For the Mid-Term  
Schedule, April 1

VOL. EIGHT

NUMBER 4

## MURRAY NIPS CENTRE 25-22 IN K. I. A. C. TOURNEY

### Playgoers League Conducts Membership Drive in Murray

Dr. Hire Heads  
Local Branch  
of Project

A membership drive beginning Wednesday, February 20, and ending Friday, February 22, was planned by the Murray branch of the Playgoers League at a meeting Monday night, 7 o'clock, in the library of Murray State College, according to Dr. Charles Hire, acting dean of Murray College, and president of the Murray branch of the Playgoers League.

The branch, organized February 8 by W. W. Hughes, New York, is a community organization with a membership fee of \$3 for the purpose of bringing six theatrical entertainments to the community.

Miss Bess Turner, a New York representative of the League, was present, and offered suggestions for conducting the campaign.

The first evening performance will be modern comedy, "Her Master's Voice," March 7, at 8:30, in the college auditorium.

The first matinee performance will be by "Sue Hastings' Marionettes" the afternoon of the same day. Arrangements have been made whereby all college and training school students will be admitted on presentation of student tickets.

According to Dr. Hire, the casts of all productions to appear in Murray are composed of talent from the Equity Players, assuring entertainment of high professional calibre.

The second production by the Playgoers League in Murray will be the first week in May. The evening presentation will be the mystery-comedy, "Whistling in the Dark," and the matinee, "Rip Van Winkle."

### 5 Occupations Are Listed For Fathers of Murray Students

The records show that the fathers of Murray students are found in 95 different occupations, professions, and trades.

Agriculture leads in this particular with a total of 43 per cent, as would be expected. Then comes the teaching profession with 7.5 per cent of our students. Then follow mercantile business, 6 per cent; railroad, 5.26 per cent; the ministry, 4.1 per cent; post-office work, 3 per cent; salesmanship, 2.8 per cent; medicine, 2.6 per cent; mechanics, 1.4 per cent; and unemployed, 1.2 per cent.

Butchers, bakers, inspectors, manufacturers, fire-chiefs, wood preservers, quarrymen, toll collectors, jailers, bottlers, personnel men, lawyers, masons, stenographers, judges, editors, pharmacists, and other professions are among the more prominent ones carried by the fathers of students here.

### Varsity Club Sends Wreath to Funeral of Carl 'Bud' Hager

The Varsity "M" Club of Murray State College sent a wreath to the funeral of Carl "Bud" Hager, former Murray athlete, who died in a motorcycle accident in Nashville Sunday, February 10.

Members of the club and other friends of the former Murray College football player contributed to fund. A pillow-shaped wreath, chosen, which had a background of gold flowers and a blue "in the center. It bore a banner with the inscription, "M B." The wreath was placed at head of Hager's grave.

Voodrow "Pedro" Simmons, president of the club, called the meeting.

### Miss Higgins Is English Club Head for Spring Session

Miss Sheila Higgins, Hopkinsville, Ky., was elected president of the English Club at Murray College in a meeting held Tuesday, February 5, in Dr. Drennon's room. Dr. Drennon, the sponsor, made talk on "The Fugitives." Other officers were elected for a new semester: Gladys Ward, president, Paris, Tenn.; Mary Elizabeth Edwards, secretary, Paducah, Ky.

### Scene From "Her Master's Voice"

### March 1 Is Last Date for Photos in Murray Book

Final arrangements must be made for the club picture in the Shield, college annual, by March 1, according to the Shield staff and the sponsor, Prof. F. C. Pogue. Plans for payment must be completed by March 15.

A special Training School section is being added which will increase the size and interest of the Shield. The Shield staff is especially interested in having annuals reserved with a \$1 deposit being made within the next 10 days. February 18 was the last date for individual pictures for the Shield. Clubs should arrange for write-ups and all seniors should see that their brief biographies are in.

Robert "Nub" Shelton is the editor-in-chief of the annual, and Willard Petway is business manager.

### Extension Director Makes Survey of Graduates' Status

The extension department is receiving many replies and helpful suggestions in response to a questionnaire recently sent out to the alumni of the college, according to Prof. E. H. Smith, head of the extension department of Murray State. "The purpose of the questionnaire," Mr. Smith stated, "was to bring the record of the alumni up to date."

These records are sought in connection with a view to publish the positions Murray graduates have held and any studies made in the field of the alumni.

The employment committee for teachers, whose office is in the extension department office, is attempting to make a very close checkup on all probable vacancies for teachers and to get a report on all seniors relative to their majors and the positions they desire in the teaching field.

### Miss Mabel Phillips Is Elected Head of International Club

Miss Mabel Phillips, Marion, Ky., was elected president of the International Relations Club of Murray State College at a meeting of the club Monday afternoon, February 11, in Prof. W. M. Caudill's room in the liberal arts building. Mr. Caudill, sponsor of the organization, was unable to be present on account of illness.

Other officers elected were: Lloyd Spiceland, Murray, vice-president; and Hubert Jacob, Gilbertsville, Ky., secretary-treasurer.

### MOTHER DIES

Mrs. J. H. Thurman, mother of Prof. Clifton Thurman of the Training School faculty, died at her home in Murray of paralysis Friday, February 22.

Funeral services were set for Saturday afternoon.

### MURRAY TO DEBATE UNION UNIVERSITY AT PARIS, FULTON

Phillips and Neely Creditably Represent Institution in First Attempt

MUNITIONS QUESTION IS ARGUED BY 3 TEAMS

Before the high schools of Fulton and Paris, Murray State will clash in a dual debate with Union University of Jackson, Tenn., March 22.

Joe Horrell and Dudley Porter will represent Murray on the negative at Fulton, while Virgil Mitchell and James Miller will uphold the affirmative at Paris, Tenn.

Making their first appearance in college debating, Hugh Phillips of Almo and Sam Boyd Neely of Hazel creditably represented Murray State in a forensic clash here with Morehead State Teachers College Monday evening, February 18.

The opponents of Murray were the two ace debaters of Morehead's team which won seven consecutive debates at the Mid-South tournament. In spite of the heavy odds against them, Murray's novices held their opponents to the close vote of 2-1 of the judges. Morehead's men said the debate was the best of any they had encountered this year, even in the tournament at Conway, Ark.

The loss was the first of the year for Murray in the three debates already staged. Murray upheld the negative of the proposition. Resolved that the nations should agree to prevent the international shipment of arms and munitions.

### INSTRUCTOR LAUDS FATHER OF NATION

Prof. F. D. Mellen Speaks on Washington in Chapel at Murray State

"The only way to give a true picture of a hero is to paint him as he actually is. Accordingly, I shall not picture George Washington in unnatural and gaudy colors, but in the simple and noble tones that mark him the ideal citizen," declared Prof. F. D. Mellen in an address to the student body in observance of Washington's birthday in chapel February 22.

Washington became not merely an American, but a citizen of the whole world. He had only ordinary abilities, but through ambition and hard work made the most of them, the speaker explained.

"He educated mind and body, and by combining his interests and those of his fellowmen, to the utmost of his abilities, he became for all nations the ideal citizen," averred Mr. Mellen.

The students voted unanimously to send a telegram of encouragement to the Thoroughbreds at the K. I. A. C. tourney.

### FROSH PLAN TO GIVE FOUR PLAYS

Class Will Present Entertainment for Public on Evening of March 14

The freshman class of Murray State College plans to offer to the student body, the people of the town, and the neighboring towns and community on the evening of March 14 the biggest evening's entertainment ever purchased for the price of 10 cents.

The program will consist of four one-act plays, the first three of which will be comedies, and the fourth, classic. Some 45 characters will take part in the evening's performance.

Those sponsoring the program are striving for the things that both students and the public like in a play, such as local setting, music, dancing, humor, happy endings, and beauty. The actors are well on their way towards getting their parts in hand.

Save your pennies for your tickets which will go on sale about the first.

A Valentine bridge party was given by Mrs. M. G. Carman and Mrs. Herbert Drennon Tuesday afternoon, February 12, at the home of the latter. Five tables were placed for contract.

### Mid-Term Schedule Released By Chief of Murray College

Second Half Opens  
for Nine Weeks  
April 1

1625 ARE ON  
ROSTER NOW

Anticipating the registration of a large number of students for the last nine weeks of the spring semester, Dr. John W. Carr, president of Murray State College, has released the complete schedule of classes prepared especially for those who desire to enter April 1 for mid-semester enrollment.

Over 1625 students are already enrolled at Murray in all departments, including the Training School, the college proper, and the extension students. This number represents a marked increase in the registration over that of a year ago.

The mid-registration is designed especially to accommodate those teachers and students who desire to attend college after the completion of their duties in the various schools of the district. Regular college credit is given for such work. College officials have pointed out the fact that by attending the last nine weeks' term, students may continue their work, if they choose, through the summer session, thereby enabling them to secure a considerable part of a school year's work. It is pointed out that any student, whether or not he wishes to teach, may secure work in the liberal arts field.

Classwork for the second half will begin on April 2, with April 3 as the last day to register for maximum credit. Limited credit may be obtained, however, with registration as late as April 8.

Many courses are offered for those who wish to take "first-half" subjects. Some are "double" courses, enabling students to complete a full semester's work in such subjects. Others will be available for those who wish to enter for "second-half" credit.

May 23-30 has been designated as commencement week. The spring semester closes officially May 31.

### Speech Tournament To Be Held at Murray March 22-23

Wrather Arranges Events for Meet at College

Supt. M. O. Wrather has announced that speech contests of the First District Interscholastic Tournament will be held at Murray State College March 22-23. Mr. Wrather is superintendent of Calloway County schools and chairman of the committee sponsoring the events. Nine Western Kentucky Counties are included in this district.

The tournament will be divided into two divisions—the speech contest and the musical festival. This is the first time in the history of interscholastic meets that the tournament will be divided.

The speech contest will include debating, oratory, declamation, dramatic monologue, poetry reading, discussion and extemporaneous speaking. The musical festival, which will be postponed until April 5, will begin on Friday and last through Saturday, April 6. It will consist of feature solos, quartets, trios, choruses, and instrumental events of all kinds. Each school will be allowed only one contestant in each of the events.

Mr. Wrather stated that the committee expected the tournament to be the largest that has ever been held in Murray because over 40 schools have signified that they intend to be represented.

The committee, which is composed of Supt. Wrather of Murray, Supt. K. R. Patterson of Mayfield, and Prin. W. C. Jetton of Paducah, met January 17 and decided upon the dates and nature of the tournament. The counties located in this district are Calloway, Ballard, Carlisle, Fulton, Graves, Hickman, Livingston, Marshall, and McCracken.

### Murray Churches Hold Second Get-Together of School Year for Students of State College

By Casner Carlisle

The second "get-together" of the year for students was given on the Murray campus by the Murray churches, Tuesday night, February 19. The idea was begun and sponsored by Dr. Carr last fall shortly after he announced his 10-Point-Program which called for (1) a finer social life among students and (2) noble character. The first entertainment which was held September 27 was termed a "signal success" by Dr. Carr.

