Chamber of Commerce Will Raise \$6,000

Members Will Display Membership Cards In Their Places of Business so Public May Know Who Are the Loyal Business Firms of Fulton.

C. OF C. MEETING

Notwithstanding the fact that Tuesday night was extremely cold, a large crowd was in attendance at the regular monthly meeting of the Chamber of Commerce. President Winstead opened the meeting with prayer by the Rev. Freeman. Secretary Joe Davis read reports of previous meetings including the financial report, showing a cash balance in the bank with all accounts paid, \$221.11.

Amos Colley, chairman of Road Committee, reported some good work accomplished and more to be done along about April.

Leslie Weaks explained in detail the methods adopted at a recent called meeting regarding the financing of the organization for 1927, and printed cards were distributed, suggesting the dues each individual or business firm should pay for membership dues for the year, signing said card and returning same with check for the first half of the year's dues. Sixty-five cards were signed with a total of \$2,255.

The budget adopted for financing the club for 1927 is \$6,000 and committees were appointed to canvas the city and raise the amount.

Committees

To solicit business and professional firms, ten were appointed, composed of two teams as follows:

First—Leslie Weaks, E. C. Hardesty, A. G. Baldrige, J. R. Graham, J. W. Gordon.

Second—C. P. Williams, A. Huddleston, Paul DeMyer, W. J. Willingham, Joe Davis.

Individual Membership—G. H. Duley, R. C. Pickering, H. A. Coulter, A. T. Stubblefield, T. T. Boaz.

All of the present officials of the Association tendered their resignation, which was accepted. It was the desire of the officials, resigned, to remove all obstacles, should there be any, in the way of the successful reorganization of the club. Some of the officials, too, had worked in harness since the club was first organized some sixteen years ago and felt that some other good citizens should render relief.

As soon as the \$6,000 budget is procured, a meeting will be called to elect ten directors, who, in turn, will elect all other officials. An experienced secretary will be employed and every effort will be exerted to make Fulton the "City of Achievement."

The entertainment committee distributed Chancellor cigars to the audience and every one enjoyed a good smoke.

The feature entertainment of the evening was the instructive and educational lecture delivered by Mr. Farley, a native Kentuckian, and in the employ of the National Cash Register Co.

Committees at Work.

The men appointed on committees to solicit membership fees in order to secure the \$6,000 budget for financing the organization the ensuing year sacrificed their private business affairs and engaged in the work soleheart-

edly. With but a few instances they were warmly greeted with a hearty welcome and a smile. They report the work progressing nicely and fully believe that if every one will join the loyal band of workers for the betterment of Fulton and vicinity the \$6,000 budget will be raised easily.

We understand the members will display membership cards in their places of business so the public may know that they are 100 per cent for Fulton and its best interests. We are quite sure every loyal business firm in Fulton will have his membership card prominently displayed in his place of business and the public will not be slow in recognizing the "live wire" business firms of the city.

OPEN CUT-OFF ON FEBRUARY 1

East Freights to Be Operated Over Kentucky Division of New I. C. Line

Operation of freight trains over the lines of the new Edgewood cut-off of the Illinois Central railroad between West Paducah and Fulton will begin February 1, according to announcement, after officials of the railroad made a trip of inspection over the lines. The final inspection will be made January 23.

The Dominion construction company, in charge of the construction work on the cut-off, will complete its work next week, according to a statement made last night by W. C. Smith, general superintendent of the construction company.

The new road will be used for fast freight trains between Chicago and New Orleans and for trains between the coal fields and Chicago. Only south bound freight trains will be operated over the line when it is opened.

The inspection party left Paducah by automobile and boarded a train for a trip over the new lines at West Paducah. The trip was made from West Paducah to Obion creek bridge by train and the remaining lap of the journey to Fulton was made aboard a flat car.

Among the officials making the trip were: E. L. Cruger, engineer of construction of the Illinois Central, Chicago; J. W. Hevron, general superintendent of the Southern lines, New Orleans; G. C. Harris, resident engineer in charge of construction; W. C. Smith, of the Dominion company; G. H. Willingham, assistant engineer; F. G. Walker, assistant engineer in charge of the Edgewood construction in Kentucky; and H. W. Williams, superintendent at Fulton.—Paducah News-Democrat.

