U. S. Senator Tom Underwood has accepted an invitation to attend the district meeting Sept. 6 at Kentucky Lake State Park of Kentucky Young Democrats. This information was announced this week by Shelby McCallum, state representative. Governor Wetherby also has been invited and is expected to attend, McCallum said.

Ned Breathitt of Hopkinsville, state president of the Young Democrats, also will attend the meeting.

The one-day meeting will draw Young Democrats from all over the district. Marshall County Young Democrats will be host to the visitors.

The Marshall County Fair will be in progress at the time and visiting dignitaries will be guests at the fair.

SEN. UNDERWOOD

2,000 At Picnic Of Farm Bureau

By J. HOMER MILLER
County Farm Agent

More than 2,000 persons attended the annual picnic of the Marshall County Farm Bureau Saturday. The meeting, a joint affair with the West Kentucky REA, was held at the picnic shelter at Kentucky Lake State Park, Aurora.

The huge crowd consumed 1,500 pounds of barbecued mutton, 80 pounds of potato chips, 750 pounds of cabbage slaw and more than 200 loaves of bread.

The "picnic lunch" was prepared and served by members of Homemakers Clubs under the direction of Miss Sunshine Boone, Marshall County home demonstration agent.

Boone Hill was master of ceremonies for the program and made the welcome address. The devotion was given by Rev. Eura Mathis.

B. S. St. Clair, first vice-president of the Kentucky Farm Bureau, was principal speaker.

The West Kentucky REA elected officers at an afternoon program. Homer Chester and Lee Henson were re-elected directors from Marshall County.

E. T. Inman is president of the Marshall County Farm Bureau. Both the Farm Bureau and REA are farmer-owned and operated organizations working for the interest and improvement of rural people. Both are trying to be of service to people of the area. They are hoping to make the farmers' surroundings more pleasant and enjoyable.

To be of the greatest service every farm family should be in such an organization as the Farm Bureau, owned, operated,

and working for the interest and improvement of farm people. You should be a member and carry part of the load. Such picnics cost a lot of money and the greater the membership the greater the benefits to be derived and the lower cost per member.

Think it over and ask yourself this question: "What am I doing to improve farmers' standards in my community?"

Frances Creason Selected Queen Of Farm Bureau

Miss Frances Creason of Benton Route 1 was chosen Farm Bureau Queen at the Farm Bureau picnic held Saturday at Kentucky Lake State Park.

Each contestant was required to be of a Farm Bureau family and have a record of service in 4-H work, church work or other community services.

Miss Creason won over the nearest contestant by 15 points on her record.

The other entries in the queen contest were Linda Doyle of Calvert City and Mary Brooks Tynes of Oak Level.

All girls have done splendid work in their community. The winner will represent the county in the district contest later in the year.

BLUE LODGE MEETS

Harold S. Kellam Jr. was raised to the degree of a Master Mason at initiation ceremonies held Monday night by Benton Lodge No. 622.

Ky. Dam Park Top Attraction

Kentucky Dam Village at Gilbertsville drew the largest number of persons, 1,251,478, of any park in Kentucky during the 1951-52 fiscal year, according to a report made by Commissioner of Conservation Henry Ward.

Kentucky Lake was in second place with 467,866 visitors. Cumberland was third with 255,244.

Attendance at Kentucky parks set a new record during the year.

Ward reported that 2,796,816 persons visited the parks during the year to surpass 1950-1951, the previous high year, by 755,000. The figure for 1947-1948 the year that the state's expanded park program was started, was 373,589.

Ward said the increase this year was general with practically all parks showing comparable percentages. Doing away with gate charges and increased recreational and overnight facilities were credited with a large part of the gain.

Gate charges were lifted at Audubon Park, Henderson; General Butler, Carrollton; Natural Bridge and Cumberland Falls. Admission to all state parks is now free.

New facilities included a 40-room addition to DuPont Lodge at Cumberland Falls and the 60-room Kenlake Hotel at Kentucky Lake.

Bullet-Riddled Car Found in County

BULLET-RIDDLED CAR — Benton Chief of Police Neil Owens is shown beside the bullet riddled automobile found abandoned near Sharpe. The auto was taken at gunpoint from R. H. Maxwell of Mayfield Route 2.

Bullet-Torn Car Mystery Solved

Mystery of the bullet-riddled car found abandoned Monday morning near Sharpe has been cleared up, Marshall County Sheriff Volney Brien reported Thursday.

Youths held at Paducah as suspects in a three-county crime wave admitted they shot up the Studebaker sedan with a Russian-made automatic rifle, Sheriff Brien said.

The sheriff said the youths apparently shot up the car just for target practice. The sheriff counted 41 bullet holes in the car.

The car still is held in Benton but no further investigation here is planned, Brien said.

Plans to check fingerprints on the car have been dropped, he said.

The car was taken at gunpoint last Friday night from R. H. Maxwell of Mayfield Route 2. Maxwell was bound hand and foot and his wife and daughter locked in a smokehouse behind their home near Hickory.

Five of six suspects are held in jail at Paducah in connection with a series of holdups and other crimes in McCracken, Marshall and Graves counties.

The crime wave has been keeping State Police and county officers working day and night for more than a week.

NEW FURNITURE STORE WILL OPEN IN BENTON MONDAY

Riley Furniture and Appliance Co. will open a new store in Benton Monday, July 20. The new store will be in the building now occupied by Benton Radio and Electric Service.

Loman Dotson of Benton Radio and Electric Service will be manager of the new furniture store. The radio and electric shop will be operated in the space under U-Tote-Em Store formerly occupied by Joe and Helen's Beauty Shop.

