The LISTENING POST

This writer has come across the claim that he knew much about what he wrote. After all, he has found several authors who had the same goal of trying to be known. In my early years I could bring up a lot of examples of the same sort that would make this point. In conclusion, we must not be too sure of this man's work. I think that he might have had more to say than he wrote about. I believe that if he had a chance to say more, he might be able to write the book better.

The ONLY one who had a chance to say more was the President of the American Railroad Union. He was the one who had a chance to say more about the trouble. In those days he wasn't too much of a trouble to say more. The President of the American Railroad Union in those days was one of the few who had the chance to say more about the trouble. At a special call meeting of the Board of Council of the City of Fulton, Kentucky, held on the 21st day of September, 1938, at the Fulton City Hall in Fulton, Kentucky, and at 7:00 o'clock P. M., said Board of Council did, by the following vote and upon motion of T. T. Boaz, duly seconded by K. R. Lowe, adopt the following ordinance and upon said motion and second, the vote was as follows: Councilman Boaz, Bugg, Newhouse, Lowe, McNelley and Pickering all voting aye, none voting nay. Said ordinance is as follows:

AN ORDINANCE SUBMITTING TO THE QUALIFIED VOTERS OF THE CITY OF FULTON, KENTUCKY, THE QUESTION OF WHETHER OR NOT THEY ARE IN FAVOR OF PURCHASING, CONSTRUCTING AND OPERATING A MUNICIPAL LIGHT, HEAT AND POWER PLANT, AND INCURRING AN INDEBTEDNESS BY THE ISSUING OF REVENUE BONDS TO PROVIDE FOR THE PAYMENT OF THE COSTS THEREOF, AND SPECIFYING THE TOTAL VALUE OF SAID BONDS, AS ESTIMATED BY THE BOARD OF COUNCIL OF SAID CITY, TO BE NECESSARY TO PAY SAID COSTS OF SUCH PLANT.

"Whereas, the Board of Council has therefore passed an ordinance declaring it desirable that the City of Fulton shall purchase or construct and operate a municipal light, heat and power plant, and has adopted the necessary and proper plans and specifications of the municipal light, heat and power plant, and has made the necessary estimates of the probable costs of the construction or acquisition of a plant, and has caused a survey to be made of the lands, structures, right of way, franchises and easements, the acquisition of which may be deemed necessary: therefore

BE IT ORDAINED BY THE BOARD OF COUNCIL OF THE CITY OF FULTON, KENTUCKY:

That there be submitted to the qualified voters of the City of Fulton, and be printed on the ballots provided for use in said municipality, the question: "Are you in favor of purchasing, constructing and operating a municipal light, heat and power plant in accordance with the plans and specifications adopted by the City of Fulton, and the incurring of an indebtedness by the issuance of revenue-bonds in the amount of $110,000."

And opposite the question on said ballots, shall be printed "Yes" and "No" with the proper squares for stamping the cross-mark to indicate the preference of the voter.

Approved this 21st day of September, 1938.
