The Cash Grocer.

A new sewing machine will be given to the person or persons having the highest and second best guess. The number of guesses is two packages containing from 100,000 to 125,000 grains of coffee. The person making the highest guess will receive the machine. The person making the second best guess will receive a set of shoes.

Who Can Guess?

Any person who buys $1 worth of groceries between the hours of 9 a.m. and 5 p.m. on each of the next three Wednesdays will be entitled to a guess. In order to make a guess, you must fill out a slip for each $1 you spend. Each guess will be recorded in a registry kept for that purpose.

The Guessing

The guessing will be conducted in a neat and square manner on a sheet known as the "guessing sheet." The sheet will be kept on file for six months. It will be signed and sealed by the judge, and will be destroyed after the sixth day of the guess.

The Savings

For people who make the highest and second best guess, the cash grocer will award the following prizes:

- The person having the highest guess will receive a set of shoes.
- The person having the second best guess will receive a sewing machine.

These savings are deducted from the amount of cash spent in the store.

The Contest

The contest will be conducted in a fair and honorable manner. Any person who cheats will be disqualified.

Grand Prize

The grand prize will be awarded to the person having the highest guess. The prize will consist of a sewing machine and a set of shoes.

The Prize List

The prize list will be posted in the store on the day of the contest.

The Winner

The Judges

The judges will be selected from the judges of the local school district.

The Rules

The rules for the contest will be posted in the store on the day of the contest.

The Contest
