"News that is New"

The Daily Leader is in its 40th. year . . . Has been Fulton's Leading Paper all this time.

"News that is New"

ESTABLISHED 1898.

Fulton, Kentucky, Thursday Afternoon, March 16, 1939.

Volume XL—No. 66.

THE LISTENING POST

● It strikes me that the efforts of R. E. Pierce to organize a rifle club in Fulton is a pretty good idea and one that deserves a lot of public support. Mr. Pierce tells me that many people are already interested in the project and is hopeful that a range may soon be established and regular practice started. Naturally it is hoped to attract attention from a lot of youngsters, for while the ability to shoot well is worth something it is worth more for a youngster who might possibly see army service at some time in the future. Nobody hopes that anything like that ever comes about, but in times such as these no one can say, and it is a known fact that previous knowledge of rifle fire will make army life a lot easier for a recruit.

● Outside of that, however, there is much pleasure to be derived from a rifle club. Contests can be staged, and people who have been members of such clubs tell there is no greater sport than match shooting. Good marksmen can get free trips to the great summer camp at Camp Perry, and in general a rifle club offers rare possibilities.

● But while I am urging folks to get interested, I am backing off myself. To tell the literal truth I am scared of all sorts of firearms. I know next to nothing about shooting, never hunted in my life, and would be in a dangerous situation should I be turned loose with a loaded rifle. Chances are that I would (1) shoot myself; (2) shoot somebody else; or (3) kill some innocent horse, cow or pig. And when Mr. Pierce told me that two Springfield rifles of the issue of 1903 would be sent here for a rifle team, I remembered an incident that occurred many years ago in which one of these old Springfield rifles played a leading part. Only good fortune kept me from killing somebody then, and ever since, when somebody says Springfield rifle, I remember that incident most clearly.

● I was about ten or twelve years of age and had shot a small caliber rifle now and then. In fact, I fancied I was a pretty good marksman, for I could shoot at and hit marks if they were not small or too far off. And like boys of that age, I thought I knew all about a gun. Thus it was when I went to play with a new boy who had moved into town.

● This boy's father had a rifle and even my untrained eye recognized the fact that the rifle was vastly different to the Stevens .22 which I owned. It was a huge affair, vicious looking, and in fact, was a Springfield rifle that had been used in the Spanish-American war, in all probability. Or it may have been a Civil War piece, for all I know to the contrary. I only know it was a Springfield, with a telescope sight and a place for a bayonet.

● After the fashion of kids, we played with that gun, and one day we managed to get a shell and load it. The owner's son dared me to fire it, and while I was scared to death, I could not take a dare. I was afraid of two things. One was the recoil, the other was that the bullet might travel too far. But we finally made a target against the wall of a smoke house. It was a good solid wall and there was another wall on the opposite side naturally. I figured the two walls would stop the bullet and never thought of the residence on the other side of the smokehouse.

● So, with thumping heart, I leveled that old Springfield toward the target and pulled the trigger. I never knew exactly what happened, but the recoil sent me over backward, the bullet struck the first wall of the outhouse, did not carry there or in the next wall, struck the residence, went through three different walls, scared the lady

Hickman Seeks TVA Attitude On Power Situation

Kentucky Utilities Offers Franchise With Option To Purchase

Hickman, Ky.—The question of an agreement between the Kentucky Utilities and the City of Hickman, pending availability of TVA, was discussed by L. P. Hite, division manager, of Paducah, Ky., and Mayor C. P. Mabry and the city council Monday night at an adjourned meeting set at the request of H. P. Blanks, local manager.

No conclusion was reached, but it was decided that a delegation would visit TVA authorities and others in Tennessee to discuss the situation with them in an effort to arrive at a solution of the problem which confronts Hickman.

The problem is: having voted in November, 1938, in favor of a municipal plant to be built with the aid of a government grant and loan with a view to later running the plant with TVA power should it be possible to enter into a franchise with the Kentucky Utilities under the condition that they withdraw if TVA could be obtained?

Mr. Hite stated that the K. U. could raise money for necessary improvements which are a new line into Hickman at a probable cost of \$45,000 and a new water well with iron filter, if a 20-year franchise was given the company, with option to purchase given the city of Hickman at the end of each five-year term.

Mayor Mabry recalled the fact that Hickman had voted overwhelmingly for a municipal plant, and therefore, he did not think it would be legal for the council to make any move to cancel the election or application with TVA, but stated that the council would be glad to cooperate in any way which would not interfere with the steps already taken.

HOSPITAL NEWS

Mrs. Wess Davis is improving in the Fulton Hospital.

Mrs. Carl Kendall and daughter, Gayle, were dismissed from the local hospital yesterday.

Miss Martha Roberts of Clinton, Kentucky was admitted to the Fulton Hospital late yesterday afternoon for treatment.

Mrs. Boyd Puckett and little daughter were discharged from the hospital yesterday afternoon.

Mr. Esco Choate, who has been receiving treatment in the Fulton Hospital, was dismissed yesterday and went to his home.

Mrs. Leonard Holland was dismissed yesterday.

of the house half to death, or more, and finally stopped in the far wall of the house. What happened to the boy of the house I do not know. I left under forced draft and with a full head of steam, and I have never seen a Springfield rifle since without a shudder.

Senate Wants Prompt Action On Changes In Corporation Taxation

Washington.—In the wake of President Roosevelt's statement that the administration was considering an overhaul of corporation taxes, powerful Senate sentiment developed today for prompt action as an aid to business.

The chief executive, discussing tax questions at his press conference yesterday, said consolidation of five existing business levies was being studied. But he added that any revision must maintain federal revenues at their present level.

Amid consideration of the tax problem, the administration was confronted with another request for encouragement of business when 16 stock exchanges recommended that the Securities Com-

Campbell Rites Held In Cayce

Funeral services were held in Cayce yesterday for Mr. Henry Allen Campbell who died in Cayce Monday, March 13.

Mr. Campbell was born on January 3, 1855 and died at the age of 84 years, two months, and ten days. Uncle Henry, as he was affectionately called by his many friends and neighbors, was the first born of Charles and Susan Campbell, pioneer settlers of the Cayce vicinity. He was united in marriage to Miss Emma Harpole on January 1, 1890. She survives him with Mrs. Fred Evans and her three children, Frances, Emma Jean, and Billie. Mr. and Mrs. Campbell were never blessed with children but took Mrs. Evans into their home when a small child and loved her as their own.

He is also survived by one nephew, Mr. Clarence Williams, and one niece, Mrs. John Tyler, with several cousins.

