## Fulton, The City Of Achievement

Make Fulton "The City of Achievement" was reflected in the expressions of the twenty-two representative business men who assembled at the Chamber of Commerce rooms Tuesday night to formulate plans of financing the organization for 1927.

After some discussion it was voted to make the budget \$86,000 and collect membership fees according to the amount of business of each firm with a minimum of \$25.00, excepting citizens working on salary and farmers whose annual membership dues will be \$10.00.

Chairman Joe Davis appointed a soliciting committee with instructions to report at the regular meeting of the Chamber, Tuesday night, January 11, at which time the employment of a capable Secretary will be taken up and a new set of officials elected.

Tuesday night's meeting was one of the most enthusiastic gatherings for months. Every one present was "bubbling" over to lend his assistance in making 1927 the banner year for achievement in Fulton, and just here we will say very little "hot air" was in evidence. The men assembled met with the full determination of accomplishing something and they did. A movement was started to keep Fulton in the lead of its neighbors, that's why you see the placards in the show windows of every loyal business firm in Fulton, reading: "Fulton is a Leader for Fulton" and will be represented at the Chamber of Commerce meeting Tuesday night, January 11.

The regular meeting of the Chamber of Commerce Tuesday night, January 11, promises to be one of the most eventful ever held during its history and every business man and every citizen who has a streak of red blood running through his veins for the betterment of Fulton, should attend.

### TREAT FOR BUSINESS MEN

On Tuesday night the Chamber of Commerce will have as its honored guest a representative of the National Cash Register Co., who will deliver one of the most instructive and educational talks ever heard in Fulton.

You will be well repaid for attending Tuesday night's meeting. Don't miss it.

## What is the Chamber of Commerce?

The Chamber of Commerce is the voice of the city. It reflects the ideals of the community.

It expresses the aspirations of the people. It gives direction to the aims of the citizenship.

It combines the efforts of those who think in terms of helpfulness.

It reduces unorganized elements to an organized unit. It speaks in defense of the good name of the city.

It defends the city against the trader. It is the spotlight that reveals activities that are worthy.

It leads in behalf of the voiceless.

It is the center of worth while enterprise.

It is the magnet that draws outside world to your midst.

It is the clearing house of the pride.

It is the power house of progress.

It is a composite picture of the city as its citizenship would have it.

### EASY MONEY AND A SAFE INVESTMENT

"Your Home Should Come First" is an excellent slogan, not only for furniture dealers but appears to have considerable weight with post-Christmas shoppers. With the advent of the New Year, many Fultonians will start out right on the 12-month period by building or remodeling their home first. The Fulton Building & Loan Association service is proving attractive to them and despite the general impression that people's minds are on automobile license tags and other first-of-the-year worries, the association has been quite busy, entertaining prospective builders.

There is no reason why your home should not come first. With a million and a half dollar institution ready to lend every assistance to the home builder.

You may think you are economizing and enjoying life in a rented house, but not until you are cozily nestled in your own home can you enjoy true happiness, thrift and prosperity. Not less than 500 new homes should be built in Fulton this year, and with money as easy to get as from the Building & Loan Association, we may see even more than that built.

### OFFICER HART SERIOUSLY WOUNDED

Negro Who Did the Shooting Is Dead and Buried

Harve Hart, city policeman, was shot through the left lung late Sunday night by a negro at the passenger depot, and the negro who did the shooting was killed.

Cornell Johnson, special agent for the Illinois Central railroad, was with Policeman Hart and attempted to search the negro for firearms when the shooting started. The negro first shot at the special agent and missed his mark. About this time Officer Hart fired at the negro, who turned his weapon on Hart and fired the ball passing through the left lung.

In the melee Officer Johnson came out without a scratch. Officer Hart was rushed to the Cairo hospital on the first train out of Fulton where he is now in a precarious condition between life and death.

Misses Odessa Shankle, Jessie Marie Clements and Dora Mae Duncan have returned to State University, Lexington, after spending the holidays with home folks.

