FULTON, KENTUCKY, FRIDAY, FEBRUARY 14, 1947

NUMBER FOUR

Gill Signed As Manager Of Fulton Baseball Team

Former Union City Pilot Is Good
Hitter; Will Act As Player
And Manager

Johnny Gill, who managed the Union City Greyhounds last season, has signed a contract to pilot the Fulton Chicks in 1947. K. P. Dalton, president of the Fulton Baseball Association, announced. Gill is well known in the Kitty league, and is a consistent hitter, with an average of .378 last year.

Gill was in Fulton last Friday, when he signed a contract. He returned to his home in Nashville, but will accompany a Fulton delegation to Bay St. Louis, Miss., to pick players for the Fulton club after the Memphis Chicks open their spring training there.

Last year's players who have been sent contracts are: Buck, 3d; Praopst, 1st; List, catcher; Secret, catcher; Seawright, outfielder; Lynch, Engel, Long, pitchers; Peterson, outfielder; Irland, pitcher and Workman, outfielder.

ENGLISH WAR BRIDE LIKES UNITED STATES

Mrs. Florrie McClanahan, wife of Louis McClanahan, Fulton, Route 3, is well pleased with the United States. She arrived in this section last week, after sailing from Southampton, England to New York. She was accompanied by her son, Brian Keith Harding.

Mrs. McClanahan is the daughter of Mrs. Florrie Harding of Leicester, England. She has two brothers, one of whom, served in India and China and was wounded in action.

Mr. McClanahan was in the service 44 months, and overseas 29 months. He returned to the United States, Oct. 4, 1945, but his wife was unable to join him until now. She and her husband met in Leicester. They will celebrate their fourth wedding anniversary on Sept. 18.

NAILING IMPLEMENT CO. SPONSORS ANNUAL PARTY

It's family party time again at the Paul Nailing Implement Co., according to Orion Winstead, manager. "County Fair," and other new movies will be shown on the screen, and refreshments will be served to farmers and their families who attend the affair at the store Thursday, Feb. 20, at 7:30 p.m.

ALFRED LOWE OF CAYCE PLEDGED TO SIGMA CHI

Alfred J. Lowe, Jr., of Cayce, sophomore student at Centre College, has been pledged to Sigma Chi, national Greek letter social fraternity, following the close of the rushing season in January.

Lowe is the son of Mr. and Mrs. Aldred J. Lowe, Sr., Cayce, and a graduate of the Cayce high school in the class of 1938. He is a war veteran majoring in law at Centre.

PHOSPHORUS BLAZE SMOTHERED BY SAND AT FULTON HIGH

A shelf in the science room at Fulton High School collapsed Tuesday afternoon, spilling acid and phosphorus on the classroom floor, with the phosphorus bursting into flame. Quick thinking of the part of Mrs. Trevor Whayne, chemistry teacher, and prompt action by the students, prevented serious damage.

Damage was estimated at about \$300, and the flames were smothered so quickly that the fire department was not called.

MOTHER OF FULTON WOMAN WILL BE MISSED BY RAILROADERS

Mrs. W. W. Cuth, 80, of Blufford, and mother of Mrs. E. E. Tosh of Fulton is dead. Funeral services and burial were held at Benton, Ill. Known as "Grandma" by "railroaders" she will be missed by all who knew and loved her.

Water Valley Looks Ahead And Elects Civic Leaders

One of the Most Thriving Small
Communities in This Territory;
Citizens Looking For
More Activities

The people of Water Valley are looking ahead, and hope to bring further progress to their community, as is testified by the civic interest shown by the citizens during a recent community meeting, when a city board was elected to aid in promoting the best interest of that community.

The following have been named as a board of trustees: Warren Johnson, chairman; John Bennett, Bill Cloys, Milford Jobe, Nathan Gossum. Boone Bennett is the city judge; Ed Roberts, town marshal; Mrs. Virginia Campbell, clerk.

A total of \$700 has been raised with which to improve streets, and conduct other civic work.

CAYCE HOME ECONOMICS CLASS MAKES PROGRESS

If you haven't visited the home economics department at Cayce high school recently, you are in for a pleasant surprise. This department is under the direction of Miss Pauline Waggener, who has played an important part in rearranging the department, providing new conveniences and giving it new appeal in appearance.

New paint, and redecoration, with enlargement of the kitchen space by moving a partition have added to the appearance of this department. F. F. A. boys, under the direction of James T. Roberts, vocational agriculture teacher, have made new cabinets and compartments that lend new charm and beauty. New linoleums on top of the foods laboratory tables, make them easier to clean, more sanitary and attractive.

Other adjuncts to the convenience and beauty of the department include a full length mirror, new bookcase, new books, step-on garbage pail, kitchen stool, dish towel drying rack, new electric stove (on order), and other small equipment. The county school board provided some financial aid, and the home economics girls did their share in helping raise money for the improvements. Their efforts included an ice cream supper, a food and drink concession for the Jackson Purchase basketball tournament, and serving of lunch to about 60 veteran farmers and speakers at an all-day agricultural meeting.

Home economics classes have been taught the importance of better methods of homemaking with the spending of as little money as possible. Different units taught during the present school year: Personal grooming, personality, clothing, foods, canning, care of the home and furnishing, child care and safety in the home and surroundings. Units yet to be taught this year are handicraft, consumer buying, home nursing and art in the home.

Plans are being made for an F. H. A. organization.