Mr. Campbell was an active member of the Cayce Christian Church during its existence and has remained true to his convictions since the church was disbanded.

Man Arrested For Theft Of Bushart Car

On December 23, 1937, an automobile belonging to Dr. Glenn Bushart was stolen while parked on Lake St. and found the next day on Pearl Street, greatly damaged.

The members of the Fulton Police department have been on the trace of the thief since that night and yesterday Mr. Harry Wiley of Weakley County, Tennessee, was arrested in Dresden, Tennessee, and charged with stealing this car. Wiley is the same man who was arrested here last week on a charge of raising the amount of a check issued to him by a Weakley County farmer, and is now in the Dresden jail on these two charges.

Chief of Police K. P. Dalton is notifying Mr. Wills of Paducah, of the Federal Bureau of Investigation, who will take charge of the case immediately.

Amendment Holds Ickes' Press Fund To Present Size

Washington.—The House tentatively approved today an amendment to the \$160,000,000 Interior Department appropriations bill to hold down to its present size Secretary Ickes' press section.

On a teller vote, which is subject to reversal before final passage of the bill, the Republican economy bloc offered by Representative White, Ohio Republican, an appropriation of \$86,740 for the department's service. The appropriation for the present year was \$50,000.

The Senate agreed to an amendment depriving Federal agencies of free use of the mails for anything except official correspondence, and matter specifically requested by citizens or required by law to be distributed.

Interscholastic Meet At Murray Starts Friday—Lasts Week

Murray, Ky.—The annual district interscholastic meet will be held at Murray State College, with the debate tournament on March 17-18, speech events other than debate on March 24, and the regional music festival on March 24-25.

Several hundred contestants from high schools of the Jackson Purchase and Trigg counties are expected to participate, according to M. O. Wrather, chairman of the committee in charge. Other members of the committee are W. C. Jetton of Paducah and K. R. Patterson of Mayfield.

In the debate division, plans have been made to conduct the tournament in such a way that each team will be permitted to debate four different teams before being eliminated. Each team will debate twice on the affirmative and twice on the negative.

The following program has been announced for all speech events other than debate, to be held Friday, March 24: Oratorical declamation, interpretative reading, poetry reading, extemporaneous speaking, discussion, high school and grades, radio speaking.

The regional music festival will be held on Friday and Saturday, March 24-25, and the following events are listed: a capella group, mixed quartet, piano solos, vocal solos, all instrumental solos, male quartet, girl's trio, all small instrumental ensembles, mixed chorus, boy's band, girl's chorus, orchestra, band.

The schools are divided into three groups and will compete against each other according to enrollment. Each school or its individual representative is given one of the following ratings: superior, excellent, good, fair, or poor.

Sparks Store Opens Saturday

W. E. Sparks and Company, Fulton's newest store, will have its formal opening next Saturday and special prices will prevail for the opening day. The store is located in the former location of the Peoples five and ten cent store, and the building is now being thoroughly overhauled and renovated, with new fixtures being placed. New stock is now arriving and will be in readiness for the opening Saturday.

Norris Seeks To Give T. V. A. Buying Power

Washington.—A bill enabling the Tennessee Valley Authority to finance its proposed purchase of electric utility properties from the Tennessee Electric Power Company was introduced by Senator Norris, Nebraska Independent, today. He requested prompt Congressional action.

The measure was referred immediately to the Senate Agriculture Committee, whose chairman, Senator Ellison D. "Cotton Ed" Smith of South Carolina, observed: "I'm not greatly enamored of the idea of the government taking over an active business. But since we've thrown in the hide, we may as well just throw in the towel."

Senator Wheeler, Montana Democrat, another committee member, expressed favor for the proposed legislation.

Norris told reporters he expected little objection to his bill, which would amend the T. V. A. act so that the public power authority could issue \$100,000,000 worth of government-guaranteed bonds to finance the construction and acquisition of dams, generating plants, transmission lines, and other electrical properties. The proceeds might be used also, the Nebraskan said, for loans to cities purchasing distribution systems.

Executive Mansion To Get Repairs On Leaky Roof

Frankfort, Ky.—The Executive Mansion, to which Gov. A. B. Chandler jokingly invited the University of Kentucky swimming team for practice following recent hard rains is going to get a new roof.

The work is expected to be started in a few days under an order of the Real Estate Board, authorizing expenditure of \$975. It will include repapering and repairing several rooms.

The board also authorized purchase of a new electric cook stove and a steam "mangle" for the laundry in the basement, and installation of a hot water line from the capitol power plant to the mansion.

Funeral Today For Dukedom Man

Funeral services are being held at two o'clock this afternoon at the Oak Grove Church for Mr. C. L. Griffin, who died yesterday, March 15, about noon at his home near Dukedom, Tennessee. Burial will also be held in Oak Grove cemetery, in charge of Jackson Undertakers of Dukedom.

Mr. Griffin has been a life-long resident of the Dukedom community and is held high in esteem by all residents of that section. In his passing Dukedom loses a prominent citizen in every respect.

He is survived by his wife, Mrs. Emma Griffin; two daughters, Mrs. Mignon Morrison and Mrs. Bonnie Cummings, both of near Dukedom; and one brother, Fate Griffin of Martin, Tennessee. Mr. J. J. Ethridge of Fulton is a brother-in-law.

ROBERTS LODGE NO. 172 F. & A. M. HAS BIG MEETING

Roberts Lodge No. 172 F. & A. M. met in regular communication on last Tuesday night at their hall in one of the best meetings that it has had in years.

The Brothers began to arrive by 7 o'clock and by opening time the hall was well filled with members that had not been present for a long time and they were engaged in almost a love feast of hand shaking and general conversation.

The lodge was opened at 7:45 on the Masters degree and all routine business was dispensed with, when it was reported that Bro. Wiley Cowell was present and wished to recite his Fellow Craft lecture to the lodge, the lodge was then opened in this degree and Bro. Cowell came before the body and recited his lecture in such a manner that it resulted in his being elected to be raised to the sublime degree of a Master Mason.

A lodge of master Masons was then called to labor and the degree was conferred in a very impressive manner by the present officers assisted by such Old Timers as Brothers H. H. Perce and Geo. C. Hall, who proved that they are still very bright in the work.

We are pleased indeed to be doing real degree work again and too we are glad to see the members beginning to attend the meeting like they used to in the days gone by.

We only hope that on the next regular meeting night they will all come back and bring a brother along with them to enjoy the good times that we are all having.

Brother W. T. Wright and Hugh Pigue of the Water Valley lodge were very welcome visitors.

