FULTON ADVERTISER

Vol. 2 No. 51
FULTON, KY., NOVEMBER 12, 1926
R. S. Williams, Publisher

Canning Factory for Fulton

Fulton will have a first class cannery and will have a plant with sufficient capacity to can the crop, which will be harvested this fall. The plant will be located on the outskirts of the town and will have a sufficient capacity to handle the entire crop of the county. It is expected that the plant will be in operation by the spring of next year.

Road Work a Feature at Chamber of Commerce Meeting

The Chamber of Commerce met in regular session on Tuesday evening and heard the report of the chairman of the road committee, J. G. Cloyd. The chairman stated that the committee had made a survey of the roads and that they were in need of repair. He stated that the committee was working on the problem and that they would do their best to get the roads in good condition.

Bishop Deffrew Preaching at Methodist Church

The Bishop of the Methodist Church was present at the service in the Methodist Church and gave the address. He spoke on the importance of the church and the work that it is doing for the community. He said that the church was a vital part of the community and that it was necessary for the church to continue its work.

MEMPHIS CONFERENCE IN SESSION AT SHANNON, TENN.

Bishop Deffrew presides at the opening session of the Memphis Conference. The conference was held in the city of Memphis and was attended by the members of the conference. The Bishop presided at the opening session and gave the opening address. He spoke on the importance of the conference and the work that it is doing for the church.

High School Notes

From all indications the contract for the construction of the new high school will be awarded soon. The contract was awarded to Ed. E. Lee, vice president of the school board, and the contract was signed on Tuesday afternoon. The contract was signed for the sum of $10,000 and the work will be done by the end of the year.

Coal Prices Going Up

Coal prices are being boosted at all points. The Coal Price Commission has increased the price of coal by ten cents per ton. The increase in the price of coal will have a direct effect on the cost of living and will undoubtedly lead to a general increase in prices.

The Nation Celebrates Armistice Day

On November 11, 1926, the nation celebrates Armistice Day. The day is observed in memory of those who gave their lives in the great war for liberty and justice. The day is marked by parades, speeches, and other public ceremonies.

Sportsmen Have Their Day on Wild Game

The Sportmen's Day is celebrated on November 22, 1926. The day is observed in memory of those who have contributed to the preservation and development of our wild game. The day is marked by hunting and fishing parties, speeches, and other public ceremonies.

Sewage System Work Progressing Nicely

The sewage system work is progressing nicely. The work is being done by the city of Fulton and is expected to be completed by the end of the year. The city has made a large investment in the project and is determined to see that the work is done properly.

The End, the Hero, and the Sun

The End, the Hero, and the Sun is a novel by Ben Hecht and Charles MacArthur. The novel is a historical novel set in the time of the American Civil War. The novel is a masterpiece of literature and is highly recommended for all readers.

Election Day

Election Day is celebrated on November 6, 1926. The day is observed in memory of those who have contributed to the development of our democracy. The day is marked by voting and public ceremonies.

FOOD LIKE YOU GET AT HOME.

This is truly a home-like restaurant because it has endeavored to break down the prejudice based on the theory that restaurants could not serve food like you get at home. Many patrons will testify that there is no difference between our meals and the meals they get at home. That's the reason they come here so frequently to eat.

The next time you want to eat away from home, bring your family here.

Fulton, Ky.
The New ALLEN'S PARLOR FURNACE

ALLEN was first to successfully apply the scientific principle of heating by circulating warm air in "through-the-floor" furnaces. With this new type of heater heat is distributed throughout the entire room by circulating warm air. The New ALLEN'S Parlor Furnace burns wood or coal. The fire-box is simply large enough for burning staves.

In the New ALLEN'S Parlor Furnace an exclusive design and construction has been developed. It is so beautiful that it harmonizes with the very latest furniture. The natural warm effect is mechanically reproduced to provide essential finish?

We invite you to come and inspect our splendid line of Stoves.
