FULTON ADVERTISER

Vol. 2 No. 33

FULTON, KY., JULY 9, 1926

R. S. Williams, Publisher

Fulton Good Wheat Market

Browder Milling Company Paying Top Notch Prices for Cereal.

Growers from a distance are marketing their wheat in Fulton because the top notch prices being paid by the Browder Milling Company attract attention far and near. The quality is the best grown in years, and while the acreage in this immediate vicinity is not large this year, some of our progressive farmers have harvested a good yield. Ernest Hancock, Leslie Nugent, Allie Browder, W. A. Terry and a number of others in this vicinity have already made deliveries and received good prices.

Fulton is indeed fortunate in having such an institution as the Browder Milling Company in its midst. Few seem to fully realize what it means to the town. They not only create a live market that attracts thousands to our town, but manufacture products of a superior quality which advertises Fulton to the outside world in a way worth while.

Much credit is due the members of the firm for Fulton's progressive development.

THE EDITOR CELEBRATES INDEPENDENCE DAY

The unexpected has happened. Monday the editor of The Advertiser, accompanied his brother-in-law, C. S. Whitley, of Union City, on a day's outing and fishing trip in Obion county. We left Union City about three o'clock a. m. and arrived at our camping grounds and began fishing shortly after good daybreak.

From the time we cast our baited hooks into the water until our bait ran out the fishes had a picnic and when the excitement subsided we counted our catch and found that we had captured fifty-two of the finny tribe. We packed them in ice and returned home where a big fish fry was enjoyed.

It was a delightful outing; the crisp morning air was invigorating. Returning home, our attention was especially attracted to the splendid crops along the road. As far as our eyes could reach were great fields of corn in fine growing condition. Most of it shouldered high and some seven or more feet, just beginning to tassle.

Here and there were fields of wheat in shock with a thresher crew at work. From all indications a bounteous crop had been harvested and prosperity pointed in every direction for the Obion county farmer. Cotton was also looking good and free from insect pests.

No, we didn't find the roads very dusty because they have a system of road dragging in Obion county that make the ordinary country roads good, wet or dry.

Taking it all and all we enjoyed our outing immensely and the fishing and eating thereof even more.

POPULAR ENGINEER SUFFERS STROKE OF PARALYSIS ON HIS RUN

Friends of T. S. Humphries were shocked Tuesday morning when a report reached Fulton that he had suffered a stroke of paralysis while on his run between Fulton and Memphis. He was suddenly taken ill at Gates and is said to have fallen from his seat near Ripley. Medical attention was given him as quickly as possible and he was taken to the Paducah hospital on No. 102. He was met here by his wife and Fred Patton who accompanied him to the hospital.

C. R. YOUNG STEPS UP HIGHER IN I. C. CIRCLE

Formerly Superintendent of Tennessee and St. Louis Divisions

Fulton friends of C. R. Young were delighted to learn of his recent promotion to Superintendent of Transportation of the Illinois Central Railroad Co., with headquarters at Chicago, effective July 1.

The promotion of Mr. Young brought merited promotion to C. W. Shaw who has been appointed to fill the vacancy caused by Mr. Young stepping up.

Mr. Shaw has been superintendent of the Springfield Division, with headquarters at Clinton. That position is to be filled by E. D. Holcomb.

Mr. Young entered railway service on April 1, 1905, as stenographer for the Illinois Central R. R. In 1906, he was appointed car distributor; in 1907, time-keeper and trainmaster's clerk; in 1908, assistant chief clerk to the general superintendent; in 1911, chief clerk to the general superintendent; in 1918, yard master and train auditor; in 1919, trainmaster. In 1920, Mr. Young was appointed superintendent of the Tennessee Division, with headquarters at Fulton, Ky., which position he held at the time of his promotion to the St. Louis division with headquarters at Carbondale, Ill.

Mr. Young while superintendent at Fulton was always interested in the welfare of his fellow townsmen and willing at all times to co-operate for a more mutual understanding between the railroad and those it serves.

Mr. Young has a host of friends in Fulton who wish for him and his family everlasting success. May we live to see him president of the great I. C. railway system.

Big Crowd In Fulton On Last Saturday

Saturday was a busy day in Fulton and the city was alive with visitors and shoppers. It was the largest Saturday crowd for some time. The big majority of shoppers were attracted to the Franklin store. It was the last day of their big "June Expansion Sale" and extraordinary inducements had been advertised during the month for this closing event.

Probably the happiest patron of the store was Mr. Clyde Roper when an automobile was presented to him at 5 o'clock by the Franklin organization. It would have made most any of us happy and we congratulate Mr. Roper on his good luck. We also congratulate the Franklin firm for being a "live wire" organization.

WADE-MOSS

The many friends were surprised to learn of the marriage of Miss Florence Wade to Mr. Cresop Moss, which occurred in Union City, June 20, the Rev. Cunningham of the Presbyterian church officiating.