After the work was finished we had the privilege of listening to any number of good talks made by different members present, all of which were very impressive especially to the newly made Brother.

Beadles On Track Team

Joe Beadles, Jr., son of Mr. and Mrs. Joe Beadles, of Fulton, is a member of the Abilene Christian College, Abilene, Texas, track squad for the current season. He placed first in the 880 and 440 yard runs and was on the winning mile relay team in the initial track meet this year.

Coach "Tonto" Coleman says that this year's team will be the strongest for several years and there are also several outstanding individual members of the squad, among whom is Beadles. Last year's team took second in the Texas Conference track meet.

New Troop Of Boy Scouts Is Formed Here

The Troop committee of Troop 44 met last night at the Baptist Church with Mr. Billy Blackstone, Scout Commissioner of Fulton county, to complete arrangements for the new troop of Boy Scouts, to be sponsored by the Glad Hand Bible Class of the Baptist Church.

James Meacham is chairman of this committee and will be in charge of the finance. Otis Bizzle will be in charge of the advancement of the Scouts of this new troop. Edward Pugh will be in charge of Camping, Health and Safety. Hugh Rushton will handle the publicity, civic service and recruiting new boys. Phillip Humphreys will see after the transportation and equipment. Rev. Woodrow Fuller will be placed on this committee as soon as he returns to Fulton.

Mr. Blackstone explained the set-up of a new troop to the troop committee and showed them where they were serving on one of the best committees that they could devote their time to.

He pointed out that no boy that had been a Boy Scout has ever been in the electric chair and that only one in every 5000 criminals in jails and pens had ever been a scout. Only 21 now in pens had ever reached First Class Scouting.

This committee says that inside of two months that Troop 44 will be ahead of Troop 43 if they don't watch out. Things are really pointing to big things being done by this new troop as this troop committee surely has the pep and what it takes to see Troop 44 grow.

Jack Edwards is the Scoutmaster. Every boy in town knows the man that tosses his paper to the porch every morning. Hendon Wright will assist Mr. Edwards. Mr. Wright is the young man that carries mail on the West side.

The boys will have their first meeting Thursday night, March 23, at the Scout Cabin on the corner of Vine and Jefferson Streets. If you have a boy of Scout age then bring or send him to the Scout Cabin on Thursday night. This Troop will have about 12 boys to start with that will transfer from

Compromise Talk Heard Over Relief

Harrington Presents Arguments To Back Up President's Plea

Washington — Compromise talk was heard faintly in the House today in connection with the quarrel between members of Congress and President Roosevelt over the latter's desire for an immediate supplemental appropriation of \$150,000,000 for work relief.

Meanwhile Col. F. C. Harrington, the relief administrator, appeared before the House subcommittee which is studying the relief problem and presented arguments, to back up the President's request for more money.

Harrington was asked many questions, principally by Democratic members most of the Republicans are leaving the opposition for the present to Democrats of the economy bloc.

One of the queries produced a suggestion which obviously had possibilities of affording a compromise basis later. It was that work relief be "staggered," that is that needy persons be given employment for two or three weeks out of each month instead of for the full period.

A committee member said Harrington "trowed the suggestion down," and asserted that if any staggering were to be done he would prefer a "rotation system," under which workers who have been on the rolls for long periods would be laid off and their jobs given for a time to people who have been certified as in need of relief, but for whom no place has been found.

Annual Banquet Friday Night

The annual banquet of the Busy Men's Bible Class of the Methodist Church will be held in the church dining room tomorrow night at 6:30 and a large number of visitors have been invited for the annual affair. A good program has been prepared, and a splendid dinner will be served. Object of the meeting is to encourage more regular attendance and also to secure possible new members.

KNIGHT TEMPLAR MEET TONITE

Fulton Commandery Knights Templar will meet tonight at 7:30 for the annual election of officers and inspection. A number of out of town visitors are expected to attend. R. H. Wade is Eminent Commander and D. Fred Worth, Recorder.

Troop 43 as Troop 43 is now above capacity. Everyone is invited to come to the Scout Cabin Thursday night March 23 to give this new troop a big send off.

Noted Mayor Surgeon Claims Medical System Is Uneconomic

Frankfort, Ky.—Dr. Hugh Cabot of Rochester, Minn., noted Mayo clinic surgeon, declared tonight replacement of the "fee-for-service" basis of medical care would benefit both the medical profession and the public.

Addressing the Frankfort Forum Club Cabot termed present methods of distributing medical care "grossly uneconomic" and "grossly inadequate."

Kentucky's health commissioner, Dr. A. T. McCormack, of Louisville, past president of the American Public Health Association, and president-elect of the Southern Public Health Association, is to speak in defense of the present system before the club next week.

Dr. Cabot expressed belief the present system might produce "a thorough explosive mixture compounded in part of real head and in part of a conviction that a government which could not supply better care deserved to be replaced

Hitler's Latest Coup

Almost on the first anniversary of the annexation of Austria and six months after the Munich Pact, Nazi Germany issues an ultimatum to dismembered Czechoslovakia that "a new division of territory has become unavoidable." Slovakia is to be made an independent State with Dr. Joseph Tiso, like the Austrian Sess-Inquart who stepped into the shoes of Chancellor Schuschnigg, as head of a puppet Government. Carpatho-Ukraine is to be granted autonomy and separate Statehood to be gobbled up by Hungary or become the focal point for the formation of an all-Ukrainian nation under the control of the Nazi Regime. The Czechs are not to be allowed their two provinces of Bohemia and Moravia and the latter or parts of it will be handed over to the Slovak State. Complete control, if not annexation, of what was until last September the republic of Czechoslovakia is the next move of the Hitler Reich and then it will be just a matter of time before Rumania, rich in oil and wheat, is brought to a condition of vassalage, and then the Ukraine lies just beyond.

The action of the Czech Government last Friday in putting down a separatist movement in Slovakia and forcing the resignation of the Tiso Cabinet played into the hands of the Hitler regime. The movement itself was inspired by Germany. The ousted Premier was acting on instructions from Berlin. With the failure of the secessionist plot pressure in the form of an army at the border was exerted on the Prague Government. The Czechs could only yield to whatever demands might be made upon them.

The attitude of France and Britain to the latest operation on the

County Agent Notes

The soil building goals will be determined under the provision of the 1939 Agricultural Conservation program and a maximum payment can be earned by carrying out the number of units of practices set up for each individual farm. The following is a schedule of soil building practices.

For each of the following practices in the amounts specified shall be counted as one unit:

1. Application of 240 pounds of 20 percent superphosphate (or its equivalent) to, or in connection with the seeding of, perennial or biennial legumes, perennial grasses, winter legumes, lespedeza or permanent pasture (except in connection with soil-depleting crops).

