## KIRKSEY WINS OVER PADUCAH IN TOURNNEY

Kirksey was the first and last to play in the First Regional Tournament held here Friday and Saturday. Battling their way through games with Mayfield and Barlow, the strong Kirksey outfit went into the finals with Paducah, winning over the Tornado 31-29 to capture the championship of this region.

Washer, versatile center for Kirksey, who is only 17 years of age and a sophomore, scored 19 points for his team. In two previous games he bank 37 points for Kirksey, which team went to the state tourney at Lexington this week.

Paducah led 9-7 at the end of the first quarter, but Kirksey caught up by the score 13-13 at the half. Washer, who shoots free from any angle with either hand, gave the Calloway champs a 15-11 lead shortly after the first half. With a left-handed shot, Washer tied the count with a field goal. Points by McCusick, Pierce, Washer and Copeland gave the Kirksey quintet a 25-18 lead before Alderson scored five successive points to tie the game.

Washer then shot one over his left shoulder. Davis, Alderson and Martin made field goals and the score stood 29-25 in favor of Kirksey. Washer tipped the ball over his arm for a perfect shot to clinch the game. Hurt, a favorite with the fans present, made a free throw a the whistle blew.

### COUNTY AGENTS' NOTES

By J. B. Williams

The first car of limestone for 1936 has just been ordered by Hugh Garrigan, Harold Shaw, Pressie Moore and J. R. Elliott. Mr. Garrigan and Mr. Shaw are sowing alfalfa this week.

Forty-three cars of limestone were used last year and it is believed that more will be used in 1936.

Hickman County Soil Improvement Association have just purchased a tractor and grader to build terraces and want to do terracing for farmers in this county. For more details call at the office.

Samples of seed corn which were collected and tested at the Experiment Station for Fulton County, tested 100 percent. But care should be used in selecting seed and if in doubt make a germination test.

Wool weighs heavier if not sheared until after a few real warm days are had as the oil does not flow until the weather gets warm.

narrowly missed going to finals when the Bulldogs fought tenaciously to pull out nearly even with the Tornado in the last few minutes of play, only to drop back five as Paducah rallied. Score by quarters: Fulton—8 14 19 26—Total 67. Paducah—8 14 19 26—Total 67.

## CHAMBER-COMMERCE HOLDS GOOD SESSION

Things got off to a snappy start last Monday night, when the regular luncheon meeting of the Chamber of Commerce convened at the First Methodist church. A good attendance of business men was present, and a most enjoyable meeting was held. It was opened by President Fall, who turned the program over to Joe Davis.

The meeting was for the purpose of organization, and to lay plans for the year's work. An interesting and highly pertinent pep talk was made by J. G. Lester, superintendent of city schools, who enthusiastically urged concentration of purpose, and wholehearted co-operation as the keynote to community advancement. The following standing committees have been appointed: Agricultural Committee, Paul DeMyer, B. A. Ross and B. A. Smith.

Membership Committee, Smith, A. H. White, Bob Moore, Clyde Williams, Frank Beables, Bert Newhouse, Burgess Walton. This committee started a membership drive Wednesday, and it is expected that many new members will be enrolled this year.

Community Service Committee, W. R. Butt, J. A. Colley, Joe Browder.

Industrial Committee, C. P. Williams, L. H. Weeks, Thos. Goldsmith.

Trade Day Committee, A. G. Baldridge, Lewis Weeks, Gus Bard, Warren Graham.

Ladies of the Methodist Missionary Society served a delicious luncheon at the First Christian church on Monday night, April 20, with the ladies of that church serving the dinner.

## South Fulton High

Battle Lou Stubblefield, Reporter

The Hi-Y play "George in a Jam" will be staged with an all-star cast Friday night. This is the first of a series of entertainments that will be given at the auditorium from time to time. The coming of Spring and the close of the basketball season makes possible the offering of more programs of this type.

On Friday night Prof. Orvin Moore, Principal of the grade school will take the winners of the reading and oratorical contest to Troy to try for county honors in a contest sponsored by the American Legion.

The Junior team won the championship in the boys' division while the Sophomores and Seniors are matched in the final game of the girls' division. Much enthusiasm has been shown over this annual class basketball tournament.