JOHNSON AND OWENS - NEW OWNERS OF THE WATER VALLEY GARAGE

Pirtle's Garage, located on the Fulton-Mayfield highway in Water Valley, was recently purchased by Warren Johnson and Claude "Shorty" Owens, and this firm will operate now under the name of Water Valley Garage and Implement Co.

Messrs. Johnson and Owens are well known in this territory, and this modern garage and implement store, which is well equipped to service cars and tractors, should make steady progress under their management.

Wilson Burrow will be in charge of the body and paint shop. Jack and Delbert Wilson have opened a new shoe shop at the corner of Fourth and Third Sts. They are brothers of Tom Wilson, former operator of shoe shop here.

Fulton Co-Operative To Hold Annual Meeting Feb. 20

G. P. Summers, Marketing Agent
University of Kentucky,
To Be Principal Speaker;
Election of Officers

Members of the Fulton Co-operative Association will hold their annual meeting at the Cayce High School, Thursday, February 20. A barbecue supper will be served in the cafeteria beginning at 8:30 p.m.

G. P. Summers, marketing agent from the University of Kentucky, will bring an interesting message, as the principal speaker of the evening.

Final payment checks for Ladino growers who sold seed through the Co-operative will be delivered at this time.

Officers and directors will be elected for another year.

YMBC MAKES PLANS FOR SCOUT DRIVE

In connection with Boy Scout Week, the YMBC completed plans Tuesday night for the annual Scout drive. Robert Burrow, president, urged members to sell tickets to the Boy Scout benefit dance held Thursday night.

Methods for increasing attendance were discussed, and the club voted to hold its next dinner meeting in the Rainbow Room over the Steak House.

E. E. Williamson, John H. Howard and Orvin Moore were voted into club membership, and Joe Brown, Malco theatre manager, was awarded an honorary membership for his fine co-operation.

SOUTH FULTON WON TWO FROM CLOVERDALE

South Fulton Angels nosed out the Cloverdale girls 19-17 in a fast game here last Friday night. The South Fulton Red Devils defeated the Cloverdale boys 45-27.

FULTON LOSES TO PROVIDENCE IN W. KY. CONFERENCE

The Bulldogs of Fulton High School were nosed out of the West Kentucky conference tournament at Madisonville last Friday night, as Providence defeated the local team 44-42. The game was a nip-and-tuck affair, with both Fulton and Providence taking leads, but as the final whistle sounded the Providence team was on top.

FULTON PURE MILKERS DEFEATED MARTIN TEAM

Fulton Pure Milkers defeated the Martin Independents in a game at Martin Thursday last week, with the final score 36-31.

J. A. PURCELL SUFFERS BROKEN HIP

J. A. Purcell fell at his home on Walnut St., on Thursday night of last week, and suffered a broken hip. He was taken to the Jones Clinic. He had been an invalid for several years.

FULTON TEAMS WIN TWICE OVER CUBA

After suffering defeat previously at the hands of the Cuba casters, Fulton High varsity team won Tuesday night over the visitors, 53-49. The Pups won their game also, score being 9-8.

MARCH OF DIMES DRIVE NETS \$520.33 HERE

The March of Dimes drive here resulted in the collection of \$520.33 in total contributions, according to Wilson Gantt, chairman.

The local theatres received contributions totaling \$240.98 for the largest single donation and the benefit basketball game netted a sum of \$32.76. Schools contributed a nice sum.

Advertising, properly handled, shouldn't cost anybody anything.

Farmers Held 14th. Annual Convention At Cayce, Feb. 7th.

Fulton County Group Elected
Officers and Laid Plans
For Another Year

Farmers of Fulton county gathered at Cayce high school last Friday night, Feb. 7th, in their fourteenth annual convention, with Chas. E. Wright, president, presiding. Group singing was led by the Rev. W. D. Grissom of Hickman, and invocation was given by the Rev. Bob Covington of Liberty. The Hickman quartet rendered a special selection.

President Wright gave his annual address to the Farm Group in which he covered the past year's activities in an informative, well-presented narrative. The annual report was read by J. B. McGehee, secretary and treasurer. During the business session confirmation was asked on the following members who had previously been elected by their respective communities and organizations:

Roy Bard, Palestine; C. A. Binford, Crutchfield; Chas. E. Adams, Cayce; Lucian H. Isbell, Sylvan Shade; C. K. Daxis, Hickman; Guy Barnett, Brownsville; Kelcy Conder, Western; Mrs. Roy Bard, Mrs. C. A. Binford.

Motion was made, duly seconded, and carried that they be confirmed as County Directors. Nominations were then called for two Directors at large, one from each end of the County. J. T. Lawson from the east end and E. W. Yates from the west end were the only ones nominated and were duly elected by acclamation.

Nominations were then called for a Chairman of Association Women, as a Board Member and Mrs. Cecil Burnette and Mrs. Wayne Yates were nominated. Votes were taken and Mrs. Burnette having 18 votes and Mrs. Yates 17, Mrs. Burnette was elected.

The president then instructed the newly elected Board to caucus in their room and elect a County President, Vice President and Secretary. While in that session the Hickman quartette gave a few interesting and enjoyable numbers, and the president recognized a few distinguished guests, including John B. Watts, our county agent, who in turn introduced W. C. Johnstone, Agronomist of the University of Kentucky, who made a very interesting talk on the results of this past year's corn derby in the state and touched on the possibilities of making a pasture belt by using improved methods of pasture development in years to come.

Announcements were then made by E. W. Yates, acting chairman of the newly elected board, of the following: Chas. E. Wright, president; E. W. Yates, vice president and J. B. McGehee, secretary treasurer. All were re-elected to succeed themselves.