### CHRISTMAS WEDDING

A wedding of interest to their Fulton friends took place Christmas day at the McDade home on State Line street when Miss Virginia Adams was united in marriage to Mr. Jim Oliver, Esq., S. A. McDade officiating.

The bride is the winsome daughter of Mr. and Mrs. Virgil Adams while the groom is a popular Illinois Central employee, son of Mr. and Mrs. Charles Oliver.

The happy couple are at home with the groom's parents, on Oak street.

### NEW ARRIVAL

Mr. and Mrs. Sam Williams are the proud parents of a pretty little daughter, the latest arrival at their home in Fair Heights.

After spending the holidays with her parents, Miss Nellie Owen left Tuesday night for Asbury College, Wilmore, Ky.

## The Biggest and Best Show Yet

### REHEARSALS FOR "TOWN SCANDALS OF 1927" STARTED

Rehearsals for the new American Legion Revue "Town Scandals of 1927" has started, and according to the statement made this morning by one of the directors from the Producing Company, it will be one of the best shows Fulton has ever had the pleasure to see.

The show comes with all new scenery, costumes, dances, music and everything connected with the show will be bigger and better than ever before. It will be given at the Orpheum Theatre on Monday and Tuesday nights, January 10 and 11. The Powell-Spain Producing Company, who are directing the local cast, needs no introduction to the Fulton public as it has produced shows here before and throughout the South for a number of years and has an enviable reputation. Since the Scandals will only run two days the advance sale of tickets will be heavy, and we advise you to get them early. The reserved seat sale will start at Culver's Bakery, Friday, January 7. Each year since this show had its inauguration this is one home talent that has gained precedence and now the Fulton public awaits with renewed interest the 1927 production.

### SIX O'CLOCK DINNER

Mr. and Mrs. D. W. Matthews entertained with a six o'clock dinner at their home in Pierce, last Wednesday evening. The guests for the evening were Mr. and Mrs. Wade Davis, of Buckner, Ark.; Mrs. Lydia Davis, of Fulton; Misses Virginia Giffin and Louise Matthews and B. J. Matthews, of Pierce; and Robert Hodges, of Lansing, Mich.

Mr. and Mrs. A. C. Groves and family have arrived in Fulton to take charge of the Meadows building which they bought from Fry & Armstrong. Mr. Groves is a progressive hotel man and contemplates remodeling the building purchased and make it a modern, up-to-date hotel. We extend Mr. and Mrs. Groves and family a hearty welcome to our city.

### Society.

#### THE WOMAN'S CLUB MEETS

The members of the music department and invited guests gathered at the Chamber of Commerce rooms Wednesday afternoon for their annual students program, which is an outstanding social and artistic event.

In the shade drawn rooms very attractively adorned in Yuletide decorations, with softly shaded lights radiating an atmosphere of hospitality and good cheer, the guests were greeted by Mesdames B. D. Maupin, Guy Gingles, and R. S. Williams.

Miss Waggener, chairman of the department extended greetings to the members and guests, and in a most pleasing manner presented the following young ladies, who are at home from college for the holidays.

The program was interestingly varied. Each number was beautifully given and enthusiastically received.

Miss Elizabeth Ethridge opened the program, reading "A Sisterly Scheme," by H. C. Bremer.

Flute Solo—"Love Joy" by Kriesler. Miss Mamie Bennett. Miss Huddleston, accompanist.

Vocal Solo (a) "Where My Caravan Has Rested," Lohr. (b) "Red, Red Rose," Seymour. Miss Mary Elizabeth Beadles; Mrs. C. E. Maddox, accompanist.

Reading, "Ship Off the Old Block," Keating; Miss Nell Owen.

Mrs. Cresop Moss closed the program by playing "Romanze," by Jean Sibelius. Arabesque, by Debussy.

At the close of the program a social hour was enjoyed while Mrs. Chas. Brann and her able assistants, Mrs. Clyde Hill, Mrs. O. H. McFarlin, served a delicious salad course.