A free throw contest will be run off soon and eight awards will be made to winners among the boys and girls.

Already the boys have been on the verge of Ferguson and Mansfield will be felt keenly but there are many boys with ambitions to make the team and considerable talent is in evidence. "Cheese" Peoples, the fifteen years old sensation who won the district discus event last year has added several feet to his loss. He will be hard to beat in the shot event too. Russell Polgrove who showed heels to the field in the mile run last year is back to try every at a record his senior year. He should clip several seconds from his time for last year. Russell has his eyes set on the regional event. Charles Reams, John D. Smoot, Stanley Mills, John L. Lamberth, Donald Hall, Hans Brundage, R. W. Lynch, Robert Lee McKinney, Charles Todd, and others are likely prospects for the third squad.

Many pupils are looking forward to the commencement time to see what will receive certificates for room leadership, attendance and other honors. Medals will be awarded leaders in activities, athletics and scholarship. Awards will also be made to the key and girl in the high school chosen as best citizen.

As many programs as possible will be given before Commencement Week to avoid the confusion and suggestion of work that week.

The epidemic of mumps that swept the lower grades recently, caught a few of the high school students. Conditions are becoming normal again, however, and large numbers who suffered have returned to school.

**Believe It or Not**  
Howard Webb and LeRoy Hasling are having a love race, but LeRoy is ahead. We wonder what the award will be?

Mr. Matthews didn't get Roscoe Bell's name.

Jelen Maupin and Rosa Mae Bell have fallen for CCC camps.

Ellen Alexander is serious.

Tris Sanford sat off to herself in Biology class. (What's the matter John?)

The seniors recently had their pictures made and there is quite a uproar about them. It's really amusing to see the pictures and notice some of the chief gigglers really serious and some of the most dignified with a great big grin.

Some of the senior boys are about to get out of control; these Freshman and Sophomore girls are heart breakers.

Mr. Gardner will be at school Monday morning to make individual pictures of all pupils from the first to the 12th grade. Let's have our faces a little cleaner and every hair in the right place.

It's curious that the girls of the basketball squad are not having as many finger waves since the season is over. Come on girls give the home town boys a break.

Hansel Brundage has conquered the mumps and is back in school.

The Seventh Grade entertained the other day with a miscellaneous program. There is much talent in the class and every one enjoyed the program very much.

**BIRTH ANNOUNCEMENTS**  
Mr. and Mrs. Bomer Hancock announce the birth of a five pound son, both Wednesday, March 18th, at the Fulton Hospital. Both mother and daughter are doing nicely.

Mr. and Mrs. Milke Sullivan announce the birth of an eight pound son, both Wednesday, March 18th, at the Fulton Hospital. Both mother and son are doing nicely.

**ADMINISTRATRIX NOTICE.**  
Having been appointed and qualified as Administratrix of the estate of A. W. Morris, deceased, this is to notify all persons owing his estate to call upon me and settle the same. All persons having claims against the estate will file same with me—Miss Elizabeth Morris, Admin'trix.

Mrs. Raymond Hewitt spent Wednesday in Memphis, the guest of Mrs. Kelly Browder.

Mrs. J. B. Turner was a recent visitor with friends in Union City.

## HUDDLESTON ELECTED ELKS EXALTED RULER

Jack Huddleston, who has been serving as chaplain, was elected as Exalted Ruler of the Fulton Elks Club, Monday night, at the annual election of officers. Hunter White was chosen secretary. Other officers elected to serve during the ensuing year were:

—Esteemed Leading Knight, Presley Campbell; Esteemed Lecturing Knight, Clyde Stephenson; Esteemed Loyal Knight, H. H. Bugg; Ed Wade was chosen Tiler, which place he has held for the past seventeen years. L. Kano was unopposed for trustee, and W. S. Atkins was unopposed as treasurer. Wren Coulter, retiring Exalted Ruler, was appointed delegate to the Grand Lodge.

The meeting was well attended and after the business session adjourned for a social gathering.

**READERS AND FRIENDS**  
Circulation is the life-blood of a newspaper or a magazine.

THE NEWS has always been alert to the necessity of maintaining a good coverage of the trade territory catered to by Fulton merchants. We have just completed an-

other circulation drive, which not only gave THE NEWS the biggest paid-up circulation in its territory, but has broadened the trade territory of Fulton.