Mr. H. J. French, our county insurance agent, then presented his insurance report, and voluntary expressions and resolutions were called for and Mr. Roy Bard responded with a short full of pep talk.

Leadership activities were discussed by J. H. Cox, of Madisonville, our District Organization Director, who congratulated Fulton County for having such a successful leadership.

Mr. Riley G. Arnold, our principal speaker, gave us a wonderful address on "Farm Bureau's Task at Hand."

Parity, increased membership in comparison with increased prices and stimulation of economic production with the use of improved fertilizer and the use of more of it when it becomes plentiful, was his main topics, which was blended with just enough humor to illustrate his meaning. Owing to the unpleasant and extreme cold night, there were only about 150 present. The benediction was given by Rev. R. H. Clegg, of Cayce.

Most people overlook the development of their social recreational life; some consider it wasted time. Sincerity is a rare, but pleasing, virtue.

DEATHS

MRS. SALLIE ANN COLLIER.
Mrs. Sallie Ann Williams Collier, daughter of the late Mr. and Mrs. Josh Williams, died at her home near Fulton, Tuesday afternoon, following a long illness. Funeral services were held at the residence Wednesday afternoon, with interment in Lebanon cemetery near Sedalia, Ky., in charge of W. W. Jones.

She was born near Dukedom, Tenn., Aug. 2, 1868, and was 78 years of age. She married Henry Collier, and five children were born. Her companion and two children preceded her in death. She was a good woman and had lots of friends in and near Fulton and Dukedom.

She leaves two sons, Hillman Collier and Deal Collier, both of Fulton; one daughter, Mrs. Hamp Quarles of Fulton; six grandchildren and two great grandchildren. Pallbearers: Fred Collier, Gene Dowdy, Marshall Rogers, L. J. Williams, Raymond Griffith, Estes Collier.

J. ED LAMB

J. Ed Lamb, son of the late Mr. and Mrs. G. J. Lamb, died at the Haws Clinic in Fulton, Friday night following an appendix operation and cerebral hemorrhage Saturday. Funeral services were held at Mr. Moriah church Sunday afternoon by Revs. McMinn and T. A. Duncan, with interment in a nearby cemetery in charge of W. W. Jones & Sons.

He was born and reared near M. Moriah, and was 62 years of age. He married Miss Lula Clement, and to this union four children were born. She preceded him in death, and he later married Miss Anna Thompson. He was an outstanding farmer, and had many friends in this section.

He leaves his companion; three sons, Ralph and Charles of Martin, James of Texas; one daughter, Mrs. Galen Mallory of Martin; three brothers, T. W. Lamb of Water Valley, Robert J. Lamb of Fulton and Dr. Wayne A. Lamb, pastor of the Hayes Ave. Methodist church, Jackson, Tenn.; seven sisters, Mrs. I. F. Gatewood of Dresden, Mrs. Verna Roberts of Hopkinsville, Mrs. G. C. Holloway, Mrs. B. A. Golden, Mrs. Emmett Caldwell and Mrs. Buel arren of Fulton; Oran Oliver of Chicago.

JOHN ROYER

John Vernon Royer, 60, died Wednesday at his home in Hickman as a result of a heart attack. He was a native of Obion county, but had lived in Hickman for many years. He was an employee of the U. S. Engineers at Hickman since 1932, and prior to then was with Mengel Company there.

He leaves his widow; three daughters, Mrs. Uel Killebrew and Mrs. Jack Edwards of Fulton and Mrs. Mildred Bateman of Blytheville, Ark.; three sons, Thad of Hickman, Joe of Murray State College and J. H. Bishopville, S. C.; three sisters, Mrs. Bernice Rogers of Atlanta, Ga., Mrs. Ina Taylor of Cowan, Tenn., and Mrs. Myrtle Hampton of San Diego, Calif.; three brothers, Will of Bishopville, S. C., Henry of Dayton, Ohio, and Ancil of Hickman; three grandchildren, and several nieces and nephews.

WILLIAM MARSHALL ROSE
William Marshall Rose died suddenly Tuesday at his home near Water Valley, where he had resided for the past 16 years. Funeral services were conducted Thursday afternoon at the Water Valley Methodist church, with interment in Harmony cemetery.

He leaves his widow; two sons, Arthur Rose of Water Valley and Kelly V. Rose of Lewisburg, Tenn.; one daughter, Mrs. Mary Elizabeth Farmer of Nashville; three granddaughters and several nieces and nephews.

Everybody has his troubles, but only quitters advertise their difficulties.

Speeding will kill thousands of people in 1947, but, the chances are, it won't affect you, if you don't speed.

Son Of Robert Davis Fatally Injured By Passing Auto

Lad Was On Way To School When
Struck Down Near The
Overhead Bridge On West
State Line

Charles Davis, 6, son of Robert Davis of Highland, suffered fatal injuries here Tuesday afternoon, when he was hit by an automobile near the overhead bridge on West State Line, while on his way to school. H. E. Willard of Toledo, Ohio, driver of the car which struck the boy, rushed him to the Fulton hospital where he died about fifteen minutes later.

The accident was witnessed by Elbert Burcham, of Wodland Mills, Tenn., who was driving a truck about 75 yards behind the Willard car. Burcham told police that the Davis boy walked into the path of the automobile from behind a wagon on the left side of the highway. Willard attempted to avoid striking the youth by swerving his car to the left, Burcham said.