Tom Beadles has returned to Illinois after spending the holidays with home folks. He recently enlisted in the U. S. Air Service and is making good.

### NEW YEAR RECEPTION

One of the most enjoyable, entertaining and successful fraternal social functions of the season was the New Year Reception given by Fulton Commandery No. 34, Knights Templar, Tuesday evening, January 4, at the Masonic Hall in accordance with the following program.

The following program was a delightful feature of the evening's entertainment.

Invocation—Rev. Bro. C. H. Warren.

Welcome Address—By Sir Knight D. Fred Worth.

Response—Prof. V. C. Myers.

Vocal Solo—Mrs. Chas. Gregory.

Reading—Miss Katherine Hall.

Duet—James Warren, B. Trevathan.

Banjo Solo—J. C. Koehn.

Reading—Miss Ruth Nail.

Song—Quartette.

Flute Solo—Sir Knight R. C. Woodard.

Reading—By Miss Vivian Brown.

Vocal Solo—Bro. Stuart Brown.

Juvenile Dance—Miss Frances Patterson.

Violin Music—Old Fiddlers.

Dancing—Miss Eva May King.

Every one of the entertainers did splendidly and the program was highly appreciated, which was evidenced by the many encores.

There was a large crowd of the home people and a number of visitors present that enjoyed the occasion very much. During the social hour, brick cream, cakes and punch was served while the old time fiddlers delighted the audience with a few more selections.

The entertainment was a great social success, and the attendants were loud in their praise of the Knights Templars, and to those who so kindly gave their services to make the evening one to be long remembered as one that was very pleasantly spent.

Miss Mary Belle Warren and Miss Elizabeth Hall have returned to Jackson, Tenn. where they resume their studies at Union University. They enjoyed the holidays in Fulton with home folks.

Bob Binford left Wednesday morning, January 5, for Seawance Academy.

Mrs. Lee Rucker and daughter returned Monday from a visit to her brother in Paragould, Ark.

### GUILD MEETING

The January meeting of the Trinity Guild was held at the home of Mrs. Chas. Binford on Monday, January 3, at 2:30. Twelve members answered roll call.

The meeting was opened by the President, Mrs. Don Taylor, who read the Scripture lesson, followed with prayer by the Guild.

The treasurer, Mrs. Binford gave her report. The secretary, Mrs. Roach, read the minutes of the last meeting which were approved as read. The Guild gave a rising vote of thanks to Mrs. Coulter for her untiring and efficient efforts in behalf of the Christmas entertainment for the church school, which is given by the Guild on Christmas eve.

Mrs. Earber reported Community Service work done this past Christmas. The annual election of officers took place with the officers of last year unanimously re-elected, namely: Mrs. Don Taylor, President; Mrs. Venie Fowler, First Vice-President; Mrs. W. J. Coulter, Second Vice-President; Mrs. Mack Roach, Secretary and Mrs. Chas. Binford, Treasurer. Mrs. Taylor submitted a paper, "The Aim of Trinity Guild," which summed up the work done by the Guild in the past and outlined a plan for the new year. The members will long remember her beautiful message of hope and encouragement and it will be an inspiration to us in the days to come.

Several committees were named to carry out work for the next year. Mrs. Roach had charge of the lesson program for the day.

During the social hour the hostess assisted by Mrs. Eugene

## High School Notes

Aubrey Nugent of the Farmers Bank, gave the third of his series of lectures on "Money and Banking" before the assemblage of High School students on Tuesday. In this address, Mr. Nugent gave a detailed account of the workings of a bank and its relation to the federal reserve banks and clearing houses. The lecture was illustrated by several interesting anecdotes which have occurred during Mr. Nugent's career as a banker.

Mr. Cheney of the faculty of the high school, is absent this week because of illness. His place is being filled by Mrs. Carl Croft.

The first rehearsals for the faculty play, "The Mummy's Ear Ring," will be held at the high school this week.

Basketball practice is being held by the boys and girls on alternate afternoons, in preparation for several games which the teams hope to schedule at the first of the year.