Riley Furniture and Appliance Co. operates 10 stores in Kentucky and Tennessee. Headquarters of the company are in Paris, Tenn.

The new store will carry a complete line of nationally known furniture and appliances.

Walter Williams, an executive of the Riley company, stressed that low credit terms will be available. The company offers an easy payment plan whereby customers may take as long as two years to pay.

Prices that now prevail at the Murray Store will be good at the new Benton store, Mr. Williams said.

Mr. and Mrs. Joe F. Hendrickson of Landram, S. C., formerly of Benton, are the parents of a baby girl, named Kathy Lynn. Joe is the son of Mr. and Mrs. T. S. Hendrickson of Benton.

36 Pairs Of Shoes Part Of Loot

Burglars entered the Smith and Overby Store in the Vanzora section of Marshall County Wednesday night.

They stole 36 pairs of overalls, 36 pairs of shoes, two cases of eggs, several cases of coffee, 35 cartons of cigarettes, a card of pocket knives and other merchandise.

The burglars entered through an exhaust fan at the rear of the store, Sheriff Volney Brien said.

Probably more than one person was involved in the burglary, the sheriff said.

The sheriff reported burglars still are active in the Little Cypress and Possum Trot sections. The George Ford place, vacant for some time, was entered Tuesday for the third time in two months.

It was the seventh house entered by burglars in a week in the sections, Brien said. The thieves are taking "anything they can get their hands on," Brien said.

Three men are suspected of the burglaries, the sheriff said.

RECIPE OF THE WEEK

A popular Sunday night supper dish is a frosted sandwich loaf. It is made by stacking 4 slices of bread together with different fillings. The whole is then frosted with a fine cottage cheese mixture and cut across to serve, says Miss Florence Inlay of the University of Kentucky.

Frosted Sandwich Loaf
2 slices of white bread
2 slices of brown bread

1-2 cup cottage cheese
One fourth cup of cream
1-2 Tablespoon gelatin
2 Tablespoons cold water

Sandwich fillings
Cut crusts from bread, using alternate varieties of light and dark. Spread a slice with butter, then with a thick layer of chicken or tuna salad, to which has been added one tablespoon dissolved in 1 1-2 tablespoons

of cold water. Top with another slice buttered on both sides. Spread with a vegetable mixture of shredded cabbage, parsley, carrots and mayonnaise. Cover with a third slice of buttered bread. Spread with a mixture of chopped hard-boiled eggs, olives, nuts and mayonnaise. Place the fourth slice on top. Make a "frosting" of cottage cheese forced twice through a fine strainer, then

combined with cream and softened gelatin. Frost the sandwich stack on the top and sides. Place in refrigerator for several hours, then cut across in thick

slices. Serves four.
Sunday night supper: Sandwich loaf, buttered lima beans, relish plate, ice cream with berries and sunshine cake.

Two on Target

Like a pair of fashion bullseyes are these two versions of concentric circles from Harper's Bazaar magazine. At the right, the black and white rings are used on Nat Kaplan's white dress of Regency linen, retailing at about \$40. The other bullseye is General Tire's new "Whiteway Tire," built to stay clean with white stripes recessed between black ridges.

Hiett-Burnett Wedding Held

Miss Alice Katherine Hiett and Jerry Harold Burnett were united in marriage at 2 o'clock Sunday afternoon, July 13, at the First Methodist Church here.

The pastor, Rev. W. D. Grisom, performed the double ring ceremony. Pots of ferns and baskets of white gladioli formed a lovely background for the wedding. White candles held burning white tapers. The altar chancel rail was decorated with fern and gladioli.

The bride, given in marriage by her father, entered from the front and was met at the altar by the bridegroom and the pastor. Bill Robinson of Paducah was best man.

Mrs. Lalah Ely, organist, played Romance by Schumann. The Rosary by Nedin, Meditation De Thais by Massenet and Dreams by McAmis. Lohengrin and Mendelssohn wedding marches were played.

Miss Anne Solomon sang I Love Thee by Grieg, O' Promise Me by DeKoven, The Lord's Prayer and I Walk Beside You.

The bride was dressed in white nylon over taffeta with embroidered bodice. Her waistline veil was caught on each side with rhinestone clips. She carried a white prayer book topped with a white orchid and white satin streamers.

Mrs. Hiett, mother of the bride, wore a dusty rose dress and black accessories. Her corsage was of white carnations.

Mrs. Burnett, mother of the bridegroom, wore a brown dress with beige accessories and a yellow rosebud corsage.

Miss Jane Riley, maid of honor, wore lime green organza dress over taffeta and carried a bouquet of yellow daisies.

The bridesmaids, Barbara Bohannon, Joanne Hiett, of Benton, and Betty Carolyn Thompson, of Paducah, wore identical dresses of orchid organza over taffeta and carried bouquets of white daisies.

Miss Rosalind Nelson was flower girl. The ushers were Joe Hiett, brother of the bride, Al McGuire and Jerry Rose.

The bride is the only daughter of Mr. and Mrs. Hoy Hiett of Benton. The bridegroom is the son of Mr. and Mrs. Burnett of Symonia.

A reception after the wedding was held in the basement of the church. Guests were served punch and slices from the wedding cake. Mrs. Charles Lewis cut the cake.

Miss Charlotte Nelson kept the register. Miss Jo Anne Smith served punch to the guests. The couple will reside in Benton.

Mr. and Mrs. Earl Cloud, Mrs. D. J. Cloud and daughter of Route 7 were Monday visitors in Benton.
