## Beloved Editor Passes Away

C. P. J. MOONEY IS  
VICTIM OF APOPLEXY

Commercial Appeal Editor  
Dies Suddenly, Monday,  
in His Office.

Memphis, Tenn., Nov. 22.—Death today laid unexpected hands on Charles Patrick Joseph Mooney, newspaperman and public servant.

At the summit of a remarkable career, Mr. Mooney, president of The Commercial Publishing Company and editor of The Commercial Appeal, was stricken by apoplexy and died a few minutes later at his desk, unconscious of a physician's last ministrations. He was 61 years old.

The launching of a new afternoon newspaper, announced last week by Mr. Mooney for his company, laid burdens on the distinguished editor which friends believed tonight had severely drained his usual robust vitality. A cold which afflicted him last night still troubled him on rising today and he came to his office over the protests of his wife.

Solemnity reigned tonight through "the shop" which for years knew Mr. Mooney as its inspiring genius, while employees, from editorial workers to galley boys, went about their duties with quiet tread and faces of unwonted gravity.

Messages from every part of the nation and flowers from his countless friends came to tell of wide respect and admiration and the grief which followed his sudden death.

### PERMANENT SECRETARY FOR CHAMBER OF COMMERCE

Procuring a permanent secretary for the Chamber of Commerce is now one of the big jobs confronting the organization. There are plenty of applicants for the position, but selecting the right man is not easy.

Again, the right man is not going to accept the position without a working capital, and whether conditions are ripe to obtain the annual budget necessary is a question.

If every business firm in the city would contribute one percent of their annual net income, there would be sufficient funds to work with.

Should a secretary be employed and the business men are solicited continuously for funds it will kill the Chamber of Commerce and nothing will be accomplished.

However, we have a capable directorate to manage the affairs of the Chamber of Commerce and we leave it up to them to handle the matter, which we know will be right.

### ROAD MACHINERY AT DUKEDOM

The meeting at Dukedom last Friday to arrange for the gravelling of the road from there to Oak Grove was well attended and there is every likelihood that the work will soon be started. A committee was named to secure the signatures of the farmers pledging the amount of time of men and teams each would contribute, and as soon as this committee is ready to report, a second meeting will be held and the organization perfected.

A committee from the Chamber of Commerce attended the meeting and pledged the support of the Fulton business men to help do the work.

At least two women have volunteered to drive wagons, and with this example before them, the men of Dukedom community will hardly dare to fall down.

### TRIED HARD TO LIVE WITHIN BUDGET

Mayfield Chamber of Commerce Will Have Deficit of \$2,000, Jan. 1.

A brief review of the work of the Mayfield Chamber of Commerce was published in the Mayfield Mail, Nov. 19. The outstanding feature of the article was finances, which we publish below.

#### Mayfield Chamber of Commerce

"Just a word about finances. If this organization is to endure it must be more adequately financed. During the current year we have tried hard to live within our budget. We had \$9,260 last November, \$700 of which is uncollected and most of which is uncollectible.

"The time came last summer when it was a question of busting the Chamber of Commerce or standing a chance of losing the condensery, we busted the Chamber of Commerce, and made sure of the condensery. Deficit

"On January 1, we will have a deficit of \$2,000 and will need in addition a budget of \$10,000 to run until next January. Here we want to disabuse your mind of the thought that when you pay money in the Chamber of Commerce that you are donating. The Chamber of Commerce is a going concern, even if it has exceeded its current income and when you pay money into the organization you are making an investment, and your payment should be proportionate to the benefits derived by you.

"I can tell you how to run an organization on less money, but I can't tell you how to make such organization produce results. There are no organizations that I know that really produce on less income.

**Prosperous Communities**  
"Prosperous communities do not just happen, but are the result of organized effort directed along sound economic lines. Communities are not built on speculation but on sound economic production. This means the average citizen must be given the opportunity to produce a fair share or they will migrate."

### THANKSGIVING SERVICES

Union Thanksgiving services were held at the First Christian church in this city Thursday morning at 11 o'clock. The churches taking part were the First Christian, First Baptist, Central Church of Christ, First Methodist and the Cumberland Presbyterian. Rev. C. H. Warren, pastor of the First Baptist church, preached the sermon and the beautiful music was supplied by the choirs of the various churches.