We are proud of results obtained and friends made in our recent trade survey and circulation extension drive. Many important things were learned from our readers, new correspondents and features have been added to make THE NEWS the kind of paper they want. We always welcome helpful suggestions from our friends and large family of readers in Fulton, South Fulton, Fulton County, and portions of Hickman, Graves, Obion and Weakley Counties.

Merchants of Fulton invite you

through their ads in THE NEWS to trade with them, because they strive to render a definite service to the people of this territory.

We invite and solicit news from all communities, organizations, clubs or wherever news may be. We appreciate your help in making your home and farm paper a newer one.

**YOU NEVER KNOW.**

When it comes to picking the winner of a basketball tournament, it is all guess work. Before the tournament was played, many predictions were made. Practically every team in the tourney was chosen as the winning team by some one.

We became interested in guessing, too. So we decided upon Kirksey, in an item published last week. We chose this team because of its undefeated record the past season, and because we had heard so much about Washer, their star center. But after the tournament got underway we began to doubt whether Kirksey would pull through or not.

On our schedule of games, we picked Kirksey to defeat Mayfield, Barlow to win over Hickman, Paducah to conquer Birmingham, Paducah to defeat LaCenter, Kirksey to win over Barlow, Paducah over Fulton, and Kirksey over Paducah. For once in our life we were right on every game. We never expect to be again.

When Fulton and Paducah went on the court we started shouting for the boys—and we want to say that the Bulldogs put up a real scrap—and nobody can't tell me there's a better team in the state, pound for pound.

But, as we said in our article last week, you never know who will win until the last curtain falls on a tournament of this kind. Next time we are as likely to be wrong as anyone else.

**CONGRATULATIONS**

The First Regional basketball tournament is over. But thoughts of it still linger in the minds of Fulton people. Congratulations are in order to J. O. Lewis, superintendent of city schools, and manager of the tournament, and to all those who had a part in making the event a success.

Fulton is proud to have had the opportunity of entertaining the visiting teams and their followers.

Coach Powell and the Bulldogs are to be congratulated upon the fine fight put up by the local team, which went to the semi-finals, only to lose to Paducah by a few points. The sportsmanship and courage of the home club deserve community-wide tribute.

Respect must be paid to the winning team, Kirksey, to its coach and to its outstanding player, Washer. His scoring record during the past season of 285 points is worthy of commendation.

Fulton halls the basketball clubs of the Purchase, and invites them back again and again!

**WHEN IT RAINS IT POURS**

Everything comes in due season, it is said. What we are wondering, is whether we are going to have a long rainy spell again this year.

We recall years ago the people of Hickman would watch the Mississippi River as melting snows and spring rains further north would swell the stream to flood stage. Every spring a flood was expected. Sometimes it came to deluge the whole territory along the river, destroying property, ruining crops, even taking lives.

Fulton is not situated on any river, but fresh waters brought in by the Harris Fork Creek have flooded portions of the city on several occasions, entailing much damage and inconvenience.

Our office being in the flood area we have personally felt the undesirable results of these quick floods. Most of our fellow business men are in the same boat—or should we say out of it.

Anyway, every time it rains right hard, we all wonder if our place of business will be flooded.

**CLEAN OUT THE CREEK**

Just drop down by the creek and look over its bed as it meanders through the city limits.

You'll find it cluttered with old

barrels, bottles, brick bats, buckets, tin cans, boxes, ashes and a conglomeration of other things which gradually fill up its bed.

This should not be allowed to continue. Considerable money has already been spent to clean this creek out—WHY FILL IT UP AGAIN?

The creek is not the place to throw your rubbish. You are doing yourself and the community an injustice when you throw anything in the creek. THINK IT OVER! And everybody help to keep the creek bed free of rubbish.

In the meantime, the City Council should see that creek is cleaned out and kept that way—even if a fine has to be placed upon persons caught throwing trash in the creek bed.

Rubbish not only fills up the creek, but creates an unsightly and unsanitary condition, which should not be permitted to exist.

City Dads, this needs attention!

