WEATHER BUREAU.

The weather conditions during the greater part of the coming week will be somewhat more favorable than has been the case for some time past. The general conditions will be favorable for the seedings of tobacco, but occasional showers are probable in some parts. It is recommended that farmers should continue to sow their crops as soon as possible, and to watch the weather closely in order to take advantage of favorable conditions.

Pitit
THE REPUBLICANS IN OVERTON COUNTY last Monday night commenced the canvass of the county, and the results will no doubt receive a great deal of attention. It is expected that the canvass will continue until the close of the election, when the results will be announced.

Our Boy.

Murray Gilbert killed his Man.

The result of the murder and robbery at the residence of Dr. Murray Gilbert, which took place late Saturday night, is as follows:

Dr. Gilbert was making his way to the city of Palmetto when he was attacked by a band of men, who demanded his money and property. The officers and his friends, after a fierce struggle, overpowered the robbers and they fled. Dr. Gilbert was immediately taken to the hospital, where he was pronounced dead on arrival.

The following resolutions were adopted by the Republican convention of Overton County last Sunday night:

1. Resolved, That we are opposed to any form of government that does not recognize the right of the people to elect their own representatives.

2. Resolved, That we are in favor of a strong arm for the people.

3. Resolved, That we are opposed to the spoils system.

The resolutions were then referred to the proper committee for consideration and report at the next meeting of the convention.