Willard's car was traveling west on State Line, and the accident occurred about 20 feet from the top of the bridge.

Funeral services were held Thursday afternoon at the First Baptist church by the Rev. Sam Ed Bradley, pastor. Interment in Fairview cemetery in charge of Hornbeak Funeral Home.

Charles leaves his father, Robert Newton Davis; two brothers, Robert Lewis and Paul Dean; seven sisters, Bessie Arnold, Marion Davis and Peggy Davis of Fulton, Mrs. James Morris of Charleston, W. Va., Mrs. Emil Meeker of Murray, Mrs. Louis Bennette of Muskegon, Okla., and Mrs. Reginald Koeski of Oakland, Calif.

STUDENTS ON MURRAY HONOR ROLL

Several students from this vicinity were on the honor roll at Murray State College for the fall quarter. Among the honor students are: Louise Herron Allen, Fulton, 3.00; Margaret-Neil Brady, Fulton, 2.20; Charlotte Sublett Lindhorst, Fulton, 2.50; Mary Eleanor Blackstone Parham, Fulton, 2.38; Forest Alton Riddle, Fulton, 2.46; Mary Charlyne Sanford, Fulton, 2.29; Charles Stuart Speed, Fulton, 2.35; John William Tosh, Fulton, 2.31.

JOBLESS BENEFIT CLAIMANTS IN STATE

Jobless benefit claimants in Kentucky collected \$5,237,426 during the month of January, and \$4,770,306 of this amount went to unemployed veterans. Total payments were up \$994,099 over the December figure of \$4,243,327, and veterans collected in January \$919,785 more than the \$3,850,521 they received in December.

PERMITS GRANTED BUSES FOR SEIGEL EMPLOYEES

A. R. Steele, representative of the Kentucky Motor Transportation Division, granted bus permits to Paul Lester to operate between Arlington and Fulton and to Sam H. Hays to operate between Wingo and Fulton, after a hearing at Paducah. The operations were ordered confined to transportation of workers at the Henry I. Seigel plant in Fulton.

TILLMAN ADAMS NOW WITH INSURANCE FIRM

Tillman Adams, who has been a miller at Browder Milling Co., for a number of years, recently resigned to accept a position with the Life and Casualty Insurance Co., of Nashville. He will be associated with Tommie Bynum and will work South Fulton and Martin.

Mr. Adams has been with Browder Mill since 1929, except for a brief period, and is well known in this community. He is a teacher of the Woodrow Fuller Bible Class at the First Baptist church.

Individuals who set out to reform the human race will be pretty tired before the work is completed.

CAPITOL COMMENTS

By David M. Porter

Too often in our system of party politics, the welfare of the taxpayer, the people, and even the interests of the country are submerged for the benefit of the party; and in some circles, party loyalty is admired and rewarded above statesmanship, but not in the minds and hearts of the people. Recently John Cooper, junior Senator from Kentucky, proved he was a Statesman. The issue was seemingly unimportant; the matter of a new committee which meant more expenditures and another Chairmanship for the Republican, John's party. The party lines were drawn and the pressure was on but when it was brought to a vote, Cooper voted against it in what some papers heralded as a rebellion. Cooper explained his vote saying that existing committees already covered the situation and an extra committee was unnecessary. We want to congratulate you, John. With you and Senator Barkley in the Senate, Kentucky is well represented.

The above sounds jumbled, but Kentucky politics have always been complicated and many more elements enter into the situation. Waterfield is the son in law of the late Garth Ferguson, long associated with Rhea and Commissioner of Agriculture under Governor Laffoon. Waterfield will thus have a following from the old Rhea faction. Senator Barkley was a close friend of Rhea and of Seldon Glenn, Collector of Internal Revenue and a power behind the scenes in the Democratic party. Who will they back in the primary? Waterfield is from Barkley's home district and was the campaign chairman in 1944 but then Clements is from the Second and is a member of Kentucky's delegation in Congress. Barkley and Glenn's influence might be the balance of power in the primary.

The machine and the politicians in Louisville, the powerful Third district, seem to be lining up with Clements, possibly through the influence of Miss Lennie McLaughlin, long associated with "Micky" Brennan, who was a close friend of Rhea and Clements. Waterfield also has friends in Louisville and his connection with Ben Kilgore. Ben's open sponsorship of Waterfield gives him a lot of strength with the farmers and the rural sections. There are few, if any, dead heats in elections. The above are major factors that will influence the coming Democratic primary, and the way they lean will mean defeat or victory.

This is a delicate subject. Taxes and their assessments have always been, but it is the vital issue today and we must face it. The National debt is an obligation against all of us. It is a mortgage on our homes, our businesses and our earning power. It should be paid as soon as possible, as billions of dollars in interest incur each year. The next decade will be an era of prosperity. The exigencies of war stopped us from manufacturing many necessities and luxuries needed to maintain our standard of living. The market is here and in manufacturing we will create more payrolls and more purchasing power. It seems now that Congress will maintain the present excise tax on luxuries, and these is some talk of reducing the income tax as much as fifty percent. Should this be done? Is the present high tax an imposition on ability and business acumen or should it be maintained and our debt paid? There is a strong undercurrent for a National sales tax. Should this tax be enacted? Our tax structure compares favorably with all other nations. In England, out of an income of four thousand dollars more than two thirds goes for taxes. Would the present Administration gain in popularity by reducing taxes or by paying on the National debt? What is your idea along these lines? You are a cross

section of Public Opinion and I would appreciate your writing me at Frankfort in order that I may pass it on in this column and to our representatives at Washington.

