The TRIBUNE.
PUBLISHED EVERY WEDNESDAY.
J. R. LEMON, Editor & Proprietor.

Our county is on the roll of progress. We will not let it rest for just a moment, but will keep it moving forward. Nothing worthy of note ever stopped, but has moved on to better things. We have come to the point in our growth where we are now less interested in what has been done than in that which will be done. It is the future that we seek to make better than the past. Now that we have demonstrated our ability to build up, let us not rest until we have reached the goal.
