White House Rejoices At Parley News

Conference To Result President Not To
Engage

Washington. — Washington surely
appreciated the decision of President
Franklin D. Roosevelt to attend the
meeting today in London, and to take
part in the conference. The President
\, himself, has expressed his delight
in the conference and has declared
that he will work hard to achieve a
peace conference.

The conference is expected to
result in a declaration of principles
that will be a basis for peace.

Fulton Football Fans Are Eager for Culver Battle Friday Night

The Fulton Football team is eager for the upcoming battle with the Tornado of Union City. The contest, scheduled for 8:15 o'clock, is a significant event for both teams, as the Bulldogs are counting on a win to maintain their momentum. The 1937 edition of the Bulldogs home schedule was less successful, with a 45 to 0 loss to the present team. The Bulldogs feel confident that this year's team, under the leadership of Coach James, will not face the same challenges as last year. The team has been working hard to improve, and they are determined to show their supporters that their hard work has paid off.

Going to church regularly is not only a duty, but also a privilege and a source of pleasure and profit to all who do attend church services regularly. Believing this to be a fact, the churches of Fulton have united in a campaign to increase the church attendance in Fulton. Special efforts will be made during the time agreed upon to materially increase attendance at all the churches which are cooperating in this campaign.

**THE MONTH OF OCTOBER**

Has been designated as Go To Church month, and the Pastors' Association has formulated plans of properly advertising the campaign which are now being carried out. During the period it is hoped to interest non-attending church members of any church. Goals have been set, based upon the number of each church, and percentage of attendance will be published in local newspapers each week.

**Sunday Schools Also Affected**

At the same time steps will be taken to increase attendance at the various Sunday Schools and the same plans that apply to the church attendance campaign will be used in this work.

The following Churches are cooperating:

- First Methodist Church
- First Baptist Church
- First Christian Church
- First Presbyterian Church
- Cumberland Pres. Church
- Trinity Episcopal Church

**Sunday Is First Day**

Next Sunday is the first day of the Go To Church Campaign and special welcome awaits all who attend any church. Welcoming committees have been named, and special features will be found at all the churches and Sunday Schools. You are cordially invited to attend the church of your choice next Sunday morning, and the same invitation applies to Sunday School.

This advertising is made possible by the following business and professional men of Fulton, who heartily endorse the purpose of this campaign and who join the various churches in propagating this worthy movement.

**WHY GO TO CHURCH?**

1. Because the Church is of God and will be preserved to the end of time, for the promotion of truth and the advancement of the Word and ordinances, the maintenance of Christian fellowship and discipline, the elevation of believers, and the conversion of the world;
2. To cultivate the soul along with the body and mind.
3. For the uplift of the soul through music and singing of great hymns.
4. To catch inspiration which will enable one to live his best.
5. To lend one’s influence and support to the institution that is working to make this a better world in which to live.
6. For the preservation of the Holy Sabbath Day.
7. For the preservation of civilization itself.
8. To lend one’s influence and make every possible contribution to building the universal Brotherhood of Man.
9. To engage in corporate prayer.
10. For a good example.