### SANTA CLAUS WILL ARRIVE TODAY

Santa Claus will be here in all his glory this afternoon at Baldridge's Variety Store from 2:30 to 3:30 o'clock. He is anxious to meet the children and distribute gifts to all boys and girls under ten years of age.

### BIG CROWD IN TOWN LAST SATURDAY

Leading firms throughout the city report fine business for last Saturday. Big crowds were here to take advantage of special offerings. The street crowds reminded one of circus day. Many had large bundles, showing that they were in town buying and not "just looking around."

During the week Fulton merchants had advertised extensively some very attractive values and the people throughout the country were not slow in taking advantage of the opportunity of laying in winter supplies. The sales will continue and we expect another record crowd in town, Saturday. The bargains are irresistible—mostly on winter needs.

## Elks Memorial Service December 5

Hon. G. W. Sherrod, of Tennessee, Will Deliver the Address

Fulton Lodge No. 1142, B. P. O. Elks, will hold its annual memorial services Sunday, December 5, 1926, here at 2 o'clock at the Orpheum. An interesting program has been arranged with Hon. G. W. Sherrod, attorney-general of Tennessee, as the chief speaker of the day.

### MRS. MARY AYRES BOSWELL PASSES AWAY

Funeral services for Mrs. Mary Ayres Boswell were held Monday afternoon at the home of Mr. and Mrs. Glenn Robertson, 417 Pearl street, conducted by Rev. H. L. Patterson, assisted by Rev. C. H. Warren, interment following in Fairview cemetery.

Mrs. Boswell passed away Sunday afternoon after an illness of several months, at the home of her granddaughter, Mrs. Glenn Robertson, with whom she had made her home for several years. For many years the deceased resided in Paducah where she was a general social favorite.

Mrs. Boswell was born May 18, 1858, in Obion county, Tenn., the daughter of Peter W. and Lucretia Mott. Early in life she married Judge S. B. Ayres, of Dresden, Tenn. A son of this union, Col. Mott Ayres, was the founder of the Fulton Daily Leader and prominent in State affairs as State Fire Marshall. Some time after the death of Judge Ayres, Mrs. Ayres was married to Hon. Lloyd Boswell, one of Paducah's prominent citizens.

For many years deceased resided in Fulton and was known by a large circle of admiring friends. She was a woman of charming personality, culture and refinement, and was highly esteemed by all who were fortunate enough to know her. She organized the Joseph Morris Chapter of the D. A. R., and served as its president, also being prominent in other club work. She was a devoted member of the First Christian Church of Fulton, and will be sadly missed by the entire membership.

She is survived by a brother, Dr. James Mott, of Poplar Bluff, Mo.; a sister, Mrs. Alice Murphy, of Fulton, and two granddaughters, Mrs. Glenn Robertson, of Fulton, and Miss Virginia Ayres, of Mt. Sterling, Ky.

### STOCKHOLDERS NOTICE

You are requested to be present at the annual meeting of the stockholders of the Fulton Building and Loan Association, Incorporated, of Fulton, Kentucky, at the Chamber of Commerce rooms at 7:30 p. m., on Tuesday, December 7, 1926, for the purpose of electing directors for the coming year, and to transact any other business that may come up.

J. E. FALL,  
Secretary.

### Brieflets

Lee Rucker has developed into a fine substitute for Squire Hagler in loading the gravel for the West State Line Road. Keep it up, Lee, you're doing fine.

Leslie Triplett, nephew of Mrs. E. C. Hardesty, who has been with the Kentucky Utilities Company for about a year, left Tuesday night for his home in Frankfort. He has resigned his position with the Light Company.

The gravelling of West State Line will probably be completed this week, as the farmers have been particularly energetic in hauling the material.

Mr. E. C. Hardesty, Manager of the Kentucky Utilities Co., went to Indianapolis last Saturday to attend a meeting of the managers of the Indiana and Kentucky local managers of the Company. He returned Tuesday night.

Miss Dorothy Granberry is acting as assistant secretary of the Chamber of Commerce until the new secretary is selected.

Citizens of Fulton are already seen carrying more or less mysterious bundles. Doing their Christmas shopping united in matrimony. They left early?