Miss Clydella Bell, supervisor of music in the city schools, was prevented from returning from her home at Stevenson, Alabama, where she went for the holidays, because of illness. Mrs. Charles Brann is substituting for Miss Bell for a few days.

The first semester will close January 15. Preparations are being made in the schools at the present for the examinations which will close the work of the half year. The examinations will be held on January 13 and 14.

Senour's Floor Paint dries over night with a high gloss enamel-like finish, but at the same time it sinks into the pores of the wood and forms a film that will withstand the hardest usage and will withstand repeated washings without dimming the lustre.

#### DUTY OF INDIVIDUALS

Attention is called to the responsibility of the individual for community progress. This is an old but ever new theme. Without acceptance of this obligation by the individual, no community development would ever be possible because mass action in any direction is impossible without a desire on the part of the individual to act.

So, in order to get improvement, every citizen of the community must be "right" on the question—at least a large majority must be convinced that they are obligated to do their share of the work that is required.

The citizen who is satisfied with everything, who wants to "let well enough alone" on the theory that advancement will require some extra effort on his part, will sooner or later slide into the rut from which he will never emerge.

When this type of citizen suddenly awakens to the fact that he has been following the same line for years and that he spent the best part of his life without accomplishing anything, he blames the community, his neighbors, his friends and his job for his failure.

If he will analyze his own attitude carefully, he will find that he alone is to be blamed. If he is honest with himself, he will recall how he repulsed every effort of progressive citizens to get his cooperation in projects to improve the community.

He will look back over the productive years of his life and see failure written there because he resisted every movement that sought to have him shoulder his civic responsibility.

So community advancement rests entirely with the individual.

uals who live in it. If they are listless and not alert to their opportunities, don't accept their obligations as citizens, there isn't much hope of keeping place with progressive communities that are growing and constantly becoming better places in which to live.

Attend the meeting of the Chamber of Commerce Tuesday night, Jan. 11, and line up with the "Booster Bunch."

#### WHY DO PLUMBERS GO BACK FOR TOOLS?

Plumber and Heating Dealer  
Must Be Gifted With Clairvoyant Powers.

Did you ever call up your plumber and tell him "There's a pipe busted out here" and ask him to hurry out and fix it?

And when he arrived on the scene, he looked things over, cranked up his flivver and rushed back for his tools. Then you wonder why.

"Why doesn't a plumber have enough tools and equipment with him when he comes to your home for repair work?"

In 90 instances out of 100, the owner and the plumber and the heating man are both at disadvantage, because the latter was not told really what he was expected to do before he made the trip.

Plumbing work can not be taken to the repair shop as can a watch, and the plumbing and heating dealer can not bring his entire shop to the place where the work is to be done, because any one of scores or hundreds of articles may be required.

Unless the owner describes accurately what is wrong, the plumber must actually see the job before he can ascertain what is to be done and what will be needed to do it. Not being gifted with clairvoyant powers, the plumber tries to guess what he needs to bring with him, and in view of the many abuses that his profession is subjected to, it is really a wonder that he ever guesses correctly.

A way out of the difficulty is for every householder to know

at least as much about the plumbing as about the cook stove or the lawn mower. Also to learn the few simple things to do—and not to do—to avoid damage to the plumbing. Contrary to the general impression, the plumbing and heating dealer usually loses money on minor repair jobs.

The greatest wonder of all is that plumbing does not break down oftener than it does. Usually every member of the household will carelessly throw anything from hairpins to rubber boots into the plumbing fixtures, and blame the plumbing and heating dealer for the results.

## Another Big Reduction In Prices.

All remaining Fall and Winter Suits and Overcoats for men and boys enter into this sale. The merchandise is the same fine, dependable sort that we have made our reputation on, and just the kind the men and boys of Fulton and vicinity want to buy.

