OVATION GIVEN PRESIDENT WHEN HE APPEARS.

Jacksonville, Fla., Oct. 21.—This morning's meeting of the public was a quiet and decorous demonstration of the people's respect for President Taft. Thousands of citizens gathered in front of the Hotel for a special reception, from which they were led mounted on foot to the street corner by the Mayor, Duval County officials and superintendents of the public schools.

The special committee consisting of the Mayor and Vice-President of the Board of Almonds, the Superintendent of Schools, and the City Manager, escorted the President to the Hotel. The President had been detained at Washington until the convention at the Pan-American had ended yesterday. He arrived in Jacksonville yesterday morning. The Mayor immediately tendered the President breakfast, and it was his last call of the day. He was then driven down the street in the city directory with a column.

It concentrates in small space all cooking utensils and food supplies which are usually distributed about the kitchen, the pantry and the store-room. It must be seen to be appreciated.

A Special Exhibit of McDougall Kitchen Cabinet has been arranged for this week cordially invite you to come and this time-saver that is so widely advertised and tried in the leading magazines. Even if you do not wish to buy, you can get many useful hints for re-arranging your kitchen.

You can find lots of clothes that look as good as ours, but the proof is in the wear- ing. Take an H. S. & M. Suit or Overcoat; put it to the test, if it looks shape or if you find a thread of cotton in it, BRING IT BACK. Every garment bearing their label is guaranteed. Above we show their new long single-breasted sack. It's a model of high tailoring. Ready in new fall fabrics. Ask to see it. It is very stylish indeed.

This is just the season, and the weather for a topcoat. They will be in great evidence this fall. We're prepared to show you many confined styles both in patterns and make. The tailoring is everything on a Top Coat. Ours will appeal to you because of their drape and hang and that characteristic style that distinguishes our clothes from all others. Better get one early, according to the weather man.

The popular double-breasted sack finds great favor in our fall showing of Men's and Young Men's Clothes. This coat, to look just right, requires careful tailoring— the best. That's why H. S. & M. tailored clothes will appeal to you in the double-breasted sack especially. The new gray in plain shades, stripes and over-plaids and the subdued brown colors enter into the most popular fabrics.
