he has finished or not.

Mr. Bud Gaskins found a double apple blossom on a tree in their yard. It is like a semi-double rose and larger than a silver dollar.

Mr. D. D. Hardison lost a fine cow Sunday. The veterinarian said she seemed to be suffering from poisoning from something she had eaten. She had been on a weed field pasture.

Mr. Audie Howell and Miss Lorraine Hodges were married Saturday night. We wish these young people a happy and prosperous life.

Mr. Hanibal Seat, Mr. Less Strother, Mr. Bud Gaskins and Mr. Chester Turner visited Mr. T. M. Watkins Sunday morning and afternoon Mr. Boone Finch was over to see him. Mr. Watkins has been quite ill for several days but is improving.

Mrs. Charley Hill and Mrs. A. J. Turney went to see Mrs. Hiff Saturday afternoon and called on Mr. Watkins as they went home.

Mr. Hanibal Seat and wife spent Sunday at Mr. Will Clark's, also Mr. and Mrs. Strother spent the afternoon there.

The preacher did not come to preach at Rock Spring, Sat-

urday as his wife was very ill. Rev. W. H. Williams of Clinton will preach at the First Baptist church in Paducah Saturday night, Sunday and Sunday night, while the pastor is away at the S. B. convention at Houston, Tex.

Mrs. Hiff is very low, not expected to live perhaps not many hours.

Fulton Route Seven

The cold rains have delayed planting. A great effort is being made to raise plenty of eatables.

Mrs. Jessie Johnson arrived Monday from Detroit to visit her mother, Mrs. Lou Milner.

Mr. Edd Mansfield's stock barn burned last week. The feed stuff, three calves and one sow and pigs burned.

Mr. Lon Peoples is very ill. He had flu and developed an abscess. Dr. Jones performed an operation which we hope will be successful.

Miss Geraldine Kenney, of Memphis, spent a few days with home folks.

Mr. Billie Jolly has moved to his father's home and Mr. Ike Robey has moved to his place.

The Sunday school at Chapel Hill is progressing nicely. They have a contest, namely Red and Blue. Each side is represented by an active worker. Let all go out and unite with one side. Our country churches can be revived with some effort. Very little is being done for the cause of Christianity, compared with other organizations.

The country people, especially those who have buggies or team, would like to ask the Chamber of Commerce to provide some means of a place to leave their conveyance. It is impossible to get near any business house on Saturday, owing to the cars parked on either side of the streets. They must go out of town to hitch, as every post has posted, "Don't Hitch Here." Each week we receive sale announcements, soliciting trade. Yet, no thought is given any convenience for them when they arrive. Trusting you will think the matter over and place some hitch chains near the center of trade, as very few people like to carry their purchases so far to the vehicles.

Prayer meeting, 7:30 p. m.
Preaching 11 a. m. and 7:30
p. m., by the pastor. Special
music by the choir. Public in-
vited.

Mother's day was observed
in all the services of last Sun-
day with a splendid sermon and
special music, Mrs. Chas. Brann
in the morning and Mr. Sam
Brown and Mr. Ezra Vance, of
Dyersburg, sang in the evening.

The Warner Blackard's met
with Mesdames Graham Mc-
Donald and John Sylvester at
the home of the former.

The meeting was called to
order by the president, Mrs.
Scruggs and opened with song,
"What a Friend We Have in
Jesus."

A short business session was
conducted by the president and
splendid reports were given by
the officers and chairmen.

It was voted to change hour
of meeting to 3 p. m. instead of
2:30 p. m.

The bulletin was presented
by Mesdames Bynum, Bennett,
Carter, and Lutten.

Mrs. Joe Davis then took
charge of the program and pre-
sented an interesting Bible
study on the Two Temples, as-
sisted by Mesdames Payne,
Merryman, Baldrige, Frank-
lin, Beadles, Atkins and Meach-
am. Little Sarah McDonald
favored those present with a
piano selection, "Apple Bloss-
oms," by Walter Rowe. Dur-
ing the social hour the hostess
served delicious ice tea, sand-
wiches and wafers to 22 mem-
bers and several visitors.