Church of Christ: Approximately 100 persons attended the reception given by the Murray Church of Christ Tuesday night, February 19. Those on the program included: Thomas Pate, student and local Church of Christ pastor; John Hardeman, Mayfield; a quartet, composed of Regent and Mrs. B. L. Trevathan and two others from Benton; Elder Tom Morris, new Church of Christ pastor at Benton.

Sandwiches and tea were served by Mrs. Graham, Mrs. Poole and Mrs. Austin. Washington's birthday was the theme of the entertainment.

Methodist Church: The Murray Methodist Church entertained with a reception. Approximately 75 were present. The Rev. O. A. Mays and Dr. G. T. Hicks were in charge of the program.

Games of all kinds were played. A quartet composed of R. H. Falwell and Ralph Churchill, both of Murray, Robert Gooch, Bardwell, and John W. Travis, Providence, sang.

For refreshments, punch and cake were served by Miss Wear and Miss Linn.

### MUSICIAN, BANKER ADDRESS STUDENTS IN MURRAY CHAPEL

B. C. Tuthill Visits College to Examine Department of College Music

HOLLIS FRANKLIN GIVES VIEW ON SCHOOL TASKS

Burnett C. Tuthill, Cincinnati, Ohio, secretary of the National Association of Schools of Music, in his address in chapel Wednesday, February 13, urged the students of Murray to cultivate a taste for good music by listening to music—not merely to one kind of music, but to all kinds.

Hollis Franklin, Marion Banker and an official of the public schools of Crittenden County, was the second speaker of the morning. Mr. Franklin pointed out the college student's need for assuming the right attitude toward the tasks before him. He directed his remarks toward students who are planning to remain in the field of education after their graduation from Murray College.

"Music," Mr. Tuthill said, "as a cultural objective, has been set before schools as a background for work and leisure moments." He classified music in five branches: history of music, literature of music, mathematics of music, creation of music, and appreciation of music.

He came to Murray to determine whether or not Murray State is eligible for membership in the association of which he is secretary. His wife was formerly a student of Dr. Carr.

### PAYS TRIBUTE TO SENATOR YOUNG

Dr. Carr Gives Memorial Talk in Chapel at Murray State College

Tribute was paid by Dr. J. W. Carr to Judge Allie W. Young in his chapel address Wednesday morning, February 20. Among the services he rendered in forwarding education, was the establishment of Murray State College and its sister institution, Morehead.

Mr. Young died at Morehead on January 18.

Linking Young's name with that of Dr. Wells, the Murray president declared that Judge Young had aided only in the establishment of Morehead and Murray but that he had assisted in the maintenance of these institutions and the entire educational system of Kentucky.

"What of the future," asked Dr. Carr in summarizing the needs for future leadership in the state.

### 14 ADMITTED BY SOCK AND BUSKIN

Tryouts Are Held by Dramatic Club at Murray State on February 21

Fourteen students were successful in obtaining membership in the Sock and Buskin Dramatic Club of Murray State College, in the annual tryouts held Thursday night, February 21, in the little chapel of the administration building.

Those students who were successful were: Louise Quertemous, Salem, Ky.; Bill Duvall, Paris, Tenn.; Louis Hicks, Paducah, Ky.; Caroline Beadles, Fulton, Ky.; June Martin, Hardin, Ky.; Alton Thacker, Murray, Ky.; Orleana Dobson, Hickman, Ky.; Dixie Moore, Princeton, Ky.; Renalda Featherstone, Clinton, Ky.; Herbert Williams, Fulton, Ky.; Anne Herron, Hazel, Ky.; Rebecca Henson, LaCenter, Ky.; and Mozelle Rhodes, Wingo, Ky.

Seven plays were presented in the tryouts, with a total of 26 students participating.

William Cutchin and Guy Lovins students of Murray State College, received minor cuts and bruises Thursday evening, January 31, when an automobile in which they were riding collided with another.

under the direction of Prof. Leslie Putnam, voice instructor.

The men's quartet, A Capella choir, women's quartet and Miss Gwendolyn Berry were on the program.

### 'Breds to Meet Transy In Semi-Finals This Afternoon

Hager Dies In  
Motor Accident

Carl "Bud" Hager, 26, Nashville, Tenn., a former Murray College athlete and student, met a tragic death Sunday, February 10, while riding his motorcycle out a main street in Nashville.

Hager was accompanied by Charles Blackford, friend, who survived the wreck with minor cuts and bruises. According to Blackford, "Bud" was traveling at a rate of about 30 miles per hour out the street on which they had been passing several automobiles.

On trying to pass one automobile, another one approached from the opposite direction, causing Hager to check his speed and attempt to drop back behind the car he was attempting to pass. As the speed of the motorcycle was being checked, Hager pulled closer to the front car and the front wheel of the motorcycle struck the side of the back bumper of the car, causing the front wheel to lock. The riders were thrown from the motorcycle. The machine fell on Hager, crushing the back of his skull. Blackford was thrown clear of the machine. Both riders were rushed to the hospital, where Hager died two hours later.

The only damage that was done to the motorcycle was a broken headlight. The machine was christened "Hades" by Hager and Guy Barnett, another Murray College student, last spring when school was dismissed for the summer. Hager purchased the motorcycle from a motor dealer in Nashville where it had been rebuilt following a previous wreck which took the life of another youth.

"Bud" is survived by his mother and one brother. His funeral was held Tuesday, February 12, at his home on Galk Lane. Interment was in Mt. Olivet cemetery at Nashville.

Hager finished his junior year at Murray College last spring and was attending his senior year last semester, when he found it necessary to return to Nashville to attend to an inheritance suit that was pending in court.

"Bud" was a member of the great freshman football team of 1931, and played varsity football in 1932 and a part of the season of 1933. He was not enrolled in the fall of 1933. He was a member of the "M" Club, the Allienian Society, and the College News staff of 1933.

TEACHERS GIVE SHOWER  
The Training School teachers and pupils and a few members of the administrative staff of the college gave a shower for the nurses of the William Mason Memorial Hospital, Thursday evening, February 21.

A huge basket of gifts consisting mostly of personal necessities such as clothing and shoes was given the 19 nurses. The nurses at the present time are living at different homes in the city and in the improvised hospital.

### Rabbi Graff To Speak Feb. 25

Rabbi Morris Graff of Paducah will lecture in the small auditorium at the college Monday evening, February 25, at 7:30 o'clock. He is coming to Murray under the auspices of the A. A. U. W. and they invite the public to hear him. No admission will be charged.

Rabbi Graff's subject will be "War and Peace." He is an able speaker and a very interesting one. Murray citizens are fortunate to have this opportunity.

### Cutchinmen Eke Out Wesleyan By 20-18

Coach Cutchin's Racehorses fought their way to the semi-finals of the K. I. A. C. by defeating the Centre Colonels 25-22 Friday night at Bowling Green. Murray meets Transy in the semi-finals this afternoon (Saturday). The 'Breds defeated Wesleyan 20-18 in the opener.

Behind 22-21 with 30 seconds to play, Macgruder and Kent made baskets to give Murray a 25-22 win over Centre before 3000 fans, the largest crowd at the tournament. Murray is favored to meet Western tonight in the finals. The game was called the best of tournament. Murray led 14-10 at the half.

Neither team scored in the first five minutes of the game. After 10 minutes of play the score was tied 5-5. At the beginning of the half, Murray jumped into a 17-11 lead on a free throw and field goal by Captain Phillips. Captain Phillips fouled out with seven minutes to go with Murray leading 21-19. A free throw and field goal by Fitzpatrick gave Centre a 21-22 lead. Murray played one of the best games of the year.

Lineups:  
Murray (25) Pos. Centre (22)  
Kent 3 F Cooper 3  
Magruder 6 F Fitzpatrick 10  
Howle 6 C Sullivan 3  
Phillips 3 G Campbell 4  
Rayburn G May 2  
Substitutes: Murray—Carroll (5), King, Graham (2). Centre—Kidd. Officials: Mohney, Chest.

### MURRAY 20—WESLEYAN 18

Dashing under the basket with seconds to go and the score tied 18-18, Willard Carroll scored a crisp shot to give the Murray Thoroughbreds a startling 20-18 comeback victory over Wesleyan in the opening round of the K. I. A. C. tournament at Bowling Green February 21.

The Cutchinmen, miserably off form, trailed 14-6 at the half, but came back to nose out the inspired Wesleyan quintet. The victory entitled Murray to meet Centre Friday night at 8 o'clock.

The lineups:  
Murray (20) Pos. Wesleyan (18)  
Magruder 8 F Norton 4  
Kent 1 F Compton  
Howle 6 C Taylor 6  
Phillips 1 G Shelton 4  
Rayburn G Boleyn 2  
Subs: Murray: King 2, Carroll 6, Graham 2. Wesleyan: Johnson 2.

### Shriner Is Head Of Vivace Club

Russell Shriner, of Chicago, Ill., was elected president of the Vivace Music Club at a meeting in the auditorium, Monday night, February 11, at 8:30. Mr. Shriner is a junior in college, a member of the college band and orchestra, the woodwind quintet, and other musical organizations on the campus.

Grover Carson, Decatur, Ill., was chosen vice-president of the group; Miss Joy Ruth Adams, Mayfield, Ky., was named secretary-treasurer; and Mrs. Wallace Rogers, Murray, Ky., was appointed club reporter. Miss Marjorie Barton, piano instructor in the college, was made sponsor of the organization.

Burnet C. Tuthill, of the Cincinnati Conservatory of Music, who is examining the music curriculum of the college, and Dr. J. W. Carr, president of the college, were guests.

### Students Appear on Music Program

Miss Sarah Cucinotti, of Louisville, Ky., a sophomore in Murray State College, and William Kemp, of Dixon, Ky., a freshman in the college, appeared on program at a meeting of the Women's Music Club of Murray, at the home of Mrs. A. M. Wolfson, Tuesday night, February 19.

Miss Cucinotti, accompanied by Miss Lillian Watters, presented a Spanish dance, "Habanera," from "Carmen" by Bizet. As an encore number, Miss Cucinotti gave the popular "Continental" as a solo dance.

Mr. Kemp sang "O Sol Mio," by De Capela, accompanied by Miss Watters.

## THE COLLEGE NEWS

The College News is the official newspaper of the Murray State Teachers College, Murray, Kentucky. It is published bi-weekly from September to August by the Department of Publicity and Journalism of the College.

Member of the Kentucky Inter-Collegiate Press Association and the First District Press Association of Kentucky.

Entered as second class matter at the postoffice of Murray, Kentucky.

### "First in the Hearts of His Countrymen"

In spite of the prevalent fad of declaring gleefully that all men of heroic stature have their feet of clay and then giving a magnified view of the feet, the figure of the great American born February 22, 1732, still holds and will continue to hold its high place of honor as long as there is respect for the ideals he represented. Let quibblers shout and quarrel over the cherry tree story, for its truth or falseness does not matter greatly when the nobility of Washington's character quietly continues to illumine his name.