1927 Fair Will Be the Best of All

STOCKHOLDERS OF FAIR ASSOCIATION ELECT OFFICERS

At a recent meeting of the stockholders of the Fulton County Fair Association, all of the old officers were re-elected for the ensuing year, as follows: J. W. Gordon, president; Joe Browder, vice-president; C. P. Williams, treasurer; J. E. Fields, vice-president; N. G. Cooke, auditor; R. H. Wade, secretary; Mrs. Leighman Browder, superintendent Floral Hall; W. P. Murrell, superintendent of Gates.

Directors—J. W. Gordon, J. C. Brann, H. C. Brann, W. P. Murrell, Chas. Binford, Lon Bruce, and Ed A. Thompson. The business session of the meeting was featured with good talks by several of the stockholders. The 1926 fair was a glorious success; one of the best held in years, and the 1927 meet promises to be the best in the history of the organization if plans now being mapped out are perfected.

Fulton is fortunate in having one of the best fair grounds in the state, and the men at the head of the organization believe in giving the people the very best to be had. Already President Gordon has his eye on some fast racers for this year's meet, while Secretary Wade is preparing a delightful program of entertainment for the crowds who will attend this year. While the dates have not been set yet, we can safely say that this year's fair will be held during the latter part of August or first of September, so begin now to get your prize winners ready to enter in every department and lend your assistance and encouragement in making the 1927 Fair the best ever.

We regret the school notes reached us too late for publication this week as we know it is a disappointment to our readers as well as the writer.

JOYFUL NEWS

Work on Fulton's sewerage system is almost completed and Contractor Hartig says connections can be made about February 1. This will be joyful news to many who have suffered hardships and inconveniences during the progress of construction which could not be avoided.

During the year all connections should be made and the streets placed in shape for traffic preparatory to working out the best plans for permanent paving. Some good work has already been done with the grader recently and the street committee is exerting every effort possible to get the streets in the best shape for travel under present conditions, so let's have a little patience, encourage the committee in their efforts and the time will soon come when Fulton can boast of the best paved streets in the State, probably within the next two or three years.

Now is the time, however, to begin working out plans so when the opportune time comes everything will be ready to start the work of paving without delay.

We are of the opinion that some of the business streets could be paved this year if prepared for the improvement. This should be done with the least possible delay.

Some of the paved highways leading into Fulton will no doubt be completed this year. Surely we would feel somewhat embarrassed for tourists to have to detour around the city instead of passing through and stopping for refreshments.

Announcement

I hereby announce my candidacy for Circuit Court Clerk of Fulton County. If the people of Fulton County shall see fit to elect me to this office, I promise to fill it to the best of my ability. Will try and see every voter in person before the primary. Subject to Democratic Primary, August 6.

THOMAS J. REED PASSES AWAY

Died, January 5, at his home near Fulton, Ky., T. J. Reed, 91 years old. Funeral service was held at Union church, interment following in the church cemetery.

In the passing of "Uncle Tommie," as he was familiarly known, Fulton county loses one of its oldest citizens, a man highly esteemed by his associates and acquaintances; a man who contributed much to the development of the community and who will long live in the memory of all fortunate enough to know him.

His parents were early settlers in Fulton county, migrating here from central Kentucky about 1842 when the deceased was a mere child.

Mr. Reed served through the Civil War in the Confederate army, Company L, 3rd., Kentucky, Forrest Cavalry, with distinction, and was honorably discharged. He was a gallant soldier and after his discharge returned to Fulton county to reside in peace and happiness. He was a loyal member of the Cumberland Presbyterian church.

Besides his aged widow, he is survived by several grandchildren and other relatives. Dick Bard and J. T. Bard of Fulton, and W. C. Reed of Hickman, are nephews.

That gallant band of heroes who wore the gray and forever immortalized Southern valor is growing fewer in number, faster as the years roll on, and soon the reveille will sound for the last one of this side and all will have crossed to the other side to be with Stonewall Jackson and the others gone before and "rest under the shade of the trees."

The pretty home of Mr. and Mrs. W. H. Scates on Carr street was practically destroyed by fire last week. The damage is estimated around \$3,500 partly covered by insurance. It is thought that the fire originated from the furnace flue.