We might enlarge on the fact that the prices we have placed on our men's and boys' clothes are especially low, for even a store of extraordinary value. We might say that never in our existence have our values merited the term "Extraordinary" so much as they do in this sale. We might affirm and reaffirm this, but proof would still be necessary to convince the average buyer. A visit here will give you that proof—positive, irrefutable proof—that seasonable wearing apparel may be bought here at great savings.

It is an opportunity that many men have been waiting for and will be quick to take advantage of.

About this time of year a boy's clothes begin show signs of wear. This sale makes it possible to outfit him completely at a minimum cost.

## RAILWAY RECORDS OF 1926

The performance of the railroads in 1926 was notable for its adequacy, its efficiency and its economy—three qualities of utmost importance in railway service.

To provide adequate transportation is the chief obligation resting upon the railroads. The inadequacy of transportation is a brake, its adequacy an accelerator, upon all business. Last year the railroads were called upon to handle an average of more than one million loaded freight cars a week. Under the stress of these unprecedented requirements, however, the railroads functioned smoothly and effectively. With comparatively few exceptions, cars were available at the time and place they were needed and locomotives were ready to move them without delay. Adequate service by the railroads enabled business in general to reach new high levels of activity.

The efficiency and economy with which the railroads operated in 1926 are shown by the improvement in virtually all factors which measure these qualities. Freight trains were longer and heavier and were moved at greater speed. It took less fuel to perform each ton mile of freight service and each car mile of passenger service. Despite the tendency of rates to decline and of taxes to increase, net earnings actually advanced.

The present condition of railway earnings, however, is an indication of railway prosperity only in comparison with the unprosperous condition of the years preceding. The net return realized by the railroads in 1926 was exceedingly modest, especially when considered in the light of the volume of traffic handled, of the good service which the railroads performed and of the better earnings realized in many other lines of business.

The railroads in 1926 made further improvements and extensions of their facilities. In the seven years up to and including 1926 they spent for such purposes, in round figures, \$5,200,000,000, which was equivalent to approximately 28 per cent of the total investment in railway property prior to that time. The investments made in the last seven years—made in good faith and in the hope of a future reasonable reward—were of great assistance in enabling the railroads to attain the adequacy, efficiency and economy which characterized their operations last year.

The Illinois Central System is proud to have played its full part in the transportation achievements of 1926. It is the aim of every officer and employee to give the system's patrons the best service that is possible to perform as we face the New Year, the most appropriate thing we can do is to re-dedicate the Illinois Central System to that task.

Constructive criticism and suggestions are invited.

L. A. DOWNS,  
President, Illinois Central System.

## A FARM WAGON THAT IS GUARANTEED

The amount of satisfactory service that a wagon will give depends entirely upon the material and skill the manufacturer puts into it. We want to show you a wagon that is built of the best materials by men who know how—

## THE JOHN DEERE WAGON

The Wagon That Is Guaranteed

A special machine automatically measures the inside of the skin of the John Deere farm wagon and shapes the axle to fit accurately. The skin is set in red lead under high pressure. It has exactly the right pitch, and the axle has the right gather to make the John Deere wagon run lighter than other wagons. With the John Deere sand- and dust-proof skins there is no wearing of bearing surfaces—the oil stays in—the wagon is always smooth-running and light-pulling.

Only carefully-selected oak and hickory are used in the

John Deere Wagon, and every piece of wood is air-seasoned under cover in our own yards for at least two years. The tires are set hot under hydraulic pressure and under a gauge that assures proper dish—the load is always carried on plumb spokes.

And don't forget this other big feature—the heavy malleable fifth-wheel with corrugated coupling—no bending or breaking of kingbolt—bolster does not get out of line and rock—no danger of tipping when handling large, top-heavy loads.

Come in and see this wagon—read the guarantee on the tool box. Let us explain the many fine points embodied in it.

## Red Cross Life-Saving Service Is Nation-Wide

Scarcity of water apparently has no effect on interest in water rescue. Arizona, popularly associated with wide desert stretches and cactus, has gone in with enthusiasm for the Red Cross Life-Saving program.