Yes, it's tough to have to back up and go round, but, if it did not have to be done, there would be no sewers, so don't "kick."

H. S. Stansbury has resigned

as assistant secretary of the Chamber of Commerce and has become connected with the Kentucky Utilities Company in Fulton.

W. L. Kinney, after beautifying his pocket billiard hall on Lake Street, has added a lunch counter where all kinds of sandwiches, soups, pies and other appetizing dainties are served. A handsome electric toaster and coffee urn add to the conveniences of serving hot lunches.

The directors of the Fulton Chamber of Commerce, at a recent meeting, displayed good judgment in electing Albert Winstead, president; J. A. Colley, vice-president, and W. R. Butt, chairman of the board of directors.

Exhibits in a recent agricultural and school fair in Carlisle county indicated that cows, chickens, legumes and orchards are helping to diversify farming in that county.

### IN HOLIDAY ATTIRE

Practically all of the window displays in the business section of the city are dressed in holiday attire, reflecting gift suggestions for Christmas, which will soon be here.

### 400 Fine Fruit Trees

J. J. Owen, the progressive laundryman has recently planted out 400 fruit trees on his place near the city. Mr. Owens has a lovely home on State Line road, surrounded by 60 acres of fertile land in high state of cultivation and never loses an opportunity to improve it. He is a lover of chickens, cows, swine, sheep and growing of luscious fruits.

## High School Notes

The following program was carried out in the presentation on Sunday afternoon of a statue of Robert E. Lee to the high school.

Song—America, led by the Rev. C. H. Warren.

Invocation—Rev. H. L. Patterson.

The Gift of the Statue—Aubrey Nugent.

The Idealism of Lee—Vest C. Myers.

Robert Edward Lee—President Rainey T. Wells, of Murray State Normal School.

The Unveiling—Ruth Nall.

Acceptance of the Statue—Dr. I. H. Read.

Benediction—Reverend J. V. Freeman.

The statue, a handsome representation of the great general now occupies a prominent place in the lower hall of the high school building.

The Fulton High football team suffered a defeat at the hands of Union City squad on their home grounds Friday afternoon to the tune of 26-6. The boys staged a good scrap, Chapman making consistent gains for Fulton. A goodly number of "rooters" and football fans accompanied the team.

Indications are on hand for a nifty workout in preparation for the Turkey Day scrap with Murray, Billy McWhorter, who was injured in the Union City game, is still unable to be out.

The first number of the Lyceum course was a brilliant success in the opinion of the audience who witnessed the presentation of "The Mollusc" at the high school auditorium, Saturday night. The course is now paid for, the receipts to date slightly exceeding the amount guaranteed.

Some of the teachers are planning to attend the district teachers' meeting at Murray this week.

### FULTON CIRCUIT

On November 4, at 7 p. m., at Rice City, we had the program for the dedication of our new church at that place. The music had been chosen beforehand, and was rendered well. Bishop H. M. DuBose was with us and preached the sermon for the occasion. Dr. C. A. Waterfield, the pastor of the First Methodist church, at Mayfield, Kentucky, led in a fervent and eloquent prayer.

Rev. R. L. Norman, the presiding elder of the Union City District, read the scripture lesson. A number of the preachers of the District were present. The trustees presented the church to the Bishop and he dedicated it to the worship of Almighty God.

On the next day, November 5, at 11 a. m., Bishop DuBose preached for our people at Palestine, and our new church at that place was dedicated by the Bishop.

We have a beautiful brick veneer church at Palestine. The people were less than six months building and having this church ready for worship. We had some friends who were very close to us, and not members of this church who helped us in a material way. We wish to say that we appreciate them more than words can express.

After the sermon by Bishop DuBose, Rev. R. L. Norman presiding elder of the Union City district, read the scripture lesson. Then the trustees presented the church to the Bishop and he dedicated it to the worship of Almighty God. The ladies of Palestine church and community served a delicious and bountiful dinner for all. Every one seemed to enjoy the day very much.

At 2:30 p. m., Rev. H. A. Butts, of Hickman, Ky., brought us a great spiritual message.

