Hickman Seeks TVA Attitude on Power Situation

Hickman, Ky.—The question of the relationship between the Federal Union and City of Hickman was discussed last night by R. P. Reed, district engineer of Paducah, Ky., and Mayor C. M. Hensley and the city council Monday night in an effort to try and bring the two communities together.

The councilman was welcomed, but when the discussion was opened, it was decided that a demand could not be made by the city council in this degree as the city council had no power to make demands. It was decided that the question of the relationship between the Federal Union and City of Hickman should be brought up at the next meeting of the city council. The question of the relationship between the Federal Union and City of Hickman should be brought up at the next meeting of the city council.

Campbell Rites Held In Cayce

Parent services were held in Santa Fe, New Mexico, on May 15, 1929, for Mr. and Mrs. Campbell who have been married for over sixty years. They were buried in the cemetery of the city of Cayce. Mr. and Mrs. Campbell were very active in the community and were well respected. They were very successful in their business and were well liked by all who knew them. They were very active in the community and were well respected. They were very successful in their business and were well liked by all who knew them. They were very active in the community and were well respected. They were very successful in their business and were well liked by all who knew them.
WHAT?  WHAT IS?  "WHAT A SHIRT"

It is O.K.'s new process for washing, ironing and Folding Shirts which makes life easier. Here's why it is better:

1. No-Rotations to Unbutton.
2. Shorter, Neater and Compact Fold.
3. A New Collar Protector that Guards the Collar.
4. Form Fitting "No-Squirm" Collar.
5. Air-For-Use We Lengthen Life Of Your Shirts-
   1.12 Fine Zinc Soft Wash.
   2. Tips Up Collar Before Washing.
   3. Paper Collar Before Turning.
   4. Washed In No. The Net Gets The Wear, The
   5. A. Continuous River Method.

CITY COAL COMPANY
CHESTNUT GLADS

Mr. and Mrs. Harvey Vaughn are dividing up some spent Saturday night with Miss Sheila Hanft.

Mr. and Mrs. L. L. Ladd have returned to their home in Norths
tow, Ohio after visiting Mr. and Mrs. Justin for several days.

Harvey Vaughn has the sick list with the flu.

Friends of Mmes. Lula Wade, Home

Demonstrating Agent in Boel, will be interested in knowing that she has

suffered a nervous break-down and expects to come home in a

short time and upon her return she hopes to be regular in her work.

While our school is maintained, oth-

er teachers of the schools build-
ging, everything seems to be pro-
mising very quiet. Plans are being

made for a new building and we

hope to have it under way in a few

more weeks.

Mr. and Mrs. Justin Murray have

just finished the building of a new

bathroom and expect to have it

filled with chicks in a few days.

Two days only

in the University of Kentucky

campus, out of school with

summers. We always have contagious dis-
cases at this time of year. Probab-
ably no ere or whooping
to them.

North West Weakley

Mr. K. J. Brown, who has been in

Northwest, N. J. for several months is

returning to the business and friends

here.

Mrs. Reba M. Norton, spent

weekend with Mrs. Charlie Olive.

Mrs. Minnie L. Smith, visited

dear daughters, Mrs. Cydyl Redmond,

and Mrs. Ruby Rose, over the weekend.

The Chestnut Glade girls' team

the basketball tournament the

court on Monday afternoon.

Chesnut Glade won by a score of

13 to 12. The team from Chesnut Glade

will go to Pleasanton, Saturday to play in the tour-

ament.

Miss Teresa Ralston has returned
to her home, Friday afternoon, after spending a week in the

Bundage community.

home of Miss Mavis Vining

Friday night and at the home of

Mrs. and Mrs. Ross on Saturday night.

TOYS LEARN TO GET

ALONG WITH PEOPLE

Science is teaching a group of

tots in the University of Kentucky

campus, to work with people.

"Learning along with people is

in the same way that learning to

get along with people."

Talking along with people.

in the mind of the children are

taught to the minds of the children

t in the sense that they are

taught to the minds of the children

to work with others.

The children learn to recognize

the right of others, to be kind
to others, to help others and not to

"fly off the handle" as they don't

do just as they would have

themselves.

In the department of home economics

there is a group, teaching the activities

of the child.

The science teacher, Mrs. Vining,

is teaching the children to

the double purpose of training

children to get along with others

and in the same ways they are

teaching the children to

get along with others.

Aunt Pat and Robert E. Worthen

are on a trip to Strand Theatre.

Price vs. Quality

The fight between Price and Quality is as old as industry itself. Competition, through the factors of industry itself. Competition, through the factors of

— but what else is it. Remember to specify —

ONE OF AMERICA'S FINEST BEERS

BRODWAY MILLING CO.

SURE, It's Legal—but what else is it?

FIVE years have slipped by since repeat. Yet what do you really know about the beer you drink today? Except that it's "legal." We feel you SHOULD know more than that, because the very words you act on in your stomach depends on the materials that go into it.

In today's Surfing Press we give you a beer brave Brewer of Natural Histories. This new beer is a low-calorie beer, no sugar, no alcohol., no ingredients are added.

You may be a weight-watcher. You may be a beer lover who has been known to fall asleep on a can of beer. But this beer is sure to keep your eyes open and your mind alert.

Drink

Coca-Cola Bottling Company

Your schedule needs the pause that refreshes.

On the job your work to keep your wits about you. So it pays to be refreshed. A little minute for an icy-cold bottle of Coca-Cola now and then leads to better work . . . better done.

Coca-Cola Bottling Company

PITTSBURGH, KENTUCKY

ALEX R. WHITMORE

The next reason is that the cost of owning and maintaining a car is not as high as previously thought. The program is full of cars that are in better condition than the ones we usually see in the used car market. The program is full of cars that are in better condition than the ones we usually see in the used car market.

More Mileage! Greater Safety!

Neon Eye Solves Problem That Has Frustrated All Motorists

From 40 miles an hour up, does your car's efficiency do as well as it did when new? Of course not! In normal driving conditions, you probably tighten your grip on the steering wheel and your voice becomes more forceful. Remember that these higher speeds than your car was made for, so the tension increases.

Unbalanced wheels are the cause! Now the new Neon Eye Wheel Balancer solves the problem by only balancing the wheels statically, but also dynamically with the Neon Eye. On this machine each wheel is revolved at high speed and the Neon Eye positively detects every spot on the wheel which is out of balance.

The Neon Eye is the best way to keep your car running smoothly and safely. It is available at all dealers.

Make Driving a Pleasure --

Your car was designed to make driving a pleasure. Perhaps it has been neglected or improperly repaired at one time or another. If so, with our "Bear" equipment, we can make your car again operate like it did when it was new. Our shop is now completely equipped with the "Bear" equipment and all we need is a trial to prove that we can back up these statements.