2. Application of 100 pounds of triple superphosphate furnished by the AAA as a grant of aid to, or in connection with the seeding of, perennial or biennial legumes, perennial grasses, winter legumes, lespedeza, crotalaria, or permanent pasture (except in connection with

soil-depleting crops).

3. Application of not less than 2 tons, air dry weight, of straw of equivalent mulching materials (excluding barnyard and stable manure) per acre in orchards.

4. Construction of 200 linear feet of standard terrace for which proper cutlets are provided.

5. Application of 10 pounds of good seed of adapted pasture grasses or legumes in reseeding depleted pastures. In no case will credit be given in excess of one unit for each acre on which the practice is carried out.

6. Application of 2000 pounds of ground limestone.

Each acre of the following seedings shall be counted as one unit: Seeding sericea, approved red clover, alsike clover, sweet clover, white clover, bur clover, blue grass, orchard grass, reed canary grass, vetch, crimson clover, Austrian winter peas, annual rye grass or mixtures of the above (including lespedeza) and perennial grasses other than a mixture consisting solely of timothy and redtop.

Each acre of the following green manure crops shall be counted as one unit: Soybeans, velvet beans, cowpeas, crimson clover, Austrian winter peas, vetch, rye, barley, wheat, buckwheat, oats, Sudan grass, millet, sorghum, sown corn, or mixture of these crops, of which a good stand and good growth is plowed or disced under as green manure. A good stand and growth of soybeans, velvet beans, cowpeas, or rye left on the land as temporary mulch.

Each of the following shall be counted as two units: Seeding adapted varieties of alfalfa.

Each acre of the following practice shall be counted as five units: Planting forest trees, provided they are protected with cultivated in accordance with good tree culture practice.

Each two acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

Each four acres of the following shall be counted as one unit:

1. Soybeans, velvet beans, or cowpeas, interplanted or grown in combination with soil-depleting crops, such as corn, of which a good stand and good growth is obtained and is not harvested.

2. Seeding annual lespedeza, timothy, redtop, or a mixture consisting solely of timothy and redtop.

shall be counted as one unit:

1. Contour listing or furrowing non-crop land (the acreage of this practice shall be computed on the basis of the areas so handled, each furrow or strip being considered to county committee, striping one-half rod in width.)

2. With prior approval of the county committee, striping with alternate strips of close-grown crops and intertilled crops.

The maximum payment may be earned by carrying out soil-building practices to meet the soil-building goal for the farm. If the soil-building goal is not met, the maximum payment for the farm will be decreased by \$1.50 for each unit of the deficiency. If an excess acreage is grown of any soil-depleting crop for which acreage allotments are established, the maximum payment will be decreased.

The purpose of this is to help the farmer arrange his farming operations in order that he may cooperate fully in the 1939 program.

We are holding an educational meeting in each community on the 1939 program. The above practices will be reviewed at this meeting. Please make it a point to attend these meetings when they are scheduled for your community.

CHESTNUT GLADE

Mr. and Mrs. Harvey Vaughn and daughter, June, spent Saturday night with Mrs. Stella Nanner.

Ed Lamb, who has been seriously ill for several days, is improved.

Mr. and Mrs. Mack Ladd have returned to their home in Ruthville after visiting Mr. and Mrs. Juston for several days.

Harvey Vaughn is on the sick list with flu.

Friends of Mamie Wlam, Home Demonstration Agent in Scott, will be interested in knowing that she has suffered a nervous break-down and expects to come home at an early date to spend several weeks with her mother where she hopes to regain her health.

While our school is scattered, since the burning of the school building, everything seems to be progressing very nicely. Plans are being made for a new building and we hope to have it underway in a few more weeks.

Mr. and Mrs. Juston Nanner have just finished the building of a new brooder house and expect to have it filled with chicks in a few days.

Trevor Ray is out of school with mumps at this writing.

We always have contagious diseases at this time of year. Probably measles or whooping cough.

North West Weakley

Mr. S. J. Powell, who has been in Newark, N. J., for several months, is visiting relatives and friends here.

Miss Helen Mae Nelson spent the weekend with Miss Charlene Oliver.

Mrs. Annie Lawson visited her daughters, Mrs. Opal Redmon, and Mrs. Ruby Ross, over the weekend.

The Chestnut Glade girls' team the Brundige tea mon the Brundige court on Monday afternoon. Chestnut Glade won by a score of 12-18. The team from Chestnut Glade will go to Finger, Tennessee, on Thursday to play in the tournament there.

Miss Teresa Bowlin has returned to her home after spending a week in the Brundige community.

Elder A. B. Ross of Martin visited in the home of Miss Mattie Vincent Friday night and at the home of Mr. and Mrs. Roy Bowden on Saturday night.

TOTS LEARN TO GET ALONG WITH PEOPLE

Science is teaching a group of tots in the University of Kentucky nursery how to get along with people.

"Getting along with people is easy to learn at the age of 3," says Mrs. Mary Van Cleave, an expert in child development, "but at 30 it may be too late."

In efficiency at work, maladjustment in the home, ill health and even mental disturbance are but few of the results of not knowing how to get along with people, she says. So she is instilling into the minds of the children ranging in ages from 2 to 4, the art of cooperation, the will and the way to work with others.

The children learn to recognize the right of others, to be tolerant, to divide their toys, to be helpful and kind and not to "fly off the handle" every time things don't go just as they would have them go.

Students in the University's department of home economics help Mrs. Van Cleave in the daily task of guiding the activities of the children. Thus the nursery school serves the double purpose of training

children to get along with others and gives to the young women the latest scientific methods in child rearing and development.

Parents also benefit from the nursery course, for they visit the school, observe the behavior of the tots, and discuss traits of their children and problems which may affect their present and future conduct and influence their ability to get along with people.

KENTUCKY BOY TO WORLD'S FAIR JOB

Harry Hill, a junior in the University of Kentucky College of Agriculture, has been selected by The Borden Company to be an assistant in the dairy demonstration which that company will make at the New York World's Fair. One hundred and fifty Ayrshire, Brown-Swiss, Guernsey, Holstein and Jersey cows, selected by the national breed associations, will be used in

the demonstration, and milked on a rotolactor behind glass windows, for the benefit of visitors at the fair.

Hill is an outstanding student specializing in dairying. At present he is acting as cow tester for the dairy herd improvement association in Caldwell and Todd counties.