A. N. WALKER, Pastor.

### LIVING WITHIN YOUR MEANS

Living within your means has been a disturbing factor in many a man's life. It's a gamble to say the best of it. Some with a vision look into the future, while others live only today in the belief that tomorrow will take care of itself. Shrewd business men distinguish between the two quickly and extend courtesies to the thrifty in his endeavors, knowing that persistency, honesty and stickability is the road to success.

Everyday we hear men saying, "We can't get by" on our earnings." Review their methods of living and it is easy to see why. On the other hand, we see men forging ahead, climbing the ladder of prosperity, contributing to the community's welfare and building a reputation which every one points to with pride. This man is living within his income, meeting his obligations promptly and is happy.

### KNOWING THE TEACHER

What is more significant in the life of the child than the influence of his teachers? How many citizens of today can name their teachers of yesterday? Do you cherish with equal delight the memory of each of them? What were their qualities and characteristics that made the deepest impressions on you? If you were to live your life over and be permitted to choose your own teachers, which of them would you prefer to eliminate?

The school as an institution exists for the purpose of making conditions favorable for children to receive instruction from teachers. All its resources and energy should be directed toward that end. Any situation or condition that does not tend to make the work of the classroom teacher more effective is subversive and it should be corrected immediately. This fact makes the selection of teachers the most significant duty of school officials.

Do you know personally the teacher of your child? Does that teacher have the character and capacity to give your child desirable educational direction?

### GIVE SANTA CLAUS A CHANCE

It's really asking too much of Santa Claus to select all of his Christmas gifts and prepare them for distribution a few days before Christmas. He should be allowed more time so he can do the job right.

To everyone who wants to play Santa Claus comes the question—What shall I give? It is to help them find the answer that the merchants of Fulton have taken extraordinary care in choosing the holiday merchandise they have on display.

Supplying Santa Claus' pack with suitable gifts is much easier and more satisfying when shopping is done early. Stores are showing their holiday goods now that you may have ample time to select what you want for Christmas.

Make an early visit to the stores whose advertisements appear in The Advertiser and let the many suggestions contained in this issue guide you in making your purchases.

Merchants of Fulton have special preparations for the Christmas trade and they are very anxious to satisfy your holiday wants in the minutest detail.

You will find the stores full of Christmas gift suggestions, and if you don't see advertised the exact article you want, you may be certain you will find it in Fulton because nothing has been spared by local merchants to meet the demands of the season.

A nice gift. Send The Advertiser to a friend one year—only \$1.00.

### CHRISTMAS SAVINGS

The staggering sum of approximately \$400,000,000 will be distributed among members of the Christmas savings clubs between now and Christmas. It has been computed that this is an increase of \$85,000,000, or 27 per cent over last year.

Christmas clubs of the county boast a membership of 7,800,000, which is a gain of eleven and a half per cent. The average distribution per member amounts to \$51.32, which is an increase of eleven per cent over 1925, when the per member distribution amounted to \$44.88.

On the basis of calculations that have been made, something like \$179,421,390 will be spent immediately in the stores of the country for Christmas gifts; \$110,146,400.00 will be deposited in permanent savings and thrift accounts; \$47,186,382.00 will go for insurance premiums and mortgage interests; \$42,761,190.00 will go for taxes and \$18,752,648.00 will go to fixed charities maturing in the holiday season.

The Christmas savings club is comparatively young, but it presents a rather formidable showing for an institution founded only sixteen years ago. People were quick to see its value and following the lead of a few progressive banks, others have taken it up until 7,600 banks are participating.

While the Christmas Savings club has been regarded as a means of stimulating Christmas business, it is seen that less than half of the total sum saved is used for this purpose.

It is a worthy project, even on the basis on which it was founded, but it is fulfilling even a greater mission in inculcating habits of thrift. The Christmas savings club has been found to be a convenient method of weekly saving, for a period of fifty weeks, for the purpose of accumulating at the end of the year a certain fixed amount for any anticipated purpose.

### COAL LEGISLATION

Agitation for legislation to control the bituminous coal industry is growing in volume and frequency. It comes from a small group of misguided people who think that whenever any industry is placed in charge of the government, the troubles of the consumer with respect to that industry are over, whereas the fact is that they only begin.

Every person is interested in this question, either as a direct or indirect consumer of coal. Every person wants to avoid the experience which the British have been passing through for the past eight months.