The bride is the daughter of Mr. and Mrs. R. H. Wade, and is one of Fulton's most attractive and charming young ladies and is endeared to a wide circle of friends. She was graduated from Fulton High School, 1925 class and the past year attended Louisville Conservatory.

Mr. Moss is the son of Dr. and Mrs. L. C. Moss of this city and since his graduation from Fulton High school, has attended State University at Lexington. He now holds a responsible position with the I. C. Railroad company. Both are popular members of the younger set and their many friends wish them long life of married bliss.

REPORT A DELIGHTFUL MOTOR TRIP

Mr. and Mrs. Hillary Alexander have returned home after a ten days motor trip to Springfield, Dayton, Columbus, and other points of interest.

R. B. CARTER, OF CANEYVILLE, KY., IS DROWNED

Great excitement prevailed at Sunny Dip swimming pool near the Fulton Ice Company's plant Saturday night when it was learned that a man had disappeared beneath the water and failed to come up in a reasonable length of time.

Miss Keilena Cole, expert swimmer and diver and Innes Dobbins, life guard and one of the managers of the pool, made a plunge in the water where the man was last seen to go down and brought to the surface the lifeless body of R. B. Carter. Artificial respiration methods were used for some time by Drs. Hughes, Cohn and Rudd in an effort to restore life, but the young man was dead and could not be revived.

The body was turned over to the Fulton Undertaking Company and prepared for shipment and buried at his home in Caneyville, Ky.

Sunday morning Esq. S. A. Hagler, acting as coroner, empaneled a jury composed of A. Huddleston, N. G. Cooke, Ivan Uland, Dr. R. N. Whitehead, D. F. Lowe and A. T. Stubblefield, who reported that the deceased came to his death by "sudden shock at the moment of immersion."

Roy and Ullis Carter, brothers of the deceased, were notified of the unfortunate man's death as soon as identity was made at the pool on recovering the body. All three brothers were working for the Nelson Construction Co., on the I. C. Fulton-Edgewood cut-off, but the deceased had quit work and was en route home. At the time of his death he was 21 years old.

There were some thirty or forty in the pool when the young man met his tragic end. The entire community sympathize with the bereaved. This is the first serious mishap at Sunny Dip natatorium since it was constructed some years ago. The body was recovered from the deepest part of the pool.

MRS. RUTH ALLEN

Ruth Allen born Sept. 12, 1885, departed this life July 1, 1926. She professed faith in Christ at an early age, joined the M. E. Church and lived a true sweet Christian life until death.

She was the daughter of Mr. and Mrs. Lee McWhorter. Was married to Calvin Allen Sept. 28, 1901. She leaves a husband, two daughters, Ila Mai and Ila Bee; three sons, Woodrow and Wilburn and infant, an aged mother, two sisters, Mrs. Hardie Stone, Mrs. Emma Franklin; four brothers, Huey, Roy, John and Bob, and a host of relatives and friends to mourn her loss. Oh, how willingly we could have kept her here, but God knew best. He took her to a sweet home where there are no more pains nor sorrow.

The funeral was conducted by her pastor, in the church at Rice City, assisted by Rev. G. W. Evans, of Clinton, Ky. A large crowd was in attendance at the service. There were so many nice flowers. We invoke the blessings of a kind, heavenly Father upon the bereaved family.

A. N. WALKER, Pastor.

ANNOUNCEMENT FOR PALESTINE

There will be services at Palestine next Sunday, July 11, at the 11 o'clock hour. We will have a special service for the children and desire as large a crowd as possible. We are in our new church now and prepared to give a comfortable seat. We extend a cordial invitation to all. We will have the new lights in for Sunday night.

A. N. WALKER, NEW ARRIVAL AT TAYLOR HOME

Mr. and Mrs. Earl Taylor are the proud parents of a pretty baby boy. The young man arrived Monday, July 5.

Knights Templar Meeting

Fulton Commandery, Knights Templar, met at a stated meeting, Friday evening, July 2. After the usual routine of business had been attended to, the commandery closed.

Quite a lot of visitors were in attendance, and enjoyed an unusual and excellent program of music, songs, etc. Miss Blanch Waggener gave two musical readings of a humorous nature that created quite a lot of mirth.

Mrs. R. S. Williams sang "Carrissini," with Miss Blanch Waggener at the piano. Encore, "The Angel Cake." The singing and music was excellent and brought forth lots of applause.

Miss Frances Patterson, a youthful expert of the terpsichorean art, gave a splendid exhibition of the toe dance, then followed the Charleston, in which she captivated the crowd, by her graceful maneuvers, in executing the various steps of that complex dance.

William Tell, flute solo, played by Mr. Woodard, piano accompaniment, Mrs. Clarence Maddox, was one of the special features of the occasion. A piano selection by Miss Gladys Bell, added much to the enjoyment of the evening.

