B. Garner, Hopkinsville, Ky.

The County Court.

The Court of Claims adjourned Thursday afternoon. The laying of the county "evicted" caused much discussion. A vote was taken between the county and the State, the same as at present, resulting in favor of the latter. Forty-seven cents is for state purposes, 7 cents for the county, 25 cents to redeem and 12 1/2 cents to pay interest on bonds. The total assessed value of property is \$7,303,440. This will raise \$20,449.65 to call in bonds, which amount will redeem 30 in bonds, and leave 12 bonds on hand.
Twelve bonds were called in, from 75 to 86 inclusive, to be paid July 1st. Twenty will be called in on the next order and in a few years the county will be entirely out of debt.

To My Friends and Late Patrons.

Somewhat contrary to my purpose on leaving Hopkinsville, I may remain here for some time, so I take this opportunity of saying to you all, an affectionate adieu. I sincerely thank you, not only for the liberal patronage so kindly bestowed upon me, but also for the many courtesies so freely extended to me, making my sojourn among you more than agreeable, yes, delightful. The severing of those ties that bind me to your community are painful indeed. I assure you I love you all and although absent in body I am oftentimes present in mind.
I now commend to your favor my successors Fry & Walton, who are honorable men. Wishing Christian county and its metropolitan to have success in all their undertakings, I remain ever yours,
JAMES FRY.

Sudden Wealth.

A Workman on the I. & A. T. Falls Heir to \$20,000.
Mr. B. Furnell is a common laborer on the I. & A. T. railroad. He has won the pick and shovel and the "sweet of his job" has been his stock in trade for years. His last job was on the I. & A. T. railroad where he was doing good service for his employers and himself. A few days since he received at Cerulean Springs a letter from an uncle at Georgetown, Ky., stating that his aunt had died at that place recently and left him \$20,000. Furnell's sorrow over the death of his relative came clothed in a smile from the goddess of good luck. Monday morning he came here with Maj. Mac J. Davis, of this city, who took him to the Bank of Hopkinsville where he was identified and took possession of his fortune. The unexpected is not always unpleasant as Furnell's luck demonstrates, and everybody is ready to wish him a happy journey with his load of gold.

The Best Method.

The most effective as well as the most effective method of dispelling rheumatism, colds and fevers or cleaning the system is by taking a few doses of the famous California liquid fruit remedy, Syrup of Figs. It acts gently yet effectively, strengthening the organs on which it acts, so that regular habits may be formed. Manufactured only by the California Fig Syrup Co., San Francisco, Cal.