That all human beings are wonderfully and fearfully made of good and evil, strength and weakness, is a fact no one denies. But when a man is truly great, it is his good qualities that have made him so, not the faults that are common to him as a member of the human race. Since his good qualities have made him outstanding, let him be remembered for them.

The modern fashion of combing the years of a great man's life with a fine comb for all scandals and faults, real or imaginary, and publishing them as the most truthful biography of him is a far worse lie than making him a plaster saint. Nor is such a biography necessary to prove that the hero is human. Robert Frost once said that you do not have to cover a carrot with dirt to show that it is a carrot.

### WHAT IT MEANS

The secretary of the National Music Association acted as inspector of our music department last week. This action came as the result of a petition from the music department for admittance to that association.

Does this student body realize that Murray would be the only educational institution in this state having that honor and that Murray would be the only teachers college in the United States that is in that organization?

What would this achievement mean to the students? Simply this: Should one want to transfer to a college that is in that association, he would be given hour for hour credit for his work, and the added prestige that would accompany the admittance of this institution into that association would be an important factor in helping him to get a teaching position.

—By Bill Duvall

### A NECESSARY EVIL

When a chapel speaker is launched squarely into an address and is probably wondering, on the sidelines, just how his audience is taking it, it must be a bit disconcerting to him for several front rows of students to rise abruptly and file solemnly out of the auditorium. If the speaker be a timid soul (and, believe it or not, we are told that some of them are), he is perhaps a little depressed. No matter if it is explained to him later that these students are practice teachers, that explanation comes too late to help him when it is most needed.

It may be that this arrangement whereby practice teachers occupy the front rows of seats and leave at the ringing of the 10 o'clock bell must continue as a necessary evil. But could it not be worked out, and would it not be vastly better for those taking practice teaching to sit in the balcony, especially as most of them sit there anyway on mornings when the Training School students attend chapel?

Even though this plan is not feasible, surely some remedy can be found for this rather embarrassing condition.

### SOUL POWER

One of the greatest wastes that occur in the world is loafing, or improper use of time. If all the wasted energy in the world were directed into purposeful activity, the world would rise in its power and unbelievably enlarge the range of its influence.

It would seem that the soul of man is rotting at the core for lack of nourishment. It appears, judging from older civilizations, that the world is headed for destruction—unless purposive hobbies are developed. What is to become of the vast amount of surplus energy liberated by the 30-hour week? Are we joy crazy? Do we live

only in the present with no thought to the future?

If I had picked out an occupation in childhood that I liked and put in my extra time intensively, I have no doubt that I could have become a master in that occupation. The College News uses "I" because "I" means you.

What one accomplishes with his hobbies is really not important. But "what we put into it" is. No man ever put his entire soul into his work without winning a prize, whether he realizes it or not.

We need to develop our soul power as well as our man power. We need to make plans "from now on."

### AURORA DAM

Do you want this college to have more athletes, more scholars, more musicians, more debaters, and a larger and finer social life? There may be several methods of bringing this about, but one big way is by the building of the Aurora Dam.

Obtaining this dam will mean approximately \$42,000,000 spent within 16 miles of this college; enough money to build 42 Murray State Colleges. It would draw men with families; men who would send their sons and daughters to school at Murray to make athletes, scholars, and musicians for the college.

The dam will attract tourists, some of whom will see the college for the first time and make it more widely known. It will mean cheaper electrical power in parts of five states. It will mean jobs for the unemployed and a cutting down of overhead expenses for the farmer and the business man, thus allowing them more profits out of which to educate their children.

BOOST THE AURORA DAM.

### MURRAY BASEBALL

Why doesn't Murray sponsor baseball as a varsity sport? It is well-liked by the student and offers entertainment during the spring semester.

Murray has ample material to put into a team. Other institutions, many smaller than this one, put over baseball as a successful varsity sport.

A schedule could be arranged and the college could carry on athletic relations with a number of teams it encounters in football and basketball competition.

When baseball was dropped temporarily from the athletic program of the college, it was done with the thought of continuing it the following year. No effort has been made to revive it to date.

### No Meeting

The Wilsonian Literary Society of Murray State College was not reorganized Tuesday, February 12, as originally planned. No announcement of a meeting was made in chapel, and only a small number of the members of the society went to the auditorium for a meeting on that day.

## WINGO HEADS DINNER CLUB

John Wingo, Lynnville, Ky., was elected president of the Dinner Club of Murray State College Tuesday, February 12, by a vote of 26-14. Mr. Wingo is a senior in college.

Other officers elected were: Richard Reynolds, Hickman, Ky., vice-president; and J. B. Hardeman, Sedalia, Ky., secretary-treasurer.

The club opens its meetings, held in Coach Carlisle Cutchin's room in the liberal arts building, at noon of each day, with a general working of the jaws for both the purposes of mastication of food and discussion of problems of the day. Round table discussion is usually carried on by the epicures, who air their opinions as to class work and the faculty.

### Owen-Skees

Miss Merle Owen, of Princeton, Ky., and Hugh S. Skees, a student of Murray State College, were married in Hopkinsville, Ky., Friday afternoon, February 1. The Rev. John Vance, pastor of the Hopkinsville Catholic Church and of St. Paul's Church in Princeton performed the ceremony.

Mrs. Skees is the daughter of Mr. Robert Owen of Princeton, and is a graduate of Butler High School.

Mr. Skees is the son of Mr. and Mrs. H. D. Skees of Princeton. After being graduated from Butler High, he has attended Western State Teacher's College at Bowling Green, Ky., and Murray State College.

Mr. and Mrs. Skees are residing in Murray where Mr. Skees is attending college preparatory to teaching in Caldwell county in the fall.

A "Silver Tea" was given by the Service Circle of the First Christian Church on Friday afternoon at the home of Mrs. C. S. Lowry.

## MURRAY-GO-AROUND

By Ernest Bailey

It is not just Acres "Spurg" Austin and James "Butch" Heath now. They're colonels suh! These two former Murray Staters, the first from this college, have been commissioned by Governor Ruby Laffoon as colonels on his ever widening staff.

Every new reporter on a paper is always told the old warning that when a dog bites a man, little need be said about it, but when a man bites a dog then that is news. A College News reporter taking this story to heart once brought in a news story when Prof. Forrest C. Pogue failed to make a speech.

XXXXXXXX

As I write this column I plan, like several other Thoroughbred followers, to be in Bowling Green when this paper comes out watching the Racehorses endeavor to gain further net laurels. I hope that I have something good to write about.

XXXXXXXX

Apologies to the Lone Star state of Texas and the Tarheel state of North Carolina for unavoidably leaving you out in my last census of states represented on the campus. These two states bring the total represented at Murray up to 15 states.

XXXXXXXX

Coach Carlisle Cutchin, who has piloted the Thoroughbreds to 14 victories and only three conference losses, favors the center-jump, the problem that at the present is bothering the basketball rules committee.

XXXXXXXX

Tragedy seems to have haunted Nashville students for the past

two weeks. First Joe Torrence's uncle died, then Carl "Bud" Hager is killed on a motorcycle. A crippled friend of Ben Muse also died. And of course, John Langham and Robert "Nub" Shelton have their regular troubles.

### Prof. F. C. Pogue Talks on Japan at International Meet

Prof. Forrest C. Pogue, social science instructor of Murray State College, spoke to the International Relations Club on "Japan" at a meeting on Tuesday morning, February 19.

Mr. Pogue gave the historical background of Japan and its relation to our present situation. Hubert Jacob appointed Jack Byrd and Graden Dill to collect money for the club picture in the Shield, college annual. Miss Mabel Phillips presided over the meet.

### Miss Lockhart Is Student at Murray

Miss Zittelle Lockhart, daughter of Mr. and Mrs. Cora Lockhart, of Lynn Grove, Ky., has entered Murray State for the spring semester of 1935. Miss Lockhart, since receiving her bachelor of science degree from Murray State College, has taught in various cities in the state. For the past year, she was an assistant in the English department of Western State College, Bowling Green, Ky.

Miss Lockhart is majoring in home economics in order that she may get a Smith-Hughes degree in that subject from this college.

## FRESHMEN STAGE VALENTINE FETE

February 14 Spirit Carried Out in Social Event Held by Murray Class.

The valentine spirit was carried out at the second Freshman party of the school year in the co-ed gymnasium of the liberal arts building on Thursday night, February 14. The gymnasium was beautifully decorated with charts. Refreshments of heart-shaped sandwiches and hot chocolate were served. Bill Carrier and his popular collegiate dance orchestra furnished the music.

Dancing was enjoyed from 7:30 p. m. until 10 o'clock p. m. William Kemp sang "Mighty Like a Rose" and "That Wonderful Mother of Mine" as a part of a brief program. Robert Everett, Bradley Thurman, Dalton Woodall, and Gaston Shelton, all members of Dr. G. T. Hicks' extra-curricular activities class, presided over feature show-booths.

Miss Evelyn Linn and Dr. G. T. Hicks are co-sponsors of the Frosh. Members of Carrier's orchestra who played were: Roy Darnell, piano; Joe English and John Thompson, trumpets; Bill Carrier, J. D. Cosby and Carl Irvin, saxophones; Howard Akers, trombone; Floyd McClure, bass; Tommy Allred, drums.

### Instructor Listed for Many Speeches

Prof. Forrest C. Pogue, social science instructor of Murray State College, will give an address Tuesday, February 26, for the English Club of the city of Murray. He will also speak to the Magazine Club of Murray Thursday, February 28. The social science instructor will give the eighth grade commencement address for the Cayce school on March 8.

## Murray Is Only Teachers College Represented in TVA Program; 100 Institutions Send Students

By Casner Carlisle

Murray State College was the only teachers college represented in the TVA's college boy educational program during the past summer.

Early in June the Authority issued a call for 100 college boys from Auburn, Alabama, T. P. I. Carson-Newman, Millsaps, Missouri School of Mines, Ole Miss, Union, Mississippi State, Sewanee, Howard, Birmingham - Southern, Southwestern, Tennessee, Vanderbilt, Murray State, and others. The quota from each school was based on enrollment. Thirty-five were sent to Wheeler Dam in the Muscle Shoals District, while the remaining 65 were sent to the Norris Dam near Knoxville. These college boys did a little of every kind of work that a common laborer does around a dam.

They were a great cosmopolitan group of boys. One was so good in mathematics that he was called "Einstein". One was the son of a former Polish nobleman by the name of Petruska from Bayou la Balle, Ala., a little fishing village on the Gulf. Another was the son of the cashier of what was formerly Alabama's largest bank—before it crashed. Many were from the hills and gullies of the Tennessee basin. There were two members of Southwestern's football squad of this year: Jones and McElder; one member of Vanderbilt's, Uffelman; one from Tennessee's squad, Geeter; one member of T. P. I.'s, Burkehalter; one member of Birmingham-Southern's undefeated team, Clemm; and a player from Union, Sharpe.