Paralyzing the coal industry and inflating prices is best accomplished by passing some meddlesome legislation. Economic ills cannot be cured with patent medicine legislation. This has been demonstrated often before.

With ninety-nine per cent of its original determined coal supply still in the ground, the people of this country need feel no anxiety over its future fuel, especially since the United States is producing one-half of the world's output of coal.

Higher prices, which would be inevitable with government control, would not mean more revenue for the operators, because the increase would be absorbed by the red tape of the bureaucratic control. And so far as price is concerned records of the U. S. geological survey show that the operators of this country have provided coal at the lowest mine prices in the world for forty years, which is as far back as there is any record on the subject.

### MOTHERS

Watch for symptoms of worms in your children. These parasites are the great destroyers of child life. If you have reason to think your child has worms, act quickly. Give the little one a dose of two of White's Cream Vermifuge. Worms cannot exist where this time-tried and successful remedy is used. It drives out the worms and restores the rosy hue of health to baby cheeks. Price 35c. Sold by Bennett's Drug Store, Fulton, Ky.

For a short time we will accept subscriptions to The Advertiser and Memphis Weekly Commercial Appeal, both papers one year, for \$1.25. This is a splendid opportunity to get your home paper and city paper for only \$1.25 a year.

## Senour's FLOOR PAINT

### "It Penetrates"

In the word "penetration," is a secret manufacturing process that has made Senour's Floor Paint a popular favorite for over 40 years.

If a floor paint does not penetrate or grip into the wood it will soon begin to crack, chip and peel.

Senour's Floor Paint dries overnight with a high gloss enamel-like finish, but at the same time it sinks into the pores of the wood and forms a film that will withstand the hardest usage and will withstand repeated washings without dimming the lustre.

Every can of Senour's Floor Paint is guaranteed to give satisfaction if directions printed on the can are followed or money back upon receipt of empty can.

### POST OFFICE ROBBERY AT KEVIL

Yeggs Blow Safe and Get Away With Loot in Automobile

No trace of the cracksmen who blew open the safe of U. S. post office at Kevil last week and escaped with approximately \$150 in currency and about \$70 in personal checks, has been reported, although a bloodhound belonging to Bob Pigue of Water Valley, traced the scent from the post office door shortly after the robbery for a distance of 300 yards where it is thought the cracksmen left in an automobile. The thieves used a heavy charge of nitroglycerin in the blowing of the safe.

### RAISE MORE POULTRY

All the fall fairs are over and the chicken men are making preparations for the winter shows.

This brings to mind that the Fulton Poultry Association is anxious for any boy or girl under 16 to come in and join the Boy and Girl Chicken Club, and get started raising thoroughbred poultry.

Boy and Girl Clubs all over the country are being formed and the members are getting fine prizes for raising fine birds, and there is no reason why the young people of the Fulton community should not participate in these contests.

All that is necessary is to see the secretary and make application for membership, there being no fees nor dues. The Association will provide the necessary money for purchasing the eggs, of any breed desired, and the entrant may pay for them next fall, when the chickens have produced the necessary money.

Every participant has an opportunity to win three different prizes, i. e., the fair prize, the Poultry Association prize, and the special prize for the members of the Boys and Girls club. Besides these, there are usually several special prizes offered at every fall fair, which enables the careful breeders to make considerable extra money.

#### STATE HEALTH BOARD WARNS OF FRAUD

Posing as eye specialists promising relief for any and all defects of vision, there are appearing from time to time, in widely distributed sections, men who are perpetrating the rankest kind of fraud, the state board of health has announced. Only recently, in a northern Kentucky county, one of these crooks visited a farmer, told him that he had a cataract, and assured a cure by agreeing to place a little piece of radium in the eye. The misguided farmer paid \$600 for the services and the use of the costly radium (there was no more radium in the preparation used than could be extracted from a gnat's eye lash) and the so-called eye specialist left with a check made to bearer and endorsed. This, of course, is the vilest kind of fraud and is being perpetrated, not only in Kentucky, but in other states.

The people of all sections of Kentucky are hereby warned against these so-called specialists, and as a matter of fact, against all itinerant eye men or spectacle peddlers. The eye is too important an organ to take any chances with, and in any condition requiring attention a competent physician or registered optometrist should be consulted.