DEATH NEAR BARDWELL

Word was received Tuesday noon by W. C. Porter, of the death of his kinsman, Johnny Brent, which occurred Saturday, January 8, following a brief illness of pneumonia.

Deceased was an esteemed citizen of Carlisle county and was the eldest son of the late William Brent, and Mrs. M. N. Brent, the latter of whom survives with his wife, several brothers and sisters, also numerous relatives and friends to mourn his death.

Tobacco News

Pool To Open at Fulton, Monday, January 17.

The Dark Tobacco Growers Cooperative Association will open its receiving station at Fulton next Monday.

Farmers should class their tobacco carefully and deliver it in good keeping order.

The advance will be 50 per cent of the valuation placed on the tobacco by the loan committee and this advance ranges from \$2.00 to \$16.00 on leaf and from 50c to \$2.00 on trash logs.

The crop is short this year and the farmers are urged to deliver their tobacco as quickly as possible which will enable the association to handle the crop much more economically.

O. C. HENRY ANNOUNCES FOR CIRCUIT COURT CLERK

In today's Advertiser will be found the announcement of O. C. Henry, of Hickman, candidate for Circuit Court Clerk of Fulton County, subject to the action of the Democratic primary election.

Mr. Henry needs no introduction from our hands to the voters of Fulton county, having served the people efficiently and loyally as County Court Clerk two terms when he won the esteem and confidence of every man, woman and child of the county. He is a man well qualified for the office to which he aspires and the voters will make no mistake in considering his claims most favorable. He has been tried and never found wanting. He deserves your support.

STRANGER IS FOUND DEAD

The body of an unidentified white man is being held at the Fulton Undertaking parlors in Fulton which was found Tuesday morning by employees of the railroad company at the new yards. The dead man is seemingly about sixty-five years old, slender and roughly dressed, about five feet ten inches in height, gray hair and sandy beard, with blue eyes. A coroner's jury rendered a verdict of death from exposure and freezing.

BELOVED WOMAN PASSES AWAY

SOME POSSIBILITIES

There are many things we could do, and ought to do, for the good of this and adjacent farming communities. There are many things which, if we would do them, would give us a better town and a better community. For instance—

We might encourage each citizen to be more loyal to local interests, and more considerate of each other. You can break a pipe stem with your fingers without difficulty, but it takes an axe or a saw to bring down a tree. And yet time was when the tree was no bigger or stronger than the stem of the pipe. Its strength comes from constant growth and development, just as we as a community would grow and develop if we could only make up our minds to stick together. We ought to do it, for our own individual good and for that of the community as a whole. But loyalty to home interests must be the first and most vital step in our advancement along the road to local prosperity. Without the first step no others can be taken.

We might encourage our women to take a more active interest in the affairs of the city and the rural territory. The day is past when women are supposed to have no minds above dress or the wash tub. Today they are recognized universally as the mental equal of men in every sphere of life. In many respects the average woman is unquestionably superior. There then would seem no valid reason why she should not have an equal voice in civic as well as domestic affairs. Certain it is that if we could inject the strong and splendid personality of womanhood into municipal affairs we would in time see a vast and wonderful

conditions. We need their aid, their advice, their assistance, and some day we will have it.

We might try the experiment of indulging in praise and commendation instead of fault finding and criticism. By commending that which is good in our midst we might unconsciously stimulate a desire in our own minds to improve that which is not so good, in order that it, too, might be commended and praised. The bitterest and most nauseating pill is rendered pleasant and agreeable by a little coating of sugar, and it might be even so with the rough spots in our daily existence. Every great ending has had its origin in a small beginning, and a few humble words of praise might produce results where hours of abuse would fall upon deaf ears.

JACK HAYDEN OF DUBLIN IS SLAIN

Mortally Wounded by Lawrence Ellegood Following Church Services Sunday

Mayfield, Ky., Jan. 10—Jack Hayden, 48, a prominent farmer of near Dublin, was shot and fatally wounded shortly after noon yesterday by Lawrence Ellegood, who resides just across the line in Hickman man county. The shooting took place following services at the St. Denis church, in Hickman county, and as Hayden was entering his car to drive to his home. The bullet entered the right side and passed thru the liver, lodging just in front of the spine. Death occurred about 7 o'clock last night at the Mayfield hospital.