At Wheeler, these young men learned that Muscle Shoals was named by the Indians because it took "heap big muscle" to paddle over the treacherous shoals. It is often supposed that Muscle Shoals

was named for the muskells that abound there, but this belief is not true. Muscle Shoals is a shallow portion of the Tennessee River in Northern Alabama over 100 miles long with countless thousands of islands, or shoals, formed by brush lodging on protruding rocks. The river is about a mile wide but is only a few feet deep with a solid rock bottom.

The boys learned that Wheeler Dam was named for the famous Confederate general, Gen. Joe Wheeler. His son still lives on a big cotton plantation nearby and is a very eccentric old gentleman still blossoming with the glory of the old South. He taught mathematics at West Point for years but is now retired.

They were shown various phases of the progressive, dynamic program that may bring more happiness and more real American liberty than the world has ever known. Each Friday in assembly they listened to the heads of the construction and engineering departments who explained certain aspects of the dam and answered questions. These engineers are foremost in their field in this country having constructed dams both in this country and South America.

The boys were sent back to college in September. They will know early next spring if they, or others, will get work with the TVA next summer.

Jesse Newman, member of the College News staff, returned to his home in Henderson, Ky., Saturday, February 9. He has been under the care of a physician since his return home. He does not know when he will be able to return to school.

WHEN YOU WANT TO  
MAKE UP AND DON'T KNOW HOW...

I'm your best friend

# Schedule of Courses for the Mid-Semester Beginning April 1, 1935

## CALENDAR

April 1—Mid-Semester registration.  
April 2—Class work begins.  
April 3—Last day to register for maximum credit.  
April 8—Last day to register for credit.  
May 23-30—Commencement week.  
May 31—Spring semester closes.

## EXPLANATORY NOTES

1. The last half of each course scheduled below will be given unless indicated otherwise. **First half and double courses are printed in bold face type.**

2. Students may enter the **LAST HALF** of any course marked with a star (\*) even if he has not had the first half of the course, provided he has taken the prerequisites to the course.

3. The first half of a number of courses is offered. On approval of the head of the department concerned, the last half of these same courses may be taken at the same time, thus enabling a student to complete the course during the mid-semester. **If the demand is sufficient, the first half of other courses, or double courses will be offered.**

4. Private instruction will be given in any of the following courses in Music. The days and hours in each instance must be arranged with the instructor.

Music 114, Piano ..... (1)  
Music 115, Violin or Cello ..... (1)  
Music 116, Wind Instruments ..... (1)  
Music 117, Voice ..... (1)  
Music 214, Piano (Advanced) ..... (3)  
Music 215, Violin or Cello (Advanced) ..... (3)  
Music 216, Wind Instruments ..... (2)  
Music 217, Voice (Advanced) ..... (3)

5. Supervised Student Teaching. Provision will be made for all students desiring to take Supervised Student Teaching during the mid-semester.

For Full Particulars, Address  
J. W. CARR, President  
Murray, Kentucky

# Courses to be Scheduled for Summer Session Beginning June 10, 1935

## SUMMER SESSION 1935

Full session, June 10 to August 17 ..... 10 weeks  
First term, June 10 to July 13 ..... 5 weeks  
Second term, July 15 to August 17 ..... 5 weeks  
Summer school will be in session six days per week.  
Regular faculty in charge.  
Training School will be in session.  
Complete schedule will be published soon.  
Expenses For Entire Session  
Room and Board at Dormitories \$50.00  
Incidental fee ..... 8.00  
Books and other incidental expenses, about ..... 30.00  
Total for 10 weeks ..... \$88.00  
Tuition Free to Kentuckians  
For full information address—  
JOHN W. CARR, President, Murray, Ky.

## Courses to Be Scheduled for the Summer School 1935

AGRICULTURE  
101 General Agriculture ..... (3)  
102 Animal Husbandry ..... (3)  
200 Farm Crops ..... (3)  
205 Dairy Husbandry ..... (3)  
ART  
101, Public School Art ..... (2)  
102AB Freehand Drawing ..... (2)  
106 Arts and Crafts ..... (2)  
201ABC Composition and Painting ..... (2)

203A Art Appreciation ..... (3)  
BIOLOGY  
101 General Biology ..... (4)  
104 General Botany ..... (4)  
112 Nature Study ..... (2)  
203 Animal Ecology ..... (2)  
211 Systematic Biology ..... (2)  
COMMERCE  
100 Penmanship ..... (0)  
101 Introduction to Typewriting I ..... (3)  
102 Introduction to Typewriting II ..... (3)  
103 Economic Geography of Foreign Countries ..... (3)  
104 Introduction to Shorthand I ..... (3)  
105 Shorthand Principles ..... (3)  
107 Principles of Accounting I ..... (3)  
108 Principles of Accounting II ..... (3)  
110 Business Arithmetic ..... (3)  
201 Principles of Accounting III ..... (3)  
205 Shorthand Dictation and Transcription ..... (3)  
217 Modern Economic Problems ..... (3)  
220 Public Finance and Taxation ..... (3)  
EDUCATION  
100 Classroom Management ..... (3)  
101 General Psychology ..... (3)  
104 Teaching the Common School Branches ..... (3)  
117 Child Psychology ..... (3)  
132 Supervised Student Teaching—Elementary Grades ..... (3)  
204 Supervised Student Teaching—Elementary or Secondary ..... (3)  
205 Educational Psychology ..... (3)  
207 Public Education in the United States ..... (3)  
209 Materials and Methods of Social Studies ..... (2)  
212 School Administration and Supervision ..... (3)  
222 Personnel Problems in School Administration and Supervision ..... (3)  
225 Tests and Measurements ..... (3)  
228 Extra-Curricular Activities ..... (2)  
232 Supervised Student Teaching—Secondary Subjects ..... (6)  
233 Supervised Student Teaching—Secondary Subjects ..... (3)  
235 Mental Hygiene ..... (2)  
ENGLISH  
101 Freshman English I ..... (3)  
102 Freshman English II ..... (3)

## DISORDERS OF MIND IS CHAPEL THEME FOR PSYCHOLOGIST

Prof. C. P. Poole Declares More People in Mental Hospitals Than in Colleges.

### SPEAKER LISTS THREE BRAIN DISTURBANCES

"At the present time there are more people in mental hospitals in America than there are students in our colleges and universities," Prof. C. P. Poole, of the education department of Murray State College, pointed out in an address to the students of the institution at the regular chapel hour, Monday morning, February 11. Professor Poole opened his address with a discussion of insanity—the most serious of all mental abnormalities—but devoted the remainder of his talk to what he believes are the three most common mental diseases: hysteria, neurasthenia, and psychasthenia.

Professor Poole explained hysteria as being the fear which overtakes one who is a victim of imaginary diseases. Neurasthenia, according to the Murray psychologist, is the feeling of physical exhaustion. Twelve million cases of this disease are known to exist in America. Presumably the highest form of nervousness, psychasthenia, a condition of exhaustion and a feeling of not being yourself, is found mostly among ministers, college professors and students.

"Every one of us needs to know how to relax. When I do not know how to relax is when I cannot see the humor of life," said Professor Poole.

The Murray instructor described the symptoms of fear which are responsible for many cases of insanity.

"I believe that you lose your mind by suggestion," he stated. "By suggestion I mean fear."

Professor Poole devoted the remainder of his address to psychasthenia, touching on the subjects of mental healing, spiritual healing, healing by suggestion, and hypnosis.

"No normal person can be hypnotized the first time against his will; the moron cannot be hypnotized at any time; the brilliant person makes the best subject, but cannot be hypnotized against his will; the mentally deficient should not be hypnotized, and persons with an 'obsession' could be hypnotized and profit by it," he declared.

"Try not to live a stereotype life. Don't worry; live a clean moral life, and there will be no reason for mental disease," he concluded.

### Eaker-Christopher

Announcement has been made here of the marriage of Miss Julietta Eaker to Maurice P. Christopher, graduate of Murray State College. The marriage took place on Christmas day in 1934, Cairo, Ill., at the bride's home.

A graduate of Cairo High School, Mrs. Christopher attended Murray State College and Southern Illinois Normal University. She has been employed as a teacher in Cairo. While at Murray State, she was a member of the college orchestra, the A Capella Choir, and the Sock and Buskin Dramatic Club. Mr. Christopher is employed as mathematics instructor at Somerset High School. He was a member of the Sock and Buskin Dramatic Club and the Chemistry Club.

Mrs. L. J. Horton and Miss Lula Clayton Beale were hosts for the February meeting of the Mattie Belle Hays Circle of the M. E. Missionary Society on Monday evening, February 11, at the home of the latter.

### Campus Chatter

By Stumpy and Stew

We pause to pay tribute to a friend; one who has finished his last game, who has played his last game, and one whom we all loved dearly. The campus mourns the untimely death of our friend, Carl "Bud" Hager.

Got a big letter from Burnsville, Miss., about our first edition of this column, from "Snag" Reid, our old roomie in the boarding house. Thanks, Snag. . . Here's hoping we make the tourney in Jackson.

Missed Joe Torrence from school for a week. Sorry to hear of the tragic death of his uncle.

The basketball boys brought back some excitement from Jackson, Miss.; along with two victories, came a parade of derbies and striped sweaters.

We seldom see our roommate these days. "Where is Joe?" is a question often heard, and all we can say is, "Practice House."

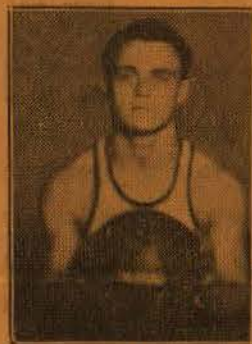

"Just got three days," is a common saying among the co-eds the past few days, but from what we hear, it's going to be even more so.

### CHATTERETTES—

Look out, Bob, the roaches might carry "Sarg" off. . . Carolyn reads the right chapter in the wrong book. . . a common saying, "I get out next Tuesday." . . "Swede" spent last week-end at home. . . Some one tried to buy a chapel seat from Dr. Carr's secretary. . . wonder if he has paid his radiator fee? . . So long. . . Don't forget to write. . .

### Rayburn Plays Well at Guard

J. D. "Stumpy" Rayburn, Wheatcroft, Ky., senior in Murray State Teachers College, is a valuable member of the Murray State College Thoroughbreds.

This Thoroughbred guard has been one of the best defensive men on the Breds basketball squad this year. Rayburn played in every game and in every case proved himself not only a valuable defensive man, but a consistent scorer as well. In 18 games, he scored 59 points to prove that his ability as a basketball player is not limited only to defensive ball playing. Though his usual position is guard, "Stumpy" has on several occasions been shifted by Coach Carlisle Cutchin to the forward position, where he plays with the same sureness and with equal ability.