The building of new irrigation dams is rapidly transforming Arizona into a swimming State despite popular conception of that country.

In more than 800 swimming institutes conducted by the Red Cross the last summer, life-saving instruction was given by the Red Cross.

During the fiscal year ending June 30, 1926, 7,145 men, 5,408 women, and 16,713 juniors passed the rigid tests of the Red Cross Life-Saving Service, and were awarded insignia. The total for the year of 29,266 represents an increase of 6,374 over the previous year. The total membership of this corps at the close of the year was 102,076.

The Tenth Annual Roll Call from November 11 to 25 is an opportunity to encourage these efforts through membership in the Red Cross.

#### Chestnut Glade

James Priestly Breeden, born September 28, 1875, died December 31, 1926, age 51 years, 3 months, 3 days.

He leaves to mourn his going wife, four children, one brother and one sister, a host of relatives and friends. Two children went on before.

Mr. Breeden was a public spirited man, always ready to assist in any move for the up-building of the community. A member of the school board for many years, he was instrumental in raising the banner of education in this community far above its original level.

A good man with a cheerful smile and kindly word for every one. He will long be missed by all who knew him. The funeral service was conducted by Rev. Lettie Clement, at New Hope church, Sunday at eleven o'clock. A large crowd gathered at the church to pay this last tribute of respect, despite the condition of the road. Thus attesting the esteem in which he was held. We grieve for the family in their bereavement.

Mr. and Mrs. Harvey Vaughn received as a New Year present, a twelve pound boy. The mother is getting along very well but the baby's life is despaired of at this writing.

Mrs. T. D. Butts has not been getting along at all well, so Dr. Jones was called to consult Dr. Rudd in regard to the case Saturday night. She seems to be a little better at this writing.

Messrs. Roy Watts and Geo. Frost each gave the young folks a party last week.

Quite a number have colds in this neighborhood, the writer being almost ill with one, which seems to be bordering on flu.

## Sunday School Lesson

(By REV. F. B. FITZWATER, D.D., Dean of Day and Evening Schools, Moody Bible Institute of Chicago.)  
(C. 1927, Western Newspaper Union.)

Lesson for January 9

THE STANDARD OF CHRISTIAN LIVING

LESSON TEXT—Luke 6:27-35  
GOLDEN TEXT—Be ye therefore perfect, even as your Father which is in heaven is perfect.

PRIMARY TOPIC—How Jesus Wants Us to Live

JUNIOR TOPIC—Marching Orders for Christians

INTERMEDIATE AND SENIOR TOPIC—What Christ Requires of Us

YOUNG PEOPLE AND ADULT TOPIC—Christ's Life and Example for Us

The context (v. 26) clearly implies what is elsewhere positively declared (John 15:18-21; Luke 21:17) that the followers of Christ will be hated and opposed. In this lesson Christ sets forth the principles governing the life of his followers.

I. "Love Your Enemies" (v. 27).

Love here is not a natural affection. To love friends is easy, but to love enemies is only possible to those who have been made partakers of the divine nature—been born again.

II. "Do Good to Them Which Hate You" (v. 27).

Love is positive in its nature. The true Christian will not merely refrain from doing injury to one who hates him, but will be concerned with and engaged in doing good to him. True love acts according to its own essential nature.

III. "Bless Them That Curse You" (v. 28).

To bless means to speak well of—to invoke a blessing upon. Injury by words is hard to let go unchallenged. The one who is a child of God and allows the Spirit of his Maker and Redeemer to express itself through him will return blessings for cursings.

IV. "Pray for Them Which Despitefully Use You" (v. 28).

We should pray for those who abuse us. The best commentary on this precept is Christ's own example (Luke 23:34). "Father forgive them for they know not what they do." When Christ was reviled He reviled not again. When He suffered, He threatened not, but committed Himself to Him that judgeth righteously (1 Pet. 2:23).

