**REFRIGERATION FOR YOUR HOME**

Percolation needs for you and your family are always within your reach, with no risk. If you have a Superfex Oil Heating Stove in your Kitchen, no matter how hot the summer, your meat, fish, vegetables, and fruits are always fresh, plain-cooking, and appetizing within easy reach.

Be a sanitary, economical, and live-in investor. Superfex never allows oil to come near or near to burn. Burner has a Wire Cradle, which supports regular burner and never allows oil to come near. The vegetables crisp and fresh and it is easy to make cooking dishes for the family and friends.

Superfex can be used anywhere. It is not dependent on inside connections. For one hour or two every right the burning operator, then your refrigeration goes on for 24 hours. From the cost of around $365 a year it is a dollar a month.

Let us demonstrate Superfex to you.
