ANOTHER RESPECTED AND MANY YEARS RESIDENT DEAD
LAST NIGHT JUST BEFORE MIDNIGHT THE FAMOUS MONS. CARET SHOWED E. GROEBBROCK, THE VENERABLE MEMBER OF THE COMMUNITY, WHO HAD EARNED A SUCCESSFUL LIFE AND REMOVED ONE OF PADUCAH'S MOST VALUABLE AND WELL-TO-DO CITIZENS.

The entire community is in profound sorrow and all of West Kentucky is filled with regret at the passing of one who had gained the respect and esteem of all who knew him. The death occurred at his residence in this city early this morning, the hour being about two o'clock. Although the deceased had been bedridden for several days, he was not expected to survive the indications were not favorable, and the end came without a struggle.

Mr. Bak was very popular with his fellow countrymen, and his death is deeply felt by them. He was a great friend to the community and was always ready to help those in need. He leaves a widow and two children, who will mourn his loss with deep regret.

The insurance investigation continues at New York without any apparent progress of the Dupont subsidiaries in regard to the fraudulent valuation of the properties. Though the commissioner of insurance continues to search through the records of the companies involved, the investigation discovered nothing that would affect the companies being headquartered in New York. The examination of the companies being headquartered in New York continues at the same rate. A recent report reveals that the investigation discovered nothing that would affect the companies being headquartered in New York.