Miss Frances Patterson closed the program by two songs with ukulele accompaniment. Pineapple sherbet was served, and after enjoying a time in social conversation, the crowd dispersed, expressing their pleasure at being present, and the success of the entertainment.

Fulton County Will Have Good Roads

The Chamber of Commerce Committee that went to Frankfort last week to try and secure a concrete surface for the Mississippi Valley Highway thru Kentucky did not succeed in its efforts, but returned satisfied that the state is not in position to finance the concrete surface at this time.

What is promised is that the highway will be graveled to a depth of eight inches and that the state will maintain the road in proper condition, and as soon as the finances will permit, the state will put on a rock asphalt dressing that has proved satisfactory in many parts of the state as well as in other parts of the country.

Messrs. Graham, Wade and Finch made a study of the various kinds of hard roads while in Frankfort, and came home satisfied that the rock asphalt surface had many points in its favor. Other, who have traveled extensively over this type of highway, claim that it is superior in many ways to concrete, and that there is not nearly as much wear and tear on tires on a gravel road as there is not a concrete surface.

In any event, the committee did everything possible to obtain the kind of road it was instructed to get, and the failure to do so was entirely due to the fact that the state has not the money at this time to pay for the work.

As an evidence of the fact that the financial corners are being watched, is the refusal of all bids for the work on the Cayce-Hickman section of the Fulton-Hickman road, because they were considered as too high. This section will be advertised again for bids, in the hope that the bidders will put their prices down to a proper figure.

Fulton celebrated the Fourth of July Monday, by the closing of practically every business house. Many visited neighboring towns where celebrations and various amusements were going on, while others enjoyed a day's outing, fishing, etc.

U. S. ARMY AMERICA'S GREATEST INSTITUTION

The Army of former years has passed on—in its place has grown an institution that has been surpassed by one, has been proven beyond a doubt, every army post has its own trade and grammar schools, preparatory schools, etc.

On a recent survey of the army schools throughout the different Corps area, it was found that out of the full strength of the army that three fourths of the enlisted personnel were attending either a trade school or were in Prep schools preparing for the entrance examination for West Point, the school for commissioned officers.

In late years the army has made it a rule to hold open one hundred vacancies at West Point to be filled by men from the ranks, today in the army one can find generals and other high ranking officers who soldiers as "buck privates" and forged their way to the top in the army.

The graduating class for the year of 1926, at West Point, June 12, composed largely of men who came from the ranks, out of one hundred and fifty men, thirty-four of them were up from the ranks, giving a better than 20 per cent average for former enlisted men, all these men making high honors both in school and on the athletic field.

Major General Brown, a native of Kentucky, started out in the army as "buck private" and forged his way from that rank to the highest in the army. Gen. Brown is at present in command of the First Corps Area, headquarters, Boston, Mass. During the World War General Brown was successively Chief of Staff, second division, Chief of Staff, 4th Army Corps, Commanding General third division and Assistant Chief of Staff, advanced headquarters, Germany. This included service in battles near Chateau Thierry, Soissons, Saint Mihiel and Argonne-Meuse. Not only this general, but men like General Harbord, and many others have climbed from the ranks to these high places in the army, in the schools of the army there are more than 475 subjects from which to choose. The instructors of the army schools are men who have been tested and tried both in theory and practice. In the school rooms and shops, where these trades are taught, nothing but the very best instructors are permitted to instruct soldiers. For the young man just starting in life, and who wants a successful career, either in the professional side or tradesman's side, should consider what an enlistment will mean to his future.

These school are backed by the government for the enlisted man and are entirely free of all cost for the course that a man wants to take. Under a new act of Congress, just released through the Army and Navy Journal, any enlisted man who has prepared himself for a college education can have it free from Uncle Sam. Regulations are now being drafted at the War Department to carry out this new law. Enlisted men will be detailed as students at technical, professional and other educational institutions, one hundred enlisted men will be selected in the next two months to start in the colleges this fall. The process of selection will be through the unit commanders, each sending in to the war department the names of the men in his command he deems best qualified for the courses. The men will receive their monthly pay, board, dental and medical treatment, clothing, etc., just the same as they did when at their station. The army is flowing over with opportunities for the young men and the army slogan stands forth bigger than ever—"THE UNITED STATES ARMY BUILDS MEN." See Sgt. Dearing, at the Recruiting Office, located in the Postoffice, or write P. O. Box 156.

Crutchfield, Ky.

We are needing rain here very bad.

Mr. Walter Connor and family from near Wingo visited Mr. Hanibal Seat and family Saturday night and Sunday.

Quarterly meeting was held at Mt. Vernon Saturday.

The protracted meeting begins at New Hope the fourth Sunday in July with the pastor in charge of the services and one of the Mathis boys in charge of the song service. Elder Williams will preach on "Paradise Lost, Paradise Gained and Paradise Restored," the first Sunday of the meeting. We hope to have a good crowd out to hear him.

Jim Hardison spent Saturday night with the Culver boys.

Dock Hill and Jim Stanley are home from Detroit.

