A Brief Review of Fulton's Progress.

Twenty-six years ago the oil, through a rift in the lega-

dure of the paper industry, to the West. Fulton, "The Rich," of the great branch of the Fulton County

industry, canvassed the minds of men to take up the ship

ments from Fulton proper.

The Fulton Railway Company was formed, with

employees located at Fulton, 625.000.00.

Since then it has been built near the new depot.

the plant was extended and the company

Creston Printing Company, built a substantial

store rooms and offices on the site cleared and opened

a metal goods store, and a furniture store, and for the

management of William C. and Robert E. Henry.

The building is now in use for many years and a large

Fulton, Ky., March 7, 1927.

[Letter text begins here.]

Packets of seed, the manufacture of which is suspected of being adulterated, were ordered destroyed by the Fulton County Mayor, under a resolution of the county council. The packets were seized by the state commissioner of Agriculture.

[Letter text continues.]

[Additional content follows, including financial statements and reports.]

Gentlemen:

I beg to report, in the matter of the complaint of E. E. Williams, Westminster, that the said E. E. Williams is a resident for the purpose of residence in the county of Fulton.

Respectfully,

[Signature]

E. H. Williams

Chief of Police, Fulton, Ky.

“Money makes money” is a phrase that is often used to describe the process of earning money through investments or other financial endeavors. When used in a broader sense, it suggests that the pursuit of wealth and financial stability is a key component of a successful life. This phrase is often associated with the idea that financial resources can be used to generate additional income, furthering the accumulation of wealth over time.

Big opportunities often come to folks with a little extra cash. By starting a savings account with us now, you soon will have sufficient savings to enable you to take advantage of some worthwhile bargains.

Opportunities Await

“Money makes money” is a phrase that is often used to describe the process of earning money through investments or other financial endeavors. When used in a broader sense, it suggests that the pursuit of wealth and financial stability is a key component of a successful life. This phrase is often associated with the idea that financial resources can be used to generate additional income, furthering the accumulation of wealth over time.

Big opportunities often come to folks with a little extra cash. By starting a savings account with us now, you soon will have sufficient savings to enable you to take advantage of some worthwhile bargains.

To wait may be too late.