Would Change Wage-Hour Law

Washington—The problem of applying the wages and hours law to high-salaried "white collar" employees, including newspaper reporters, should be dealt with by legislative amendment instead of administratively, Elmer Andrews, administrator of the Act, declared last week.

Mr. Andrews asserted that he believed the act to be as important to the great mass of white collar employees as to the others. He de-

clared: "Upon further consideration, and bearing in mind the limited power of definition given to the administrator by Section 13 (a) (1), I am now of the opinion that Congress can deal with the problem of overtime for high-salaried workers in a more clean-cut way by amendment of the statute than would be possible for me by administrative amendment of our definitions.

"Consequently, instead of an administrative hearing which I originally contemplated, I am considering the alternative of proposing to the Congress the consideration of an amendment dealing with this matter."

He added that he would talk with legislative leaders on whether to seek action at this session of Congress.

FOR SALE: Wagon, mower, plows, and harness. A. T. Conley. Adv. 47-10t.

PHOTO OAK NEWS

These helping Mrs. Edd Mount quilt Tuesday were Mrs. Edith Yates, Emma Graham, Edna Waggoner, Lela Bushart, Allene Lowery, Alley Morgan, and Frances Batts. Little Jimmy Allen, son of Mr. and Mrs. B. G. Lowery, is sick with a cold.

Mrs. B. Lowery, Ira Raines, Edith Yates, Allene Lowery and son, Jimmie Allen, spent Thursday with Mrs. Lanie Wray, celebrating her birthday. Little Joyce Ann, daughter of Mr.

and Mrs. James Batts, is ill with chickenpox.

Miss Mary Nell Lowery spent Monday night with Mr. and Mrs. B. G. Lowery.

Miss Ibbie Howard of Dresden spent the weekend with her parents, Mr. and Mrs. Almus Howard.

Miss Alma Wheeler spent Friday night with Robbie Rhodes.

Mr. and Mrs. Duke Mayfield and son spent the weekend with Mr. and Mrs. William Morris.

Mr. and Mrs. Edd Rhodes and daughter spent Sunday with Mr. and Mrs. Vodie Rhodes of Wingo.

Mrs. Lonnie Olive is on the sick

Hints for Homemakers
By Jane Rogers

HERE'S a toothsome idea for those persons who have given up candy for the Lenten season. When your sweet tooth demands a piece of candy satisfy it instead with one or two delicious canned Hawaiian pineapple gems. These spoon-size pieces of luscious fruit are also ideal in-between meal bites for school children because they will satisfy hunger but will not ruin the appetite for the next meal.

If you have given up desserts as well as candy during Lent try drinking a glass of canned unsweetened Hawaiian pineapple juice at the end of your meal and you'll find that you won't miss dessert. Its delicious sun-ripened flavor will appease the appetite and bring the meal to a happy end.

Misses Violet Glisson and Lillie Mae Martin and Hershel Hicks were supper guests Monday night of Mr. and Mrs. Aubrey Bushart and family.

Miss LaDean Morris spent Monday night with her grandmother, Mrs. Willis Morris.

Middle Road News

Mrs. W. C. Soell, who is visiting her aunt, Mrs. Connie Norton, and family, of Shreveport, La., writes that they have just returned from a delightful trip to Natchez, Baton Rouge, New Orleans, and Mobile. Mrs. Soell is now visiting a cousin, Mrs. Cornelia Norton Shepherd in Texas and before her return she will visit Mrs. Jim Murphy and Mrs. W. T. Bondurant in Dallas, Texas.

Mr. and Mrs. C. G. McMurry were called to Jackson Tuesday afternoon to attend the bedside of her grandson, Jimmie Gleaves, who was very low with pneumonia, but is much improved at the present.

Mr. and Mrs. Hunter Conner spent Sunday with Elbert McMurry and family.

Miss Alice Sowell visited her aunt, Mrs. T. H. McMurry Friday.

Mrs. Owen Lacy is improving from an attack of flu.

Cayce News

Archie Cloys of California is visiting his parents, Mr. and Mrs. W. H. Cloys.

Mrs. Woodie Shelton of Beerton spent several days last week with Mrs. Willie Searce.

There was quite a large crowd of Cayce people who attended the Cayce-Hickman ball game in Murray Friday night.

Coach Kenneth Oliver and his team spent Friday night and Saturday in Murray, attending and participating in the regional tournament.

Dorothy Wade, Helen June and James Royce Vek spent Friday night with Janie Dell and George A.

Business Guides

By C. E. Johnston

Director, Business Training Schools, International Correspondence Schools

A HEALTHY optimism is worth much to a young man in business. In a concern which caters to the public the man who is constantly cheerful is a valuable asset. The optimist is a business booster, a gloom chaser, and a tonic to the business grouch. He radiates success because he believes that success is the result of honest effort.

A manager employing a large number of salesmen recently remarked that he had one of the most complete weather reports in the world, outside of the regular government reports. He had a large force of men covering the entire country, and their daily reports were filled with excuses blaming the weather and other more or less irrelevant things for their failure to do a satisfactory amount of business. Do not be an excuse maker.

The importance of good health as a factor in business is obvious. Keep in mind, however, that no matter how healthful your working conditions are your employers cannot follow you home to see that you rest your spare time to keep yourself physically and mentally fit. This is really just another way of saying—if you play all night, the boss still expects you to be "on the job" in the morning.

Jnes. Mr. and Mrs. Wilmer Cruce of of Brazil, Tennessee, sent the weekend with Mr. and Mrs. J. J. Cruce. Mrs. Wilmer Robertson and Raymond Robertson of Sikeston, Mo., spent the weekend with Mr. Jeff Davis and family.

Mrs. Fannie Jones has returned home after spending the winter months with her daughter-in-law, Mrs. Jessie Cunningham of Plantersville, Miss.

Mr. and Mrs. Kenneth Oliver spent Sunday afternoon with Mr. and Mrs. Arch Oliver.

Mr. and Mrs. Wesley Campbell spent Sunday with Mr. and Mrs. Thurman Godwin.

The Young People of the West division of the Union City District, Methodist Churches, were entertained by the Cayce Epworth League Monday night. A delightful program was rendered after which refreshments were served to 125 guests.

Walnut Grove News

Mrs. John Rice visited Mrs. Houston Stubblefield Tuesday afternoon. Miss Rosetta Burrow spent Friday night and Saturday with Miss Carver Lee Reed.

Mrs. J. C. Elen is on the sick list.

Mrs. W. C. Burrow, who has been ill, is improved at the time of this writing.