### RAILROAD TAXES HELP KEEP SCHOOLS OPEN

Announcement that 40,000 children are receiving their education at the tax expense of the Illinois Central System is made by L. A. Downs, president, in telling how an advance payment of Illinois Central taxes enabled a town to keep its schools open when the school money gave out. The story is told as an illustration of the human side of railroading, to which the Illinois Central is now devoting its institutional advertising in the newspapers.

"In hundreds of communities along its system lines the taxes paid by the Illinois Central System are a large part of all local taxes," said Mr. Downs. "This was the case in one town where a big factory had burned, many were out of work and local taxes were delinquent. It looked as if the schools would have to close."

"In this emergency everybody was wishing the railroad's taxes were due. The little daughter of the mayor heard of it and suggested to her father that the railroad be asked to advance the date of its payments. He asked, the railroad paid, and the schools stayed open."

"There are times, of course, when the railroads would not be in a position to render this special accommodation, but when there is a real emergency and when we can consistently respond we take pleasure in disproving the statement sometimes made that there is no sentiment in business."

### CHESTNUT GLADE By Stella Nauney

Friends of Gay Fields will be glad to know that he is resting well following an operation in a Dyersburg hospital.

Marion Jones, youngest son of Mr. and Mrs. Lee Jones, and Miss Ophelia Foster, daughter of Mr. and Mrs. Pete Foster, were married Sunday night. They gave quite a

surprise to their many friends here and we wish them much happiness.

Mrs. Lena Speights is improving very slowly.

Mr. and Mrs. J. M. Nanney spent Sunday in Hickman visiting relatives.

Mr. and Mrs. Love Oliver visited Mrs. Pearl Rogers and family Sunday.

Johnnie Simpson and family and Vascoe Simpson and family visited Mr. and Mrs. Aaron Butts Sunday.

Mr. and Mrs. Fred Thomas and sister visited their sister, Mrs. Cora Roach Sunday.

The play, "Married Before Midnight" will be given at the Chestnut Glade high school Saturday night.

### WESTERN FARMERS AT SHORT COURSE

Three hundred farmers from 25 counties attended the recent fifth annual short course at the Western Kentucky Experiment Sub-station at Princeton. Soil conservation, horse and mule production, land use, tobacco growing and marketing, the farm outlook and other subjects were discussed.

Speakers included President Frank L. McVey, Dean Thomas P. Cooper, Prof. George Roberts, Prof. W. S. Anderson, Bruce Poundstone and L. A. Vennos of the University of Kentucky; J. F. Graham, Caldwell county agent, and H. C. McConnell and F. C. Chambers, Caldwell county farmers.

### "THE WORLD FOR GOD"

"In that same hour He cured many."—Luke, 7:21.

The average American family spends one hundred and forty dollars a year for illness, according to a recent insurance investigation of the subject.

That's a pretty fair sized bill for sickness, isn't it? A fellow has to work a long time to save one hundred and forty dollars—find it has to be saved and spent in addition to the regular running expenses of a family.

In ten years it amounts to fourteen hundred dollars. Many a man has had a start on this. A little restaurant, or a repair stand, or what have you?

Physicians agree that health is the normal condition of the body. Unless there is inherited or transmitted disease, there need be no disease, if a person is careful.

Accidents happen, of course. As we read all this there is another thought that impresses itself on our mind—the cost of SIN.

Queer word "Sin." You don't hear much about it any more, but most of the older generation were raised within the sound of it.

Sin costs, not only a lot of money, and a lot of time, but a lot of worry and sorrow, but it also costs eternal happiness.

Sin is not the natural condition of man. He picked it up from his parents—inherit it—but there has been a lot of activity by the "Wicked and Mean" Committee, since the Original Sin fastened itself on humanity.

The "Sin" disease has thickened mightily and there are more ways of committing it today than there are ways of doing almost anything else that man is heir to.

There is only one Remedy and that Remedy always works. The Remedy does not cost a cent—not a bit of time, not even the faintest bit of worry or sorrow.

Jesus Christ is the universal Remedy.