The talk of party harmony and not having a primary is a lot of "hokum" as it will always be in Kentucky. The only time there will be no primary under our present State law is when the machine of a party gets so powerful that candidates opposing it will have no chance to win, and if that ever happens, look out for the welfare of Kentucky. A primary is a healthy sign of Democracy. It always brings out the strong and weak points of a candidate and arouses the people's interest in the election. In our two-party system it is both beneficial and necessary.

In the Democratic primary, the lines are already drawn and the candidates are working for votes. Harry Lee Waterfield, Clinton publisher and Speaker of the House at the last session, managed Ben Kilgore's primary campaign against Lyter Donaldson for Governor and was associated with Donaldson in his race against Governor Willis. He was campaign chairman for Roosevelt and Barkley in the 1944 Presidential Election. Opposed to him will be Earl Clements, State Senator in Kentucky's Legislature and now in his second term as Congressman from the Second district. Earl was closely associated with Tom Rhea and managed his primary campaign against Happy Chandler for Governor. Keen Johnson was slated as Lieutenant Governor on that ticket, and although Rhea lost, Johnson was nominated and elected and then became Governor after "Happy" resigned to be appointed by Keen to the Senate.

Mr. and Mrs. Billie Moore of Fulton visited his parents, Mr. and Mrs. T. J. Moore recently.

Little Kay Emerson is not much improved.

Mrs. Oliver Taylor was a guest of Mrs. E. B. Rucker of Fulton recently. Mrs. Hucker has just come from a Memphis hospital where she underwent a serious operation. She is convalescing nicely.

Mrs. J. J. McNatt has been very poorly the past few days.

Guests at the home of Mr. and Mrs. Roy Emerson recently included Mr. and Mrs. T. J. Moore, Mr. and Mrs. Billie Moore, Misses Emma and Hilda Lassiter, Mr. and Mrs. Oliver Taylor and daughter, Mr. and Mrs. Erwin Rowland and daughter, Mr. and Mrs. Edwin Carr, and Bro. and Mrs. McMinn.

Mrs. Bertha Rickman is not feeling so well, and has returned to Haws memorial hospital for treatment.

ROUTE THREE

Hear ye! Hear! The road going north beginning at State Line highway at Barkley Parrish's place, is now graveled to the T. W. Wemms front.

Those on the sick list for this week are: Otis Williams, whose condition is said to be very serious. Miss Mollie Brann, Mrs. Martha Cannon and Johnnie Foster. The latter is slightly improved. Mrs. Susie Bennett is also ill.

Mr. and Mrs. Dean Williams and son, Mr. and Mrs. W. A. Crittenden went to the movie Friday night.

Glad to hear that Mr. Lee Jones is improving since coming home from Memphis hospital.

Mr. and Mrs. Barkley Parrish spent Wednesday night of last week with B. H. Lowry and family.

Sunday, those who visited Mr. and Mrs. J. C. Foster were Raymond Bennett and family, Jimmy Clement and wife, P. J. Brann, wife and son, Dean Williams and H. A. Sick, wife and daughter.

E. C. Lowry and wife visited Mr. and Mrs. Elzo Foster Friday night. Dean Williams went to Murray Friday on business.

Mrs. E. C. Lowry spent Tuesday of last week with Mrs. Stella Lowry.

Aunt Sallie Starks with Mr. and Mrs. Don Starks visited J. C. Foster Thursday afternoon.

Mrs. Louise Olive and son, Terry, spent Thursday with Mr. and Mrs. E. C. Lowry.

Mr. Andrew Williams visited his parents in Union City a few days the past week.

Mrs. W. A. Crittenden gave an all day quilting Tuesday. Those present were Mrs. Dessie Starks, Mrs. Alene Starks, Mrs. Rella Bennett, Mrs. Bonnie Bennett, Mrs. Stella Lowry, Mrs. Arvena Williams, Mrs. Maud Newton.

Mr. and Mrs. Check Bennett, Mrs. Gustie Bennett and Mrs. Rella Bennett visited Aunt Mollie Brann and J. C. Foster Thursday afternoon.

Rufus and E. C. Lowry visited Mr. and Mrs. Oswald Croft Tuesday. Mrs. Croft is doing nicely and suffered no serious injury from her recent accident with her coal oil stove.

B. H. Lowry and wife, Mr. and Mrs. Barkley Parrish visited John Ladd and family near Fulgham Sunday.

Theron Jones and wife of Memphis returned home Saturday. They are to live with Mr. and Mrs. Lee Jones.

Coy Yates and wife visited his father Sunday night, who has been ill for some time.

Jimmie Allen Jones and Miss Betty Foster spent the week-end with Alvin Foster.

Mr. and Mrs. Mose Foster of Detroit spent a few days with home folks. He returned. She remained for a more extended visit.

Mrs. Herbert Butler is recuperating after an attack of appendicitis.

It is very cold in these parts, but not too cold for Martha Lou Williams and Richard Lowry to attend a movie Saturday night.

The fellow that insists on tooting his own horn should have a tune to play before he starts blowing.

It is said that the big potatoes always get to the top of the basket. Yes—but the little fellows have to hold them there.

No Building Is Immune From FIRE--

But everybody can follow these common sense precautions and help reduce the hazards:

1. Clean up your premises.
2. Clean out trash from attics, cellars and closets.
3. CHECK YOUR FIRE INSURANCE POLICY—be sure you are fully covered—both buildings and household effects.
4. If you have any insurance problems or desire additional coverage, phone No. 5.

