Peace At Any Price

White Premier Mountbatten chairman in the Truce which the Allied powers are seeking in the Balkans. The meeting of the Allied powers will be held in the Bulgarian capital, Sofia, on February 5th. The meeting is expected to last for two days, and is likely to be attended by representatives of the United States, Great Britain, France, and the Soviet Union.

The meeting will discuss the future of the Balkan states, including Bulgaria, Greece, and Yugoslavia. The Allied powers are expected to press for the disintegration of the country, with the aim of preventing the emergence of a strong Balkan state that could pose a threat to the interests of the Allied powers.

The meeting is also expected to discuss the question of the Balkan states' participation in the war against Germany. The Allied powers are likely to press for the participation of the Balkan states in the war, with the aim of weakening the German position in the region.

The meeting is expected to be attended by representatives of the United States, Great Britain, France, and the Soviet Union. The meeting is likely to last for two days and is expected to be a significant event in the war against Germany.
Eyston Sets New Speed Mark
Of 375 Miles Per Hour In Final

Yesterday's action at the Bonneville salt flats, Utah, here, resulted in the breaking of the world land speed record as Eyston Sets New Speed Mark.

Eyston, in the "Thunderbolt," was extensively remodeled this visit and is now considered one of the fastest cars in the world. Eyston is confident that he can break the world record this time around.