Details of the shooting are meager. The belief is that following the conviction of Mrs. Hayden, together with Raymond Lassiter, who resides on the Hayden farm, on a charge of selling intoxicants, the charge growing out of the sale of some cider by the two, bad feeling had been engendered between Ellegood and Hayden, the former having been the complaining witness in the trial in which Mrs. Hayden and Lassiter were fined \$100 each.

CLINTON NEWS

William Potter, aged seventy-five years, died Sunday night at 11:30 o'clock at his home near Clinton, with complications. Mr. Potter was one of the most highly respected farmers of this section and almost a life long citizen of this county, having lived in the New Chapel neighborhood nearly half a Century. Funeral services were conducted at New Chapel by Rev. G. W. Evans. Burial was in the New Chapel cemetery. Mr. Potter is survived by his widow, Victoria Potter, and seven children.

The announcement of the marriage of Miss Pauline Craig to Mr. William Magnus in Conway, Arkansas, Friday afternoon, January 7, came as a surprise to her many friends and relatives in Clinton. Another Big Reduction In Prices.

All remaining Fall and Winter Suits and Overcoats for men and boys enter into this sale. The merchandise is the same fine, dependable sort that we have made our reputation on, and just the kind the men and boys of Fulton and vicinity want to buy.

We might enlarge on the fact that the prices we have placed on our men's and boys' clothes are especially low, for even a store of extraordinary value. We might say that never in our existence have our values merited the term "Extraordinary" so much as they do in this sale. We might affirm and reaffirm this, but proof would still be necessary to convince the average buyer. A visit here will give you that proof—positive, irrefutable proof—that seasonable wearing apparel may be bought here at great savings.

It is an opportunity that many men have been waiting for and will be quick to take advantage of.

About this time of year a boy's clothes begin show signs of wear. This sale makes it possible to outfit him completely at a minimum cost.

Lesson for January 16

THE CHRISTIAN'S USE OF HIS BIBLE

LESSON TEXT—Deut. 6:4-9; II Tim. 3:14-17.

GOLDEN TEXT—Thy word is a lamp unto my feet and a light unto my path.

PRIMARY TOPIC—The Best Book in the World.
JUNIOR TOPIC—Studying our Marching Orders.
INTERMEDIATE AND SENIOR TOPIC—How to Read and Study the Bible.
YOUNG PEOPLE AND ADULT TOPIC—How to Get Help From the Bible.

I. God's Instructions to Israel as to the Use of the Scriptures (Deut. 6:4-9).

1. The central truths to be taught (vv. 4, 5).

(1) The unity of God (v. 4).

"The Lord our God is one Lord." This was a testimony against the polytheism existing among the Gentiles of that day.

(2) Man's supreme obligation (v. 5).

"Thou shalt love the Lord thy God with all thy heart, soul and might." God should be loved with all the heart, soul and might because He is the alone and supreme God. This being the first and great commandment, we know what is man's supreme duty.

2. How these truths are to be kept alive (vv. 6-9).

"These words which I command thee this day shall be in thine heart." In order that God's Word might be in the heart they were enjoined—

(1) To teach them diligently unto thy children (v. 7).

The most important part of a child's education is that given in the home in the Word of God.

(2) "Shalt talk of them when thou sittest in thine house" (v. 7).

This is the right kind of home life. (3) Shall talk of them when walking with our children and friends (v. 7).

What more interesting, important and uplifting topic upon which to converse with our friends.

(4) Shall talk of them when retiring for the night (v. 7).

The last thing upon which the mind should rest before going to sleep should be God and His truth.

(5) Talk of them when rising in the morning (v. 7).

How fitting that God should speak to us through His Word the first thing when we awake.

49. "Bind them upon thine hand for a sign" (v. 8).

This was literally done by the Jews as portions of the Scriptures were worn upon their wrists.

(7) "They shall be as frontlets between thine eyes" (v. 8).

This also was literally done by the Jews even to wearing portions of the Scriptures in little boxes between eyes.