### Miss Wooldridge To Return in February

Miss Margaret Wooldridge, art instructor of Murray State College, who has been studying abroad since August, 1934, writes that she will return to Murray about the last of February, according to her sister, Miss Virginia Wooldridge, of Murray, a junior in Murray college.

While on the Mediterranean coast, Miss Wooldridge lived in the chateau of a friend and painted landscapes in oils.

## WOOSLEY IS CLUB CHIEF

Dr. Charles Hire and Prof. A. Franklin Yancy Named As Sponsors.

Alvan Woosley, La Center, Ky., was elected president of the Nathan B. Stubblefield Physics Club of Murray State College at a meeting of the club Monday night, February 11. Mr. Woosley plans to receive his bachelor of science degree with a major in physics.

Dr. Charles Hire, head of the science department, and Prof. A. F. Yancy, physics instructor, are sponsors of the group.

Others elected were: Jack Covington, Mayfield, Ky., vice-president; R. H. Falwell, Jr., Murray, Ky., secretary - treasurer. Mr. Woosley appointed a program committee composed of Richard Hughes, John Cosby, and Jack Covington, all of Mayfield. Willard Petway explained plans of the annual staff in regard to club pictures.

### SENATOR "FATS" HOPES TO BE BIG SHOT IN STATE POLITICS

I began with this: "Senator, I would like to interview you for about thirty minutes if you have time."

"Sure, make yourself comfortable, and I will be with you in a minute," replied the 265-pound "Senator" (better known as Robert Ashton "Fats" Everett). I will feel more able to talk after taking a shower."

While waiting for the "Senator" to finish his shower, I noticed that his room was draped with football placards and pictures of Tennessee governors.

"Senator, how did you happen to start your career by enrolling at Murray State College?" I asked.

He answered, "I read much about this college and my high school superintendent recommended it to me." Everett attended the grade schools of Jordan, Ky., and graduated from the Union City High School where he was business manager of the football team for two years. The teams were undefeated in the two years that he was their business manager.

#### Starts in Politics

The "Senator" first started his political career in the fall of 1928 when he took personal interest in a sheriff's and a trustee's race in his county. In the summer of '34 he worked strenuously in the campaign of Hill McAllister for governor of Tennessee, who was elected by a majority of 70,000 votes. One time when the "Senator" was by the road tacking up a card for Governor McAllister, the nominee came by and, seeing him, stopped, and talked to him a few minutes. After the election, the governor, being in Union City, happened to see "Fats" and he graciously thanked him for the work he had done in the campaign.

This year "Fats" Everetts is one of the few students of the College who has seen every game that the Thoroughbreds have played this season. In some cases he has traveled as much as 500 miles to see them play. "Fats" also has many pictures and write-ups of the Murray graders which hang around his room. Another of his pet hobbies is reading newspapers or else taking them. He is a subscriber to four daily newspapers, The Nashville Banner, The Commercial-Appeal, The Sun-Democrat, and the Union City Messenger. He also takes the Ohio County Herald and The College News.

After majoring in social science at Murray State College, "Fats" intends to finish law course at Cumberland University, Lebanon, Tenn.

### Officers Elected By Les Camarades

Les Camarades Français met Thursday morning, February 14, in Miss Bishop's room. The following officers were elected for the spring semester: Cleveland Holliday, president, Fulton, Ky.; Carolyn Beadles, secretary, Fulton, Ky.; Juanita McDougal, treasurer, Murray.

Plans were made for a St. Patrick's party to be held March 1, to pay for the club's annual page. Interesting programs have been planned for future meetings, held every fourth Tuesday. Les Camarades Français is a club for all students interested in French.

### Four Co-Eds Move Into Practice Home

Four Murray State College co-eds and one instructor moved into the new home economics practice house on West Olive street, Monday, February 4.

The practice house is the former home of Coach Carlisle Cutchin, which is located just east of the men's dormitory. Those students living in the house are Misses Mildred Miller, Hazel, Ky., Lydia Blow, Hickman, Ky., Gladys Homra, Fulton, Ky., Elizabeth Daniel, Franklin, Tenn., and Miss Evelyn Slater, instructor.

## All Patients and Staff Rescued as Mason Hospital Burns to Ground

Dr. Ora Kress Mason

Heroic rescue efforts of the staff saved the lives of all the patients of the Mason Memorial Hospital which burned to the ground with a \$180,000 loss early Sunday morning, February 17.

Many members of the hospital staff of physicians, surgeons, and nurses have been connected with Murray State College. Mrs. W. H.

Dr. W. H. Mason

Mason, vice-president and surgeon, has served for a number of years as a member of the college regents. Dr. H. Calvin Smith of the staff has been a student of the college, while Dr. W. H. Graves' daughters and son have likewise attended Murray State.

Many of the nurses are now students at college. The officials of the hospital have arranged for temporary headquarters, pending the development of plans for rebuilding.

## MRS. BARR DIRECTS PAGEANT PRESENTED AT MURRAY STATE

A pageant, "The Quest for Happiness," directed by Mrs. J. C. Barr, was presented by the Presbyterian Church of Murray in the little chapel of the administration building at Murray State College, at 3 o'clock Sunday afternoon, February 17. Miss Carrie Allison, physical education instructor in the college, assisted in directing the program.

Brief addresses were made by Dr. J. C. Barr, pastor; Prof. F. D. Mollen, public speaking instructor of the college; and Prof. F. C. Pogue, of the college social science department. Prof. Leslie Putnam, of the college music staff, sang a number. Many college students participated in the pageant.

Briefly, the pageant represented in three scenes youth's quest for happiness from babyhood until maturity, when true happiness is found in the spirit of religion.

Students of the college who took part in the pageant were: June Martin, Gladys Ward, Christine Johnson, Frances Rogers, Sue Wyman Shelton, Dorothy McElrath, Mary Allison Badger, Carey Winslow, Helen Western, Virginia Frances Crawford, Katherine Bondurant, Howard Brumbaugh, Louise Quettermous, Linda Sue McGeehe, and Miss Myra Peck.

Everything was made by the children. The rugs were shaped and made by the girls, while the boys fashioned the bookcases and footstools out of orange-crates. Vases, wallpockets, and bowls were made and colored by the children out of clay obtained at Pottertown.

Some unique furniture was contributed by the parents of the children. Mrs. Butterworth contributed the material for a long flowing draper. A 75-year-old block was given by Mr. W. T. Wooten of Murray. A 100-year-old musket was contributed by the Huie children. Old fire-irons were secured by the Baucum children.

### Chemistry Club To Initiate Members

The Chemistry Club planned for the initiation of new members at its regular meeting on Thursday, February 14. An initiating committee consisting of Bob Pollard, Bob Hahs, and John Cosby, was appointed by the president, C. T. Winslow, Jr.

A program committee was also appointed, composed of Louis Hicks, Willard Petway, and Malcolm Henley. A short talk was made by Professor Blackburn on the functions of the club. Several new members were present, and the initiation will be held at an early date.

## Mrs. Wolfson Talks At Club Meeting on French Customs

"Social Life in France" was the subject of a talk given by Mrs. A. M. Wolfson at a combine meeting of Les Camarades and Les Savants Tuesday morning, February 19.

Mrs. Wolfson told of the three classes in France and answered questions of students about social events in that country. Cleveland Halliday, president of Les Camarades, appointed the following chairmen of committees: Christine Johnson, publicity; Sylvia Staudt, social committee; Rebecca Tarry, program committee. Les Savants held a luncheon meeting at the Collegiate Inn on Tuesday, February 19. Miss Maryleona Bishop is sponsor of Les Savants and Les Camarades.

Announcement was made of the foreign language department party and dance to be given Friday night, March 1, in the men's dormitory, to secure funds for pictures in the Shield, college annual. Lee Cannon and his orchestra will furnish the music.

### Howle Plays at Center Position

Accounting for 75 points in 13 games, Curran "Red" Howle, one of Coach Carlisle Cutchin's sophomore varsity basketball stars, has turned in good performances at the center post for the Murray College Thoroughbreds this season.

"Red" was obliged to miss five games on account of an injured ankle. Howle is from Barlow, Ky., where he played four years of basketball. He was chosen center on the all-county and district teams.

Howle is six-feet and three inches tall and weighs 185 pounds. His educated hands can do many miracles with a basketball. His towering height has always caused considerable trouble for his opponents.

Besides being a capable center on the net team, Howle is a baseball player. He has played with many outstanding clubs of Western Kentucky. He plans to coach after graduating from Murray State. He is the son of Mr. and Mrs. S. L. Howle of Barlow.

### Langham Enrolls

John Langham, Nashville, Tenn., graduate of Murray State College has enrolled in Murray State College to take special courses. Mr. Langham, for the past year, has been a member of the Nashville school system.

### Chapel Notice

All students who have not had permanent chapel seats assigned to them for the semester are asked to attend to such at the earliest possible date. Dr. John W. Carr, president of Murray State Teachers College, announced in chapel, Monday morning, February 18.

Dr. Carr pointed out that the students who have not been assigned chapel seats have only to report to his secretary and they will be assigned permanent places in the auditorium.

Students at Murray State College are given seats according to their class classification. The freshman class occupies the seats to the right of the middle aisle, entering the building from the main entrance. The other classes are arranged by sections, from right to left of the freshman section.

## Robert Hester Takes Radio Examination at Nashville, Tennessee

Robert Hester, 15 year old son of Mrs. Cleo Gillis Hester, registrar of Murray State College, went to Nashville, Tenn., Thursday, February 14, for the purpose of taking the continuous wave examination for a license to operate an amateur radio station. "Bobby" says he successfully passed the first half of the examination, but will not hear from the second half for six weeks.

The young radio enthusiast plans to operate a radio broadcasting station from the basement of his home in Murray. The penalty for operating such a station without license is \$10,000 and two years imprisonment.

Young Hester was one of the students who last year built and operated the radio station W4XFI of Murray State College. He has been interested in radio since he was 10, and has built many receiving sets. He is a student of the Murray State College Training School.

## Quartet Sings at Almo, Salem

The co-eds' quartet of Murray State College sang for the Pennyrile Bankers Association at Salem, Ky., Friday, February 15. The quartet also sang at the Almo High School for a play given by the junior class of that school on February 9.

The banks that compose the Pennyrile Association are the banks of Princeton, Kuttawa, Edinburg, Marion, Salem, Smithland, and Fredonia. The association plans to have both of the Murray quartets at their next meeting which will be held in Kuttawa, Ky. The quartet is composed of: Miss Martha Gregory, first soprano, Murray; Miss Linda Sue McGeehe, second soprano, Mayfield; Miss Louise Quettermous, first alto, Salem; and Miss Marion Slocum, second alto, Murray, Ky. Miss Myra Peck, Lowes, Ky., is the quartet accompanist.