FIRE—it can happen to you!

NOTICE

I herewith give public notice of my intention to file an application with the state board, for license to operate a liquor store to sell package liquors at 610 West State Line Street, Fulton, Kentucky.

This notice will appear in two consecutive issues of the Fulton County News, a local paper with general circulation in the city and adjoining territory.

—CHARLES A. BROWDER.

A TRIBUTE

Palestine Homemakers Club, has visited Mrs. Anna Sigman very much since she passed away.

Being of a friendly disposition she enjoyed the fellowship of the club and was always cheerful in spite of her physical handicaps.

Besides her interest in the club and other community activities she was always interested in church work.

Mrs. Sigman was a life long member of Union Cumberland Presbyterian church which attended as often as her health would permit.

She will be greatly missed in the church and in the community.

CARD OF THANKS

We wish to thank our many friends and neighbors for their wonderful help and kindness through the illness and death of our father and husband, Will Taylor, who passed away January 28. Especially do we appreciate the beautiful music and songs, the words spoken by Bro. Covington, beautiful flowers and kindness of Harbeaks. Dr. Rudd and nurses, May God's richest blessings be upon each and every one.

Mrs. Will Taylor, Mrs. Al Cruce, Mrs. Irvin Olshove and Mr. Harry Taylor.

The bare midriff is becoming very popular with women—as has been with men.

You're just kidding yourself if you think you have nothing to do until tomorrow.

GARDEN PROGRAM IS BASED ON FOUR POINTS

February 2 to 8 has been designated by Secretary Agriculture Clinton P. Anderson as National Garden Planning week.

This is the period recommended by the recent National Garden Conference, when garden and horticultural leaders everywhere will organize local forces for an effective post-war garden program. Goals of the garden program this year are fourfold:

To insure better nutrition in many millions of American families.

To provide families, particularly those in the low income groups, with a net addition to the quantity of vegetables and fruits consumed by them.

To assist in meeting the cost of living.

To foster nutrition education and aid in the development of cultural values that come with home gardening, and home grounds and community improvement.

Never sign a receipt until you know what it contains. The same advice applies to legal documents, regardless of where they come from.

Right will triumph over might when those who believe in right are willing to give it the same service that might receives from its adherents.

Last week the nation celebrated Abraham Lincoln's birthday; this week, it remembers George Washington. Maybe, some day, it will honor yours.

Merchants in agricultural centers can tell you that when farmers have no money to spend, merchants have no money with which to buy goods from manufacturers.

If the government got out of business altogether, you would have no postoffice, no tariff, no airways, and no regulations to protect the public from anything.

From where I sit... by Joe Marsh

Mystery of the Rocking Chair

Ma Hoskins has a favorite rocking chair that's worn and shabby, with a noisy creak. Pa Hoskins has listened to that squeak for thirty years... and he decided to do something about it. So he bought a new rocker, and hid the other in the barn.

Ma allowed as how grateful she was... but when Pa missed her one afternoon, he heard a familiar sound that led him to the barn. There was Ma rocking happily in her old chair—squeak... squeak. No need to tell you how Pa felt.

Quick as a wink he hid the new rocker and then brought Ma's old chair back to the house. Now when he hears that squeak, he looks at the mellow glass of beer he's drinking and says to himself: "She's just as entitled to her small pleasures as I am."

From where I sit, that's one of the reasons the Hoskines are the happiest, oldest-married, peace-fulest folks in our town.

AMERICAN WAY OF LIFE

The American people are often told to toil and strive to preserve what is called the "American Way of Life." What are these grand ideals, through which the nation has survived war and conflict and climbed high mountains of difficulty?

1.—Freedom. The country believes that if people are given freedom to govern themselves and make their own choices, their powers, under the invigorating sunlight of liberty, will grow and expand. Thus the nation will go on to more prosperity and power.

2.—Justice. Justice has been defined as the soul of the universe. The country believes that if people are protected by this noble ideal, industry, skill, and enterprise will be well rewarded, and there will be a steady gain in human welfare.

3.—Opportunity. Our country believes that the doors of opportunity should be open to all to develop whatever powers they have. If they so open, ambition enters those doors, and people make gains they had once thought impossible.

Inspired by these noble principles, our country will rise to new levels of success and happiness.

HOME TOWN THOUGHTS

If a town just stands still it is really falling behind, since so many of its competitors are making real gains.

A chain is said to be only as strong as its weakest link, and a neighborhood is injured if one home in the group is kept in a neglected condition.

Many business concerns will testify that when they drop their advertising, their sales fall off.

OUR PUBLIC SCHOOLS

In the little read school house—or maybe it wasn't little, or even red—millions of us learned to read and write and wrestle with arithmetic—and by the aid of teachers, lay the foundations of our lives. Lots of people are slipping today, and the statistics show that in 1940 there were 10 million Americans who were functionally illiterate. A total of 670,000 were rejected by the Selective Service in wartime for mental or educational deficiency. Among the registrants in the draft 350,000 signed their names with a mark.

Today 5 millions of school age are not in school. How can these children win their battles with life? The remedy exists in the public schools. Adults over 25 years old who have completed more than 4 years of school reach a national percentage of 13.57.

In the long ago perhaps your sister taught in a country school for \$20 a month (mine did) and was "boarding around" in the homes of her pupils. In 1917 the average annual salary had risen to \$600. In 1929 a teacher's annual salary was much less than that of employees in all forms of private business, and in 1944 it was still \$464 less than that of the average worker in private employment. The average teacher still gets much less pay than the privately employed man or woman.

