A TRIAL

Mrs. A. S. Marshall, of Calloway County, was on trial in Marshall County this week for月亮,
HERE AND THERE.

With our first news in January we are sorry to have to report the death of one of the most beloved members of our community. Mr. Charles H. Daniels, a long-time resident of this town, passed away last week following an extended illness. Our sympathies go out to his family and friends.

For the benefit of those who may not be aware, the Department of Agriculture has just released its annual report. It shows a steady increase in the production of all crops throughout the county.

Now is the time to organize two Sunday schools. The two good Sunday schools in Paducah are surely better than the others. They are well attended and have a good enrolment.

The little boys and girls are very much interested in the story of Santa Claus. They will soon be gathering at the town hall to listen to the Christmas story.

Jesse A. Darnall was in the city last week, attending the meeting of the Baptist church. He was well received and made a good address.

The above is the number of ballots cast in the election for the circuit court judge. The results are as follows:

Mr. and Mrs. Wolf of Fair Deal, his home, efforts that he has made in this community, are much appreciated.

The only objection I have against the candidates in which the Baptist schools take an active part is their being in the same town with the public schools.
