Boat Excursion

The boat excursion, on which the Fulton Elks Lodge Fr. No. 1125 and Mississip
ian Klisk Lodge will give a Resettlent Red and White on the
evening of Sept. 29, will be a
most enjoyable trip for
the decks and dance halls
of which are crowded
place, a feature that is so
popular with the rest of the
celebration. The trip will be
led by Miss H. R. Moore, who
will give sightseeing and
novelty and entertainment. The trip leaves at 7:30.

A well furnished home is a
sign of luxury.

The furniture need not be
expensive but should be
delicate and tasteful in
and furnishings of this type.

We believe all homes should
be attractive and comfortable
and furnishel thusly.

We invite you to come to our new Store and see the many pretty things for your home.

FOOD LIKE YOU GET AT HOME
This is truly a home-like restaurant because it has endeavor to break down the prejudice based on the theory that restaurants could not serve food like you get at home. Many patrons will testify that there is no difference between our meals and the meals they get at home. That's the reason they could not serve food like you get at home.

Efficient and Economical Home Heating

The Enterprise Automatic circulating warm air will heat the entire house with a constant circulation of warm air, ensuring the same comfortable warmth in every room.

Finishes in dark colored Mahogany, it is in harmony with the other furnishings of the house. The fan door and all mechanical parts are polished whether the cabinet is closed.

The powerful heating unit makes it most economical in fuel consumption. The wide deep wiring from top to bottom of the cabinet permits free passage of air, which is quickly heated in passing over the heating unit, and out the top to distribute through the entire house.

City Ordinance

(Continued from page 1)

Section 3. The following sections of said ordinance shall be construed as separate sections of each lot and parcel of land, and each lot and parcel shall be subject to pay the taxes levied under the provisions of said ordinance, notwithstanding the provisions of any other ordinance of the city, and the city council shall have the power, from time to time, to regulate the construction of buildings and appurtenances on any lot and parcel of land and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 4. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 5. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 6. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 7. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 8. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 9. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 10. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 11. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 12. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 13. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 14. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 15. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 16. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 17. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 18. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 19. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 20. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 21. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 22. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 23. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 24. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 25. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 26. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.

Section 27. The city council may at any time require the payment of taxes on any lot and parcel of land, and the city council may, from time to time, regulate the construction of buildings and appurtenances on any lot and parcel of land, and to prescribe the methods of payment of taxes on any lot and parcel of land.
**MARRIAGE OF INTEREST HEREBY**

Erecting Bank Negligible Quiet.

In Fulton, Ky., September 19th.

The marriage of Miss Lucille Cardon, daughter of Mr. and Mrs. John Cardon (of Columbia), and Mr. Roy Brasher Brown, son of Mr. and Mrs. Allen E. Brown, of Fulton, Ky., took place on Saturday, the tenth of September. Among the guests will be many friends and relatives through the Cardon and the Brasher families, who are both lifelong residents of Fulton.

**THE FULTON ADVISER**

**M.FILES JONES**

Manager
It is not time—seconds, minutes, hours, days, weeks, years—what causes the difference in the strength of a face, but the habits of the golden present. There are no secrets for advancing men's fortunes. The same line of business is followed by the wayside edge. There are ten million ways of committing suicide. There is no opportunity of the golden present has lost its value, so do sore and broken opportunities to improve mind and body and soul and those who are getting ahead in this life are those for whom every minute of time is precious. The automobile has come. This is not time—seconds, minutes, hours, days, weeks, years—but the habits of the golden present. There are no secrets for advancing men's fortunes. The same line of business is followed by the wayside edge. There are ten million ways of committing suicide. There is no opportunity of the golden present has lost its value, so do sore and broken opportunities to improve mind and body and soul and those who are getting ahead in this life are those for whom every minute of time is precious. The automobile has come.

There is no opportunity of the golden present has lost its value, so do sore and broken opportunities to improve mind and body and soul and those who are getting ahead in this life are those for whom every minute of time is precious. The automobile has come.

Nature is absolutely imperious in the distribution of its gifts. She gives to no man that which he may not give to himself. She gives every man an equal start in life. There are no secrets for advancing men's fortunes. The same line of business is followed by the wayside edge. There are ten million ways of committing suicide. There is no opportunity of the golden present has lost its value, so do sore and broken opportunities to improve mind and body and soul and those who are getting ahead in this life are those for whom every minute of time is precious. The automobile has come.

The great, promising future is now. That is the moment. But the habits of the golden present are so insidious, so little in itself, that the tendency to take it for granted and to feel that there is nothing to do but wait till it comes is manifest.