## DR. AND MRS. CARR GIVE RECEPTION AT HOTEL FOR STAFF

126 Attend Social Affair in City Saturday Night, February 16

### COLONIAL MOTIF IS USED IN DECORATION

One hundred and twenty-six persons attended the reception given in honor of members of the Murray State College faculty and board of regents and their wives by Dr. J. W. Carr, president of the college, and Mrs. Carr, at the National Hotel in Murray, Saturday night, February 16.

Decorations were carried out in the colonial motif. On entering, each guest received a hatchet bearing the name of a president or president's wife and was supposed to match correctly the hatchet.

The following program was presented:

Student's String Quartet: Toast to New Faculty Members, A. B. Austin; Response, Fred M. Gingles; Toast to Faculty Wives, Herbert Drennon; Response, Frances Hicks; Solo, Warren M. Angell; Student's String Quartet; Women's Quartet; And He Never Told a Lie, A. Franklin Yancy; R. A. Johnston, C. S. Lowry; Round, "To the Lairs", led by Price Doyle; Student's String Quartet; Round, "To Dr. Carr", led by Price Doyle; Round, "To the Faculty", led by Price Doyle.

Following the program, Mrs. Carr led the grand march to the banquet room. Many of those present later danced the Virginia Reel and other old fashioned dances.

## Miss Townsend Is Head of Household Arts for Semester

Miss Selma Townsend, Hickman, Ky., was unanimously re-elected president of the Household Arts Club at the regular meeting on Tuesday morning, February 5. Other officers elected were Miss Gladys Homra, Fulton, Ky., vice-president and Miss Lyda Blow, Henning, Tenn., secretary-treasurer.

Miss Mabel Phillips, organizations editor of the "Shield" discussed probable arrangements with the club concerning its space in the annual and members voted to take a full page.

A quilt, to be of blocks of muslin on which flowers of different colors are applied, is being made by the members of the club, and chances will be sold on it as a means of securing funds to pay for the space in the annual.

The next meeting will be held on February 26 in the home economics room in the liberal arts building.

## E. Denson's Team Wins Co-Ed Basketball Tourney at Murray

### Champs Cop Four Victories and No Loss

With four victories and no defeats, E. Denson's team composed of E. Denson, Wallace, Webb, Wallace, and Byrd, won the co-ed basketball tourney at Murray State College under the direction of Miss Carrie Allison. Flowers' team was second with two wins and two losses. V. Denson was fourth with one win and three losses and Stanley was fifth with no wins and four losses.

About 60 co-eds have participated in intramural basketball in Murray State College, under the direction of Miss Carrie Allison, physical education instructor. Five teams have been captained by V. Denson, E. Denson, Dale, Stanley, and Flowers.

On Monday, February 11, Dale defeated V. Denson in a close game by 13-12. For Dale, Chirman was high pointer with Logan a close second. V. Denson was high scorer for her team.

E. Denson defeated Flowers by 22-19. E. Denson was high point co-ed with 12 points. Webb, center, was second with 8 points. On the other team, Flowers was outstanding.

On Tuesday, February 12, Dale defeated Stanley by 21-10. Chirman made 11 points, and Logan made 6. Stanley was good at both forward and guard. She made 9 points.

K. Denson defeated V. Denson 27-9. Webb showed up with 15 points, while E. Denson accounted for 12. V. Denson made 8 points for her side.

One of the best games was played Wednesday, February 13, when Stanley's team with four players was defeated 20-19 by Flowers' team. Flowers had six girls but used only five at a time. Stanley was outstanding, making 14 points. Beadles, her co-forward and center, made 5. Good guard work was shown by Hubbard and Straud for Stanley, and by Meshew for Flowers.

E. Denson's team defeated Dale's team 36-18. Webb was high pointer with 29 markers while Beadles marked up 16. Logan was high pointer for Dale with 11 points, while Chirman turned in 1. White was outstanding as a guard.

Flowers defeated Dale 30-15. Flowers was high point co-ed. Meshew played well at both guard and forward and counted for six points. On Dale's team Chirman was high pointer with 11 points.

Flowers also defeated V. Denson 23-7. Cox led the winners with eight points. V. Denson played well at forward and guard for her team.

Finishing up her play, E. Denson defeated Stanley 37-18. Denson was high point co-ed with 18 points, while Webb tallied 17 for the winners.

Beginning this week the co-eds, under Miss Allison's supervision, will stage another tournament with various counties represented in the college participating.

Miss Mary Green Johnson, a graduate honor student of Murray State College, who is now teaching in Crittenden County, was a visitor on the campus last week.

### "Lulu" Graham Is Murray Standby

Louis "Lulu" Graham, the varsity cage player of Murray State College who scored eight points in the last eight minutes of the Murray-Lambuth game February 4, has always given the impression of great shyness.

He was born November 10, 1915, the son of Mr. and Mrs. Claude Graham of Heath, Ky. He graduated from Heath High School in 1933. "Lulu" played basketball there for three years and was captain of the team in 1933. That team went to the state tournament in 1931 and in 1933.

He was chosen on the all district team in '31 and the regional team in '33. He also played baseball in high school. In the summer 1934, Louis played softball for the Frigidair Company of Paducah.

He had influenza and was unable to play only as a sub during mid season this year.

When Murray gets in a tight spot it seems that "Lulu" is the old stand-by. He proved that in the Murray-Lambuth game and several others this year.

## MURRAY WINS FOR SECOND TIME OVER MILLSAPS QUINTET

### Thoroughbreds Conquer Majors at Jackson, Miss., on Road Trip in South.

### CUTCHINMEN TRIUMPH BY 28-29 OVER FOES

For the second time this season, the Murray Thoroughbreds conquered the Millsaps Majors on February 8, by the close count of 28-20. The game was played in Jackson, Miss.

This was the second game of a southern trip made by the 'Breds. Magruder, Captain Phillips, and Howie played best for the Murraymen, while Baxter starred for the Majors by scoring 15 of their 20 points and missing only 2 tries from the floor.

The lineup: Millsaps (20) Pos. Murray (28) McDonnell 2 F Graham Bullock 1 F Magruder 7 Gregory C Howie 8 Godwin 1 G Kent 1 Baxter 16 G Phillips 8 Sub: Murray: Carroll 1, Rayburn 2; Millsaps: Buie, Loftin.

### To Give Party

Mrs. C. S. Lowry will be hostess at a party given at her home on West Olive, Tuesday evening, February 26, at 7:30, for all students who are members of the Christian Church. It is for the purpose of organizing a Christian Church League in M. S. T. C.

## MURRAY IS VICTOR OVER MISSISSIPPI QUINT AT CLINTON

### Coach Cutchin's Team Wins by 43-26 in Final Game of Southern Trip.

### TRIUMPH IS TWELFTH IN 14 LOOP TILTS

Winding up their southern tour, the Murray State College Thoroughbreds rose to great heights and downed a stubborn Mississippi College five, 43-26, at Clinton, Miss., on February 9. The victory was the twelfth S. I. A. A. triumph in 14 starts for the Cutchinmen.

The first half was nip and tuck with the lead changing several times. At the half the 'Breds led 17-15.

The Mississippians started the second half with a bang, and gained a 5-point lead. Then the never-to-be-denied Graham started a scoring spree. Shooting with the uncanny accuracy, he laid in a total of 8 field goals, and hit the wicket for 2 foul pitches, bringing his total points to 18. Howie played a great game, scoring 11 points.

Kelly, the Southerner's center, scored 11 points, while his teammate, Odum, was chalking up 8 points.

The lineup: Murray (43) Pos. Miss. Col. (26) Magruder 3 F Nelson 2 Graham 18 F Odum 8 Howie 11 C Kelley 11 Phillips 3 G Farrell 2 Kent 3 G Drury 3 Substitutions: Murray: Rayburn 1; Carroll 2; Millsaps: Treadway, Referee, Knight, Southeastern.

## CARROLL IS ACE CAGER

In the small community of Heath, Ky., located west of Paducah, there was born, on 25th day of January, 1915, a son to Mr. and Mrs. O. L. Carroll. This son was given the name of Willard.

At the age of 14, young Carroll was admitted to Heath High School, where he later developed into one of the best athletes ever turned out by that school.

Willard played basketball for three years with the Heath High School team, playing at a forward position and averaging in the neighborhood of 11 points a game during his entire career as a basketball player. He was on the Heath teams that won the District and Regional tournaments in the years 1930-31 and 1932-33, both of which were defeated in their first contest of competition in the Kentucky State Basketball tournament for high schools.

Carroll entered Murray State in 1933 and made a freshman numeral in basketball in 1933-34 and is practically a cinch to win a letter for participation in basketball at Murray College this season.

Willard, although not considered one of the first five on the Murray roster, has participated in practically every game played by the college quintet this season, playing at a forward position. Incidentally it was Carroll's field goal in the final second of play that enabled Murray's Thoroughbreds to eke out a 20-18 victory over Kentucky Wesleyan, Thursday, in the first game of the state tournament now going on in Bowling Green.

### Portfolio to Have Pen-Ink Sketches

For the first time in the history of Murray State College, a club page in the "Shield", the college annual, will be composed of pen and ink sketched portraits of members of the club. The Portfolio Art Club has just finished designing a page of this kind.

At a meeting Thursday night, February 7, at the studio in the Training School, those belonging to the art group drew names and each member made a pencil sketch of the member whose name he drew.

### Presnell-Cox

Announcement has been made of the marriage of Miss Evelyn Presnell, Smithland, Ky., a former student of this college, to William Cox, Marion, Ky., which took place Saturday, February 9, at the home of the bride's parents.

Those from Murray who attended the wedding were Miss Imogene Brown, Miss Elizabeth Daniels, Miss Ruth Wilson, Miss Gladys Homra, and Mr. Harry Wilson.

## Alderson Captures National League Intramural Title

With seven victories and no losses, the Aldersonmen have won the National League intramural basketball race. Casey Organ, with five wins and only one loss is now leading the American League fight. If he wins his game with the Irvin team Monday, Organ will be the American League champs. If he loses, then Irvin, Hicks and Organ will be tied for first place and it will be necessary that a run-off be held between these two teams.

Winners of the two league will play this week for the intramural basketball championship. Following this sport, round robin volleyball will be taken up. Players interested in this sport are asked to sign up on the bulletin board on the first floor.

Following is the standing of the two leagues:

National League	Won	Lost
Alderson	7	0
Shelton	6	1
Mullins	4	3
Miller	3	4
Faculty	3	4
Clark	3	4
Bailey	1	6
Tolson	1	6
American League	Won	Lost
Organ	5	1
Hicks	5	2
Irvin	4	2
Bryant	4	3
Millard	4	3
Hughes	3	4
Wright	2	5
Torrence	0	7

"Nub" Shelton's team defeated Clark 23-17 to clinch second place in the National League. McClain, Newman, and Wesley led the winners, while Captain Clark did best for his team.

Casey Organ's five knocked Keith Bryant and his men out of any further chance for first place in the American League by winning 35-16. Lumsden did well for Organ, while Captain Bryant did best for his team.