Rev. and Mrs. J. V. Freeman
left Monday to spend several
days in Memphis, attending
General Conference.

OUR CHILDREN

The Memphis Conference
greatly needs more consecrat-
ed women to lead our children
into service for God.

How can we arouse them and
awaken that love that surely
must be there? How can we
get them to see their duty and
what God expects of them?

Sometime ago a beautiful
mother was dying, she was
leaving a tiny infant and an-
other child three years old. She
said to her husband, "Promise
me that on our next preaching
day you will take these chil-
dren to the church and have
them dedicated to God by bap-
tism." He promised, and at
the appointed time he appear-
ed before the chancel of the
church and presented them for
baptism. The aged pastor said,
"This is a very touching scene.
I baptised this father in infan-
cy, I baptised his wife, I pre-
ached the sweet young mother's
funeral, and somehow I do not
want to perform this ordinance
without a mother's prayer to
unite with mine for these little
motherless children. Will not
some mother come to the front
and say a silent 'Mother's

Prayer," while I baptise these
children?" Instantly every
mother in the house start-
ed down the aisle—tottering
old grandmothers, mothers in
middle life and beautiful young
mothers, crowded the front of
the church to pray a "Mother's
Prayer" for these babies, and
every man in the house stood
with bowed heads and many of
them with tears in their eyes,
while the man of God dedicat-
ed those children by Holy bap-
tism.

Love is there! Nothing will
arouse it as quickly as to go to
work with God's little ones. We
must help our women to get a
vision of the great need for
Christian training of our chil-
dren, and get them to see that
every child needs a mother's
prayer, and the touch of a lov-
ing Christian hand to get their
little feet started on the right
path. The grain is already
ripe for the Master's garner,
and soon it may go to waste for
want of harvesters. Will not
some woman in every Adult
Auxiliary volunteer to this serv-
ice?

I promise you, from experi-
ence that your reward is sure
and you do not have to wait
until you get to heaven to re-
ceive it. If we sow the seed in
faith, and pray for the results,
I do not believe we shall be dis-
appointed, for God answers
prayers.

Church News

Archdeacon A. C. McCabe,
Ph. D., of the Diocese of Ten-
nessee, was a visitor at Trinity
on Sunday morning services,
and assisting and preaching.
His sermon was decidedly inter-
esting, and many comments
were made by the congregation.

Mrs. Boyd was unable to
make the trip to the hospital in
Memphis last week, but left
Monday morning for that point,
where she will undergo an ex-
amination and treatment.

Mrs. C. W. Binford, who was
quite ill last week, has recov-
ered and was able to attend
services on Sunday, and sing in
the choir.

Mr. and Mrs. D. Johnston, of
Clinton, motored to Fulton on
Tuesday of last week and spent
the evening visiting Dr. and
Mrs. Boyd.

Dr. Boyd will give a course
of lectures on church architec-
ture and customs, beginning
Sunday night.

Dr. Boyd accompanied G. E.
Alverson to Blue Pond on a
fishing trip last Friday, but it
was an off day for fish, and not
many of the finny tribe were
brought back.

Dr. Boyd and family and
Archdeacon were entertained
at lunch by Mr. and Mrs. Cou-
lter, last Sunday, and after
lunch motored about the city to
afford Dr. McCabe to see how
Fulton had grown since he was
here last.

Mrs. Boyd returned from the
hospital Monday night after a
thorough examination, and the
doctors say that she is suffering
from the after-effects of flu,
which will necessitate careful
treatment and rest.

4 at the church.

7:30 p. m. Prayer meeting.
Thursday—Choir practice,
Miss Goldsby, director.

Bro. Warren left Monday night
for Houston, Texas, to attend
the Southern Baptist Convention.
This promises to be a very im-
portant and interesting session
of the Convention.

In the absence of the pastor, F.
H. Hilliard was the leader at our
mid-week prayer service this
week. Those who failed to attend
this service missed a rare treat.