## Sunday School Lesson

BY REV. F. B. FITZWATER, D.D., Dean of Day and Evening Schools, Moody Bible Institute of Chicago (© 1926 Western Newspaper Union)

Lesson for November 28

GIDEON AND THE THREE HUNDRED

LESSON TEXT—Judges 7:1-25.  
GOLDEN TEXT—He is strong in the Lord and in the power of His might.

PRIMARY TOPIC—Gideon and His Brave Band.  
JUNIOR TOPIC—A Brave Leader.  
INTERMEDIATE AND SENIOR TOPIC—Gideon and the Three Hundred.  
YOUNG PEOPLE AND ADULT TOPIC—Working Together With God.

Because of Israel's sin, God permitted them to be brought under the cruel yoke of bondage at the hands of the Midianites. So grievous was this affliction that they hid in dens, caves and strongholds (Judg. 6:2). In their distress they cried unto the Lord and He sent deliverance to them through the judgeship of Gideon. The angel of the Lord appeared to him while at the post of duty. Gideon hesitated. His hesitancy was not due to unbelief but to modesty and caution. He came from an obscure and unimportant family (Judg. 6:15). Before going forward in this enterprise he wished to be doubly sure that God had called him (Judg. 6:36-40). The tangible evidence was furnished by means of the fleece. Gideon began his reformatory work at once (Judg. 6:25-27). He not only began at once, but began at home. This is God's order.

I. The Opposing Armies (v. 1). Gideon and his army arose early on the eventful day of his victory and encamped by the spring of Herod. Over against them was the host of Midianites in battle array. Gideon's army was quite insignificant in comparison with the Midianites.

II. The Sifting of Gideon's Army (vv. 2-8).

At Gideon's call, 32,000 men responded ready for the struggle. This seemed a small army to go against the Midianite army—135,000 strong, but God said even this was too many, lest they be led to boasting and self-confidence. Their real danger was not in their small army but in their pride. All that were faint-hearted were allowed to go back, leaving only 10,000. There were 22,000 cowards in that group of men and worst of all, they were not ashamed to confess it. Still, this was too many. When God was through with His sifting process only 300 remained. The 10,000 were brave men, but not of proper quality and fitness. Those who lapped the water showed alertness and watchfulness.

III. God Gives Encouragement to Gideon (vv. 9-15).

God commanded Gideon to go down to the Midianite camp where he would hear something that would cheer his heart and strengthen his hands. God always comes to cheer us when our hearts are faint. When he came near he heard a man tell a dream which was that of a barley cake tumbling into the camp and smiting it. He also heard the interpretation given to that dream which made Gideon to be that cake. This greatly cheered his heart and strengthened him for his work and caused him to break forth in praise to God. The barley cake is a very insignificant thing—a very cheap affair in itself, but with the hand of God upon it it would be sufficient to spread consternation among the Midianites and bring destruction upon their armies. No matter how weak and insignificant a man may be, if God is with him he shall not fail.

IV. God Gives Victory to Gideon (vv. 16-25).

His attack was unique. The whole matter was of faith (Heb. 11:32). The ground of his faith was God's Word and the token which He had given him. Gideon with his 300 men formed into three companies, each man being provided with a lamp concealed within a pitcher. Thus armed they surrounded the camp of the Midianites. They were all instructed to keep their eyes upon their leader and imitate him. We too are to keep our eyes on our Leader, Christ, and to ever do as He does. At the proper moment they blew their trumpets and broke their pitchers, giving opportunity for their lights to shine out. This awful crash of breaking pitchers, followed by the sound of trumpets accompanied by the shout "the sword of the Lord and of Gideon" threw the Midianites into a panic, causing them to fight amongst themselves; 120,000 were thus slain, leaving but 15,000 of that mighty army (Judg. 8:10).

In making the application to ourselves in this age, we can think of the sound of the trumpets as representing prayer or calling to God; the torches as the light of the Gospel; the pitchers our human nature, the whole as this treasure in earthen vessels.

### To Be Free From Sin

The Warner Blackards met  
Monday at the home of Mrs.  
Vodie Hardin with Mrs. Mar-  
tin Nall as assistant hostess.