Nellie Josephine White, infant daughter of Mr. and Mrs. Bruce White, has been sick for the past

Business Guides

By C. E. Johnston

Director, Business Training Schools, International Correspondence Schools

PERSONAL appearance is a very important factor in business success. The young man who is seeking employment should create a good first impression. He should remember that neatness and cleanliness are more important than the quality of material from which his garments are made. A prospective employer may not be impressed by the cut of an applicant's suit, but he will make a mental note of his general appearance.

A safe rule respecting dress for any man to follow is Lord Chesterfield's famous advice: "Be scrupulously careful of your attire, and then think no more about it." The well dressed man obtains a feeling of self-respect. If you respect yourself you can reasonably hope to command the respect of others.

Promptness is a virtue much needed in business. If you are the boss you appreciate promptness in those who work under your direction. If you are an employee you can improve your standing with your superiors by demonstrating that you attend to all matters promptly. The man who lags in his work is very likely to lag along at the bottom of the salary list.

few days. Misses Evelyn and Dorothy Robey spent Monday night with their grandparents, Mr. and Mrs. J. W. King.

Earl Renfro and Bill Workman were in Union City on business Tuesday.

GOOD FLOCKS SHOW PROFIT IN WINTER

One hundred and thirty Kentucky demonstration flocks containing 16,228 hens made an average net profit of 16 cents per hen in January, according to reports to the State College of Agriculture at Lexington. This is 4 cents more per hen than the safe flocks reported in January, 1938. Average egg production was 14 this year and 13 a year ago.

Ten flocks averaged 20 eggs or more per hen for the month of January, with the top record of 26 eggs reported by Mrs. Minnie Weddington of Pike county.

Now is a good time to renew your subscription.

CERTIFICATES FOR FARMERS OF MERIT

Mason county farmers who do a good job this year will receive Certificates of Merit from the County Farm Bureau. A soil-saving contest, said to be the first of its kind ever held in Kentucky, was recently organized by County Agent W. B. Collins, the Farm Bureau and Future Farmers of America.

To get a Certificate of Merit, farmers must:

1. Earn 100 percent of their soil-building allowance.
2. Apply limestone and superphosphate to at least 10 percent of their crop land.
3. Put all crop land, except overflow land and gardens, in cover crops.
4. Properly care for farm manure and tobacco stalks.
5. Plow not more than 20 percent of their crop land.

JOHNSON COUNTY "OVER THE TOP"

The Johnson county soil im-

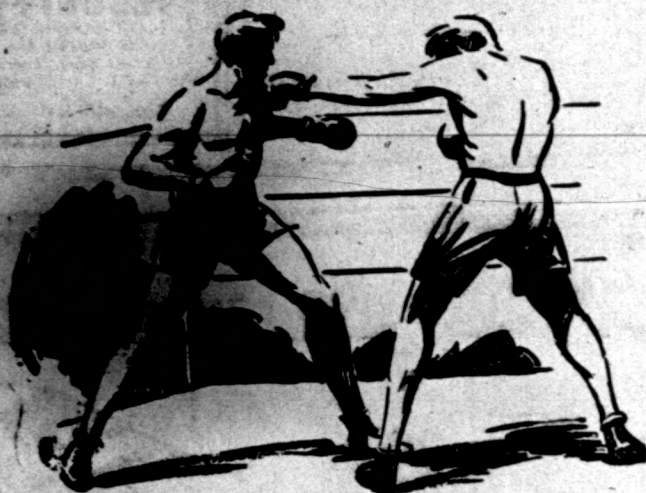

provement committee last year asked that 1,000 farmers sow 15,000 acres to hay and grass, or use limestone and phosphate. The result as announced by County Agent Justice L. Pidcock: Ten farmers seeded 100 acres of bluegrass; four farmers, 20 acres of alfalfa; 680 farmers, 1,280 acres of winter legumes; 1,280 farmers, 7,480 acres of korean lespedeza; 845 farmers, 6,785 acres to timothy and redtop, and 538 farmers, 4,385 acres to mixtures. The grand total was 1,750 farmers seeding 20,050 acres. Eight hundred and eighty-two farmers used 4,000 tons of limestone and 261 tons of triple superphosphate.

DON'T SLEEP WHEN GAS PRESSES HEART

If you can't eat or sleep because gas bloats you up try Adlerika. One dose usually relieves stomach gas pressing on heart. Adlerika cleans out BOTH upper and lower bowels. —EVANS DRUG COMPANY.

GET IT WITH A LEADER WANT ADVERTISEMENT

Price vs. Quality

The fight between Price and Quality is as old as industry itself. Competition, through the factors of supply and demand, tends to force prices up or down. The milling industry, too, has seen its part of the struggle.

During our 30 years in milling, we have been content with a small average margin of profit—never changing our quality standard in order to offer special "bargain" prices. Therefore, we say you may depend on the quality of Browder Flour.

So remember to specify—

Queen's Choice

SURE, It's Legal
—but what else is it?

FIVE years have slipped by since repeal. Yet what do you really know about the beer you drink today except that it's "legal." We feel you **SHOULD** know more than that, because the way any beer acts in your stomach depends on the materials that go into it.

In today's Sterling Pilsner we give you a beer brewed of Natural Ingredients. This new Sterling is a low-calorie beer, no sugar, glucose or fattening syrups are added.

You may be a waistline watcher. You may be a beer lover who has held back from full enjoyment for other reasons. No longer should you deny yourself the full pleasure of beer's restful relaxation, for now we tell you that the features that bother you have been overcome.

Try Sterling Pilsner and see for yourself. In Bottles and Cans. Order some today. Sterling Brewers, Inc., Evansville, Indiana; Freeport, Illinois.

LAKE STREET

Beelerton News

The grade rooms of Miss Ruth Hancock and Miss Regina McAlister will close their year's work next Friday.

Our musical program, History of American Music, will be given Saturday evening, March 18. Don't fail to make your arrangements to attend. The program is full of entertainment and fun from the beginning to the end. The characters will be dressed in the proper costume to represent the custom of the period in which the music originated.

Rev. T. L. Peerey filled his regular appointment at Wesley last Sunday.

Mr. Vodie Hardin and Mrs. Roscoe Wilkins of Fulton spent Sunday afternoon with their mother, Mrs. M. D. Hardin.

Mrs. Edd Nail is visiting her daughter, Mrs. L. K. Moore, at her home in Fulton.

Howard Hicks spent Saturday night with Jim Walker.

Mr. Bernard Bostick and Ruffie White have returned to their homes after spending the winter in Detroit.

Mr. and Mrs. Aaron Kirby spent the weekend with Mr. and Mrs. Pleasant Rulph of Paducah.