Mrs. A. J. Turney and her cousin, Mrs. Traywick went to Fulton Saturday on business.

Mr. I. B. Williams and sons, Paul and Fletcher went fishing Monday.

Mrs. May Hardison attended services at New Hope Saturday and Miss Rachel Hardison Sunday in company with T. M. Watkins and family.

Mr. Earl Moore and family, of Union City, visited Mrs. Moore's sister, Mrs. Less Strother, Saturday night, and Mrs. Chas. Moore Sunday.

Mr. Everett Foster and wife and Mr. Lonnie Weatherford and family are home from Detroit for a month's visit.

Mr. Hanibal Seat and Letcher Watkins went fishing Monday.

Mr. Edward Benedict and family of Clinton were guests of Mr. Boone Finch and family Sunday.

The protracted meeting begins at the Methodist Church here next Sunday with Rev. Holt in charge of the services as assistant.

Mrs. A. J. Turney and Mrs. Ada Traywick returned Wednesday from Mason Hall, where they visited Dr. and Mrs. Tom Ross.

Misses Myrtle and Sudie Belkew of Clarksburg, Tenn., are visiting relatives here.

Mr. and Mrs. M. E. Byrd and family, Misses Myrtle, Sudie, Maud and Gladys Belkew, Mrs. A. J. Turney and Mrs. Ada Traywick spent Sunday with Mr. and Mrs. Pressie Moore, near Rick Spring.

Mrs. H. M. Kearby and daughter, Mrs. F. K. Cunningham have returned from a visit to Mr. and Mrs. R. M. Belkew, of Fulton.

Mr. and Mrs. Everett Foster, of Detroit, are visiting relatives here.

Milner Byrd, Misses Elizabeth Byrd and Maud Belkew spent Monday in Murray on business.

Mrs. Geo. Fortner has returned from a visit to relatives at Crowley.

Mr. and Mrs. Walter Nichols have returned from a visit in Memphis.

Mrs. F. K. Cunningham, of Washington, D. C., is visiting her mother, Mrs. H. M. Kearby. Miss Gladys Belkew, of Cedar Grove, Tenn., is visiting her aunt, Mrs. A. J. Turney.

Walter Stallins, of Mayfield, was here this week.

Mrs. A. L. Seat spent Sunday in Clinton with Mr. and Mrs. Gene Alexander.

School opened at Rock Spring Monday with Miss Martin as teacher.

NICE SHOWER TUESDAY

Fulton enjoyed a nice shower Tuesday evening, after a brief drought. The rain was preceded by a delightful breeze which had all the indications of a brewing storm, but no damage was reported in the city. The atmosphere was delightfully cooled and vegetation refreshed.

At Hickman much damage was done. The front of a business house was blown down, the fish dock wrecked, trees twisted off, and other property damaged, but no onereported injured.

A petition was read from the Woman's Club from the Community Service Department requesting that protection be given citizens at local railroad crossings and after discussion, petition was referred to Councilman Phillips for action.

A petition was also read from residents of Highlands pertaining to water pressure in their section and this was turned over to the Water committee to be handled.

The City Attorney was instructed to prepare an ordinance fixing licenses on certain businesses and to report at the next meeting.

The order for not closing the streets in certain emergencies was rescinded by vote of the council and the matter was left in the hands of the police committee.

Engineer Wilcox was granted on account of \$936.59 for work done to date.

Other regular routine business was transacted during the meeting and following the completion of same, the meeting adjourned subject to call.

THOS. H. CHAPMAN,
City Clerk and Auditor.

Chestnut Glade

Mr. Albert Caldwell, who has been in Detroit for some time, returned home last week.

Mr. and Mrs. Pernie Grissom of Detroit, are visiting their parents, Mrs. Emma Grissom, and Mrs. Jim Etheridge.

Mr. and Mrs. Charlie Kindred motored through from Detroit, and will spend their vacation here.

Mrs. Mason has not been so well this week.

Uncle John Vincent has been confined to his bed for several days and is in rather a serious condition.

Mrs. Ben Kimbberlin was operated on for appendicitis at the hospital at Martin last week. She is getting along nicely and hopes to come home in a few days.

T. D. Butts is rather under the weather.

Haying has been the order of the week. Lots of hay saved. Tomatoes are fine but the market is rather discouraging.

Ishmal Waat's little son, has been ill for several days.

P. T. A. met Friday evening with only a small attendance. Singing Sunday was rather well attended, notwithstanding the dust and threatening rain at the hour of meeting.

Mr. and Mrs. Browne and daughters, of St. Louis, visited their daughter, Mrs. T. D. Butts Sunday.

Mrs. Etta Binkley has been visiting her brother, W. H. Finch for several days. The family has been enjoying old fashioned salt rising bread, corn light bread and cake that melts in your mouth. Everybody is sorry when auntie leaves.