The meeting was called to  
order by the president, Mrs.  
Scruggs and followed with  
prayer by Mrs. Freeman. A  
short business session with  
reading of minutes and collec-  
tion of dues. The president  
appointed Mrs. Hardin as  
chairman of nominating com-  
mittee to select her own com-  
mittee for nominating the new  
officers for the coming year.

The meeting was then turned  
over to the leader, Mrs. Boyd  
Bennett. The subject of the  
Bible lesson was, "If Jesus  
came today, would our ethics  
as consumers win His sup-  
port?" Mrs. Eli Bynum gave  
short paper on "Bennett Mem-  
orial." The subject for discus-  
sion, the Missionary—topic was  
"What is the woman's mission-  
ary council doing to rebuild the  
disadvantaged homes of Amer-  
ica?" Mrs. Bennett was ably  
assisted in this discussion by  
Mesdames Brady, Baldrige,  
Merryman, Maupin, Knarr, Lit-  
tle Miss Anna Valentine gave a  
splendid reading. Also Miss  
Winna Frances Price.

During the social hour the  
hostesses served cream and  
cake to 20 members and some  
visitors. Mrs. Luton was a new  
member. The festival given by  
the Warner Blackard yesterday  
at the home of Mr. and Mrs. A.  
G. Baldrige, was quite a suc-  
cess. The spacious rooms of  
the Baldrige home were beau-  
tifully decorated in bittersweet  
and old fashioned things and  
relics. The guests were met at  
the door by Martha and George  
Washington and received by  
several ladies dressed in Coloni-  
al style. They were then tak-  
en into the den to meet John  
Alden and Priscilla, and there  
greeted by them and two other  
ladies at the register, who were

helping Martha and George in  
entertaining at their festival.  
From there they were taken to  
another room where Pocahon-  
tas greeted them to an Indian  
camp and from there to the  
dining room where they were  
served by the Puritans of the  
Mayflower. The decorations  
in this room were a ship, the  
Mayflower, in the center of  
the table and baskets of fruit,  
with brass candle sticks of yel-  
low tapers. A lovely lunch  
was served, consisting of pie,  
coffee, and sandwiches.

Music was furnished by the  
friends of Martha and George  
and of the Warner Blackards.

The Mission Study class of  
Warner Blackards will meet  
Monday at 2 p. m., at the home  
of Mrs. J. E. Fall.

**Church News**

Bishop Chas. E. Woodcock,  
D. D., confirmed a class of can-  
didates on Sunday morning, and  
preached a very convincing  
sermon. Owing to his having  
to go to Columbus to confirm a  
class there he was obliged to  
shorten the service slightly.

There was a large congregation  
in attendance.

The Bishop, accompanied by  
Dr. Boyd, confirmed a class of  
five at Columbus Sunday eve-  
ning. There was a large con-  
gregation present and a choir  
furnished excellent music.

Bishop Woodcock attended  
the church school and made a  
fine talk to the pupils. He con-  
ducted the closing exercises.

At the afternoon service held  
in Clinton on Monday after-  
noon, there was a particularly  
large number present, consid-  
ering that the hour was placed  
at 3:00 p. m. The services were  
held in the Methodist church.

The Bishop and Dr. Boyd  
were the dinner guests on Mon-  
day, at Clinton, of Mr. and Mrs.  
D. Johnson. Here the Bishop  
met an old friend in Mr. Phil  
Porter, with whom he had  
made an extended hunting  
trip years ago. After the serv-  
ice, Mr. Johnson and Mr. Por-  
ter motored to Fulton, bringing  
the Bishop and Dr. Boyd home  
in time for supper.

Harold Heywood has been  
confined to his home for the  
past week but is reported im-  
proving.

After the services on Sunday,  
Bishop Woodcock, Dr. and  
Mrs. Boyd and Clara Elizabeth  
took dinner with the W. J.  
Coulters before taking the  
train for Columbus.

The Mohawk Club entertain-  
ed Bishop Woodcock with a  
dinner at the rectory on Mon-  
day night. After the dinner,  
the evening was pleasantly  
spent in listening to the ex-  
periences of the Bishop on his  
recent trip to Europe. The Bis-  
hop left on the midnight train  
for his home in Louisville.

Mrs. Lydia Sanders has so  
far recovered from her recent  
illness as to be able to be up  
and about the house last week.