V. "Patiently Endure Wrong and Injury" (v. 29).

The Christian is not to bristle in defense of his rights but rather to suffer insult, injury and even loss. This expresses the new world standard govern the individual's actions, but should not be pressed so far that evil-doers can go unchecked. Rightly constituted government has been ordained of God for the protection of the innocent and the punishment of evil-doers (Rom. 13:1-8).

VI. "Give to Every One That Asketh of Thee" (v. 30).

God is the supreme example. He gives freely and generously but intelligently. This text does not authorize indiscriminate giving. There is a giving which injures the one to whom the gift is made. To give a man money to buy whisky would be wrong.

VII. "Do as You Wish to Be Done By" (v. 31).

This is called the Golden Rule. It is the sum total of Christian duty as it pertains to human interrelations. Human beings carry with them the consciousness which is the touchstone which teaches them their duty to others. If men were to live up to this rule the problem of capital and labor would be solved and end would be put to war. International relations would be peaceably adjusted and all profiteering in business would end. Practicing this precept proves that we are children of God. Loving those who love us, doing good to those who do good to us, lending to those who lend to us, is the common practice even among sinners. No new birth, no Holy Spirit needed to live this kind of life.

VIII. "Be Merciful" (v. 36).

This means to be filled with pity and compassion. To enter into sympathy with every need of others. The supreme example as to this is the Heavenly Father.

IX. "Censorious Judgments Condemned" (v. 27).

This means that we should not seek out the evil or faults in others for our satisfaction. We should not sit in censorious judgment upon the actions of others. However, it does not prohibit the just estimation of the character of others by their deeds.

X. "The Compensations of Right Living" (v. 38).

The one who gives freely of money, loves sincerely, makes the Golden Rule the standard of his life, shows mercy and kindness to others, and refrains from imputing the motives of others will be fully rewarded in kind. God will see to it that there be no loss.

Special attention is called to  
the meeting of the Royal Ambassadors  
Sunday afternoon at  
three o'clock, and it is hoped  
every R. A. will be in his place  
and on time.

The college boys and girls  
who spent the Christmas holi-  
days with parents and friends  
in our midst have returned to  
the various schools to resume  
their studies. We were glad to  
welcome them in the various  
church activities while with us.

Sunday was a beautiful day  
without and the services at the  
church were well attended. At  
the morning hour the new offi-  
cers of the Woman's Mission-  
ary Society also of the young  
people and Juniors were install-  
ed for the coming year. The  
service was beautiful and a

very impressive one! After  
the installation of the officers  
the Sacrament of the Lord's  
Supper was administered by  
the pastor. Mrs. Ira D. Seay  
sang sweetly, "Love Divine."  
At the opening hour the young  
people of the Junior choir as-  
sisted in the music.

All the societies of the church  
are gradually resuming their  
regular meetings and activities  
after the holiday season and in  
time will be back with the regu-  
lar routine of work for the  
new year.

Mrs. Eli Bynum, chairman of  
Group A, of the Warner Black-  
ards, entertained the members  
of the group at her home Tues-  
day afternoon. Contest and  
games were enjoyed by all  
present. Quite a bit of fun was  
had when the rainy day bags  
were opened and quite a nice  
sum was realized for the build-  
ing fund. During the social  
hour the hostess served a deli-  
cious salad course to 18 mem-  
bers.

Dr. Boyd went to the hospital

he underwent an operation.  
Should he be sufficiently recov-  
ered by next Sunday the usual  
services will be held.

Owing to the illness of Dr.  
Boyd only a short communion  
service was held at Trinity on  
last Sunday, and the evening  
service was suspended for the  
same reason.

Bob Binford left Wednesday  
for Suwanee, where he will  
study for the remainder of the  
year.

The Woman's Guild met at  
the home of Mrs. Charlie Bin-  
ford on Monday afternoon. The  
reorganization of the Guild  
has been postponed until Dr.  
Boyd has recovered.

Supt. Stansbury was unable  
to attend Church school, Sun-  
day, not having recovered from  
his recent accident.