The joke is on the ladies who have been advocating Mr. B. A. Golden to succeed W. H. Finch as school director. Last week the men stole a march on the ladies, drove to Dresden and ordered the ballots printed. Neal Ward and W. H. Finch are the candidates whose names appear thereon. Let everyone come out and vote. Election day, Monday, July 12.

SIGNS YOU CAN BELIEVE IN
If your breath is bad and you have spells of swimming in the head, poor appetite, constipation and a general no-account feeling, it is a sign your liver is torpid. The one really dependable remedy for all disorders in the liver, stomach and bowels is Herbol. It acts powerfully on the liver, strengthens digestion, purifies the bowels and restores a fine feeling of energy, vim and cheerfulness. Price 60c. Sold by Bennett's Drug Store, Fulton, Ky.

Summer Clothes well dressed men will want and wear

Our clothing meets every requirement which the best dressers could ask, as they are made only under the best conditions by skilled union tailors employed by representative manufacturers of the United States. There is nothing cheap or shoddy in the material, nothing grotesque in style and nothing lacking in fit and finish.

The prevailing colors in clothing this summer are lighter, fresher and more attractive than last season.

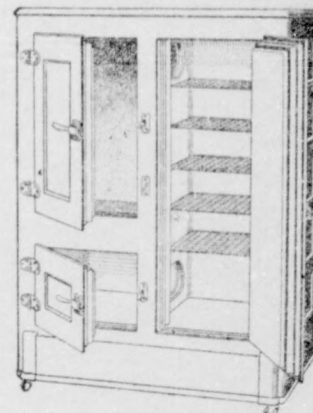

Summer prices prevail
at this store.

Come in and let us dress you up
for summer comfort.

OPPORTUNITIES IN FULTON

Just as in every town or small city, many a man in Fulton gets the idea he must go elsewhere to make a fortune or to become successful in any degree. Distant fields always look richer, deceivingly so, even to the man who has but to dig beneath his feet to unearth untold treasures.

Of the thousands who rush off to every new gold or oil discovery or real estate boom, nine-tenths are doomed to disappointment. The best advice that can be given to the average American is to cut out the wanderlust and apply himself at home. Most of us have oil wells in our back yards, figuratively speaking, and it takes but a little energy and perseverance to locate them.

If any Fulton readers are fishing for opportunities, and no doubt most of them are, they might find a suggestion here, and begin right where they are.

CRAZY WITH THE HEAT

When a bather seeks the cooling waters of the river or lake and is drowned, it's the heat. When a motorist drives at terrific speed to "cool off" and is perhaps fatally injured, the heat is blamed. Some one suffers from acute indigestion due to eating food that should not be eaten in hot weather—heat again.

Thus the heat becomes the common scapegoat in the summertime. When it is hot, the natural thing is to make the heat responsible for the weaknesses of humanity. "Crazy with the heat" is an old slang phrase that aptly expresses the customary view of everyone when the thermometer mounts.

People who follow customs of living that have been found to be proper for hot weather, never complain about the heat. Those who do not overeat, and eat only that which should be eaten at this season, and who wear the proper kind of clothing, never have occasion to fuss about the heat.

Heat does bring an abundance of discomfort and it is well to be prepared for any serious consequences of the heat, but there is no real reason for being alarmed when the mercury gets about ninety. The temperature goes far above that mark in the tropics and people continue to inhabit that portion of the earth in comfort.

Someone has said that heat is a state of mind and it is possible that with the vast majority of the people, the disagreeable nature which they reveal is due to an imaginary rather than a real condition.

POISON LIQUOR

Persons who insist on disobeying the prohibition laws by drinking liquor that is now available through bootleg channels are taking their lives in their hands, according to authorities who have tested it. The "kick" is not worth the

chance taken in drinking the liquor, they say.

Analysis shows that some of the booze is worthy of the name of "coroner's cocktails" because of the poison it contains, and practically all is exceedingly detrimental to the health.

The results of the tests made are borne out by deaths from bad liquor and acute alcoholism as shown by health statistics. Every year since the advent of national prohibition in 1919 there has been an increase in deaths from bad liquor and alcoholism.

These facts have been brought out on a number of occasions since prohibition became effective, but there are still countless men who are willing to take their lives in their hands in order to quench their thirst—willing to believe their bootlegger though they know him to be a willful lawbreaker and consequently thoroughly dishonest.

When a man gets grouchy, he will be appreciated more if he keeps his thoughts to himself.

THIS IS FLY TIME

This is the season of the pesky fly, and regardless of what you may have done early in the spring, to reduce the fly population, your neighbor may not have been so industrious—hence the flies.

The accepted method of eradicating the fly is to swat him, but better still, is to eliminate breeding places. They thrive in filth, which makes it the duty of every householder to burn refuse and garbage when possible, or put it in cans with tight lids.

Careful screening of windows and doors, with supplementary use of sticky fly papers is one of the best protective measures known against house flies. Fly poisons are also helpful in killing off the pests, but arsenic preparations should be carefully handled and placed out of the reach of children.

