**LARGE ATTENDANCE AT OPENING OF NEW SALT CITY CHURCH EDICE**

Sunday was a great day at the Salt City church, as the members of the congregation and the church goers who arrived by car and bus filled the church to overflowing. The service was conducted by Rev. J. H. Hill, pastor, and the choir and orchestra were directed by Rev. E. J. Brown.

The new church building is located on the corner of Main and Park Streets, and is a beautiful example of modern architecture. The structure is made of brick and stone, with a large auditorium and a small meeting room on the second floor.

The congregation is very active, with several committees working on various projects. The church is open to the public for meetings and events, and is a hub of community activity.