Clinching the National League Race, the Aldersonmen trounced Tolson 34-9. The entire Alderson team played well while Fowler and Captain Tolson did well for the losers.

Louis Hicks' team defeated the American League cellar-holders captained by Joe Torrence 38-27. Captain Hicks, Rhodes, and Phillips led the winning offense, while Wilson, Woodall, and Bogle did best for the losers.

Concluding their season, the Baileymen lost to Robert "Nub" Shelton quintet 31-13. "Swede" Wesley, Riley, and Frazier led the Sheltonites, while Jack Carroll made nine for Bailey.

Continuing its winning streak, Keith Bryant's team defeated Palmer Hughes 34-14. Captain Bryant, Lawrence, Greenwell, and Gunter led the victors offensively, while Sargent, Scillion, and Captain Hughes tallied most for the losers.

The Murray State College faculty, paced by Coach Roy Stewart who made 22 points, nosed out James Tolson's team 37-36. Prof. Walter Blackburn, captain of the faculty team, scored eight points, while Coach Miller and Prof. Clifford Thurman made four each. Prof. A. Franklin Yancey did well defensively for the faculty. For Tolson, Burken, Fowler, and Captain Tolson did best.

In another game the faculty lost to Robert Shelton 34-23. Riley, Wesley, and McLean led the winners, while Coach Roy Stewart made 15 for the faculty. Bailey forfeited a game to Alderson.

Palmer Hughes' quintet jolted Casey Organ's five with their first loss of the season by a 24-21 score. Hughes managed a slim 16-15 half-time lead.

In a close game between two top-notch teams, Wayne Millard's outfit nosed out Pete Wright 18-17. Millard led 9-7 at the half.

Continuing its great playing, the faculty team, led by Coaches Roy Stewart and John Miller, was unable to cope with the Aldersonmen, potential winners of the National League crown, and lost 38-15.

After being led 18-10 at the half, the Mullins-captained netters coasted through to a close 23-21 victory over the Clarkmen. Long, Wooley, Wyman and Rogers led the winners.

Led by Captain Keith Bryant and Sammy Greenwell, the Bryantmen nosed out the Irvin-captained team 30-26 in a crucial game.

Burnett Miller's four-man team lost to Tolson 40-26 for Tolson's first victory of the season. Fowler, Burken, and Detraz led the victors.

Continuing its winning streak, Louis Hicks' team defeated Wright

## 'BREDS WIN AGAIN; TROUNCETEACHERS OF MEMPHIS 47-32

### Murray Varsity Leads at Half by Score of 24-13 in Easy Victory.

### GRAHAM IS STAR FOR PURCHASE CAGESTERS

The Thoroughbreds made a big start on their southern tour by downing the West Tennessee five 47-32, on February 7, in Memphis, Tenn. Murray had previously defeated Memphis here.

The 'Breds were never pushed and they led 24-13 at the half. The game gave the Cutchinmen a standing of 10 S. I. A. A. victories against two defeats.

Graham, although not starting the game, played a whoop-up game and scored 14 points. Magruder was next with 11 points. The guarding and floor work of Howie and Captain Phillips were outstanding. Schwarger and Harris played well for the Tennesseans.

The lineup:

Murray (47)	Pos.	West Tenn. (32)
Magruder 11	F	Mayo 4
Kent	F	Harris 7
Howie 9	C	Schwarger 6
Phillips 8	G	Gray 7
Rayburn 2	G	Schwarger 8

Substitutions: Murray: Baker 2, Carroll 1, Herndon, Graham 14, West Tenn.: Tucker, Ferguson.

## Varsity M Club Has First Dance

Approximately 150 persons swayed to the rhythm of Lee Cannon and his well known collegiate dance orchestra at the first dance ever given by the Varsity "M" Club of Murray State College, Saturday night, February 9, in the gymnasium of the liberal arts building. This was the second dance of the year at the college.

## Western Swamps Murray 44-24 Before 3,500 Fans

### Loss Is First of Season on Home Hardwood

By Ernest Bailey

One of the worst defeats ever suffered by a Murray State College Thoroughbred five was administered by its greatest sports rival, the Western State Teachers College, by a score of 44-24 before a capacity crowd of 3,500 on the Racehorses' hardwood Tuesday night, February 12. The loss was the first of the season for the Racehorses on their home floor.

Evidently tired out from a successful three-day southern road trip, the Kentucky Men-O-War failed to play the basketball they played against the Hilltoppers at Bowling Green when they lost by only 32-29.

After Captain James Phillips had dribbled down the floor in the first two minutes of play to sink a field goal with his celebrated one-hand shot to give the 'Breds a 2-0 lead, the Murraymen were unable to get ahead or even to tie the score during the rest of the game. With the score 11-7 in favor of the Westernites, the Murraymen were not allowed a single point during the rest of the first half. The score at the half was all Western, 24-7.

The victory clinched the Hilltoppers undisputed first place in the Kentucky Intercollegiate Athletic Conference and left the Racehorses in second place. Both teams are expected by some fans to meet in the K. I. A. C. tourney finals at Bowling Green on February 21-23, although the Cutchinmen may have difficulty with the Centre Colonels. Western has won the K. I. A. C. tourney for the last two years. The 'Toppers also won the S. I. A. A. tourney at Jackson, Miss., last year.

With the rest period between the halves gone, the Murray Staters ceased to some extent their lethargic playing and tallied 15 points, while holding their opponents to 20 chalk-ups.

Coach Ed Diddle, mentor of the smooth-working 'Toppers, took no chances on losing the game and substituted only during the last three minutes of the game. Eleven personal fouls were called on each

## Murray Closes Net Season, Downing Mid.-Tenn. 33-28

### Record Is 14 Wins and 3 Losses in Loop

Concluding their regular season play, Coach Carlisle Cutchin's Murray State College Thoroughbreds came through in the last five minutes of play to defeat the Middle Tennessee State Teachers 33-28 before only 800 fans on Tuesday night, February 15, on Murray's home floor.

The victory closed Murray's S. I. A. A. season with 14 conference victories against only 3 losses.

Behind 26-25, with only 300 seconds left to play, Captain James Phillips, Ross Magruder, and Lewis "Lu Lu" Graham collaborated to score eight points which were enough to clinch the game for Murray. To indicate the closeness of the contest, the score at the half was Murray ahead 17-14.

Murray was never headed during the first half, but in the last half the lead wavered from team to team.

Ross Magruder, highest scorer on the team and listed among the

top-notch tallying aces in the state, made 11 points to lead the 'Breds in scoring. Close behind was "Lu Lu" Graham with 10 chalk-ups and Captain James Phillips with eight markers. Norton, guard and captain for the Vols, was the sparkplug for the losers' offense and defense. Bob Fox, Union City, Tenn., officiated the conflict.

## PROF. F. D. MELLEN SPEAKS ON SPEECH

Instructor Addresses Students in Chapel at Murray State College.

Prof. F. D. Mellen, public speaking instructor of Murray State College, addressed the students of the college in chapel Monday, February 18, on "Some of the Fundamentals of Good Speech."

"If you are to speak well you must have a vigorous body," Professor Mellen stated in enumerating four important points to be considered in speaking.

"Second, the vocal organism must be developed with respect to consonance and vowels," he averred. He then touched on the value of correct enunciation and articulation as means of improving one's speech. He explained why a good vocabulary is the most valuable "tool" of the speaker.

Professor Mellen's fourth point was the necessity of preparation and of analyzing the subject. He pointed out the necessity of reading literature with a thought for the manner in which the reader would expect the author to present it.

The chapel program was opened with the students singing "Alma Mater." Prof. C. P. Poole led the assembly in prayer. Dr. J. W. Carr, president of the college, presided.

## Prof. F. C. Pogue, Musicians Present Program at Sebree

Prof. Forrest C. Pogue, social science instructor of Murray State College, spoke at a meeting of the Parent Teachers Association at Sebree, Ky., Friday night, February 8. Mr. Pogue was accompanied by the men's quartet, which furnished a musical program.

Miss Doris Springfield, a graduate of Murray State College, was hostess to Mr. Pogue and the quartet. Miss Springfield teaches in the Sebree High School.

"Is Education Worth What We Are Paying for It?" was the subject of Mr. Pogue's address. The quartet sang the following numbers: "In the Northland," by Clay-Smith; "Bless This House," by Brahe; "By the Sea," Franz Schubert; "While I Have You," J. A. Parks; "Standing in the Need of Prayer," arrangement by Peery; "I'd Like to Go Down South Once Mo'"; Parks; and "I Passed by Your Window," by Brahe-Lucas. Roy Darnall is the accompanist for the quartet.

The quartet also gave a short program in the afternoon at Clay, Ky., where J. B. Cox, a graduate of Murray, is superintendent. The quartet is composed of Robert Sanderson, Lone Oak, Ky.; Loren Putnam, Murray; R. H. Falwell, Jr., Murray; and Bill Duvall, Paris, Tenn.

## 14 Initiated by Chemistry Group at Murray State

Fourteen new members were initiated into the Chemistry Club of Murray State College, Wednesday evening, February 20, in the administration building.

Those initiated were: Joe Casten, Owensboro, Ky.; Dorothy Smith, Bardwell, Ky.; Goodloe Sargent, Kevil, Ky.; Joe Dunn, Arlington, Ky.; Jim Allison, Owensboro; J. B. Hilliard, Clinton, Ky.; Alton Thacker, Murray, Ky.; Stewart Jackson, Montgomery, Ala.; Dee Cochran, Mayfield, Ky.; David Ausmus, Mayfield; Joe Coulter, Mayfield, Ky.; Pope Johnson, Springfield, Tenn.; Morris Adair, Murray; and H. T. Hughes, Murray.

## Wells Hall News

By Carolyn Beadles

If there are no serious objections to changing the name of this column, how about making it a more general one? Open for suggestions as to a new name.

Did you ever think that a member of our varsity basketball squad (Stumpy by name) would go in for milk showers? All right then, just you investigate a certain incident that happened a few days ago in the kitchen. Stumpy found that the shower was in no way an aid to his complexion and was decidedly detrimental to his new varsity "M" sweater.

Boys! Do you have your no-breaks filled yet? Just as I thought, from the way certain groups of co-eds have been assembling in rooms, paper and pencil in hand, and arguing for hours about swapping no-breaks for the tea dance Friday. Just getting even? No, they're just seeing to it that you boys are in no embarrassing positions. You're supposed to return the favor.

What are bulletin boards for? The one in Wells Hall seems to be used for a market report, or rather, a sales report. Advertising matter ranges from apples for sale to hem-stitching service.

Seen out of windows: Three dormitory girls, one serving out a campus, talking with two very small boys on bicycles.

Quite a few girls, on both first and second floors, have suddenly decided to make the honor roll this semester. They say they have become regular "sit-at-homes".