The National Education Association of the United States 'is our authority for these statistics. It properly emphasizes the point that the school teacher in order to be a success must be highly educated, and possess practical, technical and artistic skill representing the best talent.

More than half of the children of the United States between the ages of 5 to 17 years live in rural areas and about 9,000,000 live in the open country. It is comforting to learn that some of the best schools

for rural children are in the rural districts. But, among the schools of rural children a disproportionate number are of the poorest kind. There is an urgent present need for qualified teachers for these children.

Sad to relate, several hundred thousand able teachers deserted their profession in recent years, simply because they had to make more money to live on. Besides, it is estimated that the average public-school teacher in 1945-46 has attended college one year less than the average teacher did a few years before.

It is interesting to know that as late as 1941 married teachers were debarred from regular teaching positions in 58 per cent of the cities school system; but progress has debunked the old idea that teachers must be unmarried. Marriage and parenthood is now recognized as having stepped-up the competence of teachers.

The National Education Association demands that "we can afford to spend a larger amount for education if we want to do so . . . Scholastic pays. We can afford to educate our children." The Association declares: "Responsibility cannot be lightly regarded at any time . . . It is of the utmost moment in the period of world-shaking revolutions in science and politics. The oncoming generation must create, resist, adapt. It must not falter nor fail." No truer words were ever spoken!

OUR ROYAL COTTON

In the past it was a custom to speak of "old king cotton." But we are tired of kings, and now cotton is one of the royal products of the soil. The activity of cotton mills has increased within the last few months. The official estimate of the 1946 cotton crop is that the average staple length of this crop is the largest on record. Trade ex-

Accurate

WORKMANSHIP

At Low Cost

Watches Clocks and Time Pieces of All Kinds Accurately Repaired at Low Cost by—

ANDREWS

JEWELRY COMPANY

pectations have been reached by the cotton producers, and the price at this time shows an increase over the year 1935. Nearly 9,000,000 bales of cotton were raised in 1945.

Too many people make life an intermission instead of a mission. If we find it easy to misconstrue the actions of someone—it's usually because we dislike them.

A Valentine for Mother!

SUCH a grubby little valentine — no lace, no satin, no pretty poem! Butch made it himself, scrawled the message, pasted it crookedly together. It didn't cost much, but what a lift it gives a Mother's heart!

No, it isn't cost alone that counts. It's what a thing does for you. Like electricity, for instance. Dependable electric service is Mother's 365-days-a-year valentine—ready all the time to lift the burden of homemaking, ready to make life easier and happier for her.

And when Mother struggles with her budget, she can't help noticing that electricity is just about the smallest item on her list. While the cost of nearly everything

went UP, the price of electricity came down —AND STAYED DOWN. Maybe you don't know it, but if yours is an average family you're now getting TWICE AS MUCH ELECTRICITY for your dollar as you did only ten to twelve years ago.

Yes, electricity — like Butch's valentine — does a lot for a little!

Beautiful Music For You!

Listen to the New Electric hour . . . the Hour of Charm . . . famous All-Girl Orchestra and Chorus . . . every Sunday afternoon at 3:30 o'clock central standard time, over Columbia Broadcasting System network.

Mrs. Jim Wilson spent Saturday night with Mrs. Tom Reese. Mr. and Mrs. Jene Cavender Mission spent last week with her aunt, Mrs. W. C. Matthews. Billy Wilbanks has returned home after spending a few days

with his grand parents near Dyersburg.

Raymond Wilson spent Monday night with Charles Kimble in Fulton.

Mr. and Mrs. Everett Jordan and Cleatus Wilbanks spent Thursday of last week with Mrs. W. C. Matthews.

Mr. Tom Reese was in Union City on business last week.

Miss Dorothy Stennet had dinner with her brother and wife Sunday night.

Mr. Jim Wilson spent Saturday night with his son and family, Mr. and Mrs. Carnell Wilson.

Mr. Charles Mackins is building a new addition to his house.

Mrs. Fred Stennet got her hand burned with hot grease Tuesday night.

Mr. Sam Howell and wife, also Mr. and Mrs. Moss Howell visited Mr. and Mrs. Richard Allen, Sunday.

Mrs. Bessie Matthews visited her daughter Mrs. Everett Jordan, Tuesday afternoon.

Mr. and Mrs. Virgil Cavin visited her sister, Mrs. Harold Aldridge, in Paducah, Sunday.

Aubrey Luther visited his mother, Mrs. Tom Reese, Tuesday.

When a guy goes wrong there are plenty of guys who go right—along with him.

AUSTIN SPRINGS

The Tennessee Playboys of this village presented a program of hillbilly and popular tunes over WNGO, Mayfield, the past Saturday, dedicating a few numbers to the merchants here.

Mrs. Ed Frields continues to improve at her home near here — although still remains in bed.

Carol, baby daughter of Mr. and Mrs. Hubert Bynam was stricken with pneumonia and is now a patient of Hows Memorial hospital. She is somewhat improved at this writing.

The box supper at Lone Oak school Thursday night was well attended and the sales netted a neat sum of which will be used for the benefit of school. Miss Mary McClain won the cake for the prettiest girl and Miss Madian Dickerson running a close second. Program presented by the pupil was enjoyed by all and the teachers, Mrs. Velma Lafuze and Mrs. DeLores Austin are being commended for their work as teachers.