Little Joyce Webb is improving in the Riverside Hospital at Paducah. The Beelerton Homemakers met last Wednesday afternoon at 2:30 o'clock in the home of Mrs. Guy Brown.

Mr. J. W. Bostick and Emma Clifton are ill with flu.

Mrs. Eell Byrd, who has been ill with pneumonia, is improving.

Miss Dorothy Bostick of Murray State College spent the weekend with her parents, Mr. and Mrs. J.W. Mostick.

Palestine News

Mr. Harvey Pewitt, who is in the Fulton Hospital, is slowly improving.

Mrs. Harry Murphy, Mrs. Eston Browder spent Wednesday afternoon with Mrs. Dick Carter.

Mr. and Mrs. Robert Wilson and children, Lillian, Edward and Joan, attended the surprise birthday of his mother, Mrs. Wilson, near Troy, last Sunday. A bountiful dinner was spread at the noon hour and all enjoyed the day with Mrs. Wilson, who was 84 years of age. She received many nice presents and late in the afternoon, all left wishing her many more pleasant birthdays.

Mr. Clarence Caldwell is still in a Memphis Hospital, having been there three weeks. He underwent amputation of the right foot and is reported improving.

Mr. and Mrs. Homer Barkley, and Mrs. Tom Jimbro of Clinton, spent Wednesday with Mrs. Barkley's parents, Mr. and Mrs. R. T. Carter.

Mrs. Gus Donoho was dismissed from the Fulton Hospital last Tuesday and is at home. He is much improved at the time of this writing.

Mr. Byron Mou'tree of Croley, spent Tuesday night with his mother, Mrs. Eva Carter.

Mr. T. R. Carter, Mrs. Tom Sams, and Mrs. Howard Powell made a business trip to Hickman Thursday.

Railroad Goes
To Aid Of Stork
In Flooded Area

Villa Grove, Ill.,—Flood waters from the Embarras River had blocked all highways out of this little city Sunday when Mrs. William George, wife of the postmaster, said her accouchement was fast approaching.

The husband appealed to the Chicago & Eastern Illinois Railroad for help. The railroad responded with a special train, a locomotive and cabooses, which transported Mrs. George to Tuscola, fifteen miles away.

A son arrived late last night. Mother and child were reported "doing fine."

Man Who Hired
Sub For W. P. A.
Is Imprisoned

Denver—Because he liked his \$5-a-day W. P. A. job so little he hired a substitute to work for \$1.50, William J. Foster has a new job—without pay—for a year at a Federal prison camp.

"I don't like the W. P. A. either," said Federal Judge J. F. Symes, after Foster explained he had obtained another job in a lumber yard, "but it is supported by taxpayers' money and it must be protected against chiselers."

More Mileage! Greater Safety!

Neon Eye Solves
Problem That Has
Vexed All Motorist

From 50 miles an hour up, does your car handle as easily as at lower speeds? Or, do you unconsciously tighten your grip on the steering wheel and your nerves become more tense? At those higher speeds does your car tramp, shimmy or jiggle?

Unbalanced wheels are the cause! Now the new Bear DY-NAM-IC Wheel Balancer solves the problem by not only balancing the wheels statically, but also dynamically with the NEON EYE. On this machine each wheel is revolved at high speed and the NEON EYE positively detects every spot on the wheel which is out of balance!

Unbalanced wheels are dangerous to safety--cause tires to wear out 20-50% quicker. That's why we now offer car owners this latest service.

DRAMA DEPARTMENT
IN GOOD MEETING

The Drama Department of the Fulton Woman's Club held its monthly meeting yesterday afternoon in the club home and hostesses for the afternoon were Mesdames Mansfield Martin, V. A. Richardson, C. C. Maxfield, and Miss Christine Johnston. Visitors were Mrs. Joe Johnston of Murray, Kentucky, Mrs. Hattie Bondurant, Misses Micca and Maxine McGee.

The chairman of the department, Mrs. Bertie Pigue, presided over a short business session and during this hour the minutes of the last meeting were read by the secretary, Mrs. J. C. Hancock, and the financial statement was presented by the treasurer, Mrs. Buren Rogers. The department has decided that there will be a benefit bridge party and Chinese checkers party given by this group on Tuesday night, March 28, for the club week activity. Committees were appointed to make arrangements for this occasion and Mrs. Mansfield Martin was appointed chairman of the ticket committee; Mrs. B. O. Cope, chairman of refreshments committee; Mrs. Ward McClellan, chairman of the decoration committee; and Mrs. Lewis Weak, chairman of arrangement committee.

At the end of the business the meeting was turned over to Mrs. J. C. Hancock who presented a well prepared program, the topic of which was "Current Drama." Mrs. Martin gave a very good article entitled "The Castles in Hollywood," taken from the Stage Magazine. Mrs. Hancock read an article from Life Magazine on "Great Acting—Marr's 1938-39 Season," and also gave a very interesting review on "The Boys from Syracuse," by George Abbott. Mrs. Bertie Pigue reviewed "The American Way" by Kaufman and Hart, and a discussion of "Memba's Daughters" by Dorothy and Dubose Heyward was presented by Miss Kellena Cole. Mrs. Hancock then introduced

Miss Micca McGee who sang "Stormy Weather" and "Dinah" in a truly Ethel Waters fashion, accompanied at the piano by her sister, Miss Maxine McGee.

At the conclusion of this most enjoyable program, the hostesses served lovely refreshments in the St. Patrick motif to the nineteen members and four visitors attending.

RUTH ALLEN CLASS
MEETING LAST NIGHT

The Ruth Allen Sunday School class of the First Baptist Church met in monthly session last night in the home of Mrs. G. C. LeGate, 605 Browder Street, with Mrs. N. M. Bondurant and Mrs. John Earle, assistant hostesses.

Thirty-four regular members were present with one new member, Mrs. I. D. Holmes, and five visitors; Mesdames Joe Johnston, M. I. Boulton, C. F. Jackson, Misses Annie Lee Cochran and Mary Katherine Bondurant.

The meeting was opened with prayer by Mrs. Clara Aske and during the brief business session, presided over by the president, Mrs. E. H. Knighton, read the minutes of the previous meeting.

Mrs. Bondurant was in charge of the program and a very interesting Bible quiz was conducted by her. At the conclusion of the program, the meeting was dismissed with prayer.

Games and contests were enjoyed during the social hour and lovely refreshments were served by the hostesses, carrying out the St. Patrick motif.