### POULTRY OUTLOOK IN KENTUCKY FOR 1936

According to reliable records there is a slight increase in number of laying hens, also there are about 15 per cent more eggs in storage than at the corresponding time last year. Chick production in 1935 was 22 per cent ahead of 1934, yet storage of poultry meat is very much lower than that of a year ago. 1934 was the year of the great drought. That about 1935 have accounted strongly for the lower holdings of eggs in storage and for the lower hatching record of that year.

Poultry and eggs move into consumption progressively faster as prosperity increases. More eggs and chickens will be consumed as pay-rolls advance, and pay-rolls are increasing.

The National poultry improvement plan, in accord with the Kentucky Poultry Improvement Association, has provided for 1936, whereby poultrymen and hatchery men may cooperate to improve the quality of breeding stock, eggs, baby chicks, produced for sale and to adapt Kentucky poultry to the needs of the market.

High points for success with poultry are good stock, proper feed, sanitary and hygienic conditions, and proper sanitation. Sanitation prevents disease, and promotes egg production.

The poultry industry is an exacting science which requires study and constant care for success, but it is a thrilling occupation for the many who enjoy associating themselves with the interesting stages of bird life.

Mrs. Harry Bushart cut consolation and received candy. At the end of the games the hostess served delicious refreshments.

### MISSISSIPPI VISITOR

Louis C. Koelling of Parksville, Miss., spent last week in Fulton as the house guest of his brother, J. C. Koelling and family on Fourth-st. He returned to his home Monday morning, accompanied by J. C. Koelling and granddaughter, Barbara Ann, who returned to Fulton Tuesday morning.

### WOMAN'S CLUB ENTERTAINS

WITH BENEFIT BRIDGE  
The Woman's Club of Fulton was host to another one of the monthly benefit bridge parties Friday afternoon at the Woman's Club building on Walnut-st. Those on the arrangement committee who made plans for the affair were: Mrs. Mansfield Martin, chairman; Mes-

dames Wilmon Boyd, Don Hill, S. C. Smith, Warren Graham, Fred Lucas, Charles Gregory and M. F. Riggs.

The club rooms were attractively decorated to carry out the St. Patrick motif. The motif was cleverly carried out in the tables and refreshments. Sixteen tables of bridge players were present with ten tea guests. A series of games of progressive contract were enjoyed at the conclusion of which high score was held by Miss Mary Swann Bushart. She was presented a beautiful potted plant. Mrs. Ward McClellan held second high score and received a double deck of cards. Mrs. Lawrence Holland held third high score and received perfume. Mrs. Joe Gwaltney received the door prize which was a potted plant. Late in the afternoon the hostesses served an attractive ice course, carrying out the St. Patrick motif.

### MONDAY NIGHT CLUB

Miss Betty Norris delightfully entertained with a well planned bridge party Monday night at her home on Park-av., entertaining members of the regular Monday night club and a number of visitors. Three tables of guests were present which included the following visitors: Misses Adolphus Mae Latta, Mary Anderson, Frances Prady, Tommie Nell Gates, Ruby V. Yarbro, Nola Mae Weaver and Mrs. George Moore.

After several games of progressive contract high score among the guests was held by Miss Nola Mae Weaver. Miss Martha Moore held high score among the club members. Both were presented lovely ribbonette pictures. Miss Frances Prady received candy as low score prize.

At a late hour the hostess served delightful refreshments assisted by her mother, Mrs. T. E. Norris. The St. Patrick motif was attractively carried out in the dainty table markers, tallies, prizes and refreshments.

### GAI HUIT BRIDGE CLUB

The Gai Huit bridge club met on Monday night with Mrs. Reginald Johnson at her home on Walnut-st. Two tables of players were present which included club members with one visitor, Miss Sara Pickle. Serial games of progressive contract were enjoyed throughout the evening at the conclusion of which high score was held by Miss Jonelle Rogers who received a lovely toilet set as prize. Miss Sara Pickle held second high score and was presented an attractive double deck of cards. Mrs. Raymond Peebles cut consolation and received individual powder puffs.

At a late hour the hostess served a delightful party plate, carrying out the St. Patrick motif in the refreshments and tallies. Each guest received a miniature green flag as favor. Miss Jonelle Rogers will entertain the club at its next meeting.

### ATTEND JOE SANDERS