Speaking of dances, (or was it?) wouldn't the boys love to listen to the "post mortems" after each social function! Congregations in every room give the "low down" on all males present at a dance. Here are a few snatches of conversation: "Who?" "Yes, he was rather sweet to me." "Was he?" "Well, he surely did give me the merry-go-by." That's okay, though, just you wait for that tea dance—I'll shine there!" "Do you like to dance with him?" "Oh, he's marvelous, but how about his line? Rather unusual, but fun, don't you think?"

## Prof. Fred Gingles Added to Faculty As Head of Commerce

Prof. Fred Gingles, who received his A. B. degree from Murray State College in 1929 and his master's degree in business administration from the University of Texas, has been chosen head of the new commerce department, latest addition to the curriculum of this college.

Mr. Gingles has previously taught in teachers colleges and resigned his position with the Texas Relief Commission to come to Murray State.

The new faculty member is a native of Calloway County. He received his early business training at Bowling Green Business University, and besides his A. B. and master's degrees, he has done considerable work toward his doctorate.

Commerce classes will meet in the Training School. Fifteen new typewriters have already been rented. Classes will probably be arranged in shorthand, commercial arithmetic, typing, and possibly book-keeping and accounting. Later possibly a B. S. degree in commerce with regular college credit may be offered.

Approximately 200 students have expressed a desire for the work.

When the schedule of classes is completed, it will be posted on the bulletin board.

FREDDIE BARTHELOME and EDNA MAY OLIVER, in "DAVID COPPERFIELD" at the CAPITOL THEATRE TUESDAY and WEDNESDAY.

## Burnette Accepts Agricultural Post

W. P. Burnette, a senior in Murray State College, the son of Mr. and Mrs. C. N. Burnette, Fulton, Ky., has accepted a position as chief tester for the Purchase Dairy Herd Improvement Association.

The association is an organization of the American Jersey Cattle club through the University of Kentucky.

Mr. Burnette was the college photographer, and has been a member of the Alienist Society, the Sock and Buskin Dramatic Club, the Chemistry Club, and the Fulton County Club.

## RAMBLES

By Robert D. Rowland

Cheer up ladies and gentlemen. Yes, this is another column. But this columnist will break an age old precedent of first issue columnists of the College News and not apologize for writing another one, because there probably will not be enough readers of this column to apologize to. Moral is: Why be a columnist?

The Lone Weasel has turned maestro!! Bill Carrier, alias the Lone Weasel, has organized a dance band from college students that is destined to go places.

I've changed my schedule so many times that the registrar's office has offered me a job to take care of the increased business.

As a member of the PORTFOLIO Art Club I am taking part in something unique and different. This smock and beret group is making sketches of its members to be placed in the forthcoming annual, and believe you me they are making these likenesses with uncanny skill.

Since Clifford Isbell has left-us who will take the alligator bait? Take heed, cub reporters, and profit by the experience of a veteran journalist who has pioneered this fascinating beat. It was Mr. Isbell who made Oscar I famous. Now it is your duty to go thou and do likewise for young Oscar II. Just think of interviewing a real jungle beast, Oscar II, the demon of the everglades!

## Guard and Forward

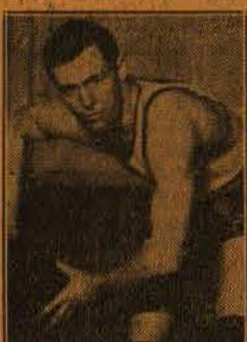

Cecil "Slim" Kent, playing his last year for the varsity, is one of the best players in the conference.

## Substitute Center

Butler, out for the varsity this season, is destined to be one of the best on the team next year.

## Flashy Guard

Wilford Baker, though small in stature, is a flashy player—hard to stop.

## Official Scorer

"Stew" Stewart plays but little on the hardwood, but with the scorebook, he's hard to beat.

Howard Swyers, outstanding musician, has returned to Murray State College to resume work on his degree. His wife is also with him. Mr. Swyers was formerly featured singer and violinist for Richard Cole's Empire dance orchestra.

School officials are commending the college for its fine professional spirit, and for the high standard maintained in every department. The institution also has been praised by graduate schools for the high scholastic records that graduates of this college make.

## FROSH LOSE FINAL TO MURFREESBORO

Miller's Yearlings Are Defeated by 33-26; Record is 7 Wins and 2 Defeats.

Closing their 1934-35 basketball schedule, Coach John Miller's Murray College Frosh lost to the Middle Tennessee Frosh 33-26, Friday night, February 15, on the Murray hardwood. The loss gave the Murray Frosh a season total of seven victories out of nine.

Failing to play the brand of ball that they have played all season, the Yearlings allowed the Tennesseans to take a 17-15 lead at the half. McKeel and Mantle led the scoring for Murray with six points each, while H. Campbell and Pruitt led the winners.

**Murray** Pos. Middle Tenn.  
Kiefer 4 F Murphy 4  
Noel 3 F C. Campbell 4  
McKeel 6 C Green 2  
Stanley 0 G Pruitt 11  
Brooks 4 G H. Campbell 12  
Subs: Murray: Mantle (6); Bur-  
keen (2).

## Students Sing

Miss Linda Sue McGehee, Mayfield, and R. H. Falwell, Jr., Murray, voice students of Prof. L. R. Putnam studio, sang at the Murray Rotary Club meeting in celebration of "Ladies Night" on Thursday evening, February 21.

Miss McGehee sang "L'Amour-Toujours L'Amour" by Cushing and "When Love is Kind" by Moore. Mr. Falwell sang "Trees" by Rabash and "Messages" by Grey. The meeting was held in the National hotel at Murray. Miss Myrla Peck was the accompanist.

## Dr. Carr Sends Wire To Captain

Capt. James Phillips: Congratulations on second victory. Glad you have usual pep. Highest enthusiasm on home campus. Highest expectations and best wishes.

J. W. Carr, President  
8-23-25

## DORM DOINGS

By Robert Sanderson

How different a thing becomes when you are made a part of it. Dear old College News, never again will I frown when my name appears as "Sanders," nor will I glance at your streamerless front page and mutter personal opinions.

Seth Boaz left some mighty big shoes to be filled.

"Please me patient with this column, Seth, I'll spell my name with a C until it gets to clicking."

The male quartet of the college took a nice trip to Sebree on February 8. Dorris Springfield, former Murrayite, was the hostess and a good one. We left at 11 a. m. Friday and returned to Murray at 4:40 Saturday morning. Explanation, "I'm Just Lost in a Fog." Ask that drunk we saw in a ditch about driving conditions that night.

Mr. Pogue was the speaker. He told the same jokes that he told during Education Week 'way back in '34. He's a good speaker though and a thoroughbred.

Poetry: With apologies to Lord Byron and the copyright owners. Take, Take, take. Leave my old gray sweater, oh gee. If I could only find the things, That did belong to me.

## Foreign Language To Sponsor Dance

The foreign language department will sponsor a party and dance to be given March 1 from 7:30 p. m. until 10 o'clock to secure funds for the Shield pictures of the Classical Club, Les Savants, and Les Camarades. Lee Cannon and his "South's Outstanding Collegiate Dance Orchestra" will furnish the music. The event will be held in the lobby of the men's dormitory. Miss Beatrice Frye is head of the foreign language department and sponsor of the Classical Club, while Miss Maryleona Bishop, French instructor, is sponsor of Les Savants and Les Camarades.

## STEWART EXPLAINS VALUE OF MURRAY INTRAMURAL SPORTS

By Ernest Bailey

Asked the importance of intramural sports in a college, Coach Roy Stewart, Murray State College varsity football mentor and director of intramural athletics, replied in a recent interview that probably the best reason that an intramural program should be offered is that it touches more students.

As a climax to the intramural program, Coach Stewart plans, with the cooperation of Prof. William Fox, band director, to have an enormous athletic festival or pageant to be held at night on Murray State's new athletic field. Persons from the states of Kentucky, Illinois, Missouri, and Tennessee, are expected to attend this colorful event. A panorama of the various sports would be shown and possibly a quarter or half of a football game would be played. At this event the men with the most points obtained in the various athletic activities will receive medals.

## 160 Taking Part

Under Coach Stewart's guidance a total of 160 men are now taking part in Murray College's gigantic intramural program. Coach Stewart inaugurated intramural sports here two years ago, and they have been met with a great deal of success.

"Do you think intramural sports will ever supplant intercollegiate competition?" Coach Stewart was asked. Stressing the fact that both have their places on a college athletic program, Coach Stewart pointed out that intramurals take the mass of students to give them recreation while varsity athletics take players at the peak of perfection to represent the college. "Both have their places," he added.

"In comparison with intercollegiate sports, intramurals give recreation to those students that need it most. Those athletes that take part in intercollegiate contests do not need exercise so much," Coach Stewart remarked.

The intramural director, who had a great deal of training and did research in intramural athletics at Columbia University, New York, stressed other reasons for the importance of intramural athletics

such as; the small expense attached to intramurals, the aiding in good health, development of sportsmanship, and leadership.

Before the festival is held, other sports to be taken up after the basketball "round robin" is terminated are: handball, tennis, track, baseball, softball, football, and spring football.

## 55 Attend Bridge Party Given By Classicists' Club

Approximately 55 persons attended the bridge party given by the Classical Club of Murray State College on Friday, February 8, in the men's dormitory. Refreshments were served. The bridge party was given to help raise funds for the club picture in the college annual. Miss Blondell Boucher is president of the club and Miss Beatrice Frye, head of the foreign language department, is sponsor.

Those present at the bridge party were: Mr. and Mrs. Gordon Pennebaker who were hosts of Mr. and Mrs. B. F. Scherffus, Mr. and Mrs. J. H. Branch, Dr. and Mrs. M. G. Carman, Dr. and Mrs. Herbert Drennon, and Dr. and Mrs. N. M. Atkins. Miss Frye was host to Mr. and Mrs. Ed Duguid Jr., Mr. and Mrs. Joe Lovett, Mr. and Mrs. C. S. Lowry, Mrs. Cleo Gillis Hester, Mrs. Barney Langston, Mrs. Carlisle Cutchin, Misses Suzanne Snook, Lillian Waters, Susan Pepper, and Tennie Breckinridge.

Others present included: Dr. Floy Robbins, Dr. and Mrs. Charles Hire, Miss Roberta Whitnah, Prof. Clifford Thurman, Mr. and Mrs. Paul Woodall, Miss Sheila Higgins, Miss Mary Elizabeth Edwards, Miss Sara Akin, Miss Mary Louise Moore, Miss Ruth English, Miss Anna Lou Wilson, Miss Maribel Holland, Miss Nancy Williams, Holland, Miss Nancy Williams, Johnson, Miss Blondell Boucher, Miss Anne Fenerick, Miss Rosemary Miller, Miss Ernestine Parks, Wayne Millard, Johnny Boling, Albert Seay, Rogers Ransome, and John Langham.

# Done movin'

Smokers of Chesterfield are funny that way, you can hardly move 'em. They evermore like 'em, and they evermore stick to 'em. Chesterfields are milder—they taste better.