(8) "Thou shalt write them on the posts of thy house and on thy gates" (v. 9). They were to be constantly before their eyes.

II. Paul's instruction to Timothy as to the Scriptures (II Tim. 3:14-17).

In this chapter Paul makes clear to Timothy that perilous times would come. False teachers would arise within the church and lead astray sentimental and unsuspecting people as neurotic women. People professing godliness would deny its power by godless living. So awful will this condition be that those who live godly lives shall suffer persecution. Paul's own life of suffering was an example of what fidelity and testimony would bring. In the last days he predicts that this attitude on the part of these false teachers would be intensified for "well men and seducers shall wax worse and worse."

In the face of such trying circumstances Paul exhorts Timothy—

1. To remain steadfast, to abide in the eternal truths which had been taught to him (v. 14).

He assures him that though trying times would come and violent storms of opposition would beat heavily upon him, Timothy would find the Word of God an abiding, unshaken foundation. The Holy Scriptures will abide even when heaven and earth have passed away; therefore the necessary thing is to abide in them.

2. The knowledge furnished by the Word of God was sufficient for the perplexing and trying times through which he was to pass (v. 15). The Bible furnishes wisdom which can be found in no other place. This wisdom, as all true wisdom, leads straight to Jesus Christ, who gives salvation.

3. The Scriptures are inspired of God (v. 16).

Inspiration here means "God breathed." Because of this fact they should be held with confidence.

Abiding in the Scriptures will perfectly equip the minister for his work (v. 17).

How Jesus Saw Men

Jesus divided men into two classes and no more; either on the narrow or on the broad way; either a good tree or a bad tree; either a wise or a foolish builder; in a word, either for Christ or against Him.—Plummer.

MORE MILLIONS
for your service

THE continued growth of Kentucky will require an estimated expenditure of more than two and a quarter million dollars during 1927 for additions, extensions and replacements to the Bell Telephone System throughout the State.

This is one of the largest telephone construction programs ever undertaken in Kentucky during one year, and follows a gross expenditure of more than \$2,900,000 last year.

It is now estimated that more than 2,380 new telephones will be added to the Bell System in Kentucky this year.

These large additions are a part of our policy of building in advance to keep pace with the anticipated growth and progress of the State.

The expansion of the service makes it more valuable to every user and provides the entire State with an unequalled, modern system of quick communication.

Senour's FLOOR PAINT

"It Penetrates"

IN the word "penetration," is a secret manufacturing process that has made Senour's Floor Paint a popular favorite for over 40 years.

If a floor paint does not penetrate or grip into the wood it will soon begin to crack, chip and peel.

Senour's Floor Paint dries over night with a high gloss enamel-like finish, but at the same time it sinks into the pores of the wood and forms a film that will withstand the hardest usage and will withstand repeated washings without dimming the lustre.

Every can of Senour's Floor Paint is guaranteed to give satisfaction if directions printed on the can are followed or money back upon receipt of empty can.

11:00 a. m. Holy communion and sermon. Every one cordially invited to attend these services.

Church News

Dr. Boyd returned Saturday night from the I. C. hospital in Paducah, but was not sufficiently recovered from his recent operation to hold services.

The doctors in Paducah reluctantly allowed him to leave the hospital and appointed a local physician to attend him during his convalescence at home. He hopes to resume full duty next week.

In the absence of Superintendent Stansbury last Sunday, Mrs. Boyd acted as Superintendent as well as attending to her duties as Secretary.

Bishop Woodcock is spending some time in the east where he is engaged in the effort to launch the Bishop's crusade.

Rev. Custis Fletcher, rector at Paducah, met Dr. Boyd at the train when he went to the hospital and attended to all the business details and in every way showed Dr. Boyd all the attention his illness entailed.

Robert E. Hubbard has been quite ill for the past week, but is now able to be at his office.

Miss Kallena Cole, accompanied by her mother, drove to Chicago last week, where they are visiting Mrs. Cole's brother.

Mr. George Osthof accompanied Dr. Boyd to the hospital Tuesday of last week as the representative of the local physicians who had been attending the doctor.

Members of Trinity Parish are hoping that the illness of Dr. Boyd will have run its course soon and permit him to resume his duties in the very near future.
