HOLIDAY SEASON
OPENED IN FULTON
Children Greet Santa Claus at Baldridge's Store and Were Given a Warm Reception.

CHRISTMAS IS NEAR

Now that Thanksgiving for 1926 has come and gone, and Christmas of this year is Christmas, of which we all are the beneficiaries. Christmas, the season of good will, and a season which always attracts all sorts and conditions of people, always offers a good opportunity for all sorts and conditions of people to show their good will by the presentation of gifts to family, friends, and relatives. And also, the season of giving brings the opportunity for all ages of boy to our fellow men who are less fortunate. There isn't any other season of the year at which time boys and girls are more inclined to make gifts to their relatives. They do this for the simple reason that they are more inclined to do what they are expected to do.

The season of giving is not only good for the boys and girls, but for the people to whom the gifts are presented. For instance, if a boy or girl should present a gift to a poor man, the poor man will feel that he is more appreciated, and that he is more important than he has ever been before. This is the case with all people, whether they are rich or poor. The season of giving is the season of love, and the season of showing love.

Barney Fokes Returns To His First Love

All farmers are not dissatisfied with farming, as is the popular belief. Many farmers have become so dissatisfied with farming that they have sold their farms and gone into other lines of business. This is a very unfortunate thing, for the world is in need of good farmers, and the world is in need of good farmers to keep the world going.

This is truly a home-like restaurant because it has endeavored to break down the prejudice based on the theory that restaurants could not serve food like you get at home. Many patrons will testify that there is no difference between our meals and the meals they get at home. That’s the reason they come back so frequently to eat.

Years of catering to the appetites of particular people make it possible for us to serve appetizing meals.

The next time you want to eat away from home, bring your family here.

The Pine Tree and a Christmas Inspiration

One of the best ways of getting the feeling of the Christmas spirit is by building a pine tree. In order to do this, you don't need a live tree; just a suitable arrangement of branches cut from a Christmas tree is all that is necessary. This tree can be a focal point for the season's festivities or used as a prop for various activities. Remember, it's all about creating a festive atmosphere.

Community Building

Making the Home Town "Just a Little Better"

A few words about the importance of home Town initiatives. Our communities are the backbone of our society, and initiatives like these help strengthen our ties to our roots. It's about coming together to make our homes a bit more enjoyable and welcoming. Whether it's through small improvements or big changes, every bit counts.

Just a Little Smile

Keeping Up a Front

Sometimes, it's important to maintain a positive front, even when things aren't going our way. This can be a way of keeping ourselves and others motivated and happy. It's all about finding the silver lining in every cloud.

The VALUE of GOOD SERVICE

The remarkable improvement that has been made in the efficiency and economy of rail way operations has resulted in a great beneficial influence on the economic life of the country. In support of that view we have the well-informed testimony of the Secretary of Commerce who says: "The railroad system, in common with other commercial conditions in the United States, is an important factor in our national economy and has a great influence on the prosperity of our people." The annual report for 1925, issued by the Department of Commerce, states that the annual earnings of our American railroads are about $1.5 billion a year. This is a remarkable figure, considering the tremendous amount of freight and passenger traffic that is handled by our railroads.

What Shall I Give For Christmas?

This very pertinent question is answered—exhaustively, thoroughly, comprehensively, suggestively. We mention gifts appropriate for every member of the family—father, mother, brother, sister, relatives, friends or sweetheart. And with the selection as varied and attractive as it is this year at this store, Christmas shopping and gift selecting is more of a pleasure than a drudgery.

You come into this store and see so many beautiful things that are suitable gifts for the loved ones in mind that you are happily perplexed in not knowing which ones of the hundreds to buy. We offer you the result of months of buying and looking around for Christmas gifts. While we are always desirous of selling just as low as we possibly can, yet quality is our foundation, and you can rest assured that any article bought for a present will give satisfaction and pleasure to the recipient every time he or she has occasion to use it.

We are mentioning a few of the appropriate articles suitable for Christmas and purposely omitting prices in order that you may forget all about the cost in anticipation of the pleasure of giving.