Word has been received by relatives here that Mrs. Paul Cavender, St. Louis, is back in hospital. It will be remembered that Mrs. Cavender had a major operation, a few months ago from which she hasn't fully recovered. We hope

she may recover very soon.

Mrs. Earl Mitchell and daughter, Judy, have returned to their home in Paducah, Ky., after many weeks at the bedside of her mother, the Mrs. Ed Frields.

Mr. and Mrs. J. W. Bynum, Mr. Ed Frields and Mr. and Mrs. Doyle Frields spent Friday in Paducah, Ky.

KY. FARM GOALS

ANNOUNCED

Kentucky farm production goals for 1947 as established by the U. S. Department of Agriculture and the State USDA Council were announced today by M. D. Royse, State Director of the Production and Marketing Administration.

The goals for major crops grown in the State are: Corn, 2,460,000 acres, down 1 percent from the 1946 indicated production; oats, 125,000 acres, down 2 percent; wheat 525,000 acres, up 10 percent; rye, 60,000 acres, up 50 percent; barley 100,000 acres, up 43 percent; soybeans for beans, 70,000 acres, up 15 percent; early Irish potatoes, 34,000 acres, up 25 percent; sweet potatoes, 16,000 acres, up 23 percent; cotton, 14,000 acres, the same as last year; time hay, 1,700,000 acres, down 3 percent from last year. (The 1947 Burley tobacco acreage allotment reduction for allotments of one acre or more is expected to be from 18 to 20 percent. A reduction of 10 percent in the 1947 marketing quota for dark air-cured tobacco has been announced. The fire-cured quota remains the same in 1947 as in 1946).

Kentucky's 1947 production goal for beef cattle is 124,000 head, up 3 percent from 1946 indicated production. Other Kentucky goals for 1947, with comparisons with 1946 production, are as follows: Dairy cows on farms, 550,000 head, down 2 percent; sows to farrow, 148,000, up 12 percent; stock sheep and lambs, 710,000, down 9 percent; chickens, 20,220,000, up 5 percent; and turkeys, 290,000, up 14 percent.

No Kentucky seed production goals were set for legume and grasses, but 1947 national goals for certain legume and grass seeds, expressed as a percentage of 1946 estimated production, follows: Red Clover, 101 percent of 1946; alsike, 108 percent; ladino, 179 percent; white clover, 88 percent; sweet clover, 173 percent; and orchard grass, 48 percent. No goals data are available for meadow fescue and Kentucky bluegrass seeds.

N. A. M. ADVICE

The National Association of Manufacturers, which maintains a considerable propaganda machine, memorializes Congress to take action on public matters and attempts to work up public opinion to support its program.

A recent release supports ten

"propositions," four connected with curtailing labor powers and six with reducing government income and abolishing wartime regulations. Not a single proposal involves any assumption that manufacturers have an obligation to the public or that Congress has any problem in connection with business itself.

Spent \$1000; Then Got Relief Taking Retonga

Could Eat So Little Because Of Distress From Indigestion He Could Hardly Stay On His Feet, States Well-Known Stock Dealer. Now Feels Stronger Than In Years

"Acidity and gas made me suffer the saying is; but Retonga brought the tortures of the condemned, as me so much relief I now feel fine and am working everyday," gratefully declares Mr. E. T. Rich, well-known stock dealer and farm owner of Route 2, Clarksville, Tenn.

"I could stay on my feet only by eating toast and such, which seemed to give me no strength," continued Mr. Rich. "I didn't dare eat even a biscuit and almost any food made me feel like I had swallowed coals of fire. I felt high-strung and

nights I could hardly ever sleep more than a few hours. My weight went down, I had to take strong laxatives, and I felt so weakened I could do little physical work. I spent more than \$1,000 but felt like I was slipping right along.

"Retonga relieved all this distress, and I now eat anything. I have gained weight, and I sleep restfully. Constipation is relieved, too. I feel better and stronger than in years. To me there's nothing like Retonga."

Thousands praise this famous medicine. Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at City Drug Co. (Adv.)

IT'S NEW AT THE OWL

We invite you to come in and see our new fountain. Strictly modern and up-to-the-minute in style, and built with all the features to provide SANITARY and STERILIZED PROTECTION to our fountain patrons.

GLASSES AND SERVING UNITS TRIPLE STERILIZED.

"Mysterious

Mr. Valentine"

When your little one catches cold—

Tonight . . . do what most mothers do to relieve misery of children's colds: Simply rub warming, soothing Vicks VapoRub on throat, chest and back at bedtime. Results are so good because VapoRub's special relief-bringing action starts instantly . . . and keeps on working for hours during the night while the child sleeps. Often by morning most misery of the cold is gone. Remember, Mother . . . be sure you get the one and only Vicks VapoRub.

Let us AQUELLIZE those LEAKING WALLS NOW!

Before Aquellizing cellar walls are damp and unsightly.

After Aquellizing walls are clean, white and room is dry.

AQUELLA

Reg. U. S. Pat. Off.

The Scientific Mineral Surface Coating that was used to control water seepage and dampness in the Maginot Line when other materials failed!

Is used inside or outside . . . above or below ground . . . on porous masonry surfaces, such as

BRICK, CONCRETE, LIGHT WEIGHT MASONRY UNITS, STUCCO or CEMENT PLASTER

Aquella works where so-called "waterproofing paints" fail. The reason: It penetrates to fill, close and seal the minutest pores of the masonry—then expands to set up a harder, firmer bond when water hits it. The finish is brilliantly white . . . can be painted over with any color . . . and does not powder, peel, flake or rub off.

Call us for an estimate.
