NEED TO CULL BARN CATTLE

With prospects of record breaking cattle prices on the market, now is the time to cull barn cattle. It pays to buy your straw and feed as early as possible. If you feed your cows on the wrong kind of straw this winter, you will not have enough for next season. Cull your barn cattle at the earliest possible time. Sell the best beef and save feed for next season.

PROTECTION

FROM the advancing market by our buying the marketable on hand and able to deliver to you at the old price. By our purchase of material from outside who for your guides our order and there plenty with reliable connections. Fowls and hens and experience above everything to guarantee your satisfaction and protection.

**No Ballyhoo**

No, sir! No ballyhoo, no loud talk or exaggerated claims ever put BROWDER’S FLOUR on the level it now stands. It was facts—not claims—that passed from neighbor to neighbor concerning the SUPERB BAKING qualities of our flour.

It is to this, mainly, that we attribute the popularity of these famous brands:

**YOUR YOUNGESTS NEED THIS Big Special STUDENT LAMP**

Get Yours Now Before Stock Is Exhausted

$1.95

FOR A LIMITED TIME!

FOOK: Your children at school may be getting poor grades because they’re suffering from eye strain due to inadequate light where they do their homework, cuttings, etc.

Why possibly does?

Give them this splendid U.S. STUDENT LAMP, which provides a flood of white light without glare or shadows—for study, reading, sewing, and other class work mediums.

To ensure with light distribution this handsome, study lamp is 38 inches high, and has which heavy gourd—nucleus shade with brass nipple clamp. Weighted rubber base keeps from tipping. Ideal for processions and libraries. The shade and pink adjustable reflector allows plenty of rays to form lamp wound. Choice of two double shades—beige, ivory or English. This is an outstanding bargain.