Everybody is Talking

About Culver's Improved Sweet Cream Ice Cream

Culver's Improved Sweet Cream products are strictly pure and wholesome, made in a factory where sanitation reigns supreme and is delivered well packed in ice so it will keep for several hours at your home or out on a picnic jaunt.

Lesson for July 11

THE CHILDHOOD AND EDUCATION OF MOSES

LESSON TEXT—Exodus 2:1-10; Acts 7:22
GOLDEN TEXT—Train up a child in the way he should go and when he is old he will not depart from it.—Prov. 22:6

PRIMARY TOPIC—The Baby Moses
JUNIOR TOPIC—A Little Girl Helps
INTERMEDIATE AND SENIOR TOPIC—Training for Life's Work
YOUNG PEOPLE AND ADULT TOPIC—The Blessing of a Religious Home

I. Moses' Parentage (v. 1).
Both father and mother were of Levitical stock. Being from the same tribe, they had a common bond of interest and sympathy. Amram had the good judgment to choose for a wife a woman who possessed sympathies and ambitions in harmony with his own.

II. Moses' Birth (v. 2).
Two children were born to Amram and Jochebed before Moses—Aaron and Miriam. However, Moses was the first one that his mother was assured was to be the deliverer of the chosen people. There was something striking about this child which caused her to believe that it was sent of God. She saw that he was a "goodly child." In Stephen's speech (Acts 7:20) he asserts that the child was "exceedingly fair," or fair to God. No doubt his mother believed him to be the deliverer of his people and instilled that truth in his mind from childhood. Because of this belief she had confidence that somehow God would save him from the cruel hand of the king.

III. Moses' Preservation (vv. 3-8).
Though Pharaoh's edict was in force, his mother's faith was such as to cause her to ignore it and hide Moses for three months. The hiding of the child was not because of fear, but because of faith (Heb. 11:23). It was her faith which made her brave to ignore the king's edict. Though Moses' mother had faith, she did not ignore the proper use of means. Pharaoh's plan was that every male child should be destroyed, but God had planned otherwise for this child. Perhaps the story of how Noah and his family were saved in the ark suggested to his mother the expediency used, namely, the ark of bulrushes. Doubtless she was familiar with the place where Pharaoh's daughter came to bathe, and believed that somehow through her the child would be saved. She placed the ark at the particular place where it would attract attention. It is interesting to note the steps as pointed out by another, by which God's plan was carried out.

1. The mother's wit.
She placed the baby at the proper place and at the opportune time. Then, too, Miriam was no doubt stationed as a watch to aid in the affair (v. 4).

2. A faithful sister (v. 7).
Had Miriam not been faithful, humbly speaking, Moses' life would not have been preserved and properly nursed and educated at the proper time. This should be a worthy example for every sister, causing her to exercise watch and care over her brother.

3. A woman's generosity (v. 5).
This strange object among the reeds attracted the attention of Pharaoh's daughter and she directed her maids to bring it to her.

4. A woman's compassion (v. 6).
When the ark was brought and opened the baby wept. That woman has lost her feminine instinct who is unmoved with compassion at the cry of a lonely, motherless baby.

5. The baby's tears (v. 6).
The tears aroused her womanly instinct, and at the suggestion of Miriam the baby's mother was tired to nurse her own child. No one can nurse a child so well as its own mother.

IV. Moses' Education (v. 9).
1. Moses was first educated at his mother's knee.

During this time his character took form. Here his mind was filled with the Word of God and he was made acquainted with the Jewish hopes and prospects. In these early years no doubt the indomitable purpose was fixed to suffer affliction with the people of God rather than to enjoy the pleasures of sin for a season (Heb. 11:24-26). Seeing by faith the destiny of her child, Jochebed made good use of her time.

2. At the Egyptian court (v. 10).
It was here that he became acquainted with all the wisdom of the Egyptians (Acts 7:22). This was of great importance. It peculiarly qualified him to be the lawgiver and historian of his people.

Our Present Lot

Of nothing may we be more sure than this: If we cannot sanctify our present lot, we could sanctify no other. Our heaven and our Almighty Father are there or nowhere.—D. Martineau.

Purity

If a man is so pure-minded that he will not have anything to do with people who are not pure-minded his purity takes him out of the category of humanity.—Henry Ward Beecher.

Learn Thrift the Dry Cleaning Way

Senour's FLOOR PAINT

"It Penetrates"

In the word "penetration," is a secret manufacturing process that has made Senour's Floor Paint a popular favorite for over 40 years.

If a floor paint does not penetrate or grip into the wood it will soon begin to crack, chip and peel.

Senour's Floor Paint dries over night with a high gloss enamel-like finish, but at the same time it sinks into the pores of the wood and forms a film that will withstand the hardest usage and will withstand repeated washings without dimming the lustre.

Every can of Senour's Floor Paint is guaranteed to give satisfaction if directions printed on the can are followed or money back upon receipt of empty can.