On account of the Fulton High
School Baccalaureate sermon on
next Sunday morning at eleven
o'clock, at Carr's Park Auditor-
ium, we will have no 11 o'clock
service.

Since the mid-week prayer
meeting was under the direction
of the Brotherhood this week,
and it being impossible to have
our lesson in the study course,
account of the pastor being out
of the city, there will be no
meeting of the Brotherhood this
evening. There were forty-five
present for our first lecture in our
study course "Training in Chris-
tian Service," on last Friday
evening, and the lectures on this
subject will be resumed on Fri-
day, May 21st. If you were not
present last Friday night you are
cordially invited to be present at
the next lecture. Come and see
just what you are missing.

The Girls' Auxiliary met Sat-
urday afternoon at three o'clock
with Elizabeth Cook. The meet-
ing was opened by the watch-
word and the G. A. song, "The
Scarcie leading in prayer. The
scripture lesson was read by
Rachael Elledge. After the busi-
ness session the meeting was
turned over to Mildred Allen who
directed the program for the af-
ternoon, being ably assisted by
Catherine Hall, Carline Moore,
Elizabeth Cook, Ruth Payne and
Eron Brock. During the social
hour Ruth Payne favored those
present with a piano solo. The
hostess served dainty refresh-
ments.

the study course, "Stewardship

to take up "Old Testament Stud-
ies" in the near future. If you

especially this particular book,
telephone the chairman, Mrs.
Hastings, for particulars, dates,
etc. You will be sure to receive
a hearty welcome by the mem-
bers of this Circle.

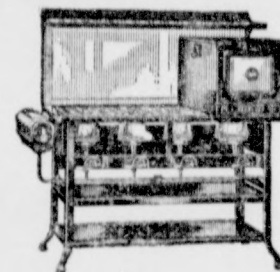

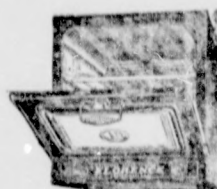

The T. E. L. Sunday School
class met last Tuesday night in
regular monthly business meet-
ing, with Mrs. W. E. Flippo. It
was a very interesting and en-
thusiastic meeting, and quite a
lengthy business session. During
the business session it was voted
that the class would purchase at
least one of the bonds to be float-
ed by the church. This is an ex-
cellent example for the other
organizations in the church. The
business session was followed by
a social hour directed by Mrs.
Curtis Ledford, during which
time games of various kinds, mu-
sic, etc. were heartily indulged.
The hostess served delectable
refreshments. The meeting next
month will be with Mrs. M. L.
Rhodes.

FOR WORKING PEOPLE

The best of workers get out of sorts
when the liver fails to act. They feel
tired, half-sick, "blue" and discouraged
and think they are getting lazy. Neglect
of these symptoms might result in a sick
spell, therefore the sensible course is to
take a dose or two of Herbine. It is just
the medicine needed to purify the system
and restore the vim and ambition of
health. Price 60c. Sold by
Bennett's Drug Store, Fulton, Ky.

**Do Better Work
With Less Effort**

Many thousands of farmers know
of the good work, easy handling and
simple adjustment of the John
Deere DG Cultivator. So easy to
operate that your boy will do
mighty good work with it.

You can cultivate all row crops
with the DG, for the simply ad-
justed arch permits a variation of
16 inches in the wheel tread.

The hugging device aids in hold-
ing the rigs to the row when hilling
or "laying by" the crop, counteract-
ing the tendency to drift either to or
from the row. This does away with
the hardest work of cultivating.

Simple depth control insures even
cultivation—just a turn of the tail
bolt does it.

Improved cone
coupling—no adjust-
ment required except
to take up wear.

Wheels have oil-
tight, dust-proof
bearings.

Pole does not ex-
tend behind axle—
plenty of room for ad-
justing arch, rigs or
shovels; provides
good view of work.

Hang-up hooks at-
tached to arch and
are adjustable, up or
down, in or out.

Your DG is ready at our store. Come in and see it.