## LOWE-ROGERS

Mr. Ernest Lowe, of Pierce,  
and Miss Virginia Rogers, of  
Hickman, were united in mar-  
riage on Friday evening, Dec.  
24, by Rev. John Adams, of  
Martin, grandfather of the  
groom.

Mr. Lowe is the son of Mr.  
and Mrs. C. E. Lowe, of Pierce.  
He is well known here as he is  
a graduate of South Fulton  
School, and has many friends  
who will wish them much hap-  
piness and success.

Mrs. Lowe is the charming  
daughter of Mr. and Mrs. Eth-  
elbert Rogers, of near Hick-  
man, and numbers her friends  
by her acquaintances. She has  
been employed by D. Ross  
Capps Wholesale Co., at Hick-  
man for several months. The  
young couple will be at home  
to friends in Troy, Tenn., where  
Mr. Lowe holds a position with  
Union Transit Co.

## DEDMON-ADKISON

At the home of the bride,  
about five miles from Union  
City, Tenn., on the first day of  
January, 1927, at 6:00 p. m.,  
I used the beautiful Ritual of  
our Church, uniting Mr. Floyd  
Dedmon and Miss Irene Adki-  
son in the bonds of holy matri-  
mony. A few of the relatives  
and some of the close friends  
were in attendance at the wed-  
ding.

The bride was dressed nice-  
ly, in old rose silk, and looked  
very pretty. The young man  
was dressed handsomely in  
blue serge.

Just after the ceremony we  
were invited out into the din-  
ing room, and found the table  
loaded with good things to eat.

We wish for them all the  
happiness possible.

A. N. WALKER.

## WEDDED SATURDAY

Mr. John Brown and Miss  
Daythorn Williams, prominent  
young people of the Water  
Valley vicinity, braved the  
rain and cold of Saturday af-  
ternoon, December 25, and  
drove to Fulton, where they  
were married.

The young people are some  
of the community's most popu-  
lar and well liked and are of  
the families of the county.

The newly weds are at home  
to their friends in the country  
near Water Valley.

We join in extending con-  
gratulations to the happy pair.

## Red Cross Volunteer Workers Ever on Duty

Claim for the oldest volunteer kni-  
ter in the country is advanced by the  
Lincoln County Chapter of the Amer-  
ican Red Cross at Wiscasset, Maine.  
She is Mrs. L. A. W. Jackson, who  
keeps busy knitting stockings for the  
Red Cross to send to destitute chil-  
dren abroad. The San Pedro, Calif.,  
Chapter has a close second in a volun-  
teer knitter 85 years old.

The annual report of the American  
Red Cross stresses the service of vol-  
unteers. In more than 3,000 Red Cross  
Chapters the officers and workers are  
volunteers.

They will act as solicitors in the  
Tenth Annual Roll Call for members,  
which the Red Cross will conduct  
from November 11 to 25.

Nearly 80,000 disabled veterans are  
assisted by the American Red Cross  
on an average every month. Care of  
the disabled veteran is a foremost  
responsibility of the Red Cross, in  
which the people can share by joining  
its ranks during the Tenth Annual  
Roll Call, November 11 to 25.

The American Red Cross is the  
official agency of the United States  
for disaster relief at home or abroad.  
Join during the Tenth Annual Roll  
Call from November 11 to 25 and  
share its services.

up-to-date

At the beginning of the New Year, we feel  
that a restatement of our policy in serving  
the people of this community is appropriate.  
In our efforts to make this store the leading  
shopping center for all we had but one pur-  
pose in mind, and that is to be of real public  
service, to supply you with your needs at the  
minimum of cost, consistent with quality,  
and to cap the climax, every sale is made  
with the distinct understanding that the pur-  
chase must prove entirely satisfactory.  
The success of this store is due to close ad-  
herence to this definite policy—a policy well  
known to our patrons. We feel reasonably  
certain that once you patronize this store,  
you, too, will be favorably impressed, not on-  
ly with our merchandise and prices, but also  
with the courteous and friendly treatment  
you receive.