[A color card is yours for the asking.]

Trade among Friends

No matter what some folks say to the contrary, there
certainly is a lot of sentiment in business. Friend-
ship, for instance, makes more satisfactory sales than
all the cleverness and argument in the world.

You like to trade at a certain store—not because its
counters are arranged in a scientific way, but because
the folks who serve you are always friendly and helpful.

Just that very thing—FRIENDLY SERVICE—is the
power that draws people together into communities
like this, where everybody can enjoy the many benefits
of neighborly cooperation.

And FRIENDLY SERVICE is the sentimental reason
why you find it very much to your advantage to trade
with our advertisers—to buy where you feel at home,
where your friends will see that you are well satisfied.

Read the Ads in this Paper
and save yourself money by trading at home

Bennett's Drug Store
211 MAIN STREET
FULTON, KY.

First Baptist Church

C. H. Warren, Pastor.

July 9 to 14.

"The golden rule of Christ will bring the golden age to man."

Friday, 8:00 p. m.—Brotherhood meeting.

The T. E. L. class meets with Mrs. Homer Smith.

Sunday, 9:30 a. m.—Sunday school, Geo. C. Roberts, general superintendent.

11:00 a. m. Sermon by the pastor.

6:45 p. m.—All B. Y. P. U's.

8:00 p. m.—Sermon by the pastor.

Tuesday, 8:00 p. m.—V. L. S. Orchestra practice, room No. 1, at the church.

Wednesday, 7:15 p. m.—Teachers' meeting, room No. 4, at the church.

8:00 p. m.—Prayer meeting.

Thursday—Choir practice, Miss Goldsby, director.

All members of the Brotherhood, and any other men interested in the cause of Christ, are urged to be present tonight at eight o'clock, as this will be a meeting of more than ordinary interest. Some vital subjects to be discussed and the nature of our meetings for the next few months to be decided upon.

It is understood that Mr. and Mrs. F. H. Hillyard are leaving the last of this week for Hopkinsville to reside in the future. It is with genuine regret we give up these estimable people from our midst. They will be missed throughout the city, but especially so in church circles where they have taken active parts in the various organizations. The good wishes of their legion of friends go with them.

The Junior Department of the B. Y. P. U., under the able leadership of Mesdames Johnson and Flippo, is beginning an attendance contest, with credits for other phases of the work satisfactorily performed. While this is the youngest department of the B. Y. P. U., with reference to the age of its members, in many ways it is the most efficient, and these consecrated leaders are to be congratulated upon the interest they are maintaining.

Rev. Hoyt Porter, a returned missionary from Russia, and who is now doing pastoral work in Illinois, was a welcome visitor in our congregation at both morning and evening services last Sunday.

Little Sarah Collins, daughter of Mr. and Mrs. C. R. Collins, on Fourth street, who underwent an operation in a Paducah hospital recently, was taken back to the hospital last week for further attention. However, we are glad to note they have permitted her to return home, and the many friends of the family hope for her a speedy recovery.

J. V. Freeman, Pastor

Sunday school at 9:30, T. J. Kramer, Supt.

Epworth Leagues, 7:15, Sr.; 6:15, Jr.

Prayer meeting, 8 p. m. each Wednesday.

Preaching 11 a. m. and 8 p. m. by the pastor and special music by the choir.

The public is cordially invited to attend.

A good crowd attended both morning and evening services last Sunday and the special music was given by the choir and enjoyed by all present. Sacrament of the Lord's Supper was observed at the morning hour.

Prayer meeting was well attended last Wednesday eve.

Mr. T. J. Kramer was leader and gave a splendid and most helpful talk.

The Warner Blackard will meet in regular meeting Monday at the home of Mrs. Clarence Stevens assisted by Mrs. E. E. Mount.

The Yo-Pe-Mi-So's met Wednesday with Elizabeth Butt on Pearl street. A splendidly arranged program was given by the leader of the afternoon with her assistants. A goodly number were present. The hostess, assisted by her sister, Sarah, served and ice course during the social hour.

The East Fulton Circle met at the home of Mrs. Ella Anderson with joint hostess Mrs. Lynn Taylor. Mrs. Walter Joyner gave the bible lesson and comments. A discussion on "Christ in China" was next on program by Mesdames Butt, Barrett, and Morris. During the social hour the hostesses served ice punch and cake to 13 members and 14 visitors, who were highly entertained with music by Misses Louella Wood, Maudelle Jones, and Gladys Bell.

First Christian Church

Bible School, 9:45 a. m. Every member out to hold the Red Line above the Green Line. They almost touched last Sunday.

Morning Services 11 a. m. Sermon Subject: "The Last Words of the King." Although last Sunday was hot, yet with the windows open and the fans running, the auditorium was cool.

Evening services 8 p. m. Sermon Subject: "The Call of the Restoration."

Regular monthly meeting of the Official Board, Monday at 8 p. m. at the City National Bank.

