House Passes Record Army Air Corps Bill

Huge Measure Goes Through Without Single Amendment

WASHINGTON, D. C. — The House passed a huge measure today providing for an Army Air Corps appropriation of $50,000,000,000, the largest amount ever asked for the army. The measure passed without a single amendment.

The measure provides for the operation of the Army and Navy, including the construction of new plants, and for the expansion of the Army, the Navy, and the Air Corps.

In addition to the purchase of the new ships and the construction of new plants, the measure will provide for the purchase of anti-aircraft guns, anti-submarine torpedoes, and anti-submarine aircraft.

Board Advises Zoning State For Wage Law

The board of education for the state of Kentucky has advised the legislature to consider zoning the state for wage laws. The board feels that this would be a good way to control wages.

It is important to control wages, because wages are too high in some parts of the state, and too low in others. The board feels that zoning would be a good way to control wages.

Fulton, Kentucky, Saturday Afternoon, March 6, 1937

FULTON DAILY LEADER
The afternoon was spent in a discussion by Miss Maude Morris, the club’s sociologist of rural organization, on ‘What will America do for our school children?’ She said that the club, under the direction of Mrs. M. W. H. Broad, held its regular meeting on St. Patrick’s Day, with Mrs. Richard Jones, president of the Parents’ Club, in charge of the program. The theme of the meeting was “Building a satisfying school at home.”

Mr. Tom, chairman of the committee on special programs, spoke on the importance of the club’s work and the need for more members.

Throughout the afternoon, the club Alternate President, Mrs. John J. Huddleston, 415 Eddings Street, presided. The officers chosen were: Helen S. diel, junior, Dover, Tenn., club president; Dorothy M. Davis, senior, Simpsonville, S.C., vice-president; Roberta B. Eubanks, junior, Warren Graham, J. C. H., and J. C. Shin, members at large. Miss Mayine Bernet, of the University of Kentucky, spoke on the development and increasing responsibilities of the club in the school curriculum. Dr. Link of the University of Kentucky also spoke on the club’s work.

During the afternoon Mrs. Collier spoke briefly on the development of Farm and Home by Miss Morris, and the club members then discussed the club’s goals and objectives. They decided to continue the club’s work and to make it more effective.

The meeting ended with a vote of thanks to the speaker and the club members, and the club’s officers were elected for the 1939-40 term. The officers chosen were: Second vice-president, Miss Mayine Bernet, of the University of Kentucky; Third vice-president, Mrs. Wilmon Boyd. Full particulars were given from the State Conference at which time the club was in session.

The club rooms were beautifully decorated with lovely ice course, decorated with shamrocks and other St. Patrick decorations.

The club members are grateful for the interest and support of the club members and the club leaders. The club members are looking forward to a prosperous 1939-40 term.
