South Fulton High School Closes Its Most Successful Term

REV. E. H. WARBURG DELIVERED BACCALAUREATE ADDRESS

Before the Graduating Class of South Fulton High School, May 20th, Rev. E. H. Warburg, pastor of the Trinity Baptist Church, delivered the Baccalaureate Address, as follows:

The closing exercises of South Fulton High School for the year took place in the school auditorium, with Rev. E. H. Warburg delivering the address. The exercises were well attended, with a large number of students and guests in attendance. The address was delivered in a spirit of joyful expectation and enthusiasm, and was received with great interest and appreciation by the students and others present.

WORK ON HARRIS FORK CREEK

The Harris Fork Creek Committee is active in the efforts to improve the waterway of Harris Fork Creek, which is an important waterway in the area. The committee is working towards the improvement of the conditions and facilities on the creek, which will benefit the local community. The efforts of the committee are aimed at enhancing the overall quality of life in the area by providing better access to the waterway for recreational and commercial purposes.

FOOD LIKE YOU GET AT HOME
This is truly a home-like restaurant because it has endeavored to break down the prejudice based on the theory that restaurants could not serve food like you get at home. Many patrons will testify that there is no difference between our meals and the meals they get at home. That's the reason they come here so frequently.
Years of catering to the appetites of particular people make it possible for us to serve appetizing meals.
The next time you want to eat away from home, bring your family here.

What About Ice Cream As A Food-- Especially For Children

1. It is the food given in both health and illness to the sick.
2. It is the first food to be given a patient in the hospital.
3. It will come nearer pleasing every member of the party than anything that can serve the purpose.
4. All of the elements necessary to health and genuineness of milk are present.
5. A quart of Culver's Ice Cream has the food value of several quarts of milk.
6. Young children should have milk, as the first food in their day, instead of the customary ice cream.
7. You have often seen children refuse milk, but you have seldom seen them refuse ice cream.
8. Nature has endowed children with a taste for sweetness. Culver's Ice Cream is a bait of eating health-giving, strength-producing CULVER'S Ice Cream, which will be a great investment in health.
9. It is not the children alone who will enjoy ice cream. Culver's Ice Creams in milk and cream in largest quantities in ice cream improve the complexion and countenance and inner strength of the body.
10. Using the best of ingredients in making ice cream, we are unable to control the price, but we try to make our customers happy by the possibilities.