Prayer meeting, Wednesday, 8 p. m.

Junior Christian Endeavor, Friday, 3 p. m.

Trinity Episcopal Church.

104 Washington St.

Dr. A. C. Boyd, Rector

Sixth Sunday after Trinity, 7:30 a. m., Holy communion, 9:45 a. m., Church school, H. S. Stassbury, Superintendent. Everyone cordially invited to attend these services.

Church News

Dr. Boyd made a parochial visit to Clinton on Thursday of last week, and called on many of the church people of that town.

Miss Hattie May Godfrey and Miss Marie Lewis went to Reelfoot Lake, Sunday evening after service, accompanied by Miss Godfrey's brother, who was week ending at his home here.

Mrs. Don Taylor returned last week from a two weeks' visit to relatives and friends in Boston. Her Sunday school class extended her a hearty welcome.

Wanda Coulter, who is visiting her aunt, Mrs. W. J. Coulter, joined the class of Mrs. Don Taylor last Sunday.

Miss Murrell Young was a visitor to the church school last Sunday. She is visiting with the Joe Beadles family for a few days.

Last Thursday Dr. Boyd went to Mayfield to visit the church folk of that little city.

In the absence of Mrs. Mack Roach, Dr. Boyd took charge of her class, last Sunday, and judging from the tardiness of the class in returning for the closing exercises, he must have interested them considerably.

Trinity members heard with pleasure the promotion of Cy Young, which takes him to Chicago in the immediate future. The work of both Mr. and Mrs. Young while members here, will be long remembered by every member of Trinity.

Mr. C. W. Bean, manager of the Mayfield Woolen Mills, accompanied by his wife, motored to Philadelphia and New York, leaving last week.

Mr. Emile Kirby, of the Merit Manufacturing company, of Mayfield, has gone to Philadelphia to visit Mrs. Kirby, who has been in the hospital for the past five weeks.

Dr. Johnson, of Clinton, motored to Fulton, Thursday of last week and took the train here for Paducah, returning in the evening and again motoring to Clinton.

Mrs. Evelyn Barber has been appointed assistant teacher of the infant class.

FULTON-HICKMAN ROAD
TO BE COMPLETED THIS YEAR

It will be good news for motorists to learn that the Fulton-Hickman road will be completed this year. Furthermore, the road will be completed to Reelfoot Lake. It is also understood that the Fulton-Union City road, a link of the Jefferson Davis Highway, will be completed this year, as well as the Mississippi Valley Highway passing through Fulton, the gateway between the north and south.

Few towns throughout the country are so admirably located as Fulton, with a number of main arteries of highway passing through it and at the hub of the great Illinois Central Railroad.

On account of its excellent transportation in all directions, it is an ideal factory site and big corporations will find much to interest them in locating here. Truck farmers will also find much to interest them in this vicinity which will bear the closest inspection. We are located just right to follow closely behind the more southern growers in producing and marketing vegetables, berries and fruits with good profits.

A good creamery and a large hatchery is needed badly to take care of the growing demand for such products, both investments for this locality, and we could name many other things worth considering as paying institutions for Fulton, but we especially want the above mentioned to be considered now.

This oil range
has focused heat!
Cooking in Comfort
With Focused Heat.

Florence kitchens are cool and comfortable for the simple reason that the cooking heat goes into the cooking—not out into the kitchen. The burners of the Florence are scientifically designed to FOCUS the heat directly on the bottom of the pot.

The top of the short, wickless Florence burner is only 2 1/2 inches below the cooking. But that's not all. Florence burners force air inside the flame, giving a quick and most intense clean heat. Hottest heat close up under the cooking—This is focused heat.

For cold-pack canning, for sterilizing jars, for the gentle cooking that keeps fruit whole and tempting—you can adjust the Florence flame to any height you need, simply by turning a lever. And the heat stays constant.

Of course it's pleasanter to use this oil range that leaves the kitchen cool. It's cheaper and quicker, too.

When you buy John Deere implements you
are sure of prompt repair service
throughout their long life

A Big Advantage
on Rough
Ground

The high, easy lift of the John Deere Mower is a big advantage in rough ground. You can raise the bar high enough to clear obstructions in the field, and cut with the bar in that position.

John Deere Mower
The Mower with the High, Easy Lift

The powerful foot lift raises the outer shoe from 25 to 35 inches and the inner shoe from 8 to 11 inches. The hand lift raises the outer shoe 44 inches and the inner shoe high enough to clear any obstruction passed by the doubletrees.

Clutch with 21 points insures instant starting. Special drive gear construction reduces wear and increases power.

The John Deere is simple and sturdy. Its parts are strong and long lived and its construction is so simple that a boy can operate it safely and do good work.

If you intend to buy a mower be sure to see the John Deere. We will be pleased to show you its many fine points any time.

Special construction of gear assembly insures better service and longer life. Adjustments can be easily made in the field with ordinary tools.