W. C. T. U. IN
MEETING YESTERDAY

The Woman's Christian Temperance Union met Wednesday afternoon at the home of Mrs. Lon Berninger, Eddings Street. The session opened with a hymn, "O Master, Let Me Walk With Thee." Mrs. Dan Horton led the timely Bible study, "The Abiding Life." Mrs.

John Owen offered prayer. Mrs. George Payne gave some hopeful signs of the times and was assisted in the program by the following leaflets: "The Cocktail Hour," read by Mrs. R. B. Beadles; "The Cocktail Lounge," read by Mrs. Mooneyham; "Applesauce," read by Mrs. Berninger.

The Union gave Mrs. Payne a vote of thanks for her excellent work during the absence of the president, Mrs. John Owen. The members were elated over Mrs. Owens' return from Florida and the interesting message brought splendid reports made by all officers.

Mrs. Wells, Department Superintendent, announced that the United States treasury department would soon issue a Peace Penny and that the Post Office department would issue a Frances Willard stamp. This year is designated as Willard Memorial year in the W. C. T. U. throughout the world. The treasurer announced that Mrs. George Payne has been enrolled as a Gold Star member.

Mrs. Berninger told of cancer control in cooperation with the National Movement to be conducted in the near future and urged that all members of the W. C. T. U. cooperate wholeheartedly.

Mrs. Cequin led the Aaronic benediction.

LODGESTON HOMEMAKERS
IN MEETING WEDNESDAY

Mrs. H. P. Roberts was hostess to the monthly meeting of the Lodgeston Homemakers Club, which was held yesterday at 10:30 o'clock at her home, with twelve members present.

Mrs. C. R. Burnett presided over the business session during which time "Leaves of Green" was sung by the club. Minutes of the last meeting were read. The usual routine business was transacted and one new member, Mrs. Reginald Williamson, was welcomed into the club.

The major lesson on "The Attractive Kitchen" was given by Mrs. H. P. Roberts and Mrs. H. C. Brown, stressing more modern and convenient kitchens.

The minor lesson on "Lights and Light Fixtures" was given by Mrs. Catherine Thompson. An article on "The Recessional and De-

coration" was given by Mrs. Reginald Williamson. Mrs. Reginald Williamson also read an article regarding the proper setting of evergreens and trees.

At noon a buffet luncheon was served to Mesdames C. R. Burnett, S. E. Bondurant, H. C. Brown, Reginald Williamson, Uriah Hill, Herbert Howell, E. E. Williamson, J. B. Inman, Malcolm Inman, J. C. Lawson, H. P. Roberts, Catherine Thompson, Henry Walker, and Miss Jeanette Inman.

SIXTEEN CLUB WITH
MRS. CHARLES WOODWARD

The Sixteen club met Tuesday afternoon instead of Wednesday afternoon at the home of Mrs. Charles Woodward on Jackson Street with seven members and one visitor, Mrs. B. G. Huff, present.

Games of Chinese checkers were played during the afternoon and high score for these games was held by Mrs. Brown Thacker, and second high was held by Mrs. Elvys Myrick. Both received attractive prizes and Mrs. Huff was presented a lovely gift.

Refreshments of sandwiches, cake, ice cream, and coca-colas were served by Mrs. Woodward.

This club will have its next meeting on Wednesday of next week at the home of Mrs. Jess Jordan on Fourth Street.

MRS. T. J. GATES
SERIOUSLY ILL

Mrs. T. J. Gates is very seriously ill at her home on Route 5, east of town. Those attending her bedside are her son, M. O. Young and Mrs. Young of Dyersburg, Tennessee, and her granddaughter, Mrs. E. M. Evans and Mr. Evans of Paducah. Her daughter-in-law, Mrs. R. A. Young in Washington, D. C., has been called to her bedside and is expected to arrive in a few days.

GARDEN DEPARTMENT
MEETS TOMORROW

The Garden Department will meet tomorrow afternoon at 2:30 o'clock at the Woman's Club.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Kelly Lowe announce the birth of a 9 3-4 pound son, born last night at their home on Pearl Street.

Mrs. Lowe and son are doing nicely.

PEEPLER LEAVE
FOR FLORIDA

Mr. and Mrs. Raymond Peeples are leaving for an extended motor-trip through various points of Florida. They will visit Deland, Orlando, Lakeland, Tampa, and other points before returning to their home here.

MRS. M. V. HARRIS
IS DOING NICELY

Mrs. M. V. Harris, who was admitted to the Methodist Hospital in Memphis several days ago, underwent a major operation there Monday and a report here today said that she is getting along fine.

Bob Harris, who has been ill for the past few days, is reported better today.

Mrs. Leonard Holland, who has been quite ill in the Fulton Hospital, has been dismissed and is greatly improved.

Murray Pair Held
In Kidnap Case

Trenton, Tenn.—Fast thinking on the part of a 10-year-old boy yesterday afternoon resulted in the arrest of two men on charges of kidnaping after the men had allegedly tried to entice the youth and two companions into their automobile on Austin Peay Highway near Humboldt.

Listed as W. Tom Bailey, 34, and Joe Walker, 21, both of Murray, Ky., the men also face charges of public drunkenness, driving while intoxicated, carrying a pistol and having no driver's license.

They were arrested after Jim Bob Scruggs, 10, had supplied officers with the license number of the car. They were placed in Gibson county jail here.

Warrants charging attempted kidnaping were sworn out against them by Harris Scruggs, father of Jim Bob, and Bud Hall, father of G. D. and Frances Hall, after the children told of being chased by the two men when they refused to get into the automobile.

Sheriff Robert Jones said crooked gambling devices, chloroform and a pistol were found in the car. A Federal Bureau of Investigation agent is expected to come here to aid in the investigation.

Make Driving a Pleasure --

Your car was designed to make driving a pleasure. Perhaps it has been neglected or improperly repaired at one time or another. If so, with our present "Bear" Equipment, we can make your car again operate like it did when it was new. Our shop is now completely equipped with the "Bear" equipment and all we need is a trial to prove that we can back up these statements.

Your Steering Wheel

YOU can't win the decision over a steering wheel that shakes and pulls out of your hands. You don't have an even chance with a car that steers hard. It wears you out soon after the first round and leaves plenty of openings for accidents and fatigue to get in a knockout blow. If your car shimmies, wanders, steers hard or wears tires excessively then

there's something wrong with your alignment. Don't sacrifice your safety and comfort with such conditions. Drive into our station tomorrow. We have complete Bear System Alignment Equipment which fixes every misaligned condition of steering, axles and frame. Let us give you a free check-up. No obligation on your part. Have your wheels Bear-aligned.
